From the Driver's Seat

Harvey Yancey, President

Welcome to 2012!

I hope everyone had a great Holiday. Ours was quite entertaining as Willow & Cooper (now 2 years/3 months) received a full immersion into the wonderful world of Santa and Christmas. Willow was mildly cautious when meeting Santa this time around, much better than the crying fest we experienced last year. Cooper on the other hand was clearly on Santa crack. It was pretty amazing to watch the resulting Santa-induced frenzy. Next year should be even more fun.

Before I get into the details of the coming year I want to wrap-up a few items from the end of 2011. At the Carolinas Region Holiday Party held at the Waynesville Inn on December 3rd, we announced the winner of the 2011 Carolinas Region Enthusiast of the Year Award. This year the recipient was Wayne Capwell of Winston-Salem. Wayne was able to pack in a tremendous amount of events this year.

For 2012 he starts off the year right by joining the Autocross Committee, replacing Jerry Kilcrease. Congrats Wayne!

In addition to the Enthusiast of the Year Award, two President's Service Awards were presented at the Holiday Party. For those of you that are not familiar with the award, the President's Service Award is periodically given at the discretion of the Region President in recognition of Outstanding Service to the Region. Past recipients were Sadie and Jerry Kilcrease in 2009. One was not presented in 2010.

As you read in the December Tobacco Roads, Marty Barrett is rotating out as Chief Instructor for the Region. Marty was in the role of CI for 7 years (2005-2011). In addition to being the CI, he also is the Area Director for the Sandhills Area. Marty has been a valuable leader and a source of wisdom for many in the Region, including myself. This Region would not be what it is today without him. Accordingly, I felt that Marty was more than deserving of the President's Service Award.

The second recipient of the President's Service Award for 2011 is Tobacco Roads Editor, Tom Morgan. Tom took the reins as TR Editor in May 2010 and the impact was immediate. He brought his industry knowledge and skills to bear resulting in the quality publication that you have in your hand or are reading on-line. The increased production quality resulted in more interest in advertising and much pride for region members. And although we do not print in color, I would put our newsletter up against any in the other 138 regions.

L-R: 2011 Enthusiast of the Year, Wayne Capwell; Yours truly presenting the PSA to Marty Barrett; PSA recipient Tom Morgan

In addition to his contributions to TR, Tom has also had a hand in the design of almost all of the logos and designs used by the Region including the logos used for the Charlotte Porsche Parade held in 2008. Thanks for all you do Tom!

2012 Driver's Ed Calendar

This coming DE season we will see some adjustments based upon experiences from last year. We will be dropping NCCAR, for the time being, and adding a new track, Atlanta Motorsports Park near Dawsonville, GA.

On December 10th, Brian Powell and several other Carolinas Region members toured the new AMP facility that is currently under construction. Peachstate has a date in May and I know many Carolinas Region members will be going to AMP to see how the weekend goes.

AMP is 1.83 miles, which makes it a bit shorter than CMP, but has more dramatic elevation changes and appears to be very technical. Also the track is unique in that it runs counter clockwise. See Brian's DE Report in this issue for a look at the track layout.

Below is the full 2012 DE Calendar:

Feb 4 - Winter DE Seminar @ Carolina Motorsports Park, Kershaw SC

April 28-29 - DE @ Carolina Motorsports Park (CMP), Kershaw SC

July 14-15 - DE @ Atlanta Motorsports Park (AMP), Dawsonville, GA

Sept 8-9 - DE @ Carolina Motorsports Park (CMP), Kershaw SC

Nov 16-18 - DE @ Virginia International Raceway (VIR), Alton, VA

By-Laws

Early in 2012 our revised Regional By-Laws will be submitted to the membership-at-large for approval. I say revised, however in

reality this is pretty much a complete re-write based upon the framework and guidance provided by PCA National. The By-Law Committee has done an outstanding job putting this document together going through many revisions and untold hours of meetings and discussions. We are looking forward to getting the document into your hands soon.

Elections

The Carolinas Region holds elections every 2 years and 2012 will be an election year for us. Per the current By-Laws, I will be appointing a Nominating Committee in the next few months. That Committee will vet a list of potential candidates then present a slate of nominees to the Board.

And unlike the folks up in Washington DC we do have term limits (maximum two consecutive 2 year terms). Accordingly, this will be my last year as Carolinas Region President and I will be handing over the duties to someone else at the end of the year... much to the pleasure of my wife I might add. I will however still be involved as Past President for as long as the new incoming President decides to stay in place.

Please know that we have a strong roster of people on the Board including our elected Officers, Committee Chairs and Area Directors. Most all will continue on in their current capacity but I hope that some have aspirations of filling other roles, my current one included. Whoever does eventually win the election, they will have my full support and I will make sure that the transition is as seamless as possible for everyone.

As always, if you have any ideas, comments or feedback please feel free to contact me at president@carolinas-pca.com or (704) 906-0343.

- Harvey

WANTED: Regional Advertising Coordinator

Interested in getting more involved with the Club? Do you like advertising? Have we got an opportunity for you!

We are currently looking for someone to fill our need for a Regional Advertising Coordinator. In that role you would work closely with our Newsletter Editor, our Sponsor Chair and Event Chairs as well as our Advertisers and Sponsors. You would be in charge of keeping track of advertisers, advertising commitments, billing and

payments. You would also work with the Board to come up with strategies to sell print advertisements to Local/Regional/National companies.

Someone that has had a background in advertising would be great but we just really need someone that is enthusiastic and computer savvy.

If you are interested just send an email to Harvey Yancey at president@carolinas-pca.com or call me at (704) 906-0343.

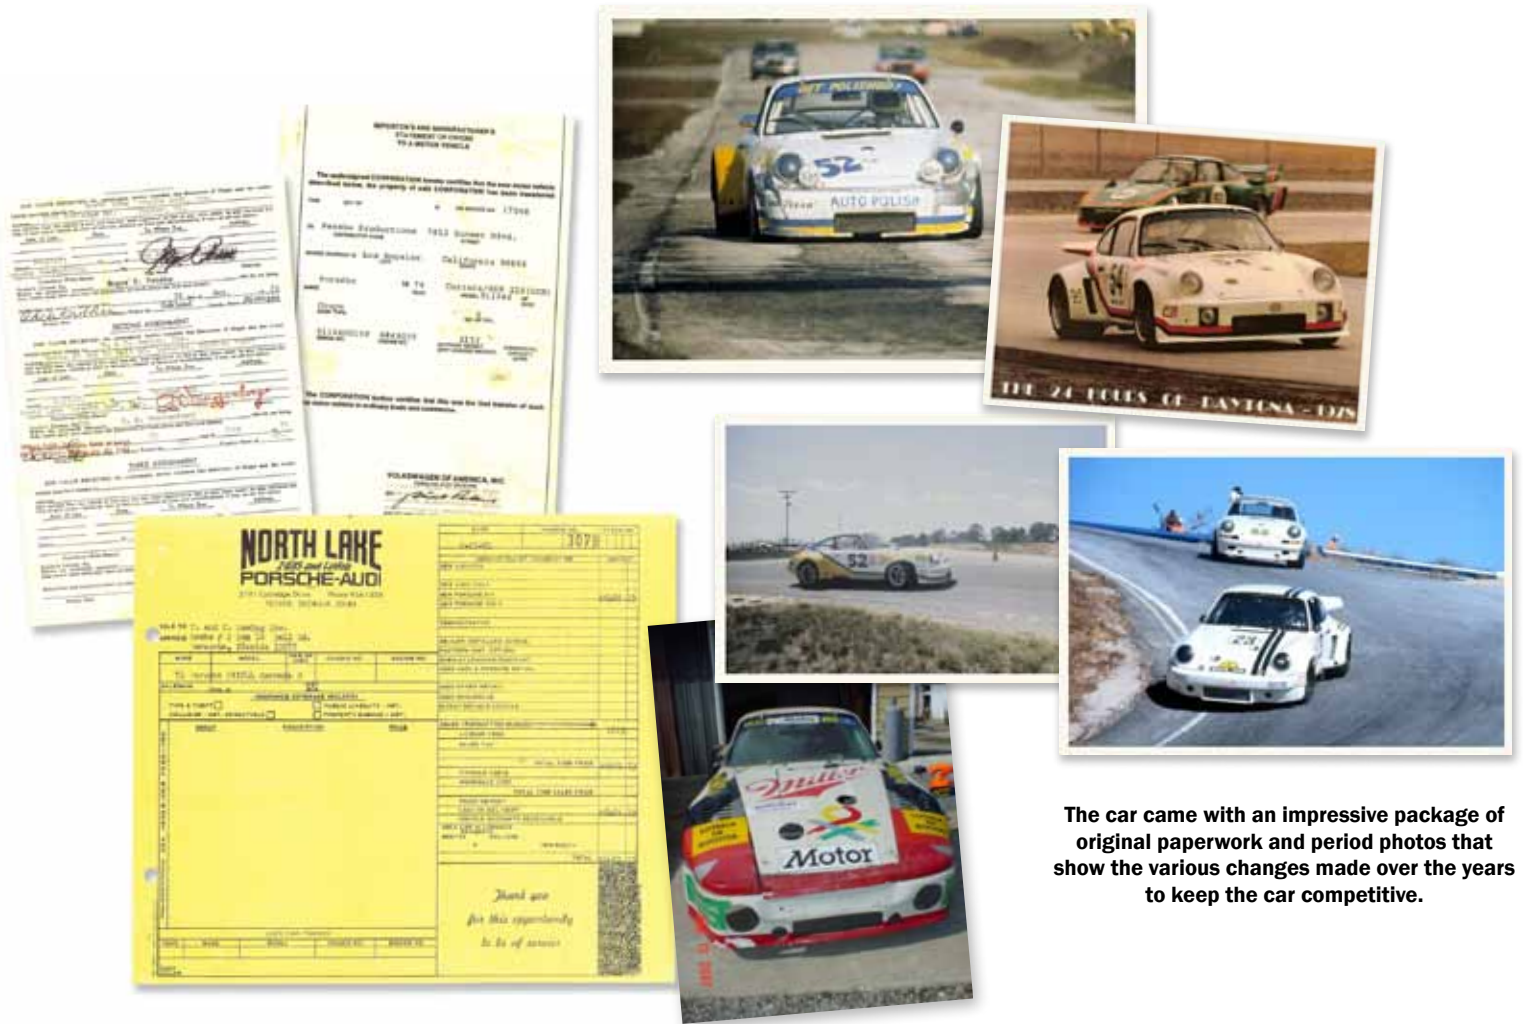

IROC Star

“Roger, there’s no question about it. The only way to go is with factory built Carreras.” This is a quote from Mark Donohue’s book “The Unfair Advantage.” Roger Penske was looking for the right car for the new race series called the International Race of Champions (IROC) when it was materializing, and had looked at Formula Fords, Mustangs, Javelins, and Camaros. But Mark Donohue explained there were 4 good reasons for choosing the 911 RSR; 1] Penske wouldn’t have to build them; 2] They wouldn’t be anywhere near as expensive as any other completely race prepared car; 3] They had to be as identically equal as any race cars ever built; 4] Foremost, the Carrera was the most reliable car available.

The Historian’s Desk By Lou Scalzo

Quoting from his book, Mark states: “Dr. Fuhrmann had told me once that the car couldn’t be broken, as long as it wasn’t over revved and as long as it was shifted correctly. And it was really quite true. I always liked those cars, because they could be driven hard without worrying about breaking anything. They’re so strong and so well engineered, that there isn’t much a driver can destroy but the gearbox. The Carrera is – without a doubt – the very best off the shelf production race car available at any price. At least as long as there’s a competitive class to race it in. And Roger was going to make that happen. After listening to me for a while, he decided maybe I was right.”

Penske went back to Germany and had Porsche make a production run of fifteen perfectly identical cars for his races. He hired Peter Reinhart, a former employee who raced one of Penske’s Camaros in Europe, to keep tabs on the operation over there. Upon arriving in the U.S., the cars were initially sent directly to Riverside International Raceway, where they were identically maintained by a single team of mechanics during the ‘74 season.

“After being in the 1974 races, it was advertised and sold thru North Lake Porsche-Audi, a dealership in Tucker, Georgia.”

So marked the beginning of the IROC series, starting 1974. The season consisted of 4 races, the first 3 held at Riverside in California for three consecutive weeks, and the final race held at Daytona. Roger Penske had signed up a variety of drivers for the series with wide ranging backgrounds; Allison, Petty, Pearson, Foyt, Fittipaldi, Hulme, Johncock, McClusky, Revson, Follmer, Unser, and Donohue. He also tried to get Unser and Andretti, but their contracts with Firestone stood in the way because Goodyear was a sponsor of IROC series.

The first and third races were won by Donohue. Before the final race at Daytona, the cars had to be rebuilt. The engines went back to the factory, while the chassis went to the Penske race shop. The cars had to be changed for Daytona as the banking required stiffer springs, and slightly different aerodynamics. Al Holbert and Peter Gregg did the testing for the set-up recommended by Donohue. To keep fairness and equality, the drivers

drew car numbers from a hat with just enough time before the race to put the names and numbers on. At that, the fastest qualifier had to draw last. Donohue won the race at Daytona, with Revson and Unser in a close battle for second. Mark had announced his retirement earlier and this was his last win. The following season after coming out of retirement he was killed in a Formula 1 practice session.

Fast forward to present day. Last month while visiting Dave Brown at RennGruppe Motorsports in Lexington, I saw the beautifully restored '73 IROC 911 RSR driven by Emerson Fittipaldi. After talking to Dave about the extensive paper trail he has on this particular car, I decided it would be good to do an article on it and the RSR history.

There were 3 types of RSR's developed by Porsche: The first was the 2.8 "Narrow body car"- It had the "Duck Tail", and smaller fender flares and tires. This was a 2.8

magnesium case with 80mm cylinder head spacing. The second was the "IROC" 911 RSR, which featured a 3.0 liter sand cast aluminum case with 83mm stud pattern, a wider body and tires. The third and final version, was the '74-'75 RSR with the same 3.0 liter engine, high butterfly or slide valve injection, center lock hubs and a very wide body with vented front and rear fenders

This particular '73 IROC RSR, VIN #9114600100, engine #6840035, presently owned by Steve Golden, is one of the original 15. After being in the 1974 races, it was advertised and sold thru North Lake Porsche-Audi, a dealership in Tucker, Georgia. This was part of the agreement with Penske Racing, where all the IROC RSR's would be sold thru Porsche dealerships after the race season.

This particular RSR was sold to John Tungstall of TC Motorsports, from Sarasota Fla. John had previous racing experience, mostly with Corvettes before purchasing the RSR,

with the intension of racing it in the IMSA Camel GT series, running in the over 3.0 liter GTO class, which he did with success from 1975 to 1980. Through the years the RSR was updated several times, with various bodywork, and mechanical upgrades. In 1980 the RSR was not as competitive with the new turbo racers, and John sold the car to a group to race in South America.

Fast forwarding once more to 2007. Steve Golden tracked down VIN #9114600100 through one of his sources, and had the opportunity acquire the RSR and bring it back to the states. The car was stored during 2008, and in 2009 the body was sent to California for restoration while the drivetrain and suspension were sent to RennGruppe Motorsports to be brought back to original specs. The process took approximately 1 ½ years to complete, finishing in 2010.

In 2011 the RSR debuted at the Rennsport Reunion IV at Laguna Seca. John Tungstell was re-united with the RSR and could not believe his eyes. It was 1974 once again.

Till next time, your Historian.

After a long history on the track, which all started in the IROC series in the hands of Formula One Champion Emerson Fittipaldi (below), the car was restored to it's original form by RennGruppe Motorsports in Lexington, NC.

Carolinas Region Holiday Banquet

Written by David Butler

The Mountain Area hosted the Carolinas Region Holiday Party held at The Waynesville Inn Golf Resort & Spa in Waynesville, NC on December 3. The weather was perfect with a few early arrivers lamenting they had not brought their golf clubs. We had seventy-two members and guests attending with all Carolinas Region areas represented. Two guests attended from the Knoxville area as well, explaining that the Carolinas Region throws better parties.

Charlie Schieren, Harmony Motors Sales Manager, provided guest speaker comments. He spoke on the new 991, of course, but also informed the group of Porsche model offering plans which include GTS versions on a number of platforms. We were all envious of Charlie and his wife Amy as they were leaving for South Africa the following day to attend 991 launch activities.

Chief Driving Instructors Marty Barrett (out-going) and Shane Tisdale (in-coming) re-presented the Thomas J. Norby, Jr. Instructor of the Year Award to Jerry Kilcrease. Both Marty and Jerry spoke of their friendship and good times with Tom and the difficulty in dealing with his passing while instructing at Carolina Motorsports Park.

Harvey Yancey presented year-end Autocross Awards to class winners, and presented President's Service Awards to Marty Barrett for his long term service as Chief Driving Instructor and Tom Morgan for his long term service as Editor of Tobacco Roads. Enthusiast of the Year Award was presented to Triad Area member Wayne Capwell.

We want to recognize the efforts of Bob Herrmann, Event Chair and Ron Camarata and Matt Pohsweg for planning the event. We also appreciate the efforts of Jan Herrmann and Jane Camarata in assisting with the event. We want to provide special thanks to Harmony Motors (formerly Deal Motorcars) for their sponsorship of the event. And also a special thanks to The Waynesville Inn staff for their efforts; the food, decoration and facility were great and we received numerous compliments on the venue. After the program and awards, everyone continued the evening with drinks, socializing and dancing.

Driver's Education Report By Brian Powell

Atlanta Motorsports Park Tour and Winter DE Seminar

On December 10th, Atlanta Motorsports Park opened its doors to a tour by members of the Carolinas Region. We had a small but enthusiastic group of 14 make the trek. AMP (www.atlantamotorsportspark.com) is a new motorsports facility being constructed about an hour north of Atlanta in Dawsonville, Ga. Several of us from the DE committee made the trip to get a firsthand look at the facility with considerations for future Drivers Ed events. Currently, the track is still under construction with final grading being done on the last sections. Most of the track does have a base layer of pavement with the remaining portions scheduled to be done by year end. From what we saw on the tour, we generally thought a Spring 2012 opening was certainly reasonable. Although the track is just under 2 miles in length, it has several interesting features and has a good bit of elevation change. It will be challenging, certainly different from any other facilities in the Southeast. While we finalize the contract, it is safe to say we're working on a 2012 date at AMP. For the region's DE trackheads, you'll probably want to keep mid-July open.

We will be kicking off 2012 with our Winter DE Seminar on Saturday, February 4th at 1 pm at Carolina Motorsports Park in Kershaw, SC. If you're interested in Drivers Education but don't know where to start, this is the place. We'll go over the DE program, walk thru the requirements and answer any questions you may have. See the ad in this issue for more information.

Beyond that, the DE calendar starts on April 28th/29th at Carolinas Motorsports Park. We'll be returning to the Kershaw, SC facility to begin our 2012 events.

For more on any of these events contact Brian Powell at driversed@carolinas-pca.com (704-260-0716).

MID-WINTER TRACK SEMINAR

Saturday, Feb 4th, 2012

1:00 pm to 3:00 pm

Carolina Motorsports Park, Kershaw, SC

Have you considered participating in Carolinas Region's Drivers Education Events but have not had the opportunity to do so? Or maybe you have some questions: What's expected of me? Will it damage my car? Who are the instructors and how do they teach me? What do I have to do to my Porsche to participate? – If you have any of these questions or others, this event is for you! This is our annual off-track seminar to introduce the concepts behind the Carolinas Region's Driver Education Program, which is a series of high performance driving schools conducted at local tracks like Carolina Motorsports Park – IT IS NOT A RACING SCHOOL!

You will have the opportunity to casually discuss the program with instructors and club members that have been enjoying "life on the track" for years. We will discuss the operation of a Drivers Ed weekend, concentrating on what you need (or want) to know as a participant. We will also talk about some of the fundamental concepts of performance driving such as turning, braking and accelerating properly, and the vocabulary used to describe track driving. Videotapes, charts and other materials will be used to give you a thorough understanding of what a weekend at the track entails. We'll discuss the roles of the instructors and how they can help you understand your car and your driving. We will discuss the safety check and tech inspection that is performed on each car to ensure a safe and enjoyable event. Finally, if time allows, we'll tour Carolina Motorsports Park.

This seminar is open to all Carolinas Region members who have not participated in a Drivers Education event, or who have very limited experience on the track. **Region members with no prior track experience will receive a **\$50 Coupon** towards a Carolinas Region DE event** You **must** pre-register to receive a coupon.

Registration is Free! Space is limited!

Please send your registration including name, number attending (please limit to those actually interested in attending a DE event), address, telephone number, **track experience if any**, and email address to:

Or **email** the above information to: driversed@carolinas-pca.com Subject: Mid-Winter Track Seminar.

It is time for our spring visit to Charlotte Motor Speedway to be part of the Food Lion AutoFair. Park your Porsche inside Charlotte Motor Speedway and be a part of what is billed as the “World’s Largest Car Show”.

Come out and enjoy the show free of charge. Each entry receives 1 car pass and 2 tickets for entry. (Children 12 and under are free when accompanied by an adult)

Trophies provided by the Speedway are awarded in 6 classes plus the Best of Show.

WHEN: SUNDAY, APRIL 22nd, 2012

**WHERE: CHARLOTTE MOTOR SPEEDWAY
CONCORD, NC**

**WHY: TO HAVE A GREAT DAY WITH
OTHER CAR ENTHUSIASTS**

Email your registration to Mike Jones, mljones@ctc.net. Include Name, mailing address, telephone number (both home and cell), and year and type of Porsche.

We are only allowed 60 entries so please plan on coming to the show if you register. Future entries are based on our level of participation at each show.

SPECIALIZING IN AIR-COOLED ENGINES AND TRANSMISSIONS

Two things made John Forbes a championship racer:

1. His driving skills
2. The extraordinary engine and tranny work he put into his cars

You can get a John Forbes *Signature Engine* for your street or race car and smile as you get the performance you did not think was possible from your car.

Greetings to all from Hickory!

We had a great meeting with 30 in attendance at our home!

For our monthly drawing we gave 8 door prizes, 3 of which were donated by Black Forrest Garage. We discussed having 4 tech sessions next year, with dates to follow.

We collected more canned goods (another Porsche front trunk full).

Total canned food giving is approximately 150 lbs and \$51 cash for the Cooperative Christian Ministries, in Newton.

Total charitable giving amounted to: \$671 for the year of which \$620 went to the Corner Table food ministry in Downtown Newton. We could not have done this without all the guys at Black Forest Garage and everyone who came out to support these events.

The Christmas party, in Waynesville was very enjoyable with good weather, good food and dancing. And finally Our William Balance won 1st place in P01 Autocross category!

Merry Christmas to Everyone.

Our December meeting was a Holiday Party on Wednesday, December 14, at Maggianos. It was a fixed menu of 3 main dishes, with wine served at dinner at a cost per person of \$50.00 inclusive of tax and tip. We had 40 people in attendance, including Harvey and his two youngsters, one of whom picked the give away drawing tickets. Antonio's staff did a great job and everyone was stuffed by the time we left.

The Region holiday party was a lot of fun, although it is a long drive to Waynesville. It was a lively crowd. I was pleased to get a second place trophy in my group for the auto cross series. I was asked about my mishap during the last auto cross event and responded, "that is another story", which brought a laugh. If you haven't heard it, I'd be glad to fill you in over a beer or something.

Several of us are planning on attending the DE at Roebbling Road January 20-22 of 2012 being put on by the Florida Crown Region. They put on a good event. Come join us in the hopefully not too cold January event.

Keep the sunny side up.

Our December meeting was canceled due to the Mountain Area hosting the Carolinas Holiday Party on Saturday, December 3 in Waynesville, NC at The Waynesville Inn. An article describing the event is in this issue of Tobacco Roads.

Our next meeting is on January 7, 2012 at Harmony Motors, formerly known as Deal Motorcars of Asheville, at 10:00 a.m. Mountain Area member Buck Buchanan will provide a presentation of his extensive experiences in the Middle East working with our armed forces during the War on Terror.

For February, we are working with Harmony Motors to put something special together related to launch of the new Porsche 991.

Hope to see you at a future event.

There are normally not a lot of club activities taking place during the month of December, as everyone is busy with the holiday season. However the Triad Area did hold its Christmas Party on Tuesday, December 6th, hosted by **Porsche of Greensboro**. Each year we combine our last social gathering of the year with a charity event by asking folks to remember the needy during the Christmas Season. There were around 55 members and guests that attended the party bringing with them unwrapped gifts or gift cards. We collected about 20 gift bags and a total of \$350.00 in gift cards and cash donations that were delivered to the Americans Children's Home in Lexington for distribution to the 35 girls and boys currently at the home. The Triad Area also used this opportunity to award special appreciation certificates to three of our primary sponsors, **Porsche of Greensboro, C&C Eurosports and RennGruppe Motorsports**, for their outstanding support to the Triad Area and the Carolinas Region during 2011. We also passed along Carolinas Region Year End Awards to several of our Triad Area members. **Wayne Capwell** won the Enthusiasts of the Year Award and **Don Roof** won a PCA National Website Award for his efforts in developing the new Carolinas Region website. There were door prizes that were

Donations being made to the American Children's Home

provided by Porsche of Greensboro and by the Triad Area. Thanks also to **Wayne Taylor** for providing the wine and being our bartender during the evening. It was a fun evening and everyone had a great time socializing and visiting with members and other Porsche enthusiasts. TRIAD AREA 2012 AGENDA:

The Triad Area PCA plans to have around 6 local events during 2012 with dates and details coming later. If you have any suggestions for a local event that our membership would enjoy, please contact me.

NEXT TRIAD AREA MONTHLY MEETING:

TUESDAY, JANUARY 17th, AT BIG SHOTZ TAVERN IN CLEMMONS – This will be our first monthly meeting of 2012 so be sure to attend so we can discuss the events agenda for the coming year. The meeting will start around 7pm and Sadie will be there with the Carolinas Region Goodie Store and Ron Reed will provide photographs of current PCA events. So please come join us for fun and fellowship. Contact Jerry Kilcrease at jkilcrease@triad.rr.com if you have any questions or need directions. I hope to see you there!

(write up by Sadie Kilcrease)

Our December 1 meeting was held at J. Pepper's Southern Grille in Kernersville. Ann Roof won our split the pot, but she donated her winnings back to the pot. Including the money we already had in our "split the pot" and adding Ann's donation along with the remainder of the group at the meeting donating additional money, we were able to make a \$200 contribution to the American Children's Home in Lexington. Our total contribution to the American Children's Home for the year was \$300. The next meeting is scheduled for January 5 at Milner's located at 630 S Stratford Rd., Winston Salem. Hope to see you there.

On Saturday, December 16th, the Triangle Area finished the year on a high note with a terrific drive through the countryside that ended in Hillsborough, NC. At the December meeting, the attendees approved one last fun run before the end of the year. So, we chose the Saratoga Grill as our lunch destination and 9 Porsches spent 2 hours driving the beautiful back roads to get there. Thanks also to the 13 PCA members from Carolinas and Hurricane Regions of PCA who attended lunch.

Also at our December meeting, we discussed the improved communication for all Triangle Area members. I have corrected the mailing list issues, and every member should receive regular updates and reminders in a timely manner. I appreciate every member's patience as I restored e-mail communication.

Change of Location – We have moved our monthly meeting to Panera Bread at 1065 Darrington Dr. in Cary, NC. Visit www.panera-bread.com for directions. We will continue to meet for Cars & Coffee on the second Saturday of each month, from 9am to 10:30am.

Our next three meetings will be:

January 14th

February 11th

March 10th

During the remaining days of December and the early days of January, I will put together our 2012 calendar. We will have multiple fun runs and scenic drives, as well as detailing events and tech sessions. As is the case every year, we will also have a host of drivers education and autocross events. You can recommend other events anytime, and you can post information to Facebook to let other members know you would like to get together.

As always, if you have any questions or suggestions, I would love to hear from you. My cell phone number is (919) 816-6117, and my e-mail address is triangle-ad@carolinas-pca.com.

Happy Holidays.

Upstate Area By John Budinich

Meeting: First Monday of the month at 6:30pm

upstate-ad@carolinas-pca.com (864) 915-0011

As I write this and reflect upon my first full year as Area Director, I realize that the time seemed to fly by. At first I thought it would take some major effort to come up with things to do throughout the year. Boy was I wrong. There is so much going on across the Carolina's Region and in the Upstate Area in particular that there is something for everyone year round.

For the track fans there were multiple Driver's Ed and Club Race events at tracks like CMP, VIR and neighboring Road Atlanta and Barber Motorsports Park. We also had the Regional Autocross series throughout the year.

For socializing and showing of our vehicles, there were the region-wide events such as Food Lion Auto Fair, Pine Island Concours, Sommerfest, Porsche Parade in Savannah, Fall Tour and In Den Bergen. Within the Upstate Area we had the Protech Chili Cook Off (hosted by Bill & Frank Gerwig), buffet dinner meetings sponsored by the new management at Porsche of Greenville, the monthly Cars & Coffee of the Upstate with 50% of the participants PCA members, the Blockhouse Steeple Chase (hosted by Mandy & Chris Creasman), the Regional Hawaiian BBQ & Pool Party (hosted by Gene & Paula Kendrick), EURO Auto Festival (47 PCA members entered) and the Upstate Area Holiday Party (hosted by John & Kelle Corvin). There were also two Drive & Dine runs to Little Switzerland and Highlands.

Our monthly area meetings averaged 46 attendees. We had five speakers during the year covering topics such as 3m protective films, alloy wheel repair, paintless dent removal, SCCA hill climb events and leather & vinyl repair & restoration. Finally, we had two Upstate members take on regional roles: John Babinski as Track Committee Co-Chair and Shane Tisdale as Chief Instructor.

Whew, so much for worrying about having enough to do! The variety of activities and the tremendous participation by Upstate Area members made it a fun filled and easy year for me as Area Director. I am looking forward to an even busier 2012. I want to thank the members for their support in having me continue as Area Director for 2012.

Upstate Area Holiday Party

In lieu of our normal area meeting, On December 2nd we held the Upstate Area Holiday Party. Once again, John and Kelle Corvin hosted the party at their house in Simpsonville. There were 51 area members and guests at the party and it was indeed a wonderful evening. In addition to being a great way to socialize, the highlight of the party was the annual charity auction. The auction consisted of both a silent auction, where bids are placed anonymously on items on display and a live auction. Shane Tisdale acted as the auctioneer for the live auction again this year and he kept the action going. There were a number of interesting and high end items donated for this year's auction. I would like to thank the members that donated items and I would also like to point out some local businesses that donated items. They were Protech Motorsports, Porsche of Greenville, Quaker Steak & Lube and Dr Michael Wood at Vision Plus. Between the auction and

our monthly charity raffle, we raised \$3,031. This money was given to the Society of St Vincent DePaul Charities. The charity will once again use these funds to help a number of needy Upstate families pay their heating, electric and water bills, where they would otherwise be turned off. Well-done Upstate Area for your generosity and willingness to give back to the community.

Upcoming Events of Note

I hope everyone had a very Happy Holiday and a good chance to rest up. The New Year is starting off with a bang with the two events listed below.

- Saturday, 1/28 - Annual Protech Motorsports Chili Cook Off, 917 State Park Road, Greenville, SC
- Saturday, 2/4 - New 911 Reveal Party, Porsche of Greenville, Greenville, SC

Last year's Protech Chili Cook Off had 85 attendees and 21 chili pots. We expect an even bigger turnout this year so bring your appetites. A PCA Member Show & Shine in the dealership parking lot will precede the reveal of the new 911. There will also be a party inside the dealership following the reveal. Details will be sent when they are finalized.

Upcoming Upstate Area Meetings

- Monday, February 6 at 6:30 pm at Quaker Steak & Lube, Greenville, SC
- Monday, March 5 at 6:30 pm at Quaker Steak & Lube, Greenville, SC

As always, I would ask members to keep the ideas, suggestions and feedback coming to upstate-ad@Carolinas-pca.com as they can only help to improve our meetings and activities throughout the year.

- John
