#### Opt out update:

Just a quick update. As of 5/1/14 we have had 450 members choose to receive the “electronic only” version of Tobacco Roads. What does this mean ?? It saves us considerable dollar amount per year that we can put in the bank to offset other club expenses (ie, Autocross, Christmas Party, etc). As mentioned in other publications TR is the biggest expense.

hard copy via USPS, no action is necessary at this time. However, if you wish to opt-out of future paper delivery, simply reply to [membership@carolinas-pca.com](mailto:membership@carolinas-pca.com) with your name and area, indicating your preference to opt-out.

Presently, the largest single expense for the Carolinas Region PCA is printing and mailing costs associated with Tobacco Roads. By opting out of the print version, you’re allowing the region to divert more membership funding to help support events and other special member activities. You’re also guaranteed to get the timeliest copy of the newsletter in color!

Please contact me to take advantage of this offer. **If you wish to continue receiving the paper copy – then no action is required.**

Warm Regards,  
Tammy Collins  
Membership Chair  
Carolinas Region PCA

We’re announcing an option to receive your copy of Tobacco Roads - offering **“electronic-only” delivery**. This is truly a special publication and is used to transmit valuable information content across the region. However, the new “greener” option is to send this publication out via an email link to the Adobe PDF copy posted on your region website. For those members who wish to continue receiving the

# Editor's Notes

John Koury, Editor

The Carolinas Region is one of the largest regions of the PCA and each month I get the opportunity to assemble content from the different areas of the region about a variety of different subjects, usually Porsche related. This month's issue of *Tobacco Roads* has important information about date changes for the club race at Carolinas Motorsports Park, Executive Council nominations, Area Reports (past and future events), and additional event reporting. The continued Hysterical and Historical contributions from Mr. Wasserman and Mr. Scalzo round out this month's content with some human interest and facts you may or may not have known. I believe there are other members with similar stories or contributions waiting to be shared in this newsletter, much like this month's story of rooting through the attic, or Hysterical's trivia. I have something really interesting lined up for next month

from a non-regular content contributor and I know some readers have similar stories to share.

The benefit of the club, aside from getting *Tobacco Roads* and the PCA National Magazine, *Panorama* monthly, is to find outlets for your interest in Porsche. Whether it is finding a drive and dine in your area or attending an autocross within the region, going to an event outside of the region, or developing an event for your area, the PCA provides a framework for that to happen. It is our club, the depth of which is enhanced by member involvement. I encourage you to participate in events, vote in the upcoming leadership elections and even send me your report, thoughts or even photos for inclusion in upcoming *Tobacco Roads*, your club's newsletter.

## From the Driver's Seat

Doug Smith, President

I find myself this month again thinking about the internal workings of our club. It's a complex organization with a huge array of active members and interests. This year, I worked with the elected officers in the region to select a Nominating Committee for the upcoming 2015 Carolinas Region Officer Elections. The most recent bylaws are far more prescriptive about this process than previous versions. There are three members on the Committee that reside in three separate areas of the region. These three have "carte blanche" to decide on a slate of four willing candidates that they personally choose. However, this is only the start of the election process outlined in our governing documents. The Nominating Committee can't be aware of all of the diverse interests in the membership and the willingness of many of you who might wish to try your hand at managing this very complex club.

So, who are the candidates they selected? As I write this, I don't know. I'm not supposed to set their direction – so my main input has been to outline the responsibilities I see as President (shared below). I think it's important for us to run an open, transparent club, and to make sure we address any concerns from members about how we operate this organization. I welcome your thoughts and input on this list of key success factors I see for the role of this club's President:

**Ability to meet high level of club demands and commitments in a timely manner**

**Ability to travel freely and make a majority of region and area events**

**Ability to provide sound, reasonable judgment in difficult situations**

**Ability to be diplomatic, but to be a strong leader in the face of conflict**

**Ability to communicate effectively in writing and in person**

**Grasp of the history of the club, its leadership, and its functioning as a "Region" (Keep in mind, the "region/area" construct is unique within the Carolinas)**

**Commitment to club success and understanding the club's mission**

**Ability to be inclusive of all members, staff, and board - and to be a primary ambassador for the club**

**Commitment for at least 2-4 hours weekly on "admin" and many weekends per year attending events, etc.**

Now, why so much on this topic? I want to ensure that the membership is aware of the election process. I also want to clarify that the slate identified by the nominating committee aren't the only candidates who can be placed on the ballot, as we've often done in the past. Quite the contrary; the slate represents a recommendation from 3 new members of our club's leadership team. That's why I urge you to step up and express your interest if you'd like to serve in a leadership position. These elections are open to all members. It's not an easy task, but it can be very rewarding. So, with that, the details are reported on page 8 of this issue of *Tobacco Roads*. Feel free to contact me directly if you're interested in getting more information. I look forward to the upcoming election and I look forward to serving the club for another two years as your Past President.

In the meantime on a more local front, I hope everyone is looking forward to a future DE, autocross, or our "sold-out" Sommerfest event in Asheville on August 1st!

Doug

## ATTENTION! ATTENTION!

### CHANGE OF DATE

Scheduling conflicts outside of our control have necessitated a revision to the previously planned and announced dates for the Hawk Carolina's Region Club Race. This is also impacting our September and October Drivers Education events.

The Club Race is one of the Regions premier events during which the PCA National spotlight shines brightly on us. The Club Race is being moved to September 5th, 6th, and 7th. This was originally scheduled as a full format DE weekend at Carolina Motorsport Park. During the Club Race, we plan to continue with our very popular, but limited format Driver's Ed event. This will consist of one "Instructed" run group, and one "Solo" run group. As always, there will be more than normal track time for the DE participants.

Registration opens Sunday, June 29th for the DE event using [www.Clubregistration.net](http://www.Clubregistration.net). This is always a fun weekend with an extra dose of excitement in the air with the combination of racers and DE participants gathered together for a

unique weekend of cars, people and fun. Sign up early if you plan to attend as space is limited.

With the move of the club race to Sept, we will now conduct our fall Driver's Education event at Carolina Motorsports Park on the weekend previously reserved for the Club Race - October 25th and 26th. This will be a full format event utilizing our standard 5 run groups with expanded passing in the instructor group. Mark your calendars as registration for this event opens August 17th.

Our final Drivers Education event of the year at VIR in November is unaffected by these changes.

We apologize for any inconvenience these schedule revisions may cause. We still have a great slate of driving events planned to finish up the year and look forward to seeing you out on the track!

## Ayrton Senna Remembered

Last month, while discussing Ayrton Senna, I asked the following: Below is a photo I took of Senna during practice before an F1 race. Can you guess the year and location? Here are three big hints—and answers: Senna won the championship that year (1988), it was the last year of F1 racing at that location (U. S. Grand Prix on the streets of Detroit) and the yellow objects in the background are a give-away (Ryder rental trucks). No one answered correctly.

**Ayrton Senna in a McLaren-Honda on Friday practice for the U. S. Grand Prix in Detroit in 1988.**

Motronic MP 1.3 was used in 1984, the MP 1.4 in 1985. Can you guess which MP version was used in 1986? If you guessed MP 1.5 you'd be wrong—it was 1.7.

## Your Porsche!

Hey, we have a photo of a member's car. Eric Sprouse sent in the following of his 993. Here's the story in his words: "I have had a 911 as a daily driver since 1983. Starting with a '79 SC, and a '78 SC both for a few years. Then followed a 1991 C2 Tiptronic for 20 months. I was at Hendricks Porsche having an oil change when I saw a 1997 993 S. This was November 1998 and it had 3,081 miles on it. I bought it that day and have driven it daily since. The car now has 160,600 miles on it. At 154,500 I had Jim Burton rebuild the engine. While the engine was being rebuilt, I had Import Paint & Body repaint the Ocean Blue Metallic paint. This has been a pleasure to own and drive and I plan to keep it."

**Eric Sprouse's gorgeous 1997 993S.**

Do you have a photo of your Porsche and an interesting story to tell involving it? I'd like to print it here. Please email me at [howard@hwasserman.com](mailto:howard@hwasserman.com).

## July's Trivia Question

Who is the only driver to win a motorcycle and Formula 1 world championship? He turned 80 earlier this year. I hope this question doesn't jinx him. The first correct respondent will earn 10 points in the Hysterical Ramblings 2014 Trivia Contest. A fabulous prize will be given to the member having the most points at year-end. Let me know your guess at [howard@hwasserman.com](mailto:howard@hwasserman.com).

Til next time, practice the following phrase for use after the next autocross or RCGP: "How many cones did you destroy on THAT run?"

# All in the Attic

Words and Images provided by Louis Scalzo

I'm always looking to find new material to write about that makes interesting reading for the region's membership. It could be a certain model race care, somebody's personal car, or a car collection. It could be a race track located in our region, a past or present PCA member, or a Porsche related business that provides its services to the region membership..

Sometimes I will admit it's a scramble to find something worthwhile to write about before the editor's deadline. This month an idea popped into my head, to head up to my attic to find some old 356 Registry magazines that fellow PCA member, Morris Holliday from Florida had given me about 15 years ago. This turned out to be a little more of an undertaking than I originally anticipated! It turns out that the longer you live in a house, the more you seem to accumulate, and after looking for a two days in the attic in the early June heat, I have come to the realization that I may be a border line hoarder!!

Up in my attic there is a little bit of everything, and it would be a good place to see a timeline of raising one's family. Everything from my now 2 grown daughter's school homework and old school science projects, to boxes of old photo albums, plenty of old furniture, Christmas decorations and lights, a couple old surfboards, several sets of luggage, a fake Christmas tree, 3 or 4 ice coolers, 2 camping tents, a cook stove, and 2 boxes of camp gear.

Several large boxes of my brother Jimmie's belongings that he decided to leave up there because I HAD the large attic of the family. Heck that was from way back in 2004! Further, a 55 gallon fish tank with stand and tax return records dating back to 1987. Do I really need to keep those records that long? Music cassette tapes, a large box of VHS movies; I found one; an '80's movie with Charlie Sheen entitled "No Man's Land", a movie about a theft ring dealing in stolen Porsches and parts!

The more I looked the more I found, things and stuff that I had all but forgotten about. There were plenty of automobile-related items also. For me, it has always been Porsche and VW, and there were plenty of related items up in

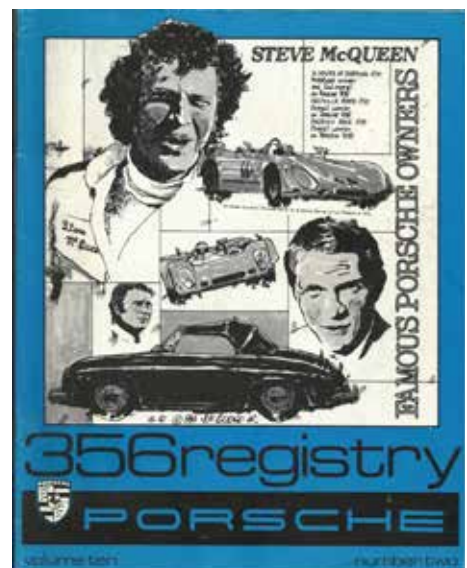

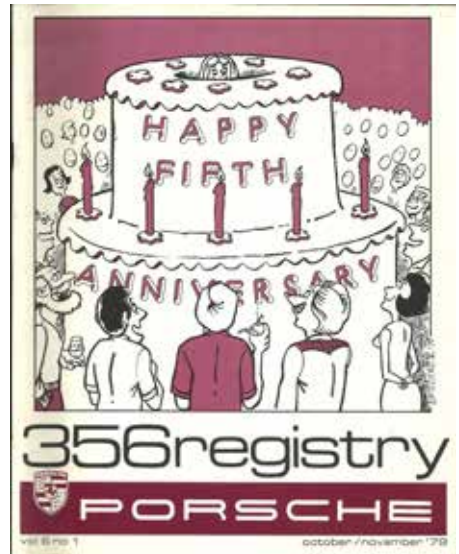

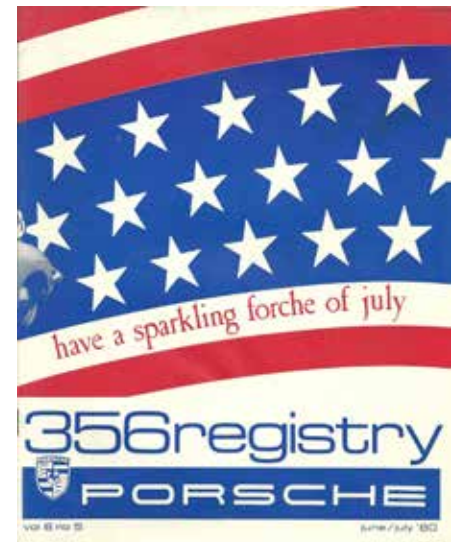

the attic due to my 30-year old hobby. A VW service sign; a Porsche Camel GT sign; a set of 16" Phone Dial wheels; a set of 16" Man Hole cover dish wheels from my 928; (3) 16" Fuchs wheels from my old 911SC; a box of 914 interior parts; a bench seat, door panels and floor mats from a '81 VW Vanagon.

There were at least 10 large boxes of magazines, from VW and Porsche, Excellence, Hot VW's, Christopherous, Panorama, and 356 Registry. I also found many racing posters and event programs from the various auto related functions I have attended over the last 2 decades. "Could it really have been that long?" I ask myself? The Daytona 24 hour, The Sebring 12 hour, Petit Le Mans at Road Atlanta, concourse events at Amelia Island and Savannah Georgia; vintage racing at VIR, and The Mitty to name a few. The programs and magazines from my two trips to Le Mans France in 1992 and 1996.

Then I had finally found what I come to the attic looking for; 2 small boxes containing the 76 copies of 356 registry magazines dating from the earliest issue, June 1976, to the latest issue being volume 5, 1992. After looking through and reading many of these old timer magazines, I have come to realize that a lot is similar to the new, 356 registry issues, and also a lot has changed. The magazine back then was smaller, simpler, and all pictures are just printed in black and white. What is similar to the new issues is the format; a section on the different region activities is explained, just like today.

Some of the advertisers are the same, but many are gone. Do you remember P.B. Tweeks, Automotion, Semper Tires, House of Porsche, or Best Deal Porsche dismantling, from Stanton, Ca.? These are all gone, but there are a lot of them that have survived today; familiar names like: Stoddard, International Mercantile [rubber and trim supplier], or Aase Brothers are all still around!

What is different and astounding are the prices for new parts. Back in the day, \$18.50 for a set of standard main bearings; intake valves \$5.50 each; exhaust valves \$9.95 each; Stoddards complete floor pan kit \$215.00; longitu-

Top top to bottom: A collection of 356 registry covers

Here are some prime examples taken from the December 1976 issue:

**'65 C Coupe**, less engine \$450.00. '61 Transaxle with drum \$135.00 send SASSE with needs.

Now let's move to the some of the newer, of old issue's I have, and see where the prices have headed to.

August 1983's issue:

**1961 Porsche 356B Super 90 coupe**, Becker AM/FM, new tires, muffler, clutch, Many spares \$5200.00 negotiable.

**1963 Super Cabriolet #157487**, ready to drive anywhere, good floor, needs some work. \$4500.00, '65 Cabriolet project car, not drivable- \$2500.

**1963 Carrera GS 2000** 29,000 miles, original condition, 100 ltr tank, disc brakes, GT seats, gas heater, 12 volt. -\$18,000.

menwagen, as well as Kettencrad for Porsche.  
They received the original stampings for the Speedster, but had to make their stampings for the convertible "D". The assembly of body was trucked to Porsche for completion. When the 1961 appeared, Drauz continued to make the roadster until 1961, when the dies were sold to D'Ieteren Freres, in Belgium.  
The reason that Drauz stopped making the roadster was that they received a lucrative order from Ford, of Germany, to build truck bodies.

Because of the demand for Porsches, and the limited production facilities of Reutter, Porsche contracted with Karmann of Osnabruck to build coupe bodies at the outset of the 356B. It is my imagination, or did the U.S. receive more Karmann bodied coupes than Reutter?

In 1963, Reutter was taken over by Porsche. For a short while, the place on the door jam read, "Porsche Karosserie."  
The design of the 356 originated with a raindrop, the perfect shape created by nature. It was Paul Jarry, the father of streamlining, who in 1921 stated that a design based on one-half of the raindrop could double the top speed of an automobile.  
The Type 60K10 was such a design and the 356 was a production version of the 60K10. The design is a text-book form follows function that will never be dated.  
Next columns will go into the Grand cars, including a gentleman who bought two of them new, and still has them.

*Karosserie Drauz, as it appears today in Heilbronn, Germany. Parts of their old facility is now used to make the 924/944.*

*The production line for the Convertible D at Drauz. At the end of the line, the top is fitted. Drauz was well known for their convertibles, and that is one of the reasons that Porsche picked Drauz to supplement the factory production. The next step is to put the body on a dolly, for shipment to Porsche. (Photo courtesy of Karosserie Drauz)*

**1965 356 Cabriolet.** Totally restored to perfection. White w/black interior. Driven 2,000 miles (43,000) prior to restoration. Must sell this gem. \$22,000.

Let's move up to April/May 1989 and see how the prices have climbed:

**1957 A California car,** red with black interior, 95 percent professionally restored \$15,000.

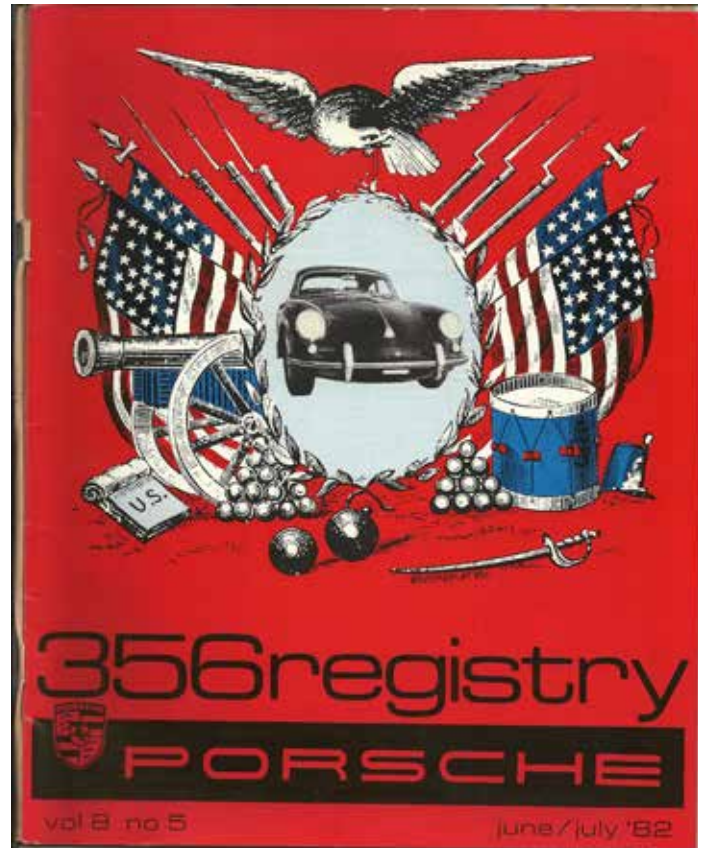

**1962 Cabriolet #156806** needs restoring, usual rust, complete and running \$7,000.

**1965 coupe,** grey; 3,800 miles on motor, good condition \$10,500 firm.

**1964 European SC coupe** with factory sunroof. Has rust with some bondo repair on drivers' side rocker panel. Driven regularly, you can drive home \$5,000 or \$5200 with some parts..

Well you can see even though the prices did rise from the December 1976 issue to the April /May 1989 issue, still not too bad., The prices are still reachable to most us who were working in those days, compared to the hyper-inflation prices we are seeing today on 356's and early small bumper 911's. If we had only each had a crystal ball and stock piled as many 356's and parts we could afford to put away in some dry warehouse some place...If I had only put away one of those 356 Carrera GS lightweight coupes. Oh well, I'm sure many of us have had the same idea at some point. I guess it's back to reality, and to cleaning and organizing the stuff in that hot attic of mine. Oh look what I just found...a program of the 1991 Chimney Rock Hill Climb! Maybe a story for next month?

Till then,

# Three Area Shine and Show Drive 6.14.2014

Words By Jerry Kilcrease, Photos By Ron Reed

PCA members and guests from the Sandhills, Triad and Triangle areas started gathering at the Carolina Brewery in Pittsboro, NC. around 10am and we slowly filled the Brewery's parking lot with Porsches driven to the event by PCA enthusiasts from all over the three areas. We had 25 cars registered for the Shine and Show and it was fun to see the early 911's and 944's parked side by side with the newer 996's and 991's. Most were cleaned and ready for the Shine and Show and when the peoples choice voting was over, the winner of the Best in Show award was Rick and Elaine Huskins with their red 2006 911 Carrera 4S. Jeremy Zeikiel won the "Cleanest Glove Box" award with his 2005 997 and Chasidy Kearns walked away with the "Highest Mileage" award with over 154,000 miles showing on her 944. We also sold tickets for the 50/50 split the pot charity fund at the event. And when we had the drawing, the lucky ticket holder was Nancy Acosta as she won half of the pot worth \$175.00. The other half was split among the three area directors represented and is to be used for their local charity fund. After the Shine and

Show awards were given out, most of us headed for the dining room in the Carolina Brewery for lunch and some cool drinks before we headed back home. It was a great day for a drive and I think that everyone that attended enjoyed the event and enjoyed the opportunity to say "hello" and to socialize with fellow PCA members from other areas within the Carolinas Region. Thanks to all for attending and making the event a huge success. Maybe we will do it again next year!

# Area Updates: June 2014

## Mountain Area By Lauren Boylston

**Meet Monthly Meeting:** First Saturday of the month at 10:00am  
Harmony Motors, 621 Brevard Road, Asheville, NC  
Check monthly area report for location changes.

### In the Rearview:

June 7th was clear and sunny for the 28 Porsches and 40+ Carolina Region PCA members who gathered for the Drive and Dine on the backroads down the old "Saluda Grade" towards Saluda, Tryon, Lavender Bistro, and their final destination of Blue Ridge Sports Cars in Forest City. While occasionally having to dodge a plethora (or is that a covey?) of bicyclists, the journey was full of twists, turns, switchbacks and straight aways with little to hamper the joy of the drive. The group did a superb job of staying together and turned many a head as the continuous caravan of gorgeous Porsche specimens made it's way through the mountain roads of the Carolinas. Lunch at Lavender Bistro was beautifully orchestrated by Jean Paul Debeuf and his staff, with the orders taken and delivered quickly so we might be on our way. The proprietor of Blue Ridge Sports Cars, Rodney Butterfield, proved to be a charming host as he walked the group from building to building explaining his collection of unusual automobiles in different stages of rebirth. Everyone seemed delighted. Thanks to all who helped with this marvelous adventure. Scott Walker, Matt Poshweg, Frank/Mona Gregg and Jim Peterson for maps, route suggestions and practice runs. Frank Gregg, Bob Lawrence and Nick Stefano for arriving early to get folks checked in and cleared for take-off. It was a joy to have so many new members and members from other Carolinas Areas join us!

### In the Headlights:

July 19th--Please save this date. We are having a slight kerfuffle with our plans for July meeting. Please CHECK YOUR EMAIL for details. It WILL be a Drive and Dine but the location and direction are not finalized. We might be "over-thinking" this one.

August 2--Sommerfest in Asheville. No regular meeting. The Concours for Sommerfest will be in downtown Asheville Saturday morning (August 2) around the Vance Memorial. If you are NOT registered for Sommerfest, please plan on coming downtown to view the cars and visit with other PCA members! The Concours hours are 9-11AM with placement beginning at 8AM. Stay tuned for more details!

September 6--2nd ANNUAL BBQ @ Reynolds Mountain. Last year was such a huge success (thanks to David and Judy Butler for securing this spot!) that we are repeating the event this year with a few twists. First of all, we need at least 3 people to bring their BBQ...whether it is pulled pork or ribs or whatever! I'll bring pulled pork!! Then we need the other people to bring a side dish, be it a salad or slaw or potato salad or baked beans or dessert or FRESH BAKED BREAD FROM DICK MAYBACH...or an appetizer...and everyone needs to BYOB, whether it is water or soda or beer or whatever you might like to drink. We will provide tables, chairs, tablecloths, ice, plates, cups, utensils, napkins, etc. ALSO, this year we are asking everyone to pay \$5 so we can provide a Porta-Potty. Please sign up now! Send an email to Lauren911@charter.net with what you are bringing for the group to share! We are also hoping to have a

"Peoples Choice" car vote! There will be some wonderful prizes! Get this on your calendar today!!!!

### Down the Road:

October 4--Drive and Dine

November 1--Touring Joara. OR the VA Car Show. OR the Hilton Head Concours.

December 6--Join us at the McKee's for Holiday "Naughty Santa" Gift Exchange and Gingerbread House Tour at Grove Park.

## Upstate Area By John Budinich

**Meeting:** First Monday of the month at 6:30pm  
Quaker Steak & Lube, 10 Chrome Drive  
Greenville, SC

Contact John Budinich, Area Director  
upstate-ad@carolinas-pca.com (864) 915-0011

You can tell that summer is on the horizon. The June meeting had a phenomenal turnout of 60 people in attendance, including a couple of new members. It seems everyone wanted to take their Porsches out for a little exercise and to get together with fellow club members. I would like to thank Tim & Ronda Ziegenfus for running the meeting in my absence. Tim and John Babinski gave the group a report on Carolinas Region Driver's Ed events. Tim also talked about the visit One Lap of America made to the BMW Performance Center on May 6 and members gave updates on the Macan launch party held at Porsche of Greenville on May 15.

Finally, Tim reviewed some of the major upcoming events. These include the Roads & Rails Charity Tour, scheduled for June 20 thru 22, the Carolinas Region DE, scheduled for June 28 & 29 at AMP and Sommerfest, scheduled for August 1 thru 3 in Asheville. Complete details on these and other events can be found elsewhere in Tobacco Roads and on the Carolinas Region website.

As a reminder, a major event that will take place in the Upstate Area is the 19th Annual EURO Auto Festival. While not a Porsche Club run event, this European car show will be highlighting Porsche as the featured marquee. The event takes place on October 17 and 18 at the BMW Manufacturing facility in Greer, SC. Bob Ingram has agreed to be the Guest Judge and Banquet Speaker at the event and to bring some of his fantastic Porsche collection for display. Look for further updates on the [www.euroautofestival.com](http://www.euroautofestival.com) website. Registration is now open for the event and is well ahead of previous years. I guess having Porsche as the featured marquee was the right choice. Registration opened on May 23 and as of June 14, 177 of the 400 slots have been accounted for and 73 of those are Porsches. Thank you all for supporting EURO Auto Festival.

On another note, I would like to thank John & Martha Babinski and Tim & Ronda Ziegenfus for keeping the monthly meetings going in my absence. I also want to thank the many PCA members across the Region who have sent me cards, notes and emails of encouragement during my recovery. On May 22 I had quadruple bypass surgery. While this was an unexpected turn of events, I am on the road to recovery and things appear to be going well. I am looking at this as a rebuild of my Porsche "engine" that will have me good to go for another 200,000 miles. I am not yet sure when I can return to a full slate of activities but hopefully it will be soon. The messages I have received just reinforce the adage that PCA is about the people, not just the cars. Thank you all for your thoughts and support.

Until next month...

### Upcoming Upstate Area Meeting

Monday, July 7 at 6:30 pm at Quaker Steak & Lube, Greenville, SC  
Monday, August 4 at 6:30 pm at Quaker Steak & Lube, Greenville, SC  
Monday, September 1 at 6:30 pm at Quaker Steak & Lube, Greenville, SC

As always, I would ask members to keep the ideas, suggestions and feedback coming to [upstate-ad@Carolinas-pca.com](mailto:upstate-ad@Carolinas-pca.com) as they can only help to improve our meetings and activities throughout the year.

## Metrolina Area By Jerry Collins & Greg Konney

Monthly meeting: Third Wednesday of the month at 7:00 PM, see report for location

This month is back on the north side of Charlotte. Fox and Hound restaurant, sort of behind PF Chang at North Hills Shopping center. I-77 and WT Harris exit.

We usually get together about 6:30 PM then start time at 7 PM for the meeting and dinner....and usually we are done by 9 PM. Meetings alternate between the north side of Charlotte and South side... Watch for email blast for details:

Hi Porsche Guys and Ladies!

### Recurring events:

First Saturday of the month: Cars and Coffee at the Carolina Music Factory in Charlotte, parking lot is next to Mattie's Diner. Mattie's says Cars and Coffee is back on. Hope we can keep it going again.

Expect Cars & Cappuccino Charlotte - Third Sunday each month at Foxcroft East Shopping Center located at 7814 Fairview Road, Charlotte, weather permitting, 9-11 AM. Check their web site for exact details.

For the monthly meeting, we started our 50-50 drawing, and I think everyone really enjoyed that addition to our meeting and dinner. For those who wish to participate, bring cash to the meeting!

NOTE: raffle ticket prices are going to \$5 each. We can do more to help out the Second Harvest Food bank.

2nd Harvest note: every dollar donated = 7 POUNDS of FOOD! So, although what we donated may seem somewhat insignificant, it was GREATLY appreciated and WE WILL DO EVEN BETTER IN 2014! As a matter of fact, Steve Cross from Second Harvest Food Bank will be our guest speaker for the July Meeting.

Also, look for an invite to attend a day at CCC with Tim Lingerfelt. We will give a tour of the shop that will include our Porsche based lobby ( Porsche tractor, 9 FT Porsche chandelier , and other items. ) Then we will view my collection of Turbos and other classic cars from 1928 - current. Next and the highlight will be the Metal Shaping shop which will include live demonstrations of actual shaping of Porsche panels! I can't stress enough how rare of an privelage this will be to see. We experience it everyday and it's still awesome to see. We have a chassis dyno available at a special rate (must reserve) available also. Then lunch will be provided at no charge. ( Hot dogs will steal the show as always )

July 26th looks like the date!

Look for these upcoming events and make sure you log onto [www.carolinas-pca.com](http://www.carolinas-pca.com) for more event details.

Tobacco Roads is live on line for more information as well.

Drive it like it's a rental !

## Hickory Area By Vincent & Vallie Piccirelli

**Meeting:** Second Tuesday of the month at 6:30pm

We had a great time on Tuesday with 28 in attendance. Porsche of Hickory was present with Trevor Ingle and Brad. They surprised us by bringing the new Targa and demonstrating the Targa roof. The May meeting we had 20 in attendance! They gave a \$50 discount for signing up there, for a 4 wheel alignment, and another \$25 discount coupon included in the giveaways to everyone plus a breakfast spread from Panera Bread.

Door prizes included 4 framed prints and 1 painted model, Deloris Barton won the model she was lusting after. The 2nd one is scheduled August 30th from 9:00 to 11:00 AM. Keep an eye out for agenda updates. All cars welcome, including other car clubs. Please RSVP to me by August 26th so we can get a count for food and support.

Also, for Tuesday's meeting, they brought Michael Bradshaw, from K & M collision services. They are the premier Porsche Authorized repair center in our area. Michael described the needs of today's cars, which include a mix of aluminum and several grades of steel. The bottom line is that special tooling, equipment and training are needed to repair today's hi-tech cars.

Paramount brought a door prize, won by our lucky Lisa Buchannan (Porsche design bottle opener).

The 50/50 for May was won by John Merher and raised \$45 to for the Catawba County Humane Society. Anita Doran won the door prize, a Ladies Porsche shirt.

We have a Tech session at Black Forest Racing in the Denver Industrial Park on July 12th at @10:00 AM. Please RSVP me by the Wednesday before. Please remember this is a charity event. \$10 donation requested, all proceeds go to The Corner Table in Newton. Open to all PCA members.

Michael Vittorio discussed upcoming events, Sommerfest and the Fall Tour, September 27th. Registration fills up quick for these events, see details in the TR and don't wait to get registered.

Final Note: Porsche of Hickory is committing to help us grow our participation and are planning several surprises throughout the year, at our monthly meetings. We don't know which ones, so you don't want to miss any!

Enjoy the ride

### On the Road for a Meet & Greet

The Triangle Area joined with members from the Sandhills and Triad Areas for a Shine, Show & Dine in Pittsboro on June 14. See Jerry Kilcrease's article elsewhere in this issue for details and photos of this great event for which 25! cars showed up.

We will have held our First Annual Triangle Area RCGP (Remote Control Grand Prix) in conjunction with our monthly Cars & Coffee on June 21 just after the deadline for this issue. Look for the results next month. Two classes will be running: operators over and under 16 years of age. I think FTD will go to a young'un. The track surface will be fast and the course technical. And for some of us, it will be our only chance to "drive" a 911 turbo at speed thanks to Sonny Roaquin.

In the planning stage are several events including an Ice Cream Run, another Drive and Dine on back roads and a road trip to an auto museum. I am looking for any area members who would like to help organize some of these events as well as an Area Holiday Party in December.

I am also looking for a member with a lift in his or her garage who might be willing to host a Saturday AM tech session. Contact info is below.

### Following are the Area's recurring events:

Monthly Cars & Coffee on the third Saturday of each month to be held at Panera Bread, Patterson Place, 3603 Witherspoon Blvd, Durham 27707. The next meetup is Saturday, July 19 starting at 8:30 am. Don't let inclement weather deter you—just bring your daily driver.

Monthly Dinner Meeting on the fourth Thursday of each month to be held at Doolin's Irish Pub, 3211 Shannon Road, Durham 27707. The next meeting is Thursday, July 24 at 6:30 pm.

To be kept current on Triangle Area events, consider joining our meetup group. <http://www.meetup.com/Triangle-Area-Carolinas-Region-PCA/>. If you're not getting my periodic emails about events, please send your email address to [triangle-ad@carolinas-pca.com](mailto:triangle-ad@carolinas-pca.com).

## Sandhills Area By Marty Barrett

**Meeting:** Every odd month (Jul, Sept, Nov, etc.)

After recovering from a successful Pinehurst concours, twenty-eight Sandhills members got together for dinner on May 27 at Theo's to recap the concours and plan our events for summer and fall.

Thanks to Steve Gaddy we were able to join him at the famed Pinecrest Inn to celebrate Bali Blue's 50th birthday! Bali is Steve's beloved 1964 SC Coupe that according to the COA was manufactured on May 19, 1964. Very cool!

Next up is the Tri-Area shine & show in Pittsboro on June 14. Looks like we should have about 25 cars entering the peoples choice show. Two other awards are planned to enhance the fun event at Carolina Brewery. Many thanks to Jerry Kilcrease and Howard Wasserman for working so well together on this event.

In June Sandhills Community College will host a tech session for us to introduce PCA members to their automotive technology 2-year degree program. Sandhills members will award a scholarship to one student in this program as our charity designee in 2015.

In July we are planning a track event at Rockingham to experience the drag strip and possibly an autocross orientation. And, a couple of us will be visiting Sommerfest in early August in Asheville. September and October will be busy with CMP Club Race and DE events.

In November Larry & Deloris Lassiter have planned a tour and weekend event at the Greenbrier resort in West Virginia, and some Sandhills members will be at VIR for the annual mega-DE!

Also want to acknowledge my thanks to Bill Ainsley, Marv Jennings and Bernie Dennison for giving me a hand adjusting valves, changing plugs, setting timing and putting new plug wires on my '73 911 outlaw! We had fun....most of the time! And, it runs great!

Keep 'em shined up and purring loudly!

We were happy to welcome a brand new member to our group, Keith Bogart, who had joined the club just the day before! He's a new owner of a 2008 Cayman S and we're excited to have him participate with PCA.

### JULY MEETINGS:

The June meeting of the Sun Fun Area was very colorful. A small but dedicated group gathered in the old Richland Mall for a social gathering on Tuesday, June 17th. Plenty of food was available, from finger sandwiches and fried chicken to beef soup and fruit trays. Thanks to everyone who brought a dish.

The painting portion of the event was held at Wine and Design, where the group all painted the same (well, mostly the same) image of the Starry Night Ravenel Bridge on canvas with acrylic paints. The instructor was easy to follow and it was a lot of fun trying to follow along. At the end of the two hour session, everyone had a finished painting to take home and show off to friends and family.

**Pool Party:** Tuesday, July 15th, 1730 McSwain Drive, West Columbia SC 29169. This party will be at Melissa's house from 6:00p – 9:00p. Come enjoy the saltwater pool, the tiki bar and the Saluda River. Everyone is welcome to swim, hang out or even go trout fishing. Please RSVP to [melissasprouse@aol.com](mailto:melissasprouse@aol.com).

**Dinner with Palmetto PCA Region:** Saturday, July 26th, Eatery at the Depot, 7500 Freedom Road, Branchville, SC 29432. 5:00pm. Please sign up by going to this website:  
<http://www.pcapalmetto.org/news/283-drive-dine-to-the-eatery-at-the-depot-july-26th>. Seating is limited to 40 from both groups.

## Triad Area By Jerry Kilcrease

**Meeting:** Third Tuesday of the month at 7:00pm, River Ridge Tap House, Clemmons, NC.

Contact Jerry Kilcrease, Area Director  
triad-ad@carolinas-pca.com (336) 476-3120

The Triad Area PCA held its June 17th meeting at River Ridge Tap House in Clemmons and we were pleased to welcome 50 members and guests to our group. We also were pleased to welcome first time attendee Johnny Carroll. Birthdays during the month of June were celebrated by Tanya Reed and Dale Halverstadt and we all joined in to sing "Happy Birthday" and treat them to a free desert. Ron had a selection of photographs taken at past events displayed on the overhead and Kathy had a great selection of Goodie Store items on display for sale to the membership. Rick and Elaine Huskins manned the 50/50 split the pot table and when the drawing was held, Charlie Massler was the lucky winner. After the short business meeting and announcements, members and guests continued to visit and some made it out to the parking lot to check out the cars while there was still some daylight. Thanks to all that attended and we hope to see you again next month...and bring a friend!

### PAST TRIAD AREA EVENTS:

June 14th, 2014 - Three Area Shine & Show & Lunch - Members from the Triad Area, Triangle Area and the Pinehurst Area met up for a Shine & Show & Lunch event at the Carolina Brewery in Pittsboro, NC. The Triad Area had 7 cars show up in the parking lot at Porsche of Greensboro for coffee and pastries provided by Porsche

## Triad GIP (Girls In Porsche)

(By Sadie Kilcrease)

We welcomed first time attendees Margie Gottwalt and Carol Wood to our June 5 meeting held at Pegg House Tea Room in Kernersville. Our 50/50 split the pot was won by Tanya Reed. We will not meet in July. Our next scheduled meeting is August 7 and will be held at Meridians in Winston Salem.

Mark your calendar and join us for fellowship and great food. Hope to see you there.

of Greensboro. While we were there we were able to check out the new Porsche Targa and get a demonstration of how the top transitions from "open to close". Very Cool! We caravanned to Pittsboro and met up with members from the other areas. There were 25 cars signed up for the Shine and Show and Rick Huskins received the most votes for the Best in Show award. Afterwards most of us had lunch at the Carolina Brewery and continued to visit with our fellow PCA members before heading back home.

**UPCOMING TRIAD AREA EVENTS;**

August 23rd, 2014 – Porsche Gala hosted by Porsche of Greensboro – Details and registration information will be coming out later.

**NEXT TRIAD AREA MONTHLY MEETING - :** The Triad Area will hold its July 15th monthly meeting at the River Ridge Tap House located at 1480 River Ridge Road in Clemmons. We start socializing around 6:30pm with dinner and a short business meeting starting around 7pm. Please contact Jerry Kilcrease at jkilcrease@triad.rr.com if you need directions or have any questions.

### **Euro Autofest**

Euro Autofest will be here soon. Sign up now to ensure your participation in this great event. I have attended the Euro Auto Festival for the past 10 years and have encouraged the organizers to have Porsche as the featured car. Finally the featured car for 2014 will be Porsche. This event is held at the BMW plant in Spartanburg South Carolina. It is a two-day event to be held October 17 and 18th. Saturday, 18 October is a car show of 400 vehicles. We have about 100 Porsches already entered. It is only European cars. I am writing this to let you know that there is still an opportunity to participate. Registration is easy. It cost about \$40 per car. This is one of the most special events that happens in the South each year. There are other activities that take place during the weekend. Please go online and seek out euro

auto Festival. You will find that signing up is easy. We think that this event will sell out this year. Please don't wait for same-day registration. Sign up now to ensure your participation. Let show the South how enthusiastic we are about our Porsches. We will have nine classes and some extra awards to be announced during the day. I hope to see you there.

## Placing a classified ad: how does it work?

The Carolinas Region has a classified ads coordinator who handles all incoming ads. Once the coordinator receives your ad, it is formatted and checked that it includes all of the essential information. The most common reasons for rejection are forgetting to include location (city and state) of the car or parts, forgetting to include your PCA membership number (which doesn't get printed in the ad) and forgetting to include an asking price. Other formatting includes fixing obvious typos and trimming both ad copy if it's too long and resizing pictures to 800x600 pixels. Note that only a single picture is published, and only in the web version. Be aware, too, that you

will not typically get a confirmation email or postcard in return. Your notification will be seeing the ad in the next edition of Tobacco Roads and on the web.

Before the end of the month, the coordinator sends the formatted ads and pictures (zero or one per ad) to both the Tobacco Roads editor and webmaster for inclusion. Because Tobacco Roads is a monthly publication, and because there's some prep time required for that, there is a lag between when an ad is received and when it gets published. To avoid making a mess of ad tracking, the publication of web ads and the Tobacco Roads ads is synchro-

nized so that they both appear at close to the same time.

The process works well and efficiently, powered solely by the volunteer efforts of your fellow club members. If you try to pattern your ad after the example printed in each month's issue of Tobacco Roads, and if you include all of the required information and email or US mail the ad so that it arrives before the 15th of the month, you'll have the shortest possible duration between when you decide to sell your "baby" and when the ad appears in both Tobacco Roads and on <http://www.carolinas-pca.com>.

#### Guidelines for Carolinas Region Classified Ad Submissions

- 1) All ads should be submitted to Ed Beroset, Classified Ad Coordinator, at:  
[classifieds@carolinas-pca.com](mailto:classifieds@carolinas-pca.com)  
602 Stonehill Rd  
Chapel Hill, NC 27516-9526  
Home: 919-942-3838
- 2) All ads will be posted to both Tobacco Roads and to the Regional Website unless otherwise directed. Submissions received by the 15th of the month will be posted in the following edition. Web and print classifieds work on the same monthly cycle
- 3) You must provide your current PCA membership number when submitting a classified ad.
- 4) No posting of ads for friends. Immediate family is ok.
- 5) No commercial ads. All commercial ads must be purchased. Contact TR Editor for pricing.
- 6) **Ads will run for two months.** If the item is not sold within that time frame the seller will need to contact the Classified Ad

Coordinator at [classifieds@carolinas-pca.com](mailto:classifieds@carolinas-pca.com) and request an extension. Each extension will be for one additional month.

- 7) All pictures submitted should be in .JPG format and no larger than 800x600. One picture per submission.
- 8) Pictures will run on the website only.
- 9) All ads will be subject to editing for consistency and length.
- 10) Ads should include:
  - a. An accurate description of the item or items (including VIN preferably if applicable).
  - b. Price (Ads will not be accepted without pricing).
  - c. Where you and the item are located.
  - d. Contact information including name, phone number, and/or email address.

Below is a sample of the format we will utilize:
