From the Driver's Seat

Doug Smith, President

Well, my first month in this new role, and hopefully you haven't noticed any lug bolts missing from the region's wheels. That's kind of an inside joke for those who remember Mike Jones finding 2 lug bolts missing from one of my wheels while he was inspecting my car at an autocross. What can I say? I learned a valuable lesson to re-torque my wheels after having my car serviced!

Speaking of re-torquing wheels, I hope you're aware that we ran an online survey for the region's members last Fall. The survey provides a tool for the Club's leadership to evaluate how we're doing and provides ideas on ways to improve the club in the future. This year, we received responses from 212 members, down last year from 337 participants – a significant decline but participation still represents almost 14% of our primary members.

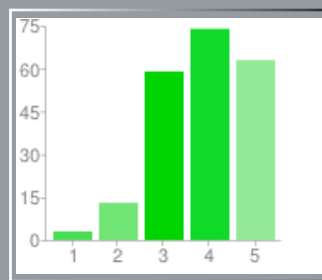

Key objectives were to:

- * **Gather Member Data:** Collect background information from our members, this helps us with our sponsors and supporters, as well as to help us calibrate general demographics about our region.
- * **Solicit Event Feedback:** Gather inputs from members about all of our area and regional activities – soliciting feedback wherever possible to help us better understand members' suggestions. These included weekend events, driving events, social events, as well as area meetings and events. **Understand Emerging Communications Preferences:** Gauge interest about changing the region's newsletter and the current distribution channel (U.S. Mail vs. email). Since we are currently distributing the newsletter electronically to a good portion of the membership, we want to keep track of member sentiment about this issue.
- * **Assess Overall Satisfaction:** Lastly, we collected inputs about your overall region experience and satisfaction with the club, as well as some inputs to help make future surveys better. Read on for more details.

Since the survey is rather lengthy, it's not feasible to print it in the newsletter in its entirety. However, it's available as a PDF file on the Region's website. Look for it as a banner on the website, or using this link (<http://tinyurl.com/al3b63t>). In summary, the survey results were generally positive and the

comments were helpful. As with last year, nearly 2/3 of the members surveyed provided a very positive overall rating for their experience in the club.

Question #43. To what extent has your experience in the Carolinas Region PCA met your expectations?

Graph Response Key

1 = Disappointed	3	1%
2	13	6%
3	59	28%
4	74	35%
5 = Extremely Pleased	63	30%

After reviewing the survey results, whether you participated or not, if you have any additional inputs, feel free to send suggestions, comments, or concerns directly to me via email or share them when I see you at an upcoming club event.

By the time you receive this, the region's board will have met for our annual planning meeting to review budgets, activities, and to set some goals for the year. I hope to provide an update in next month's Tobacco Roads. Also, remember that we still have opportunities within the region to lead activities and are also actively seeking a new Area Director for the Triangle Area. Please reach out to me if you have any interest in this, or in helping within other areas of the club.

On a final note, we should all be proud that the Carolinas Region came in 6th place nationally, among 139 regions, in growing our membership in 2012. We're engaging more effectively with our region's Porsche dealerships, who help spread the word about the benefits of PCA participation. We're also doing our best to retain members – trying to offer better opportunities to participate, and keeping in touch more effectively with the website, TR, and new media channels, like Facebook.

Until next month...

Doug

Meet Turbo Tim Lingerfelt

Going to Cars and Coffee the first Saturday of every month is a great opportunity to not only see plenty of great and interesting cars but also meet some really nice car people. This past November I was fortunate to meet Tim Lingerfelt, who had brought his '58 speedster that day. Besides being a car collector of various marques, he also has a very nice large collection of early 930 turbos. As we talked, I asked him if he would be interested in letting me do a article sometime in Tobacco Roads. He said "Sure come up to the shop sometime." I was really excited being that 930's are probably my favorite all time road going Porsche!

I met with Tim at his large shop in Cornelius, conveniently located on Hwy 73, where he has an auto body and boat repair business. I entered his spacious showroom where he had all his 930's on display. Wow; it was very impressive from the first year model 1975, a silver coupe with black interior, which local Porsche mechanic and friend Terry Sossamon of the 911 shop found and secured for him, to a unique Emerald Green 1976 coupe with tan interior. Next was a 1977, custom-ordered smoke silver with black coupe; a 27k mile 1978 Aubergine with brown interior coupe, followed by a 1979 Grand Prix white coupe with tan interior. Then a 1986 Moss Green with matching green leather interior, and finally a red 1987 coupe with red interior.. Among his collection was a black and tan '58 Speedster; a red '59 outlaw speedster; a red 1980 custom turbo look cab with red interior; a red '85 928 5speed, and a 1960 Porsche standard tractor. There were some other great cars in his collection. Namely, a 1968 Z-28 Camaro finished in Rallye Green; a '67 Z-28 finished in Nantucket Blue, and three early big block Corvettes. In addition there were two very unique rare cars; 1936 Stout Scarab. Nine were produced, and only five currently exist. It was designed by William Bushnell Stout who worked for Henry Ford. Stout is also credited with designing the Ford Tri - Motor aircraft; The first car with no running boards and moveable seats. The other unique car in his collection is a 1928 Worldmobile 8; the only one ever made. This car was once in Bill Harrah's collection in Las Vegas. The car was built in Cleveland Ohio, and features 65 horsepower/ 8 cylinder Lycoming Engine, and has the original paint and interior!! Tim tells me the story of how he came to own the Stout Scarab. "I was doing a restoration on a unique 1941 Mercedes 540K; there were only four made that year. The original production was 1936 to 1939. Adolph Hitler asked Mercedes to build four in 1941, for a few of his closest people. One went to Ava Braun, and one went to Luftwaffe chief head Helmut Gerig. This was that car. I was given the Scarab for restoring the SSK."

Tim told me his Porsche story while we had lunch at his shop. "I grew up in Hickory and my neighbor, Melvin Lockman, owned an auto body business. By age 13 I was sweeping floors, taping cars, and cleaning up the shop. "While in high school I found out about the VICA program - Vocational Industrial Club of America. I told our high school shop instructor Lewis Bumgardener about the category of competition they offered in Auto Body. I entered the state competition in Asheville along with 25 entrants and won at the age of 17. Later that same year, I entered and won the National competition held in Birmingham Alabama against 52 entrants. My two older brothers, Mitch and Danny Lingerfelt had started Unifour Auto body in Hickory and I worked for them, for a couple years. A Banker in town who was a car collector/restorer had heard about me winning the VICA National competition and offered me a job working on his collection. A 550 Spyder was the first Porsche I laid my hands on. In the next 2 1/2 years I worked on 356, 356 Carrera, 904s and 550's. Back then, I thought these early Porsches were all rather ugly!!" But one day I asked to drive a 930 turbo back from Virginia. It was a customer car that came from Weldon Scrogam's G&W Motors. To me, immediately, it was love first sight. I knew someday I would have to have one of these awesome cars!!" My first 930 was a 1977 which was a commission for finding a 550 Spyder for a private collector.

"By 1983 I opened my own business in Hickory "VINTAGE PORSCHE INC." by securing money for restoring a 1960 Carrera GT coupe by a noted Porsche collector from Denver, Dr Bill Jackson. I also did a lot of work for Hickory collector David Zagholi. Due to the lack of saturation of Porsches in the area, and to keep myself in business, I did collision work, fleet repair, even construction equipment, anything

GMP PERFORMANCE PORSCHE ECU Programming

ECU tuning is an art and having the ability to manipulate various different ECU's is something that only a handful of companies throughout the world can successfully perform.

GMP Performance is proud to offer EVOMSit, one of the elite few that can successfully tune Bosch, Siemens, Campi / EFI Technology, Marelli, Delphi and select other ECU's in house; however this is only a piece of the equation.

Another critical aspect of ECU tuning is to possess complete hands on mechanical understanding of the latest generation high performance engines. This is the foundation of EVOMSit and there are no other US based aftermarket performance companies that have more experience and built more high HP engines than Evolution MotorSports has. They have practically reengineered the entire Porsche flat 6 engine manufacturing their own components that replace the OEM internals. Combining these two equally important facets of the engine tuning process clearly sets EVOMSit as a true leader in all aspects of engine tuning and development.

Increases HP & TQ

Improves Fuel Mileage

In-House Installation

GERMAN MOTORING PRODUCTS SINCE 1975

I could do to keep the doors open.”

One of the very unique thing I learned about Tim is he still paints many collector cars in Lacquer- a rarely used approach from yesteryear. “Other restorer’s think I’m crazy, but it’s because no one has the patience to do it this way anymore. It involves a lot of coats, and a lot of hand sanding and blocking in between coats, but there is still no better final finish that has a deeper luster than lacquer.”

In 1998 I moved to the Lake Norman area and relocated the business, and also expanded into boat damage and repair, which involves fiberglass repair. I already had a vacation home here and loved the area. The name of the business is “The Boat Body Shop.” He also owns C.A.R.S. – certified appraisal and restoration services. “We are pioneering a new concept on the east coast, in that we have created a Eco friendly body shop for boats and cars, whereas we release nothing unfriendly to the environment, and is totally self contained, which is where the future of this type business is going.” Tim explained.

Tim’s parents Jack and Arleen Lingerfelt were a big influence on his life. To honor them, he restored matching ’72 Olds Cutlass convertibles for each. Dad’s is blue with white top and

interior and stock. Mom’s is red with white top and interior with Chip Foose wheels,” Mom complained recently that her car was a little down on power so I adjusted the timing for her. She is 80 years old!,” he laughs.

More recently Tim has had some challenging assignments. “I was asked by Jeff Miller of Choate construction, Steve Criste ,and Scott Carpenter who were all working on Rick Hendrick’s private museum to create a large Ferrari Wheel Chandelier for the ceiling in the main game room. The rim measures 9’-1” in diameter and we were given only six weeks time to do it. To create this, we first had to make the mold which was made with the help of a CNC machine. It took a total of 144 hours of router time to shape MDF material correctly. Originally they wanted 278 hours to do this but we were able to shorten the time by speeding up the router in the flat areas. We fabricated the rim from fiberglass, and the museum was very pleased how well it turned out. We also had a special

request for Rick Hendrick’s birthday to restore a 1978 Z-28 Camaro. This car was unique because it had been sold at the first dealership that Rick had opened in Bennettsville S.C. “We were able to get it restored from start to finish in only four weeks and three days. One of the big reason’s we were able to do it so quickly was the help we had from Ralph Brawley the famed metal man and good friend. Because of his metal finishing,there is no bondo in any of the repairs; saving us considerable time.” Tim added Ralph Brawley’s motto is “People come up with the ideas and projects, because they don’t have to build them.”, and Tim’s motto is “The difficult we can do immediately, the impossible takes a little longer.”

Tim's latest project is putting together a restoration shop and training center that the east coast has never seen before. Tim's philosophy is that because the body is the foundation of the car, if the metal finishing is not done correctly, what is the value that you have? In the future if not done correctly it will only have to be re-finished again in the future. The mission statement of the new restoration shop is: "To create a legacy restoration facility by properly educating the next generation and the following generations to home in how to restore classic automobile's properly."

Tim says the problem in today's market is everything is being rushed to meet a auction deadline or a make a quick dollar, and Tim also stresses that he is happy to advise people who are interested in buying a car or collection , "before" they buy, not afterwards.

So if you get to visit Cars and Coffee in Charlotte some first Saturday of the month , and you see a early 930, chances are good that it was probably once on Tim's. Stop and say hi. You won't meet a nicer Porsche guy!

Till next month,
Your Historian

TRIAD AREA PCA WILL HOST THE 2nd ANNUAL
 “ROADS AND RAILS TOUR”
“SEND A KID TO CAMP CHARITY EVENT”
 SUPPORTING YMCA CAMP HANES

Join us for some fun and fellowship as we journey on some of the best back roads that North Carolina has to offer, along with riding on North Carolina’s most scenic mountain railroad. Come re-live the glory days of riding on the rails as we take a 4-hour round trip to the Nantahala Gorge and back on board the Great Smoky Mountains Railroad. We have two private first class cars for our group, 88 total seats. Lunch is included on the train. Come with us and enjoy this once in a life-time experience as we raise money for under privileged children.

WHEN: June 14-16, 2013
WHERE: Fontana Village Resort
COST: \$125.00 per person

Here is a link to the train trip. <http://www.gsmr.com/ride-us/first-class/first-class>
 We will be in the MacNeil and Harper cars.
 We will be staying at Fontana Village Resorts. <http://www.fontanavillage.com/>

Annual Protech Chili Cook-Off

The Annual Protech Chili Cook-Off is scheduled for Saturday, February 9th.

We want to thank Bill and Frank Gerwig for hosting this event again, as it is always a good time for all. In addition to a great assortment of chili, due to the large amounts of deserts that are brought each year, we will also have judging and an award for the best desert. This event is always very well attended and a great opportunity to meet new members and get caught up with old friends.

For those of you who are new to the Upstate Area, the cook-off contest is open to any member who wants to enter their "secret", home-made chili or that "special" desert. Please remember to bring serving spoons for the chili. The rest is explained below.

The details for the event are as follows:

Date: 02/09/2013

Location: Protech Motorsports
917 State Park Drive
Greenville, SC 29609

Start Time: 6:00 pm - Set up of chili pots and time to mingle

7:00 pm - Chili judging starts

7:30 pm - Desert judging starts

- Particulars:**
- Chili contestants please bring chili pots and ladles for serving
 - Desert contestants please bring serving knives or spoons as necessary
 - Protech is supplying bowls, plastic-ware, soft drinks and water
 - Extras: Anyone wanting to bring an appetizer to share is welcome to do so (bring plenty - with serving spoons)
 - Guests: BYOB if so inclined and bring a healthy appetite for chili (some are HOT - so antacid is optional)
 - Registration: None, just show up, but the early bird gets the most chili
 - Fee: NONE, Bill & Frank provide the incidentals, the contestants provide the food, just remember to say

Thanks!

Requirements: - Bring a healthy appetite, a good attitude and a willingness to have lots of FUN with GREAT people.

Upstate Area Holiday Party

Submitted by John Budinich

The Annual Upstate Area Holiday Party was held on Saturday, December 15. Once again, John and Kelle Corvin graciously opened their home to PCA members and guests to kick-off the holidays. This party has become one of the highlights on the Upstate Area's annual calendar as a means to celebrate the holidays, socialize with other PCA members and raise money for charitable causes.

In all, 52 people filled the kitchen, dining room and living room of the Corvin household. In addition to the lively conversation, there was a wide assortment of food from which to choose, including beef, fish, shrimp, snacks and many other selections. Key West once again catered the party and did a fantastic job. No one left the party wanting for more to eat.

Once everyone had his or her fill, the main event got under way. The highlight of the Upstate Area Holiday Party is always the charity auction. Members and area businesses donate primarily Porsche related items, both large and small. Partygoers engage in some spirited bidding for these items, sometimes resulting in "bidding wars" spurred on by the crowd. All of the proceeds from the auction are given to a local charity to help those most in need. This year, we once again supported the St. Vincent DePaul Society in Greenville, SC.

They use the funds to help local families who cannot afford to pay their electric bills, heating bills or in some cases, food bills.

Shane Tisdale acted as auctioneer again this year. Shane has a great ability as MC to keep the proceedings lively, entertain the group with his humor and to draw out the biggest amount for each item.

A great example of Shane's abilities was demonstrated when we got to the wine. Donato Ricci provided an assortment of six, high quality French wines for the auction. The wines were sold individually and raised a significant amount of money. Shane then proceeded to auction the branded, wooden crate that the wine came in. He was able to sell the crate alone for an additional \$60. More proof Shane can sell just about anything and the Upstate Members are willing to help deserving charities in any way possible.

The last item "auctioned" has become an Upstate Area Holiday Party tradition. A few years ago, a "Sally Carrera" (from the movie Cars) Pez dispens-

Feeling like you paid too much in taxes this year?

This year, evaluate whether you can benefit from:

1. Tax-advantaged investments. If appropriate, consider tax-free municipal bonds to provide federally tax-free income.*
2. Tax-advantaged retirement accounts. Consider contributing to a traditional Individual Retirement Account (IRA) or 401(k) to help lower your taxable income.
3. Tax-advantaged college savings accounts. Contribute or gift to a college savings plan for your children or grandchildren.

*May be subject to state and local taxes and the alternative minimum tax (AMT).

MAKING SENSE OF INVESTING

er was auctioned for a large sum. The Pez dispenser has been brought back and re-auctioned every year since. The winner becomes the custodian of the dispenser, a symbol of the Upstate Area's commitment to charity. The past two years, Sally Carrera was auctioned as a group item. This year the party attendees bid \$20 each for Sally Carrera. This one item alone raised \$1,000.

In total, the Upstate Area Holiday Party raised over \$6,300 for charity. This, combined with the funds raised at the monthly Area meetings and the Carolinas Region charity match, resulted in a total contribution to the St. Vincent DePaul Society of \$7,370. According to Upstate Area Member Gail Hediger, the funds were

used by the St. Vincent DePaul Society to directly help 53 families (199 people) across the Upstate. Just some of the ways help was provided: utilities were kept on for 20 families, 5 families avoided eviction and late payments were made for 10 families. Once again, Upstate Area members demonstrated their generosity and commitment to representing the Porsche Club in a positive light.

The holiday party was a very fitting end to a busy Porsche-related year. We are all looking forward to 2013 and the many activities on the Carolinas Region calendar. The Upstate Area members hope you all had a Happy Holiday season, a Merry Christmas and a Happy New Year.

Opt out update:

Just a quick update. As of 9/10/12 we have had 255 members choose to receive the "electronic only" version of Tobacco Roads. What does this mean ?? It saves us \$ 9,000.00 per year that we can put in the bank to offset other club expenses (ie, Autocross, Christmas Party, etc). As mentioned in other publications TR is the biggest expense, averaging 3.00 per copy.

We're announcing an exciting new option to receive your copy of Tobacco Roads - we'll be offering "**electronic-only**" **delivery**. This is truly a special publication and is used to transmit valuable information content across the region. However, the new "greener" option is to send this publication out via an email link to the Adobe PDF copy posted on your region website. For those members who wish to continue receiving the hard copy via USPS, no action is neces-

sary at this time. However, if you wish to opt-out of future paper delivery, simply reply to **membership@carolinas-pca.com** with your name and area, indicating your preference to opt-out.

Presently, the largest single expense for the Carolinas Region PCA is printing and mailing costs associated with Tobacco Roads. Each monthly copy costs the region about \$2.00 per recipient. By opting out, you're allowing the region to divert more membership funding to help support events and other special member activities. You're also guaranteed to get the timeliest copy of the newsletter in color!

Please contact me to take advantage of this offer. **If you wish to continue receiving the paper copy – then no action is required.**

Warm Regards,
Tammy Collins
Membership Chair
Carolinas Region PCA

Area Updates:

February 2013

Triad Area By Jerry Kilcrease

Meeting: Third Tuesday of the month at 7:00pm
Big Shotz Tavern, 1480 River Ridge Rd, Clemmons, NC.
Directions at www.bigshotztavern.com

Contact Jerry Kilcrease, Area Director
triad-ad@carolinas-pca.com (336) 476-3120

The Triad Area held its January 15th monthly meeting at Big Shotz Tavern in Clemmons. Despite the cold, rainy evening, there were 47 members and guests in attendance. Ron Reed displayed photographs taken at past PCA events on the overhead and Emily Branch and Tanya Reed manned the 50/50 split the pot table. When the split the pot drawing was made at the end of the evening my ticket was drawn out of the bucket by Ann Roof (a nice way for me to start out the New Year). We had quite a few members that celebrated birthdays in December and January and they were Ann Roof, Emily Branch, Blanche Gallo, Rick Huskins, Peg Simm, Harvey Harbour, Jim Walker and Charles Massler and they were treated to a free birthday desert. Charles Massler gave the group an update on the upcoming Childress Race Shop Tour scheduled for February 2nd and Robert Van Camp reminded everyone to be certain to sign up for the Roads and Rails Event on June 14-16. We held opened discussions regarding suggestions and recommendations for upcoming Triad Area events and discussed possible additions to our agenda. After the meeting ended we finished our meals but stayed inside and continued socializing. Thanks to all that attended and hope to see you next month.

UP COMING TRIAD AREA HOSTED EVENTS:

SATURDAY – MAY 18TH – PORSCHE CORRAL AT THE AMERICAN CHILDRENS HOME – Registration information and details later.

FRIDAY-SUNDAY, JUNE 14-16 – ROADS AND RAILS TOUR – The Triad Area will host the 2nd annual “Roads and Rails Tour” Send a Kid to Camp Charity Event on June 14-16, 2013. Robert Van Camp is again the Chairman of the event and this year will be taking the group on a 4 hour round trip on the Great Smokey Mountains Railroad. This year Robert will have us travelling on the back roads of North Carolina’s most scenic mountains and we will be staying at the Fontana Village Resort. Robert has made all arrangements for this event early in order to give all of us plenty of lead time to make plans. So those of you that made the trip last year please make plans to join us again. And for those that were not able to join us last year, we hope to see you this year. See the advertisement this issue for registration and details.

NEXT TRIAD AREA MONTHLY MEETING - : The Triad Area will hold the next monthly meeting on February 19th at River Ridge Grill and Tap Room (this is the same location as Big Shotz Tavern but they have changed the name of the restaurant and changed ownership). We start gathering around 6:30 to socialize with the short business meeting starting around 7pm. We will have the 50/50 split the pot drawing and Ron will have current PCA events on the overhead. So make plans to come join us for fun and fellowship and meet other Porsche enthusiasts. Contact Jerry Kilcrease at jkilcrease@triad.rr.com if you have any questions. See you there!

Triad GIP (Girls In Porsche) (By Sadie Kilcrease)

The group started the new year out with our meeting on January 3 at the Bleu Restaurant located in Winston Salem. Attendance was off for the January meeting but we are looking forward to our February 7 meeting which is scheduled to be held at Breakfast of Course—Marys Too in downtown Winston Salem at 11:30 AM. Mark your calendar and join us for fun, food, fellowship. Hope to see you there.

Upstate Area By John Budinich

Meeting: First Monday of the month at 6:30pm
Quaker Steak & Lube, 10 Chrome Drive
Greenville, SC

Contact John Budinich, Area Director
upstate-ad@carolinas-pca.com (864) 915-0011

As we begin what promises to be another exciting, fun filled Porsche related year, I would like to briefly reflect on 2012. The past year was full of discouraging news on the financial front, what with the looming of the "Fiscal Cliff", talk of increasing taxes & growing deficits, there were still positive signs that generosity begins at home. In addition to all of the car related activities Porsche Club membership affords us, such as concours, club racing and drive & dines, I am truly impressed by the commitment across the Carolinas Region to raising money for charity and to helping those less fortunate. Throughout the year, various Carolinas Region events have had some form of fund raising for charity. Be it simple, like a 50/50 raffle at a monthly meeting, or an event dedicated to a specific charitable cause.

This commitment is especially noticeable around the holidays. The 8 Areas within the Carolinas Region hold local Holiday Parties and there is also the Regional Holiday Party. At most of these parties, there is an opportunity to once again show our commitment to charitable causes. There will be an update from the Board in the near future on what was raised in 2012 across the Carolinas Region and I am sure the total is significant. I would like to take this opportunity though to mention how proud I am to represent the Upstate Area. At this year's Upstate Area Holiday Party alone (see separate story elsewhere in this issue), we raised over \$6,300. Combined with other activities in 2012, we raised a total of \$7,370 for charity. The St Saint Vincent DePaul Society was able to directly help 53 families in the Upstate Area as a result of these contributions. Continued proof that the Porsche Club and its members are not "just about the cars".

Monthly meeting attendance remains strong with an average of 40 to 45 people in attendance. I know we are all looking forward to an even better 2013 filled with exciting, Porsche related activities. In addition to the regular monthly meetings and Regional events, we will be scheduling 2 or 3 Drive & Dines and 3 tech sessions during 2013. There are three "special" events I want to mention so you can pencil them in on your Porsche calendar.

On February 9th, Protech will be hosting their Annual Chili Cook-Off. Details for that event can be found elsewhere in this issue or

Sandhills Area By Marty Barrett

Meeting: Every odd month (Jul, Sept, Nov, etc.)
Fourth Tuesday of the month at 6:30pm
The Italian Table, 136 Grant St., Seven Lakes, NC

Contact Marty Barrett, Area Director
sandhills-ad@carolinas-pca.com

Sandhills was pretty quiet in January, but we had an enthusiast group of 17 PCA'ers for dinner on the 22nd. We met at the historic Pinehurst Resort Ryder Cup room. In January the resort is not overrun with golfers, and they have at 2 for 1 dinner promotion to encourage "us locals" to use the beautiful facility.

We discussed upcoming events including the Pinehurst Concours coming on May 2-5, the swap meet on Feb 16 and the DE in March. We are also planning a tech session at D&S

on the Carolinas Region website. This event typically draws over 100 people and there were over 30 variations of chili and 12 desserts entered for judging at last year's event.

If the water levels in Lake Hartwell cooperate, we will again be participating in the joint Antique Wooden Boat / Porsche Club show, tentatively scheduled for April 13th. More information will be coming out on this once the boat club holds their go/no go meeting based on water levels, scheduled for early March.

Another event being planned for the end of April is the launch party at Porsche of Greenville for the New Cayman. This event will be similar to the events held for the New 911 and the New Boxster. I will be reaching out to some of our Cayman owner's regarding a vehicle display as part of the event. This should be another great party for another great Porsche.

As always, I would ask members to keep the ideas, suggestions and feedback coming to upstate-ad@Carolinas-pca.com as they can only help to improve our meetings and activities throughout the year

- John

Metrolina Area By Jerry Collins

Meeting: Thursday February 21st 7:00pm

Location: See Below

Contact Jerry Collins, Area Director
metrolina-ad@carolinas-pca.com

Area Meeting

NEW LOCATION : Hickory Tavern, 9010 Harris Corners Pkwy, Charlotte, NC: off of I-77

For the monthly meeting, we started our 50-50 drawing, and I think everyone really enjoyed that addition to our meeting and dinner. For those who wish to participate, bring cash to the meeting!

We were able to donate \$342.00 with our PCA national match, to the Second Harvest Food Bank

in December, from these funds... Thank you!

Sort of our quiet time of the year, so stay tuned as we start to build the 2013 calendar of events.

Drive it like it's a rental.

- Jerry

Porsche parts in Rocky Mount later this spring. The Carolina's Region also has a great venue of events that many of us will enjoy.

Sandhills Area is growing. The first Sandhills meeting was in September 2009. We now have 50 PCA members on our contact list. And, Tammy Collins is helping me correct the National PCA master list of members in Sandhills area that have been incorrectly assigned to other areas. Our target is 100 members by the end of 2013.

The challenge for the area directors is to organize events that encourage members to enjoy their cars, learn about them, and meet other Porsche owners with similar interests.

Marty

Mountain Area By Lauren Boylston

First Saturday of the month at 10:00am
Harmony Motors, 621 Brevard Road, Asheville, NC
Check monthly area report for location changes.

Contact Lauren Boylston Area Director
mountain-ad@carolinas-pca.com

Our monthly meeting was held January 5th at Harmony Motors in Asheville NC. We had a good crowd, with 34 people attending. We added 9 new members to our area in January, with several already attending meetings, and one (Scott Walker) already volunteering to help with In Den Bergen! Welcome!

Wally Higginbotham, Sales Manager at Harmony Motors, began by introducing several new members of their team. Douglas Urban is the new Service Writer and Patrick Loughton is a new Porsche Service Technician, coming to Harmony from Hilton Head. Patrick comes to the job with 9 years experience and is a Gold Master Level Porsche service technician. Wally then went over upcoming Porsche model releases. Both the Carrera C4S and the new Cayman will take a bow in 2013. Wally discussed the possibility of exclusive "First Drive" events for Mountain PCA members as these new models roll out. He also discussed future "Ride and Drive" track opportunities for our Area, as space is available.

We then turned back to Mountain Area business and began discussing what we might like to do for fun in 2013. I provided a list of possible ideas for the group to bat around. The discussion was lively and many good ideas were shared. The results of the Carolinas Region survey were discussed, as it pertained to Area activities. And some groundwork for future meetings and outings has begun. A Facebook group has been created for our Area. It is Mountain Area PCA. If you are PCA member please ask to join! We are hoping to use this as an additional resource for communicating, particularly for casual "last minute" coffee get togethers, etc. We also discussed the upcoming race season and which venues and races we may want to caravan to.

Ron Becker, "Mr. In Den Bergen", took the floor briefly to discuss the early planning of our 2013 premier event, taking place once again in lovely Waynesville, NC August 9-11. This is sure to be another terrific year for In Den Bergen. As always, volunteers are greatly appreciated for this event.

Coming up in the Mountain Area:

February 2nd 10AM @ Harmony Motors–Paintless Dent Repair. Sponsored by Harmony Motors and demonstrated "live" by Dent FX, owned and operated by David Hutchinson. Come out to see this actual demonstration, enjoy hot coffee and breakfast sweets and mingle with fellow PCA folks.

March 2nd 10AM @ Harmony Motors–Combination Meeting/Drive/Lunch. Please join us as PCA member Doug McKee and Harmony Sales Manager Wally Higginbotham demonstrate the "Build Your Porsche" software. As many of you know, Doug has extensive experience with this software! Just check his driveway! Following this demonstration, Doug will lead us on a leisurely drive down to Chimney Rock and back up to Black Mountain, followed by lunch at Thai Basil. The weather should be warming up and it will be time to give it a little throttle.

March 8-10 Amelia Island Concours. Just a heads up that several Mountain PCA members are attending this event in Amelia Island, FL. The Porsche 911 is the marquee car this year. If interested in meeting up with fellow members, give me a shout at mountain-ad@carolinas-pca.

April 6 LaZoom Comedy Bus Tour–Asheville NC. Please note that we have secured the entire bus for Mountain PCA for the 4PM Tour. There will be no regular meeting. We will be meeting prior to the tour at a local brew pub for libations. Cost for the tour is \$22 per person. Details and reservation information to follow. There are only 38 seats available, so plan ahead! This will be a blast!!

June 6-9 Highlands Motoring Festival–Highlands NC Stay tuned for more information on this event as it will more than likely serve as our monthly meeting. Again, like Amelia Island, the Porsche 911 is the marquee car for this event.

Hickory Area By Vincent & Vallie Piccirelli

Meeting: Second Tuesday of the month at 6:30pm
Da Vinci's Ristorante 2968 North Center St.
Hickory, NC

Contact Vincent or Vallie Piccirelli, Area Co-Directors
hickory-ad@carolinas-pca.com (828) 781-8332

Happy New Year from Hickory!

We brought in the New Year with new members and 1st time visitors. Welcome to Mike Sebert, from Mooresville, who also won the Door prize, of a beautiful red women's top, with sparkled letters "Porsche" across the front. Steve Johnson was a 1st time visitor, his wife Janet has been with us before. Steve works for CV Products- supplying racing products for everything from Motorcycle to F1 racing needs. Craig Willis was also with us, from Denver, who is interested in Drivers Education for him and his family. Ian Taylor has put a caravan together to go to the Asheville Cars and Coffee, on January 19th, which will meet at Starbucks on LR Blvd in Hickory? Ian is also planning other events that include events for each month. Ian is planning a game night, and a Breakfast drive was discussed.

Congratulations to Timothy Scopes, who won the 50/50 drawing

of \$35.

The other \$35 will be donated to Hickory Soup Kitchen. It was Nadia Scopes's birthday and we bought her desert. Our January meeting had 19 attendees. For 2013 Porsche of Hickory will be starting up Tech Sessions again. We are still working out dates & will get an email out ASAP.

Cheers!

Vincent & Vallie Piccirelli

Triangle Area: Currently Vacant

Meeting: 2nd Saturday of the month, 9:30 - 11:30am
McDonalds 4980 Cary Glen Boulevard
Cary, NC
triangle-ad@carolinas-pca.com

Triangle Area Update

We're actively seeking a new leader for the Triangle Area to serve as the Area Director replacing Bob Kim. This is an exciting time and you'll have the chance to build up the area and interact with some great folks in the surrounding areas, like Marty Barrett (Sandills AD) and Jerry Kilcrease (Triad AD). Please contact Doug Smith, or any board member, for more information.

Additional information on all classified ads can be found by either contacting the seller or checking our website for photos at www.carolinas-pca.com.

Porsches

1984 911 Carrera: Good daily driver, ideal candidate for upgrade to show car or enhance for track drivers ed. car, Guards red w/black leather, manual trans., turbo whale tail, new brakes, new battery, new front tires, good rear tires, new heater blower motor, and new more efficient Sanden A/C compressor with high efficiency Serpentine evaporator, 171k mi. (rebuilt @ 115k), chip, strong engine, non-smoke, garaged, sway-bar, factory Fuchs wheels, good paint (a few minor road nicks), runs & drives very nice, was \$23,500 but 3rd gear synchronizer slightly worn (yes, it works) so discounted to \$18,375. Vehicle located in Columbia, SC. email interest to John Hamilton, johnfh@aol.com

1987 Porsche 911 Carrera: Blue / Green, 159600 miles, owned since 2001. Great car, top end done in 2001 at around 110,00 miles, clutch then, repainted then, turbo Fuchs alloys, car slightly lowered, many items replaced - sensors, fresh air blower motor, alternator, starter, shifter bushings, etc. Stacks and stacks of receipts. Work performed at Protech Motorsports or Doc's Grrrage. Mostly highway miles. Car looks awesome. Paint has very few scratches and interior looks almost new. Garaged and covered always. Price reduced to \$20,000. Needs heater blower motor if you want to create a sauna. Drives like new. Contact Gary Agardy, Greenwood, SC. gaga-rdy9@gmail.com or (864)344-1965

2001 Boxster S: This two-owner Boxster S (seal gray/black) has been driven as a commuter on state highways and back roads during its 82,000 mile lifetime. It has not been tracked or abused. The front bumper skin was replaced after a passerby scraped it; otherwise this car is original and in excellent overall condition. 80,000 mile scheduled service has been done. The soft rear window became cloudy, so it was replaced with a new window, tinted as per factory. The top, interior, body, electronics, and all mechanicals are in excellent shape. The tires are factory-recommended Michelin Pilot Sports. This is a non-smoker car. No leaks, no IMS issues. This car has been garaged and covered while I've owned it. The former owner upgraded its taillights, installed monogrammed floor pads, and mounted RennTech pedal covers. Otherwise, it is bone-stock with all regular features that come with a Boxster S. Price is \$14,997 OBO. This is a great, head-turning, no-issues joy to drive! Contact Ronald Sieber for details at 919-382-7328, or email me at rdsieber@gmail.com.

Guidelines for Carolinas Region Classified Ad Submissions

- 1) All ads should be submitted to Ed Beroset, Classified Ad Coordinator, at:
classifieds@carolinas-pca.com
602 Stonehill Rd
Chapel Hill, NC 27516-9526
Home: 919-942-3838
- 2) All ads will be posted to both Tobacco Roads and to the Regional Website unless otherwise directed.
- 3) You must provide your current PCA membership number when submitting a classified ad.
- 4) No posting of ads for friends. Immediate family is ok.
- 5) No commercial ads. All commercial ads must be purchased. Contact TR Editor for pricing.
- 6) **Ads will run for two months.** If the item is not sold within that time frame the seller will need to contact the Classified Ad Coordinator at classifieds@carolinas-pca.com and request an extension. Each extension will be for one additional month.

- 7) All pictures submitted should be in .JPG format and no larger than 800x600. One picture per submission.
- 8) Pictures will run on the website only.
- 9) All ads will be subject to editing for consistency and length.
- 10) Ads should include:
 - a. An accurate description of the item or items (including VIN preferably if applicable).
 - b. Price (Ads will not be accepted without pricing).
 - c. Where you and the item are located.
 - d. Contact information including name, phone number, and/or email address.

Below is a sample of the format we will utilize:

1964 356 Coupe: VIN 12323456. Champagne Yellow w/ Black interior. 150,100 miles. Very good condition. Paint bubbles on lower door skins. 12 volt conversion. \$42,995 firm. Contact Bob Smith, Hickory NC. bsmith@hotmail.com or (704) 555-1212.
