From the Driver's Seat

Jerry Widner, President

Not sure how many of you will recall my FTDS article from last month...but I wrote this in the opening sentence: "...hopefully we will have a summer cool streak...", how did I ever predict that one? The past several weeks (almost all of August) have been great weather, almost feeling like an early Fall. I have really enjoyed it...I know our Porsches have been out more as well.

This Fall we have One Club Race, Two Autocrosses, Three Drivers' Education Events, as well as our Fall Tour and numerous other drives and events scheduled. Get ready for an extremely busy and eventful Fall 2022 in the Carolinas!

Speaking (or writing about) of our upcoming Club Race, we are still in need of volunteers. The Carolinas Challenge will be held at Carolina Motorsports Park in Kershaw, SC from 21-23 Oct 2022. We are still looking for someone to help coordinate the Pit Crew Challenge at the Go-Kart track on 22 October from 5-6 PM and to help with the Drivers Celebration on Saturday evening. Additionally, if anyone still has interest in any of the following roles, we can always use backups: Grid Marshals, Enduro Pit Lane Observers, Timing & Scoring Assistant and Race Director Assistant. Please reach out to Bill (clubrace@carolinas-pca.com) or your Area Director.

For those of you yet to join the Instagram community of #pcacarolinas, you should create an account and FOLLOW "Us". Our Social Media team does a GREAT job posting upcoming events as well as detailing previous ones. What a great way to get updates of the Regions happenings. Try it out! PLUS – as is the way of progress of PCA National, we too will begin transitioning to more use of Social Media platforms in the future to better serve You with more up to date information on upcoming events and other needs.

Carolinas Region Website – COMPLETELY NEW "go-live" – coming 1 November 2022!!!! We will have enews blasts coming out with all the needed links, and information.

The Events Calendar will now be housed there as well. I will be sending out a link for you to click on...taking you directly to the most up-to-date event details as provided by the Area Directors, Event organizers and coordinators.

I ask that you look through the pages here and find AT LEAST ONE event to attend. We have the BEST roads around...the BEST people around...the BEST FAMILY around.

Here to serve You...and remember; *Get Out And Drive!!!*

Jerry Widner sends...
Carolinas Region, President

AUGUST in METROLINA...
was warm, wet and wonderful...

We held our meeting again, at Euro Prestige Imports in Charlotte, hosted by Cyrus Klaesi & Marcel Diaz-Perera. Everyone enjoyed a casual pizza, beer & wine dinner, as they walked around the showroom checking out all of the great cars they have, including a Bat Mobile. After dinner, Marcel gave us a great insight into the “Widow Maker” 930 Turbo. We learned a lot about the great history and technical details from that infamous Porsche. It was fun getting up close and personal with this beautiful sports car.

Our 50/50 split the pot raffle was won by Bill Moorefield, and several other members won some nice Porsche goodies and other cool stuff from Hagerty Insurance, compliments of Paul Kaperonis.

WOW! What a fantastic day!!! Gordon Anderson and his team of volunteers did a fantastic job so the rest of us could have a great time! They prepared and served Burgers, Brats, Veggie Burgers (I had one which was pretty tasty... Don't really want to know what was in it though), Gordon's "Special Beans", Pasta Salad, Potato Salad, and all the fixings! Even dessert of Watermelon, which hit the spot, and some Ice Cream Bars.

Many Thanks to these folks for stepping up and volunteering their time and effort!!

About 50+ members and guest attend our Summer BBQ Party & Charity Raffle. The weather turned out perfect as the mixed clouds kept the temperature in a tolerable range.

This month's charity raffle included a Porsche of Greenville \$250 Parts & Service Certificates, a \$25 Gift Certificate to Quaker Steak & Lube, Two bottles of Chemical Guys car care products, and 50% of the Charity Pot which totaled \$150. To date we have raised over \$2600 in Raffle funds! Many thanks to all our members who have supported our charity by purchasing Raffle Tickets.

For our August Meeting Charity Raffle, we implemented a new option that might help me remember more names of our members: You will receive one free Raffle Ticket if you purchase Raffle Tickets and you are wearing a PCA Name Badge. If you do not have a PCA Name Badge you can purchase one at our Carolinas Region Goodie Store for \$10. Or any PCA issued Name Badge will work, so for example you can use your last Parade or Treffen Name Badge. Just be wearing it so other members can see your name.

I hope to see you at an event soon!

Our August monthly meeting was as usual at the Skybrook CC in Huntersville on the second Thursday of the month at 6:30pm.

The weather only cooperated halfway with our meeting time as we had torrential afternoon rains and dry weather during our meeting (except for a few minor sprinkles). However, inclement weather is never conducive to high attendance rates, consequently we ended up with 16 enthusiasts in the Porsche Corral. Nevertheless, we had a lot of fun gathering and mingling around our favorite rides. We even had a couple of gals expressing their enthusiasm for the brand holding their favorite refreshments in their hands.

Porsche Gals

Porsche Corral

After socializing in the Porsche Corral, we had a nice informal meeting and dinner at the Club. Troy Macias with Legendary Autosports presented to the group. He shared with us that his car enthusiasm and love of travel let him to start his company providing very personalized, exclusive car vacations in Europe as well as the United States. His tailored F1 tours planned for 2023 seem to be trips that are on almost any car enthusiast's bucket list... Check it out at legendaryautosports.com.

As usual, we conducted our raffle after dinner and thanks to our members' generosity, all proceeds go to our charity, Children's Hope Alliance in Barium Springs. We raised \$240, the kids in need will appreciate it (we almost lost the money

in the parking lot but thanks to Tracy Gentry's honesty we were able to recover it). The winner of the raffle was yours truly – I promise it wasn't rigged. The Grand Prize was a great genuine Porsche thermal flask purchased at Hendrick (there will be more to win next time...). We skipped the winner's photo this time!?!)

Our next meeting will be on Thursday, September 8th at 6:30 pm again at Skybrook Country Club. Jared Friends with Merritt Motors will be our guest speaker informing us about dry ice blasting for our favorite rides!

Anybody interested in organizing Porsche drives please let me know.

Forty-four Sandhills members attend the July dinner meeting at Pine Crest Inn...a post pandemic record! John Gregorich entertained with interesting stories of his initial interest in Porsches, leading to a few very special models. And, he compared Porsche's special qualities with others in the collection. Porsche Greensboro sent three sales and service guys to update us on new models and answer questions.

Seven cars went to Rockingham Dragstrip in early August. Sandhills member Steve Earwood owns the facility. Unfortunately, it started to rain as we were lined up at the start. The rain cleared, but only Doug Schribner and I stayed around long enough to run. My best time in the turbo was 11.74 seconds at 123 mph. The 4-wheel drive helped a lot on the damp surface!

In August the monthly dinner will move to a new restaurant Little River. Thanks to Jim Rohr for the initiative in moving us back to a location used for a successful Carolinas Region Sommerfest; and our dinner meeting site for two years.

Jim also organized a Legends Air Cooled drive to Mount Gilead in late July. We have fifteen Legends group members.

The highlight of the month was a drive to Holden Beach to meet up with Cape Fear PCA folks. Twenty-five Porsches and 38 members gathered at Castaways restaurant on the beach...nice drive and beautiful day! Thanks to Mike Elder for organizing the annual event.

In September eight of us will participate in a private track day at VIR thanks to Ken Kirkham, and a few will attend the CMP DE. A couple other special events coming in October!

Thrilled to see cooler, lower humidity weather, finally! Let's hope it stays cooler.

Welcome to new members Daniel Sullivan Sidney Smith, David & Susan Downey, James & Jackie Brady, James Britnell, Adam Haber & Dick Pilotte; 20-year members Jay & Susan Strum; & 5-year members Steven Castillo, Todd Dickinson & Helen Kevelas.

MEETINGS & EVENTS

For the Carolinas Region's best weather month, October, Triangle members have four Saturdays of exciting events. I hope to see YOU there for at least one event!

We are pleased to have our 9:00 am on Saturday, October 1, CnC at Southpoint Porsche, 122 Kentington Dr, Durham, followed with a Tech Session at 10:00 am & an October Fest at 11:30 am. Kudos to GM Dean Perella for hosting our Triangle Area, the Hurricane Region to our east & any other PCA members.

On Saturday, October 8, interested Triangle members are invited to depart together at 6:30 am from my house at 44 Ashwood Drive in Briar Chapel community, Chapel Hill, to join our Carolinas Region, Triad Area, for a unique CnC experience at the Southeastern Center of Contemporary Art (SECCA) hosted by the Marque Car Club. In Winston Salem we're gathering at Fratelli's Steakhouse, corner of Reynolda & Marquerite, to caravan to the SECCA by 8:00 am. For the October 8th C&C at SECCA in Winston-Salem the organizers of the C&C have reserved 25 spaces for the "Porsche Marquee" group which are designated "club of the month." Members interested in attending must RSVP to jkilcrease@triad.rr.com to get name on the list...so the first 25 to RSVP will be reserved a spot to park with the group. If there are more than 25 members wanting to attend, there should be available spots to park but not with our group. (Further details may be available in the Triad column by AD Jerry Kilcrease.)

On Saturday, October 15, interested Triangle members are welcome to depart at 7:30 am with me from 44 Ashwood Drive in Briar Chapel community, Chapel Hill, to Pinehurst for the 9:00 am Golf Pride Headquarters Tour, plus a Shine & Show. This event will be coordinated by our southern neighbors in the Sandhills Area of our Carolinas Region. (Further information may be available in the Sandhills column by AD Marty Barrett.)

Our normal CnC on the third Saturday at Panera Bread, 3603 Witherspoon Blvd, Durham, at 8:30 am is NOT canceled for October 15.

Our monthly meeting at the Nantucket Grill, 5925 Farrington Rd, Chapel Hill, will be Thursday, October 27, at 6:30 pm. "Valuable prizes" will be awarded for correct answers to Porsche questions.

Registration for our Carolinas Region Fall Tour, October 28-30 at The Ridges Resort on Lake Chatuge, Young Harris, GA, ended September 1. I hope you were able to register in a timely manner.

Porsches are built to be driven. Exercise yours!

The Triad Area's August 16 Meeting was held at Porsche Greensboro and they provided a catered Southern BBQ and BBQ Chicken dinner with all the trimmings complete with Peach Cobbler for desert. Eighty (80) members and guests attended the meeting and this set a new record for attendance at a Triad Area monthly meeting. Matt Davis, General Manager Porsche Greensboro, welcomed the group and turned the meeting over to Sadie Kilcrease (I know that Sadie did a great job directing the meeting as I was on a bucket list golfing trip in IRELAND). New Member and first time attendees were welcomed and introduced: Steve and Connie Mefford, Don Isley and Keith Isley, Bill and Paula Vasaly : and guest Kirk Sanders who is not a member yet but we are working on him...Blair Kopf came with member Brenda Fox and was not a not a PCA member but joined that night...attendees having a birthday during August were recognized and the group sang Happy Birthday to them, they are Keith Isley, Don Isley, Allen Pickett, Jay Weikel, Nancy Torkewiz, Kirk Sanders and Sadie Kilcrease...after discussions on past and upcoming Triad Area hosted events Calvin Nickolas discussed plans for a Porsche Only C&C to be held on site in August and all attendees were invited... Hickory Area

 By Michael Vittorio
 Area Director

The past couple of months have been a particularly busy time for Jane and I. We have been “on the road” a great deal and just haven’t been around much. Fortunately for us, we have a cadre of very supportive club members who are willing to step in and fill the gaps created by our travels. Such was the case in August as Jim and Lisa Buchanan graciously agreed to act in my stead as leaders of our monthly meeting and Drive and Dine.

On Saturday morning, August 13, twenty-nine members and friends gathered at Porsche Hickory where they were provided a light breakfast compliments of the dealership. Porsche Hickory staff were on hand to give us a brief report on new vehicle availability and other happenings with Porsche. Necessary club business was handled by Jim while Lisa and Jane took the lead on our door prize and 50/50 raffles. Deborah Brown and

Cameron Dempster won door prizes while Barry Brown won our 50/50 raffle. Barry generously donated his “winnings” to Crossnore School for a total donation of \$150.00. Also noted was Ann Lucier’s birthday and Bev and Dave Tosi’s 50+ year anniversary ... congratulations to all!

Then on to the drive. Jim conducted a brief driver’s meeting in which he reviewed the route and safety guidelines. The group of 14 cars departed Porsche Hickory around 10:00 AM with the first stop Shiloh General Store in Hamptonville, NC. Shiloh is an Amish general store that happens to have a really good deli ... a great place to pick up lunch. Once everyone had ordered and packed up their chosen lunch, the group was ready to move on our destination – a winery, of course.

Originally, the plan was to visit the Raffaldini Winery. Just prior to the event, however, we were told that they no longer welcome groups.

Shadow Springs Vinyard (<https://www.shadowsprings-vineyard.com>) in Hamptonville, NC was chosen as the alternate destination. This was our first visit to Shadow Springs

and everyone came away impressed. This is a family run operation with the vineyard and tasting room situated on a beautiful piece of property. The proprietors welcomed us with open arms and did all they could to help us feel welcome. Members were encouraged to display their cars on the front lawn and food brought from the outside was welcome even though there was a food truck on premises. A local band was playing during our visit so participants were able to enjoy their Shiloh prepared lunch and drink some good wine while being entertained in a beautiful setting. Not a bad way to spend a pretty North Carolina summer day.

September 13 (Tuesday), 6:30-8:30 location and program yet to be finalized. Registration and additional information will be available at:

September 6 (Tuesday), 11:30 AM – 1:00 PM. Ladies in Porsches (LIPS) meeting. *Porsche Hickory, 1205 Center Street, Hickory.* Join us for lunch, social time and a bit of a surprise compliments of Porsche Hickory.

September 22 (Thursday), 9:30 ~ 3:00. Weekday Drive and Dine. Meet at Porsche Hickory. Keith and Donna Antal will lead the group for lunch and a special event at the International Equestrian Center in Tryon, NC followed by a visit to a nearby winery. President's Project Page

My Porsche Space

by Jerry Widner & Members

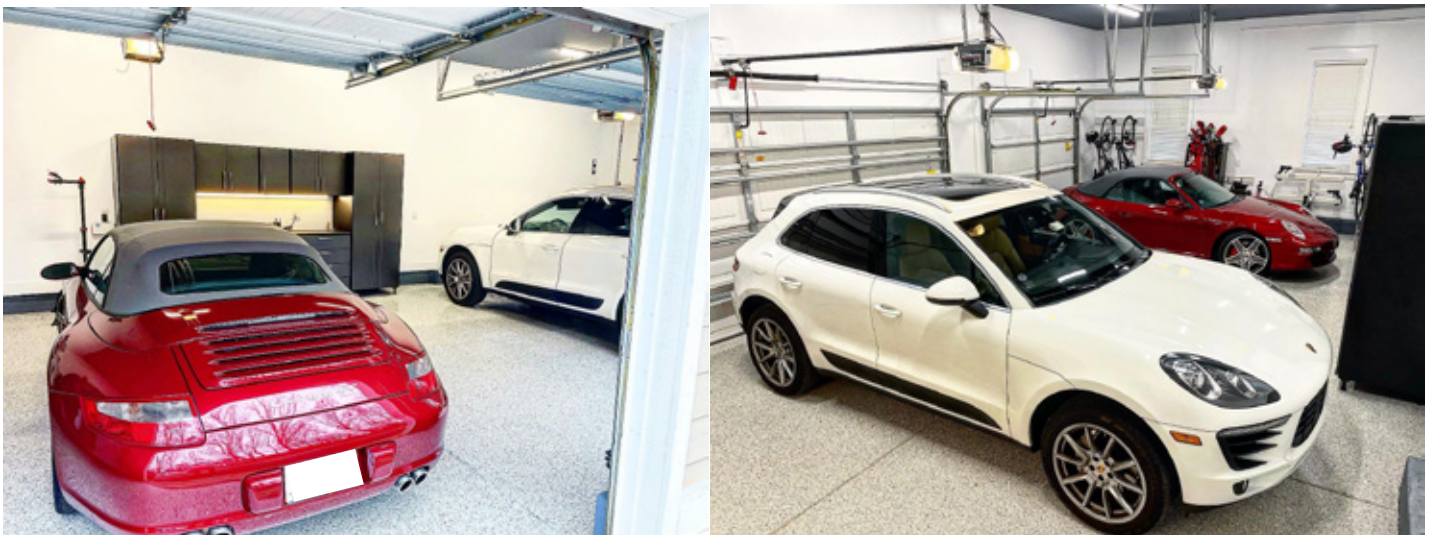

I continue sharing YOUR Story, YOUR Passion for your Porsche(s) from around the Region. Many thanks to those that have stepped up and shared your "garage" space photos with all of us, here in the President's Project Page. This month we have the second installment of "My Porsche Space" – showcasing the vastly varying stables for our special horses. No matter what Porsche you drive and no matter where or how it is housed – they are ALL SPECIAL!

Hopefully, these will inspire you to make your own special showcase for your Porsche. Please ENJOY!

GeneM – Here is a pics of my first, one, and only Porsche in its garage. The garage was once called a two-car garage and now it seems to have turned into a one-car garage.

MarkD – Mark and Kristen have a very elegant and refined space for their Porsches to relax in. I "hear" that it is newly finished as well: NICE Job folks!

...Continued

TonyM – Here is my 2001 Carrera 4’s home. The wall hanging poster (also a Carrera 4) and quotes from Dr. Ferry Porsche came from Porsche of Greenville via a Christmas party charity auction. I hope to see many other owners’ “homes”, here...

NormG – Here are pictures of my humble garage. This is a working home garage. The “barn find” Rabbit pickup is getting an engine/transmission swap and a complete refresh. The Thing was also a “barn find” and is becoming a daily driver. It’s up next for a restoration when my 72 Bug (stored down the street in my sister’s garage) hits the road. The Boxster is a 2003 S with a Fabspeed kit, 987 manifold, and performance air cleaner. The PO had the kit “installed”; I cleaned up the mess. I also replaced the clutch, did an IMS replacement, as well as routine maintenance. The lift makes all the difference in the world.

DavidV - Here is my garage, two blue mid-engine Porsches - one of the first and a current one: 1974 914 1.7i and a 2014 Cayman.
