# From the Driver's Seat

Harvey Yancey, President

## Reflections on 2010

As this year comes to a close I find myself reflecting on all of the successful events put forth by this Region in the past 12 months. PorscheFest 2010, our Club Race ('The Carolinas Challenge'), Fall Tour, multiple Driver's Ed and Autocross events as well as dozens of other various events including top down Concours, swap meets and social gatherings. All-in-all an exciting and successful year.

But I also look back on the loss of dear friends of this Region, namely Dale Hewitt and Tom Norby. They will both be missed for their selfless contributions to the Region and PCA over the years and their respective giving natures. I personally feel fortunate in having known both of them.

## Board of Director Vote

While the votes are still being tallied as of this writing, I want to thank everyone that participated in the Board of Director election last month. This process is a very important part of the Club and its traditions.

I do want to address several inquiries as to why Dale Hewitt's name was on the

ballot after his passing. Some thought it was a mistake while others thought that it was inappropriate from a procedural basis. The actual reasons were two fold.

Dale and I had a discussion several months ago as to whether he wanted his name on the ballot for the Vice President position. During that discussion he expressed his desire to continue on in that position. So the main reason we kept the original ballot was in order to honor his request even in light of the circumstances.

Another small part of the equation was that there was simply not enough time for the Nominating Committee to seek out and vet other candidates for the position. So now the question is: what happens now?

Our By-Laws take into account such situations under Article IV, Section 2:

*Vacancies for the office of President and Vice President shall be filled through nomination by the Board and subject to approval by a quorum of the Board of Directors. All Officers appointed due to vacancies will hold that position until the next annual election.*

Our next Board Meeting is to be held on Saturday, December 4th prior to the 50th

Anniversary / Holiday Party in Greensboro. This will be one of the main topics on our Agenda. Hopefully we will be able to fill the VP position during that meeting.

## Plans for 2011

2011 will be as busy if not busier than 2010. One of the things that we have to be aware of and plan around is the 2011 Porsche Parade to be held in Savannah July 31st - August 6th. I know that many members in

## 2011 will be as busy if not busier than 2010.

the Carolinas Region intend on attending, including myself, and we do not want to have any conflicting events if possible.

Planning wise, one of the things that we are going to try this coming year is to have Regional Planning Meetings separate from the Board Meetings. This will allow a better focus on upcoming events without having to focus on any other business as we currently do during the Board Meetings.

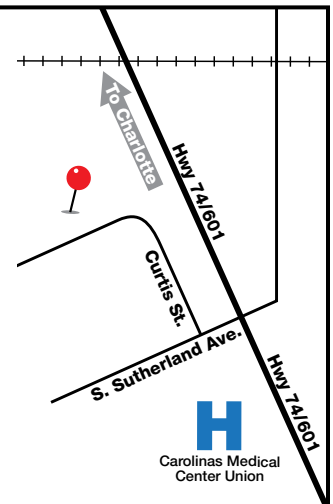

Vivian, Willow, Cooper and I wish you and yours a safe and happy holiday season!

Harvey

**October 1<sup>st</sup>** was the official first day of business for Zuffenhaus and Eurowerks in our new location, 1127 Curtis Street in Monroe. Just 9 miles east of our old shop and a block from Highway 74, our new 16,000 square foot location offers huge potential and room for an increasing list of services. Watch for our grand opening celebration coming soon.

# Carolina Motorsports Park Club Race 2010

By Nadine Saville. Photos courtesy of fantinesvoice.com,  
John Davison and Tom Morgan

So... one last article about the 2010 Carolinas Challenge PCA Club Race weekend. . .

After a one year hiatus, the Challenge made it back onto the calendar. And while it was a great time, I have to admit that I am glad that it is now a past event. A lot of work went into making it happen, and a lot of people stepped up and did a wonderful job.

First and foremost I want to thank each and every one of the volunteers because

things would not have gone as smoothly without you!!!

The second set of thanks go out to all the sponsor's and advertisers that were key in allowing the weekend to come together: Apex Performance, TRG, Autometrics, Foreign Cars Porsche, Black Forest Garage, Carolina Orthopaedic Specialists, Martin Bros Construction, Pennington Law Firm, RennGruppe, Bob Woodman Tires, Grand-Am, Continental Tire, G.A.S Racing and Fink's Jewelers. We could not have held the event without you!!

The third set of thanks goes out to the track and all the corner workers. We've have been spoiled with a great worker crew and this year just fell in line with all the others. This group did a great job and kept everything flowing smoothly while at the same time having fun!

The weather could not have been better so it seems that our weather coordinator did an excellent job. The National PCA Club Racing staff that came to run the race came from Minnesota, Utah, New York and Maryland so they were

please to have sunny skies each day. They were also very impressed and enjoyed the “Southern Hospitality” that is so prevalent in the region.

The weekend started on Friday with all the drivers getting lots of practice time, a “practice start and fun race” session, and their first real Sprint Race of the weekend. What a busy day!

Saturday brought 2 more Sprint races per group, and we incorporated a DE group throughout the day to break things up a bit, and provide some up and coming drivers a chance to rub elbows with the racers.

For those of you with a keen eye, we had a guest car in one of the DE sessions – Former Club Racing Chairman John Crosby brought out his Smart Car for a few “hot laps” . . . Yes the paint work, center out mufflers, tow hooks, and custom wheels match his cup car!! Oh, and no one will disclose what the Autometrics team may have done to improve its performance. (wink, wink).

On Sunday, we combined the two scheduled 90 minute enduros into one which made for some interesting speed differentials, though everyone played nice and was courteous to their fellow racers. (cont. on pg. 10)

**Opposite page: Halloween means it not your typical starter's garb. Above: The grid for one of Saturday's races shows the wide variety of cars running together. Below: John Crosby's Smart wearing it's own Halloween costume, dressed like it's GT3 Cup big brother. Right: Nadine finally gets to relax.**

Many of the Carolinas Region's racers were in attendance, including Mike Stinnett who has now joined the ranks PCA Club Racing – he completed his rookie race weekend with flying colors!!

Since the race weekend ended on Halloween – we thought it would be fun to have a costume party in conjunction with the awards presentation. Most people thought it was a great idea and joined in the festivities, wearing costumes and decorating their paddocks (awards were given for the most creative!). We had a great turn out and I was truly amazed at how many people participated in the costume contest!!

We had a special opportunity this year, and a lucky few racers took full advantage of it: professional racing driver Spencer Pumpelly from TRG offered his personal coaching services for the weekend, and I'm hoping that all these guys are still grinning from ear to ear as they were at the Saturday night social!

We ended up with 67 racers and 24 DE participants registered. As we have been doing in the past, Rock Webb organized a Multi Marque Charity Car Show on Sunday morning. This is a People's Choice Concours and all the proceeds went to Camp Kemo.

Thanks again to everyone that came out to the track during the weekend – racers, drivers, crew, sponsors, volunteers, workers and spectators. Everyone had fun, and we look forward to seeing everyone again in 2011!

# Gary Bumgardner Pete Chase B.J. and Ann Craven Bill Funderud Cliff Hudgins 50 Years of Memories

## Former Carolinas Region Presidents Reflect on Porsche Memories

By: Catherine Bonfiglio

*In celebration of the 50th Anniversary of founding of the Carolinas Region PCA, we sat down with eight of the Region's former Presidents to get their memories of what makes our club and Porsche ownership so special.*

Gary Bumgardner

### You Never Forget That First Encounter

Fond memories of your first Porsche never seem to fade. Such is the case for Gary Bumgardner, who even remembers the VIN number from that 1972 911T. The car was spotted by a friend who saw it sitting by the side of the road. As Gary tells it, "I actually bought the car without ever having seen or hearing it run. AFTER I paid the guy, we worked to get it cranked. Within 15 seconds of it firing, we couldn't see the ground, our feet, or hands in front of our faces. Apparently there was an oil ring that wasn't doing its job." Marvel Mystery Oil came to the rescue; thus was born a Porsche that served as a touring car, autocross and track car, while

being tweaked constantly along the way. Gary has owned four other Porsche's since that first encounter with the 911T.

As past president and member of the Carolinas Region, the following are some of his favorite memories:

- Part of a three-person team that resurrected Carolinas' Drivers' Education Events
- Contributing \$5000 to the fledgling Carolinas Motorsports Park on behalf of the region
- The first ever Club Race at Roebling Road Raceway
- Organizing the very first track event at Carolinas Motorsports Park.

Gary says the best part of being a Porsche owner has been the many special friends and good times had along the way. "We have been a part of many car clubs over the years, but PCA folks are among the best."

### The Short End of the Stick Eventually Pays Off

Pete Chase

Pete Chase was about to be discharged from the Navy,

with no job prospects awaiting him. As he strolled past Brumos Porsche in Jacksonville Florida, the soon-to-be veteran wandered onto the lot.

"Never one to be shy, I walked in and asked for a job," Pete explains. "They hired me on the spot as a sales person. I sold a car my first day, even though I didn't know how many cylinders it had." Life was good in the car biz for Pete until the day when the sales manager wouldn't let any sales staff leave until someone sold a car. "We had this old beat-up 356 out back and figured that the only way out was to draw straws among ourselves; the short straw would buy the car." So readers, guess who got the short end of the straw? You guessed it. "This became my first Porsche," Pete said. But it was a short love affair. Monday morning I told the manager where he could put the job and the car!"

Pete became a Porsche owner

legitimately a number of years later, and it became a part of his family. "We went to Parades, autocrosses, meetings, and basically every event possible. My wife and kids were as into it as I was. We all worked hard at it and had fun."

He has many fond memories of being a club member and serving as President of the region. One of the most cherished memories is the establishment of the Carolinas Club Race. "My pool table was unusable in October and November because that is where my wife, daughter and I would assemble all of the packages that each racer would get at registration, also run by my wife," he said. "All of that was a long time ago, but I still think of those times fondly." According to Pete, the best part of being a Porsche owner is the people. "That's an easy one. The people make the cars. Cars don't make the people."

## B.J. and Ann Craven

### Can Owning a Porsche Lead to Marriage?

You bet! As B.J. Craven tells it, the numbers 911 and 914 add up to a match made in heaven. B.J. bought his first Porsche, a tangerine-colored 1968 912 in November of '67 from Reece Burris. 1970 rolls around, "and then I made a mistake," B.J. said. "I test drove a red 1970 911T, and purchased it from Reese at Autohaus Porsche in Charlotte."

Reece Burris again played a pivotal role in B.J.'s Porsche-life. Four years later, Reece and his wife Susan introduced B.J. to Ann Reynolds, who had just purchased her first Porsche; a white 1974 914 2 liter. "Thirty miles a gallon sounded too good to resist during the gas crunch of that year," B.J. added. "We drove the 911 on our honeymoon to the '77 Porsche Parade in San Diego for a round trip of 7000 plus adventuresome miles. The first 928 to be displayed in the states was at that Parade. And since the Porsche bug had bitten us bad, we purchased a Caribe blue 1978 928. It leaves the garage on special occasions, but with less than 25,000 miles... not very often."

B.J. has served twice as Carolinas Region president. "I can say that Porsche was a focal point of our lives for many years, including

our son Chad, who competed in the inaugural Porsche/Corvette Big Wheel race at CMS. The best part of being a Porsche owner has been the great friendships we gained not only regionally, but also from attending national Parades in Sun Valley, Monterey, Pocono, and San Diego.

### The Numbers Tell the Story

To say Bill Funderud is a Porsche enthusiast, is an understatement. Over the past 37 years, Bill has owned 42 (count 'em) 42 Porsches.

## Bill Funderud

"I've owned all types. Too many to list," Bill says. But his current Porsche is a 1994 RS America.

Bill has been an active member of PCA throughout the years, and served as a Carolinas Region president in 1978. Those years add up to lots of memories. Among the activities Bill and his family enjoyed the most were autocross, tours, Christmas parties, Porsche Parades, "and many great times with Porsche friends," Bill added.

So having owned all types of Porsches over the last 37 years, what are a few of Bill's favorites?

- 1994 RS America
- 1957 Speedster
- 1970 911S
- 1973 911S
- 1986 911 Turbo
- 1987 911 Turbo
- 1963 35 Roadster
- 1965 356 Sunroof Coupe

### No Cure for This Affliction

**Cliff Hudgins has an "affliction." It's known as Porsche. Symptoms of the affliction first presented themselves when Cliff was 26 years old. "I was definitely the first in my family and the first sports car nut as well. My career and young family were doing well, and thanks to the recession at that time, Porsche prices were cheap. I had always admired them, and felt that this was a good opportunity to try one out." Cliff credits participation in PCA for the**

## Cliff Hudgins

**opportunity to meet other sports car enthusiasts. His first position with the club was as the Triad Director in 1995. "At that first meeting I had, one person showed up, Scott. From that meager beginning, we staged an autocross by that summer and by the time I became President in 1996, we were averaging around 20 for our area meetings."**

**Cliff says he did "some of the work," but felt that would he did best was to promote enthusiasm in other about doing things with their sports cars, whether it be meetings, autocrosses, or drivers education events." His enthusiasm is evidenced by the fact that his "affliction" has led to side-effects such as being the owner of nine other Porsche cars.**

## Helen Lane

### PCA-It's a Family Affair

1976 was a landmark year for Helen Lane and her husband Dick. While living in Knoxville Tennessee, Dick bought a Triumph TR-7 and became active in SCCA autocrossing. When his company transferred him to New Jersey that same year, he commuted home on weekends till the house sold, and continued to autocross. One fateful weekend, a friend let Dick drive his 1972 911T. Dick won the class, even beating the cars' owner. Within several months, he was a 911 owner, and in 1980, he and Helen joined PCA.

Helen caught the autocross bug and began competing in the ladies class. Members of PCA for thirty-plus years, Helen and Dick have been affiliated with the Carolinas Region for 21 years, where she served as president in 1991. One of her favorite events was the Sun Fun Run in the 1990's. This high speed autocross took place on the runways of both Macintyre Air Force base, and later North Air Force base. "This was the only high-speed event in the southeast," Helen said.

She adds that one of the best parts about being a Porsche owner is the people. "We've made friends all over the USA." Thirty years of membership, plus lots of friends, adds up to some great memories. For Helen, some of the most special was serving as co-hospitality Chair of the 1981 Parade in Asheville, where Dick also served as the concours chairman.

This, and the 14 or so other Parades, along with being a "competitive autocrosser" have provided years of Porsche camaraderie and fun. Helen and Dick have owned four Porsches over the years. Their 1982 911SC was included in the 2008 Charlotte Parade Historical Porsche display.

### An Ugly Duckling Turns into a Swan

"Before driving the 912, I thought Porsche's were ugly," stated Ron Morris. "One drive convinced me of the true inner beauty, and ownership gave me an appreciation for the functionality of the styling." He traded his 1966 MGB for a

## Ron Morris

"pristine '66 Bahamas gold 911. For Ron, one word describes the best part of being a Porsche owner; driving.

Ron has many fond memories of involvement in the Carolinas region, particularly one event while serving as the region's vice-president. "Some time in the mid-70's, I was vice-president of the Carolinas Region. We were running the annual

Porsche-Corvette Challenge at Charlotte Motor Speedway (wide open autocross with no pylons on the road course) and I was responsible for timing and scoring. I think we had close to 100 Corvettes and 100 Porsches. We ran two classes as close as possible to comparative performance for men, but ladies had their own separate class. A mistake was made in awarding a lady Corvette driver First in Class, which should have actually gone to the driver of a 356. It fell on me to go to the Corvette thron in the middle of the trophy presentation and take the trophy back. Their president was Chad Alberty, famous among Carolinas Shaggers. He was very gracious and probably saved me from tar and feathers."

### Any Track...Anytime

Brian Sartori is a 944 guy, having owned three since 1999. A self-described "car nut" since early childhood, Brian says "I guess it was inevitable that I would own a Porsche at some time." The Porsche bug bit in 1991 when Brian bought a

**Brian Sartori** new 944S2 after he learned of opportunities to drive at tracks like Road Atlanta and PCA Driver Ed events. It was a slippery slope that resulted in the purchase of two more 944 Turbos.

Brian is the first Porsche owner in his family, and is currently on the lookout for the right GT3. He'll continue his association with the Porsche brand and PCA. "I suppose I can blame PCA for my addiction to track events," he added. A good addiction to have indeed.

## Driver's Education Report: VIR Text by Brian Powell, Photos by Tom Morgan

Well, I have to apologize. I never thought to arrange permission for short sleeves for our annual return to VIR over November 19th-21st. VIR has a long sleeve policy for on-track activities, but will allow short sleeves if prior arrangements are made. Never needing short sleeves for our previous Fall dates there, I've never worried about it. We could not have planned any better weather for this year though and by the afternoon, temps had many in short sleeves. Sorry about that guys. And gals, too. Drivers Ed participants aren't all male. Among others, our own Sun Fun Area Director, Sandy Shirley was seen tooling around the track in her Boxster. She was grinning all weekend!

This year's attendance set a record with 200 in attendance. John Babinski jumped in to chair this event and the huge number didn't faze him. Great Job, John! Our fall event has become a fixture on many calendars. And being blessed with great weather, I expect that will continue. Starting with the Friday solo day, adding the instructed groups for Saturday and Sunday, throw in the Saturday evening social and it adds up to a great way to cap off the year's Drivers Education season.

I would like to thank those who volunteer their time to support the region's DE program. It would not be possible to put on the calibre of events Carolinas Region is known for, without the many hours they put into the program. And that's on top of their day jobs... Nadine Saville, Marty and BJ Barrett, Jim and Robin Hecht, Les Stabler, Herbert Boehm, Harvey Harbour, John Meek, Lee Stabler, John Babinski, Jerry Kilcrease, Gene Kendrick, Dell Tolin, Don Morris, Shane Tisdale and each of our PCA instructors.

Next year will kick off before you know it. A couple reminders to help prepare for 2011. Beginning with our 2011 events, we can no longer accept SA2000 helmets. PCA guidelines require helmets meet either the current Snell standard or one previous version. Snell has released their 2010 SA helmet standard which now outdates the SA2000 certification for PCA DE events. There are significant updates to the SA2010 standard, also including a SAH nomenclature for helmets manufactured for HANs devices. Only SA2005, SA2010 or SAH2010 helmets will be accepted for our Drivers Education events in 2011. SA2005 certified helmets will continue to be accepted until 2015. If you are looking at helmets and will be purchasing soon, consider the lifespan of each standard. Do not confuse the SA standard with the M2010 standard. M rated helmets are designed for motorcycles and are not accepted for Carolinas Region DE events.

Another reminder that all event tech inspections must be performed by approved inspection locations. The list of approved vendors is available on the region website. For instructors who qualify for annual tech inspection, keep in mind the first inspection of the year must still be performed by an approved inspection location.

For more on any of these events contact Brian Powell at [driversed@carolinas-pca.com](mailto:driversed@carolinas-pca.com) (704-260-0716) or Nadine Saville at [clubrace@carolinas-pca.com](mailto:clubrace@carolinas-pca.com).

## Side Notes

While staying at a local B&B during the DE weekend near the VIR track, James Stanislaw met Drew Hill (SSG US Army Retired) and two of Drew's Army buddies. All

three were wounded in operations in Iraq and Afghanistan. James invited them to come to the track on Sunday to watch the Porsche on-track activities and mingle with the crowd of over 200 PCA members and guests. When they arrived we were able to get them a few laps during lunch break in Marty Barrett's Cayenne. Sadie Kilcrease got them Porsche shirts and they got an overview of a DE classroom from Lee Stabler. They were all smiles!! So were we!!

After going off the track at South Bend and plowing up the field, **Mike Dickinson** (Hickory, NC), was honored by a little known Indian tribe for his plowing ability and the eco-friendly manner in which he was unable to restart his car.

Mike's remarks, upon returning to the paddock, included the statement "I went around so fast it made me dizzy".

The name bestowed upon Mike? Why, **Dizzy Weed-n-Bead**.

- Bill Williams

# EURO<sup>®</sup> AUTO FESTIVAL

The 15th annual Euro Auto Festival car show was held at the BMW Zentrum in Greer, SC on Saturday, October 16th. The featured marque was the Volkswagen "Beetle" and there was quite an assortment of Volkswagen's present along with over 400 European autos. Porsches were well represented with a wide variety of the marque present. Trophies were awarded in 6 categories. A "Crowd Pleaser" award was also given to each marque from votes from all entrants in the show. See the list of winners above.

Joe Esposito also won the Corporate Award for "Best Old Timer" for his 1972 911E and Gary Hibler won "Crowd Pleaser" for Mercedes for his 2011 SLS AMG "Gull Wing".

Special note should be given to Bob Barton and his 1965 356 SC Cabriolet which competed in the new category "Best of the Best" which selects previous award winners from different marques and lets them compete only against each other. Bob may not have won on this day but represented our marque with a beautiful example of why we all have pride and love for our Porsches. "Thanks Bob".

The show is only part of the 3 day annual event held on the 3rd weekend of October. Dates for 2011 are October 14-16 with the show being Saturday, October 15th. Mark your calendars now and plan on attending. All proceeds go to the Red Cross. Check for info at euroautofestival.com. Featured marques for 2011 will be the Austin Healey Sprite and MG Midget (50 years) and the Jaguar XKE (50 years). The Volvo 1800 series (50 years) may also be honored.

## Your Personal PCA Membership Information Data: Keep it Up to Date

All PCA Members have the ability to look up and modify their personal information on file with PCA National by using the PCA web site. This feature is very important for members of the Carolinas Region as the individual member email addresses on file with PCA are used when we send out regional emails.

We receive several requests each month from members to update their membership records, however all updates must be done by each individual member through the National PCA web site, [www.pca.org](http://www.pca.org).

If you know your PCA.org logon ID and password you can go to [www.pca.org](http://www.pca.org) and use the login mini tab near the top of the page. Once you are logged in go to the "Membership" tab, on the drop down menu go to Member Services then "Member Record" click it and then click which will take you to your personal information which you can update/edit as necessary.

There is a very small pencil icon to the far right of your record info, that is the "edit" tab. If you are unsure as to whether you have a [pca.org](http://www.pca.org) ID and/or password you can go to [www.pca.org/login\\_help.html](http://www.pca.org/login_help.html) for information on ID's and passwords established by PCA.

New members should have an ID and password already set up by PCA. If you are an existing member and have misplaced your ID and password, you can contact the PCA National office at (703) 321-2111 or email [admin@pca.org](mailto:admin@pca.org) for assistance.

# Area Updates: December 2010

## Hickory Area By Vincent & Vallie Piccirelli

Greetings to all, from Hickory.

We had 24 in attendance at the Old German Schnitzel Haus, in Hickory. As the Flat Rock Grille has closed we are looking for another place to meet.

Sadie & Jerry brought the goodie store and had a very nice selection. Vallie made some purchases for door prizes for our December meeting (hint, hint)

We talked about the Club race and want to congratulate James Stanislav and Kevin Bohem for their wins.

We began collections for our food drive and will do this again at our December meeting.

Please remember to bring canned/prepared foods.

Our December meeting will be our Christmas Party, held at our home, in Rockbarn subdivision at 2495 Birdie Lane, Conover, 28613.

Please bring a heavy hors d'oeuvres to share & BYOB. We will provide soft drinks and desert. Please RSVP Vallie at 828-781-8352. We would like everyone in our area to join us for a fun evening & great door prizes.

We had 40 people & 33 cars at Black Forest Garage Tech Session! John & Lou provided the food and our area provided drinks. A demonstration was held for oil additives and a lot of work was done on cars. We met several new members and raised \$300 for the Hickory Soup Kitchen!

Please read the Tech Session article for more details.

Finally, we have 7 cars signed up for the Kitchens and More tour, on November 20th.

Any questions please call Vallie or me @ 828-781-8352/8332

Ciao!

- Vincent & Vallie Piccirelli

---

## Metrolina Area By Don Morris

We will have a December meeting at 7PM on December 16, the third Thursday, at Maggianos Restaurant in South Park Mall off Sharon Road. Since Maggianos is so busy during the holiday season, we will have an informal meeting with no program and will probably be in the open balcony area. We will be giving away some Goodie Store items and providing some appetizers. So come join in the fun.

We had a successful Club Race at the end of October at Carolina Motorsports Park. It was a successful event that included a solo DE as part of the activities. I got down there Saturday morning to watch some of the activity. Well worth the time.

Cars and Coffee on the first Saturday of the month is becoming a main stay event even in the cooler weather. November found two parking lots plum full of all kinds of cars. Plan on attending one to see the cars and talk with car guys.

We had a very successful Auto Cross at Charlotte Knights Stadium in fort Mill, in spite of the fact that I keep referring to it as being in Rock Hill. Forty seven cars competed in the day long event. Walter Stone was out of town for the weekend, so

I got there at 7am, along with other volunteers, to help put up cones and mark the course and was worn out by mid afternoon as could be seen by my miserable run times. But it was a great event that is a fun challenge. The Metrolina Area sponsored the pizza lunch as a gesture of support for the program. Thanks to Sean and Cari Steinbrueck for doing such a great job of organizing and running the event.

The Hickory Area set up a Shop Tech day on November 13 at BalckForest Racing that some Metrolina Area members, including yours truly, attended. It was a nice event with a good lunch of salad, sandwich, and chili. Proceeds of the event went to charity. Nice job.

By the time you read this the VIR DE will have taken place on Nov 19-21. Advance word from our Chief Instructor, Marty, is that all run groups are filled up. That bodes well for our DE program. The trailer makes its first trip to VIR so here's hoping for no flats nor busted wheel bearings nor other bad thing.

Keep the sunny side up.

- Don Morris

---

## Mountain Area By Jim Peterson

Our 11/6 drive and dine to the Great Smoky Mountains National Park and Pigeon Forge, TN was cancelled due to snow accumulation in the higher elevations of the mountains in NC and TN. Al and Beth Aldecoa plan to reschedule the trip (or a variation) to next spring. Those of us that braved the drive (in the snow) to Deal MotorCars that day had a nice visit and did some brainstorming on possible activities for the Mountain Area for 2011.

The Saturday 12/4 meeting will be held at Deal MotorCars at 10 a.m. and will feature a tech session by BG Products

followed by an update on what's new for 2011 from Porsche, Audi and VW. Porsche technician James Bugg and Porsche/Audi Sales Manager Charlie Shieren will brief the group. Lunch will follow.

No meeting has been scheduled for Saturday, January 1, 2011- New Year's Day. Our monthly meetings will resume in February, 2011. Stay tuned for details.

Hope your holidays are safe and peaceful. I look forward to seeing you at the 12/4 meeting.

- Jim

## Sun Fun Area By Sandy Shirley

Turn out was nice at The Villa for our November meeting. I have been working hard planning next year's agenda. A few things are already on the calendar (see below), but I'm also working on setting dates for some other fun meetings. McDaniels Porsche and Larry Wilson will each host a meeting in 2011. Bunny Craven will do a seminar on the benefits of applying clear film to your cars and Brian Dressler (one of our newest members) will do a seminar on how to properly light a car for photography. Hope to see you at our **Holiday Party!**

If you find you are not receiving emails from me please drop me a line and I will get you added to my list. You can reach me at [sunfun-ad@carolinas-pca.com](mailto:sunfun-ad@carolinas-pca.com)

**December 14th Sun Fun Christmas Party at Alodia's**, 2736 North Lake Drive, Columbia (please note this is not the 3rd Tuesday of the month) RSVP by December 13th to [sandyshirley8@aol.com](mailto:sandyshirley8@aol.com)

- Sandy

## Triad Area By Jerry Kilcrease

In spite of the much needed rain on Tuesday night, the Triad Area had 48 members and guest show up for the meeting in Greensboro at The Box Seat restaurant. Once everyone had arrived, we started the short business meeting by welcoming everyone to our last regularly scheduled monthly meeting of the year. We were especially pleased to welcome first time attendees Danny and Michele Bennet, Shawn Clark and Tommie Jacobowitz. Since the Triad Area is hosting the 50th Anniversary and Holiday Banquet this year, we will not be having our area Christmas party so we took this opportunity to show our appreciation to the attending membership for their support throughout the year by donating some very nice door prizes. We also had quite a few members that had celebrated a birthday since our last meeting and they were treated to a free desert and they had the pleasure of listening to the membership sing "Happy Birthday". Ron Reed used the video equipment to show photographs taken at past PCA events with some great photos of the November Club Race taken by Tommie Lauer. Robert Van Camp shared some video footage that he had taken at the last Carolinas Region Autocross Series event hosted by the Metrolina Area and Sadie had the Goodie Store set up with a variety of club related items. It was a good meeting, lots of fun and fellowship and thanks to everyone for coming out and joining us. I would like to wish everyone a safe and happy holiday season and hope to see everyone at our January 2011 monthly meeting.

**GIP (Girls in Porsches)** (Write-up by Sadie Kilcrease) – Unfortunately, I was unable to attend the November meeting due to the passing of a very close friend. But the girls that attended had a great time and welcomed a new member, Melissa Johnson. The report is that Melissa had a great time and is looking forward to our next meeting. Our last meeting of the year will be held on December 2 at Village Tavern located in Reynolda Village in Winston Salem. We will meet at 11:15. Mark your calendar and join us for fun, food and fellowship. Hope to see you there.

### PAST EVENTS:

**Oktoberfest** – Saturday, October 23rd- We had a great turn out of PCA members and guest for the annual Oktoberfest hosted by Foreign Cars Porsche of Greensboro. This year we held a People's Choice Shine and Show and an Autocross Seminar. Ron Reed was the chairman of the Shine and Show Event and ended up with a total of 18 Porsches displayed on the paddock in front of the facility. After the people's choice votes were counted, 1st place went to Charles and Emily Branch, 2nd place, Jerry and Sadie Kilcrease and 3rd place, Stan and Peg Simm. This was a charity fund raising event and all proceeds (\$270) went to the American Children's Home in Lexington, NC. We also held the first ever Carolinas Region Autocross Seminar and had 13 people sign up. Walter Stone, autocross chairman, first held a class room session then afterwards the group moved outside to the parking lot where a "training course" was set up. After each candidate had a chance to drive the course with an instructor and reached a comfort level, they were allowed to drive the course solo. After the driving session, each candidate was awarded a "Certificate of Completion" for participating in both the classroom and driver's training. Foreign Cars Porsche also catered lunch for all PCA members and guest and provided live music for our entertainment. It was a great event and everyone attending enjoyed the day. (cont. on pg. 20)

**Carolinas Region Autocross Series – Event #4 – Sunday, November 14th** - The Metrolina area hosted the autocross at Knights Stadium located in Fort Mill, SC. They had a record breaking 51 sign ups and there were quite a few Triad Area members at the event. Each group had 3 runs in the morning session, then we took a break for lunch and then each group got 3 more runs in the afternoon for a total of 6 runs for the day. At the end of the day when everyone's best time was reviewed, several of our Triad Area members ended up winning trophies. Wayne Capwell took 1st place in his run group while Jerry Kilcrease took 2nd; John Rutledge and Chris Porter also took 2nd place in their respective run groups. It was a good event and everyone enjoyed the day. This was the last autocross of 2010 so you will have to wait until next year to join in on the fun. Keep checking the calendar section in Tobacco Roads for the next autocross.

**NEXT TRIAD AREA MONTHLY MEETING:**

TUESDAY, JANUARY 18TH, AT THE BOX SEAT IN GREENSBORO – The Box Seat is located at 5006-E High Point Road, Greensboro, NC 27407. The meeting will start at 7pm, we have a short business meeting, a guest speaker (if one is scheduled), then dinner and fellowship. Sadie will be there with the Carolinas

**Triangle Area** By Bob Kim

We had a terrific month of November in the Triangle Area, replete with a wide variety of activities that attracted several of our members.

**Beach Run to Beaufort:** On November 6th and 7th, the Triangle Area held our annual Beach Run to Beaufort, NC. It's a picturesque destination that is the perfect place to park our Porsches for a day, and spend some time exploring and socializing with friends. I should mention that the food at Clawson's restaurant was outstanding. Special thanks to Jeff Schiff for pulling together all of the logistics for the event. I'm confident that the group will gladly return to Beaufort next year.

# Don't abandon your investment plan. Rethink it.

If market fluctuations and economic uncertainty have you second-guessing your investment plan, it's time to take a closer look. With an Envision<sup>SM</sup> plan, we can help ensure your goals are measurable, reprioritize them if necessary, and adjust your strategy to reflect realistic expectations and your own comfort level for risk.

Call today to get started.

Region Goodie Store and Ron Reed will provide photographs of current PCA events. So circle your calendar and please come join us for fun and fellowship. Contact Jerry Kilcrease at [jkilcrease@triad.rr.com](mailto:jkilcrease@triad.rr.com) if you have any questions or comments.

– Jerry

**Charity Laps:** On November 12th, Virginia International Raceway hosted Charity Laps in order to raise funds for the Salvation Army. A small group of us took time off from work and joined the fun. For those of you who haven't participated in charity laps before, it's an opportunity to drive your car on track at controlled speeds - pace cars were in the front and rear of the pack and no passing was allowed. So, it's a great way to get a sense of what it's like to be on the track.

The charity laps were great fun. For some of us, they were great practice for the Carolinas drivers' ed class the following weekend. (cont. on pg. 21)

**Monthly Meeting:** We tried a different approach to our November monthly meeting - we moved from the third Thursday evening of the month to the second Saturday morning of the month. That simple change led to the best meeting attendance we've had at one of our monthly meetings. We're going to continue this arrangement for at least a few more months, given the positive feedback and attendance.

**Autocross:** On Sunday, November 14th, I participated in the Carolinas Region final autocross event of the year. There was a large number of participants, and a great variety of Porsches. But, it wasn't the most powerful or advanced models that won the event. Instead, it was the more nimble drivers and cars that were most successful.

Special thanks to Sean and Cari Steinbrueck, and Jerry and Sadie Kilcrease for putting together a fun and memorable event.

Upcoming Drivers Ed: Well over a dozen members of the Triangle Area will participate in the Carolinas PCA Drivers Ed, Nov. 19-21. We're looking forward to a terrific event. I'll be sure to provide a full write-up and photos from the event in the next Tobacco Roads.

**December Triangle Area Meeting**

The December meeting will be held on Saturday, December 11th at the Bean & Barrel in Chapel Hill from 9am to 11am. I will send out a reminder the week before the meeting.

Also, we are currently planning a January holiday party for the area. Stay tuned - I will send everyone more information as it becomes available.

Other future events that we're working on are:

- Detailing workshop
- Tech session and open house at Chuck Miller Motorsports
- New Year's Day Drive and Dine

If you have any suggestions for any other events, please e-mail me or give me a call at (919)816-6117.

Have a safe and joyous Holiday Season!

- Bob

## Upstate Area By Gene Kendrick

The Upstate Area continues to have great turn outs for our monthly meetings. We counted 46 people at our Monday November 1st meeting at Quaker Steak and Lube in Greenville . We had guests Shawn and Grechen Morrow with us. Shawn spoke to our group about his experiences using and selling Brad Penn Racing Oil. The motorheads in our group had many questions for Shawn, and the discussion was quite interesting. Shawn supported the Carolinas Region Club Race recently with door prizes and his expertise.

We are looking forward to the Upstate Annual Christmas party to be held this year at the home of Kelle and John Corvin on December 10th at 6:30 PM. Please RSVP by December 4th. Remember to bring an item for our charity auction with Col. Shane Tisdale serving as auctioneer.

Remember we will not have our regular first Monday monthly meeting in December as we hope everyone will attend the Christmas party.

As I write this, a number of our Upstate members are returning from a wonderful Carolinas Region DE at VIR in Alton Virginia. Members of our group are heavily involved in planning and managing the Regional DE events. John Babinski was event chair for this week end's event with over 200 drivers in attendance. Shane Tisdale worked the event as Co Chief Driving Instructor under the wing of Marty Barrett, our long time Carolinas Region Chief Driving Instructor. We had a great local turn out as well with Tim, Ronda and Alex Ziegenfus, Martha Babinski, Billy Fulbright, Jessica, Jim Horner, Paul Lueskow, Bill Gerwig, Mark Essex, Joel Barber driving, cooking or enjoying the unusually warm weather at the track. All of our group returned with smiles, intact cars and many memories. Tim Ziegenfus may be making headway in his longtime quest to prove that a Cayman S can run with the big dogs in the GT3s that are so popular at our driving events.

## Black Forest Garage Tech Session By Vincent & Vallie Piccirelli

A HUGE Thank You to John, Lou and the crew, at Black Forest Garage, in Denver, for another great Tech Session. There were 20 cars worked on.

Black Forest provided 5 Technicians and 3 lifts. Some of the work included '03 Twin Turbo oil change, replacing a 911 steering column bushing, solving '77 911 electrical problems, Boxster detection for possible unauthorized chip modifications, removed an engine from a 914, convertible top repair, and DE tech inspections just to name a few.

John had planned to give some question and answer time but they were so busy everyone just dived into their projects.

It was hard to keep track of everyone, but it looked like we had 40 people and 33 cars. John and Lou provided the food and the Hickory Area provided drinks & paper products. A demonstration was held for oil additives by Chuck from BG Products.

We met several new members and raised \$300 for the Hickory Food Table!

The ladies who were there also and appeared to be enjoying themselves, despite all the testosterone. I do not think I am exaggerating when I say that everyone had a great time.

Thanks again to the great effort put out by Black Forest.

Ciao!

Vincent & Vallie Piccirelli

# Autocross Series, Event #4:

## FINAL EVENT OF 2010

Carolinas Region Autocross Series, Event #4

The Carolina Region had its final Autocross race of 2010 at Charlotte Knights Stadium on Nov. 14th. It was another beautiful Carolina Sunday with warm and clear skies. We had the largest turnout ever for an autocross with 53 registrations.

The Charlotte Knights Stadium course was long and fast taking up 2 complete parking lots. The median course time was the closest and most competitive to date. There were many rookie autocrossers coming out for the first time, and even a handful of participants from other regions.

We even added a few more "Husband vs. Wife" drivers. With newcomers Joe and Jennifer Mills competing in the same car. With Joe edging out his wife by only 1/10th of a second. Proving again, that Ladies can Autocross just as well as guys, if not better.

We hope you will come and join us at the combination Holiday and 50th Anniversary Party where we will be handing out the Year-End Autocross awards to the winners of each run class.

Now that the season has come to an end, we wanted to say a big thank you to all of this year's participants. We could not have done it without you. Looking forward to next season, we are planning on securing a consistent Autocross schedule, with at least 6 events.

Look for the 2011 Autocross schedule in the coming issues of Tobacco Roads, and also on our club website: <http://www.carolinas-pca.com/>

Have a Wonderful Holiday Season,  
Carolina PCA Autocross Committee.

### Donate Your Old Helmet

*Beginning next year (2011), if you participate in PCA Driver's Ed or Club Racing your helmet must be an SA2005, SA2010 or SAH2010. The SA2000 will no longer be accepted at DE events.*

*Since SA2000, or older Snell-certified helmets, will not be eligible for use at PCA DE or Club Race events, we would welcome your donating it to the Carolinas Region PCA for our Autocross Helmet Loaner Program.*

*Many newcomers to the attend to their first Autocross events without any helmet protection and the Region provides loaners for them so they can participate and get themselves acclimated to driving events. Because autocross events are ran at much slower speeds than DE's or Club Races, older Snell-certifications are still valid and accepted at autocross events. However, we can only accept SA-certified helmets, not M or K.*

*If you would like to donate your old SA-certified helmet, please contact our Sean or Cari Steinbrueck at [PhotoComp1@aol.com](mailto:PhotoComp1@aol.com)*

## Porsches

**1982 911SC Targa:** Guards Red/Tan. Very good condition, mechanically strong. Many upgrades: polished fuchs, SSI's/Monty dual out muffler, turbo tie rods, tires new, top great condition, H4's... 182 K miles Must see to appreciate! \$12,500 Contact Chris Coley in Greensboro, NC via ccoleymd@yahoo.com or call 336-402-3923. (11/10)

**1984 Porsche 911:** This is a well cared for, adult driven stock original car with 129,xxx miles on the original engine and paint. I have owned this car for 11 years and never had a problem. Always garaged and covered, and serviced regularly. Always been a North Carolina car. Certificate of authenticity showing the optional Bilstein sport suspension, special order Quartz Grey paint, and wider Fuchs alloys. Could use new headliner and sunroof cables but everything on the car works. A/C some upgrades including newer style compressor. Blows cool but needs to be evacuated and fully charged. This car is in very good shape for being 26 years old. Never any wrecks or rust. Seats are protected with Wet Okole seat covers. Comes with a RUF front spoiler and some spare parts. Asking \$12,000 may take interesting lesser trade. Contact Bill Phobos in Chapel Hill, NC area at 919-448-7245 (11/10)

**1985 944 NA:** Very good condition. Have spent a lot of money on making it an excellent track/autocross and daily driver. Timing belt replaced, new high flow catalytic converter and three chamber muffler, aluminum control arms, 30mm front sway bar, 18 mm rear sway bar, adjustable Koni shocks on all four corners, Weltmeister autocross springs, racing throttle cam. Engine runs like a champ. Interior (black) is in very good shape. Recently re-dyed seats and carpet. Paint (Champagne) sparkles but has a few chips. There is a dent in the drivers side rear quarter panel (cosmetic only). Asking \$4500 Will include set of four cookie cutter wheels with racing slicks. Steven Zakely, Charlotte NC 704-293-0682 or szakely@evergreeninvestments.com (11/10)

**1987 928 S4:** Very Good condition. Have owned for several years and is a good car in very good condition. Exterior paint still sparkles but has a few minor flaws (Marine Blue). The interior is in good shape, recently re-dyed the leather seats (white) and carpet (navy blue). New cd-player. Has aftermarket Italian wheels that look magnificent (always get compliments). Air and heat work. AT, PS, PW Sunroof. Timing belt replaced around 90,000. Has about 125,000 miles. No leaks. Weekend driver. Must see to appreciate. Asking \$10,000. Steven Zakely, Charlotte, NC 704-293-0682 or szakely@evergreeninvestments.com (11/10)

**2005 Cayenne S:** VIN WP1AB29P95LA65461. Crystal Silver Metallic Exterior with Black Full Leather Interior (no lumpy dash!). If you are looking for a Gen I Cayenne S this is the one you want, optioned the way you would have optioned it, NAV, Moon Roof, Bi-Xenon, 6-Speed Tiptronic, PASM, XM Sat., 20 inch Sport Techno Wheels, new Bridgestones, Newly Installed Tow Package, Aluminum Roof Rails, Four-Tube Sports Tailpipes, Stainless Steel Nose Trim and more. Original MSRP \$73,610. 2nd Owner. Still under Factory CPO Warranty. 58K Miles. 60K mile service just completed. Asking \$31,900. Contact Harvey Yancey at (704) 906-0343 or president@carolinas-pca.com. (12/10)

**2005 911 Turbo Cabriolet:** VIN WPOCB29955S675066. guards red, all leather int. w/red deviated stitching, red seat belts, carbon fiber wheel, aluminum trim pkg, hard top, excl cond, all maint. records avail, 29,000 mi, \$75,000, Great car, awaiting arrival of my new 2011 Turbo Cab. Car and owner in Hendersonville, NC. Paul Bertelli, 828-694-1255 or pfbertelli@gmail.com (12/10)

**2006 Cayman S:** VIN WPOAB29816U781227, Guards Red, Black Leather, near concours, under 15 K miles. Heated seats, bi-xenons, mats with covers, 19" Carrera S Wheels, climate control, Bose surround sound system, storage bin with crest, 6 speed, Just serviced, seat covers since new, \$37,750. Contact Rick Luzar, Pinehurst, NC at 910-692-9179 or jamiel@nc.rr.com (11/10)

**2006 Porsche GT3 Cup race car:** VIN: WPOZZZ99Z6S798038 First raced in '06 in 24 Hrs of Daytona by Team Seattle, afterward tested at VIR by Grand-Am Champion Craig Stanton, '07 24 Hrs driven by David Murray sponsored by "Playboy" finishing 9th in the GT Class. After starting at the rear with no qualifying in Spring of '07, car finished 12th with Cort Wagner & Maurice Hull at VIR under original yellow color with blue decals. Car has been in showroom at Synergy since. Immaculate condition. \$75,000 Contact Maurice Hull 336-687-9300 or mh@mpmanage.com (11/10)

**2006 Cayenne TURBO S:** VIN WP1AC29P56LA92381, 520 HP, 530 ft/lb. Black/Black, fully loaded with every option. Nav, Bi-Xenon, PCM, PASM, Keyless Go, XM Sat., Air Suspension, iPod/iPhone Int, etc. Way too many to list them all here. 7700# Towing Capacity, Tow Package and Trailer Brake Control Box. One Owner, excellent condition, very clean, only 39,975 miles. Original Price New \$129,715 Now only 4 years, and you can save over half off. Transferable Warranty through Nov. 2010. For more photos & Details visit: [www.HardRacing.com/Cayenne.htm](http://www.HardRacing.com/Cayenne.htm) \$64,795 O.B.O. Contact Sean or Cari in the Charlotte, NC area at 704-451-0874 (11/10)

**2007 911TT:** VIN WPOAD29927S784489. 21,000 miles. Over \$141,000 sticker. PCCB, carbon fiber, adaptive seats etc. Located in Charlotte, NC, clear title in hand. Asking \$90,000. Call Todd Younker at 704-619-6434 or dyounker@carolina.rr.com (11/10)

## Parts – Parts Cars – Projects

**996 hard top:** with all tools, rack and cover. Silver with black interior. Excellent condition. Asking \$350. Vince Braswell, Pineville, NC. Vbrasw3780@aol.com or 704-995-7998. (12/10)

**WANTED: 1983-85 944 for parts:** I need the brake system to upgrade my son's VW Thing brakes before I send him off to college. I can always use odds and ends for my 87 944 Turbo. Norm Garrett, 803-642-4878 or garrett\_norman@bellsouth.net (12/10)

**Wheels:** Porsche Carrera 19" Lobster claw wheels. Wheels are in great condition all wheels look great and have no curb rash. One wheel has a small blemish that can easily be fixed, other than that I would give them an 8 out of 10. \$800 or very nearest offer. location Salisbury or Greensboro NC. Call Jim 704-798-3457 or email jameswatson84@hotmail.com (12/10)

**Fabspeed mufflers, tips and straps:** Fit all normally aspirated 993's. <http://www.fabspeed.com/993.html> Excellent condition with low mileage. Highly polished stainless steel. Cost new: \$1,095, selling for \$650. Available for local pick-up or delivery or will ship at buyer's expense. Can e-mail pictures if requested. ### Guidelines for Carolinas Region Classified Ad Submissions

- 1) All ads should be submitted to Ed Beroset, Classified Ad Coordinator, at:  
[classifieds@carolinas-pca.com](mailto:classifieds@carolinas-pca.com)  
602 Stonehill Rd  
Chapel Hill, NC 27516-9526  
Home: 919-942-3838
- 2) All ads will be posted to both Tobacco Roads and to the Regional Website unless otherwise directed.
- 3) You must provide your current PCA membership number when submitting a classified ad.
- 4) No posting of ads for friends. Immediate family is ok.
- 5) No commercial ads. All commercial ads must be purchased. Contact TR Editor for pricing.
- 6) **Ads will run for two months.** If the item is not sold within that time frame the seller will need to contact the Classified Ad Coordinator at [classifieds@carolinas-pca.com](mailto:classifieds@carolinas-pca.com) and request an extension. Each extension will be for one additional month.

- 7) All pictures submitted should be in .JPG format and no larger than 800x600. One picture per submission.
- 8) Pictures will run on the website only.
- 9) All ads will be subject to editing for consistency and length.
- 10) Ads should include:
  - a. An accurate description of the item or items (including VIN preferably if applicable).
  - b. Price (Ads will not be accepted without pricing).
  - c. Where you and the item are located.
  - d. Contact information including name, phone number, and/or email address.

Below is a sample of the format we will utilize:

**1964 356 Coupe:** VIN 12323456. Champagne Yellow w/ Black interior. 150,100 miles. Very good condition. Paint bubbles on lower door skins. 12 volt conversion. \$42,995 firm. Contact Bob Smith, Hickory NC. bsmith@hotmail.com or (704) 555-1212.
