From the Driver's Seat

Jerry Widner, President

As I type this, I can still hear the roar of Porsches as they made their way over and across the flowing lines of terrain known as Carolina Motorsports Park (CMP) in Kershaw, SC. Our Carolinas Challenge Club Race IS BACK...and it was a success. I ask that you turn to our Club Race Chair, Bill Scarbrough's detailed write-up later in this issue for all the "facts/times/finishes", as well as identifying those dedicated volunteers from across the Region that put in "their HOURS" this past weekend.

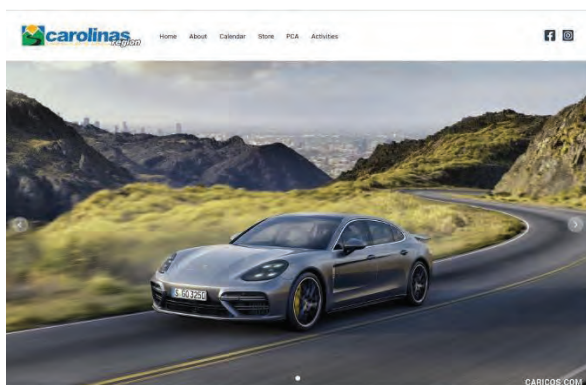

Your very own Tobacco Roads Editor, Julie Harwath was also on site at CMP; stopping at nothing to bring you the action by way of photos. She has put together some great collections of the Groupings/Cars. Here she is IN ACTION!

Additionally, in this edition John Kelly, our Autocross Chair will release the final standings on the years 5 AX events. Wonderful job at putting Carolinas Region AX – back on the scene John! Look forward to AX 2023...with some new venues and locations. Everyone be sure and stay tuned to our Events Calendar – let's have record numbers and participation next year.

How many of you have created an Instagram account since last month's edition of TR? THIS is the easiest, fastest, and most thorough way to get updates of the Regions happenings. Try it out! **PLUS** – as is the way of progress of PCA National, we too will begin transitioning to more use of Social Media platforms in the future to better serve You with more up to date information on upcoming events and other needs; so not a better time than NOW to learn.

Julie on the Start/Finish Line Tower
...now THAT is a front row seat!

Welcome to Carolinas Region
Porsche Club of America

Join PCA

The Carolinas Region, Porsche Club of America has been serving up Porsche passion for over 51 years. From our December 1969 original 31 members, to our over 2,500 Primary Members as of January 2022, we seek to embody those attributes of the World's Finest Automobile.

We are one of the largest Regions in North America both in size and geographical area. Throughout our Region, we hold over 100 events each year, surely there is something for you "here... in the Carolinas". Welcome!

Membership Counts as of February 2022

Front Page of the NEW Region Website

Carolinas Region Website – COMPLETELY NEW “go-live” – by the time you read this...it will be live. For those that have not dropped over there, here is a quick sneak peek. A HUGE shout out for the Website Development Team of: David Violett, Matthew Johnson, Garth Helmer, Giselle Burner and last but certainly NOT least – Haoran “Jacky” Shi of Ceebig Inc. All of you have done a fantastic job at putting together a cohesive, usable product that will now be accessible on all types of devices. GREAT WORK!

The Events Calendar IS now housed on our new website as well. You will receive the link via email; this will take you directly to the most up-to-date event details as provided by the Area Directors, Event organizers and coordinators. This will ensure that You are always looking at the most up-to-date information on all events.

The coming months to close out the year (WOW...did 2022 roll by fast?!) will see our end of season Drivers Education Event at VIR as well as numerous Christmas Parties. Be sure and ENJOY all that the Region has to offer.

I ask that you look through the pages here and find AT LEAST ONE event to attend. We have the BEST roads around...the BEST people around...the BEST FAMILY around.

I want to give a special THANKS for ALL of our Regions Veterans. Thank you for your service to our country! Additionally, Happy Thanksgiving to all...and I have to say a special “Happy Birthday” to my birthday girl!

Here to serve You...and remember; Get Out And Drive!!!

Jerry Widner sends...
Carolinas Region, President

Get out and Drive, Drive, Drive... Porsche style!!!

Sincerely,
Doug Strait - Metrolina Area Director

October in METROLINA... was colorful and fun...

I hope you all have been getting out for a colorful fall drive thru the backroads of the Carolina's to enjoy the fall colors. What a great time of the year to enjoy your Porsche, with the cool temperatures and great vistas to view. The Blue Ridge Parkway is busting with great color, so check it out, also there are some great wineries along the way, check the NC Wine Map for locations: <https://www.ncwine.org/wineries> Our October 19 meeting was well attended with 32 members and 5 new members. Bill Wolfe organized a caravan to the Club Race on at CMP, our first Club Race in over 10 years at CMP.

Big winner Geoff Azaroff

Our 50/50 split the pot raffle was won by Geoff Azaroff, who most generously donated it back to the club, benefitting our charity the 2nd Harvest Food Bank. Many Thanks Geoff!! In addition, Lloyd vonCannon won a nice Porsche hat, Russ Brasher won a 60th Anniversary coffee mug and Jim Hess won a Porsche key ring. Congrats to all!

2022 MEETINGS & EVENTS SCHEDULE:

Nov. 16 Meeting at John's Family Restaurant 6PM

NOTE: NO MEETING IN DECEMBER due to our Christmas Party

Dec. 10, Christmas Party at John's Family Restaurant—Register for the Party on www.Clubregistration.net, Note; registration is limited to 50 people, so reserve your place now!! We will have our silent auction table and some nice Porsche gifts, but only if you've been good this year!

Porsche Corral

Our second annual gathering and monthly PCA October meeting at GMP's Mooresville facility on October 13th was hugely popular. Of course, the weather couldn't have been better, so we ended up with about 50 beautiful Porsches nicely lined up in the GMP parking lot (please see photos). It was great to see the excitement and enthusiasm of our

Porsche Corral

PCA members meeting and greeting new and old friends. Isn't this one of the reasons why PCA is such a great Club and monthly meetings are popular: great cars, great people in a great setting and plenty of time for socializing? Afterwards, our 60+ PCA members and friends filed into the GMP facility.

GMP Presentation

The GMP staff had everything set up for us, namely great seating as well as plenty of food and beverages, all offered buffet style. Of course, how can you go wrong when you provide car enthusiasts with plenty of food and drinks while they simultaneously can marvel at cool cars on hydraulic lifts...? It was also nice to see that a C3 was blending in nicely, despite the G in GMP.

After a brief welcome and introducing 5 new PCA members, GMP staff addressed the crowd. Richard Rollins, the manager, gave us an overview of all the various service offerings GMP of Mooresville provides to the community. He also talked about the new GMP shop that just opened in South Atlanta (about 20 minutes from the airport). Quentin Boatright, service manager for all GMP, stressed that GMP offers great track support (please see the GMP trailer in the photo below). Connor, one of GMP's senior service techs, gave us a brief hands-on introduction to their new alignment rack. It was refreshing to hear from a technical person how exciting this new technology is as it offers vastly superior adjustment settings even compared to alignment racks from just 5 to 6 years ago.

Thank you again GMP staff for a great evening for the LKN PCA community.

MEETINGS & EVENTS SCHEDULE:

Please mark your calendars for our annual Christmas Party on Thursday, December 1, 2022 at 6:30 pm. Just like last year, we will be celebrating at our former host, the Peninsula Yacht Club in their lake level ballroom. PYC did a fantastic job last year with the decorations, food, and service. Prices have gone up significantly at PYC this year, however, we were able to secure several sponsors (Hagerty, GMP, Carolina Coach Crafters), so that the cost per person will not be that much more than last year. Just like last year, we will have great door prizes which we will raffle off throughout the evening (GMP, Hendrick Porsche, and Sonderwerks all promised to contribute). We will include again a Champagne welcome drink as well as two bottles of wine per table of 8 (additional bottles may be purchased individually). There will be a registration link on www.Clubregistration.net for the Christmas Party starting in November (there will be a separate email sent to PCA members when the link is active). Attendance will be capped at around 80 - remember

the event was completely sold-out last year and a few people had to be turned away on the day of the party. Also, a special thank you to our PCA member and PYC member Chris Slocum who helped us greatly by securing member rates for PCA for the Christmas Party.

Our next meeting will be on Thursday, November 10th at 6:30 pm at Skybrook CC. This will be an informal meeting with no speaker lined up. The Christmas Party will be in lieu of our December meeting.

Anybody interested in organizing Porsche drives please let me know.

Christian Roedlich - Lake Norman Area Director

Greetings Carolinas PCA!

Our Triangle Area benefits from having 380 members, two Porsche dealerships (Southpoint in Durham & Leith in Cary), active neighbors in adjacent Sandhills & Triad Areas & an active Hurricane Region to our east. You can enjoy your Porsche in all types of activities with PCA members nearly every weekend & some weekdays by searching the online calendars of the Carolinas or Hurricane Regions.

Our Fall Tour of October 28-30 will have added 600+ miles to our 991.1 C4S cabriolet. Hooray! These activities are the reason we own the car in the first place.

Porsches are designed with superior engineering, built with the highest quality parts by highly trained employees under exacting standards using the latest technologies in the cleanest, modern facilities. Many employees are dedicated perfectionists with decades of Porsche experience. Significant bonuses, even promotions to the Weissach Development Center, are awarded for recommendations that improve efficiencies, quality, safety or procedures. Many employees are extremely loyal to Porsche & devote their entire careers to the company. This has prevailed for 60+ years. (Readers are welcome to borrow a book one-at-a-time from my man cave library of Porsche 40+ books & 20+ about race car drivers, but penalties for late or lost books are too severe. It's probably not worth the risk of asking unless you will be leaving a \$500 cash deposit.)

As an aside, I recommend a factory tour for your bucket list, with Fast Lane Travel (FLT) or privately. If you are fortunate, your guide will be the stunning Nicole Nam, whose 27th birthday was October 19. She was my tour guide in August 2016, with FLT. (When I asked "Hercules, did you see my tour guide?," he responded "Yes. I've had a crush on her for three years." Nicole must have started at Porsche at age 18, when she was a new student at Stuttgart University.)

Southpoint Porsche, 122 Kentington Drive, Durham, will host a half day of Porsche festivities on November 5. This event was postponed in October by Hurricane Ian. Cars & Coffee (CnC) at 9, Tech Session at 10 & a hearty German lunch from 11:30 am. Please introduce yourself to me & thank GM Dean Perella.

On November 12 you can choose the CnC at Leith Porsche in Cary, NC, or display your Porsche in our Briar Chapel community Car Show from 9 am - 12 noon at 1600 Briar Chapel Pkwy, Chapel Hill. Interested members & their guests are invited to tour my Porsche man cave afterwards; adult beverages should be available & complimentary.

November 19 means CnC at Panera Bread, 3603 Witherspoon Blvd, Durham, at 8:30 - 10:30am +/-.

December 3 will bring another CnC with breakfast buffet at Southpoint Porsche.

In September members voted unanimously to cancel meetings for November & December. Our holiday celebration was scheduled for January 26 at Maggioni's, Southpoint Mall; however, due to participation uncertainties this issue will be addressed at our October 27 meeting. Thereafter, communications will be by email, texts & calling.

Please accept my sincere best wishes for a joyous Thanksgiving.

Jim

HPDE & Club Racing: Shane Tisdale gave an update on the "Carolinas Challenge 2022" Club Racing Event at Carolina Motor Sports Park, Oct 21 – 23, along with a general update on HPDE Events remaining in 2022 and planned for 2023.

Upcoming Events

Annual Christmas Party & Charity Auction/Raffle: The date for this event has been set for Saturday, December 3rd, 2022 at the Prince of Peace Church, 1209 Brushy Creek Rd, Taylors, SC 29687. Gordon Anderson is coordinating the food for this event which will be "Heavy Hors d'oeuvres" so you can mingle and socialize prior to our Charity Auction and Raffle. The menu will include:

- CHILLED JUMBO SHRIMP
- MEATBALLS WITH TERIYAKI PINEAPPLE SAUCE
- POACHED NORWEGIAN SALMON
- PORK TENDERLOIN MEDALLIONS
- ASSORTED CHEESES AND CURED MEATS
- HUMMUS WITH PITA TRIANGLES
- SPECIAL PCA DESSERTS
- NON-ALCOHOL AND ADULT BEVERAGES

For those new members who are unfamiliar with the logistics of our Charity Auction/Raffle;

- Bring an Item that you feel a Porsche Owner would like and donate it to the Auction. It will be either Live Auctioned or placed in the Silent Auction. Items can be New In-The-Box, or Hand Made, (like a delicious Pie! or hand sewn Quilt). All auction proceeds will go to our Charity, Society of SVDP.
- Bringing an Item for the Auction is optional (We will also hold a Charity Raffle with many prizes)
- Remember to bring your checkbook (or cash) for Raffle Tickets or you may be bidding on an auction item.

Event Registration is required and will be listed on www.Clubregistration.net shortly. So, save the date and register early.

Next PCA Upstate-Area Meeting (November 8th - Quaker Steak & Lube)

Our next meeting will be on Tuesday, November 8th at Quaker Steak & Lube, 10 Chrome Drive, Greenville, SC. 5:30 – 6:45pm Meet & Greet in the Parking Area, indoor meeting starts about 6:45pm. This will be the last Monthly Meeting for 2022, as we will be holding our annual Charity Auction/Raffle on December 3rd.

By Jeff Price
Area Director

The Upstate Area held its monthly meeting on Tuesday, October 11th, at Quaker Steak & Lube, 10 Chrome Drive, Greenville, SC. The weather was great and our members enjoyed an active "Meet & Greet" in the parking area.

The meeting started about 7:00pm with a call for any new members in attendance to introduce themselves and their Porsches. We had 3 new Upstate-Area members in attendance, and 1 member with a "New to Them" Porsche. Welcome to our new PCA members!!

Dinner at Quaker Steak & Lube

The Triad Area held the 18th October monthly meeting at The Last Resort in Winston-Salem and we were pleased to have 47 members and guests in attendance. We started gathering around 6:15pm to socialize then around 7:00pm we started our business meeting while folks were enjoying and finishing up their dinner. We opened up the meeting by thanking our host Ken Tucker with a round of applause. Ken surprised all

Welcome Porsche Lovers

of us by having a huge "Welcome Porsche Lovers" banner hanging over the front door that everyone noticed as we drove into the parking lot. We then welcomed all attendees and also recognized Calvin and Justin that were representing club sponsor Porsche Greensboro. We introduced and welcomed first time attendees Tyler Goff and Scott Baker and we were pleased to sign up visitor Frank Hamilton as a new PCA member. Attending members Ron Reed, Bill Vasaly and Joe Herrmann celebrated birthdays during October so we all joined in and serenaded them with our best version of "Happy Birthday". Dale Moses, Co-Chair of the Carolinas Region Drivers Education Program, gave a short presentation sharing information about the DE program and the opportunity for members to participate in future events. Dale also responded to various questions asked by interested members. We talked about upcoming and past Triad Area hosted events as well as reminding attendees they still had time to sign up for the following upcoming Carolinas Regional hosted events at the end of the Nov./Dec. time frame. After discussions were over, we drew tickets for door prizes that were donated by the Triad Area and The Last Resort.

PAST TRIAD AREA HOSTED EVENTS:

Porsche Marque Display

October 8th, 2022 – Triad Area was invited as Marque Club @ C&C in Winston-Salem hosted by the Cosa Rosa Car Club and organized by Richard Hipwood. The event was held at the Southeastern Center for Contemporary Art (SECCA) in Winston-Salem. We had 23 PCA members that RSVP'd but several more than that showed up. We drove as a group at 8:00am into the SECCA parking lot and parked as a group. The Porsche brand was well represented with a display of models ranging from an early 356B to a 2022 GT3 Touring. The parking lot at SECCA was full of different makes and models of cars and it was a fun morning checking them out and enjoying conversations with our PCA members as well as other attending car enthusiasts...thanks to Richard for inviting us.

SAVE THE DATE – Tuesday, Dec. 6th

Our Annual Fall Poker Run is the Hickory Area's primary fund-raising event. This year's Run – our fifth – occurred on Saturday, October 8, and was the most successful ever. Thanks to the hard work of our Members, the support of our sponsors and generosity of participants, We raised more than \$3400 in support of our chosen charity, the Crossnore School.

Fifty people registered for the event. Porsche Hickory served as our starting point and provided a light breakfast for participants. Following a brief introduction and drivers meeting, participants received their first card and were released a few minutes apart. This year's route was planned by Bryson and Kathy Kiser and included stops at three local – and interesting – businesses for additional cards. After about a two-hour drive, the route ended at Leather Miracles, the business of Member Tim Scopes.

Poker run participants

Tim, wife Nadya, and daughter Nina put in a tremendous amount of time and effort to convert their showroom into a wonderful reception and lunch venue for the event. Upon arrival, the "Runners" received their fifth and last card and were served a catered barbecue lunch compliments of Porsche Hickory. Following lunch, the real fun began.

Lunch at Leather Miracles

Tim is a racer (historic class) and fan of all things LeMans. In past years, he has done a variety of programs for our club often highlighting LeMans winners who also happen to own wineries (there are more than you might think). For this event, Tim offered a tasting of wine produced by a winery owned by 1967 LeMans winner A.J. Foyt. When this ran out he broke open a couple more bottles from LeMans winner Adobe Road Winery.

Tim & Nadya

A little lunch, a little wine ... then on to the raffle. A variety of items donated by the Scopes family (wine, leather items) and Hickory Area were available for raffle at \$5 per ticket. In addition, Tim donated two very nice leather chairs for our silent auction. As a result, fully half the attendees came away having won something. Oh yes, The Poker Run itself was won by Jim Foxworth with a winning hand of four aces!

Poker run winner Jim Foxworth

Good weather, good roads, good food, good friends – truly a winning formula for a successful Poker Run. Needless to say, the event would not have been nearly as successful – or fun - without the generous contributions of the Scopes family. All this for the benefit of Crossnore School ... the real winner.

Some really cool events in September! Sandhills member, Curt Rowen, organized a Cars&Coffee at Golf Pride's new headquarters near Pinehurst #8 golf course. We had 40 cars and 50 members participate.

After the C&C a few of us went on a drive up to Uwharrie. Beautiful early Fall colors and no traffic on our fantastic back roads!

And, then Carolina's Region Club Race! Our own Marvin Jennings raced in the Vintage Class. I was only there on Saturday, but so much fun to see so many PCA Club Racing friends...from years ago. A true home coming event. The racing was good too! Hope we can make it an annual event!

Carolinas Club Racing

Porsche Club Racing is back in the Carolinas Region! After a 10-year hiatus, the Carolinas Challenge PCA Club Race was back with a vengeance at Carolina Motorsports Park (CMP) October 21-23. More than 60 racers and High-Performance Drivers Education participants demonstrated why this event has long been on driver's schedules each year. The weather was perfect, the track was in pristine condition, the drivers were aggressive but safe, and the people—Carolinas Region member volunteers, Carolinas Region Area members who joined us, Carolinas Region Board members and staff, and the drivers, teams, and friends from all over the United States—proved why PCA is “all about the people.” Here is a list of the incredibly talented and committed volunteers from the Carolinas Region that served the event over the three days:

The weekend started with a test-and-tune Thursday hosted by CMP. This is an open track day so that racers may practice on a track they have not seen in 10 years and fine tune their cars and driving skills to be as fast and safe as possible. A number of racers said the track was awesome and the 70-degree weather was an important reason for attending.

Friday started the formal PCA racing under sunny and clear skies and 72 degrees. The event was sponsored by Carl Tallardy, a longtime friend of the Carolinas Challenge and PCA racer, CNT Foundations (Travis Bedson, CEO and PCA racer), Martin Brothers Construction (Jimmy Martin, President and PCA racer), and Autometrics Motorsports (Gordon Friedman, President and Cory Friedman, racer). National PCA Racing sponsor, Frisby Tires, was present to provide trackside tire support to racers. The National PCA Club Racing staff who directed the weekend's activities were Vicki Earnshaw (Chief Race Steward) David Anderson (Timing and Scoring), and Joel Nannis and Colin Graidage (Technical Scrutineers). Finally, the CMP track management team led by Ed Corey made the event safe, clean, and enjoyable.

Friday's activities started with morning practice (two 30-minute sessions) for each of three race groups (Group 1 were stock and spec race cars; Group 2 were Porsche GT Cup cars, prototypes, and higher displacement cars; Vintage Group were air cooled Porsches of various displacements produced before 1998), followed by afternoon sprint race qualification and fun races (that included practice race starts for the club racing rookies). Friday concluded with a fun-filled social hour presented by Nadine and Bob Saville of NaroEscape Motorsports, who provide trackside support all weekend (and Bob raced in group 1 all weekend too!).

Saturday was race day! The day started with 15-minute warm-ups for each race group followed by the first of two (2) 40-minute sprint races. Each race group was sent out with a pace car to line up two-by-two for the race start. In addition to the great sponsors, we had for the entire event, McDaniel's Porsche also came out Saturday with a beautiful 2022 Porsche Cayman 718 GTS 4.0 on full display in the paddock. Throughout the day, participants in the High-Performance Driver Education sessions enjoyed the fast track, great weather, and abundant time on track (nearly 5 hours over Saturday and Sunday).

In Race #1, Group 1 pole sitter Ed Dunne in his Porsche 968 (SP3 class) mount led the nine classes to green and jumped to an early lead with Ryan Magrab in hot pursuit. The 18-lap race saw lead changes in many of the nine classes and some particularly exciting racing coming from the Spec Caymans of Bob Saville, Keith Clark, and Jeff Scott, as well as Connor Hare in his Spec 996. At the end of the 18-lap race, Magrab won by a little over seven seconds with Dunne second and Connor Hare, third.

In Race #1, Group 2 polesitter Cory Friedman in his 2019 Porsche 991 Cup MR led the seven GT class cars to green and immediately jumped to the lead never to look back leading from start to finish. Will Tally (GTC7), former Penn State and Miami Dolphins standout Jared Odrick (GTC7), Chris Day (GTC7), and Carolinas Region member TJ Larsen (GTC6) fought hard to stay with Friedman, but his pace was just too much. In the end it was Friedman, followed by Odrick and Tally, both about 50 seconds behind.

...Continued

In Race #1, Vintage group polesitter Fred Benedict (VGTO) led the five classes of air-cooled cars to the green flag and was hotly pursued by Jarrad Jacobs (VO). Benedict and Jacobs were followed by a fierce battle between Justin Jacobs (VGTO), and Paul Amico (VO). In the end, Jarrad Jacobs won by less than one second over Benedict, followed by Amico some 35 seconds behind.

In Race #2, Group 1 pole sitter Ryan Magrab in his Porsche 996 (Spec 996) led the nine classes to green and jumped to a slim early lead with Ed Dunne in hot pursuit. The 18-lap race saw some scary action midway through as Tim Nagy (Spec Boxster) broke a wheel and spun through the kink at over 100 mph. He and his car were quickly recovered from the track with minimal interruption to the race. At the end, Ryan Magrab won by a thin 2.7 second margin of victory with Ed Dunne second and Carolinas Region member Bob Saville (Spec Cayman) third.

In Race #2, Group 2 polesitter Cory Friedman in his 2019 Porsche 991 Cup MR led the seven GT class cars to green and again immediately jumped to the lead never to look back leading from start to finish. Tally, Odrick, Day, and Larsen fought hard to stay with Friedman, but his pace was just too much. In the end it was Friedman followed by Tally (12 seconds back), and Odrick (37 seconds back) on the podium.

In Race #2, Vintage group polesitter Paul Amico led three classes of air-cooled cars to the green flag. At the start Amico and Jarrod Jacobs sped away from the field and had a great two car battle. Carolinas Region's Wayne Capwell fought with the other cars and maintained third place throughout the race. In the end, Jacobs won by a slim half-second over Amico, followed by Capwell who was 1:42 behind the leaders.

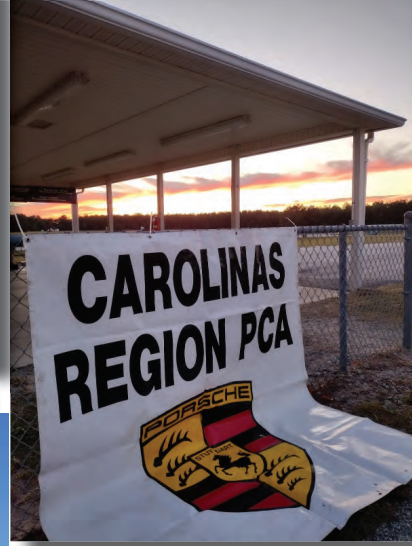

Once the excitement of the day's racing had ended, drivers and invited guests were treated to a southern barbeque dinner with all the fixins', including fried chicken, pulled pork, fried catfish, collard greens, green beans, macaroni and cheese, and peach cobbler. The catering was done by PaBoys of Camden, SC. There were adult beverages served and live music from the Black Bottom Biscuits, a local southern rock band that the Carolinas Region loves. We also were joined by Rosalyn Smith-Stover, Executive Director of the Family Resource Center (FRC) of Kershaw and Lee counties whom we selected as our charity for the event. The FRC's mission is to eradicate child abuse, sexual violence, and teen pregnancy in Kershaw and Lee County communities through awareness, education, and advocacy. The drivers, teams, and friends of the Carolinas Region presented FRC with more than \$850 in donations!

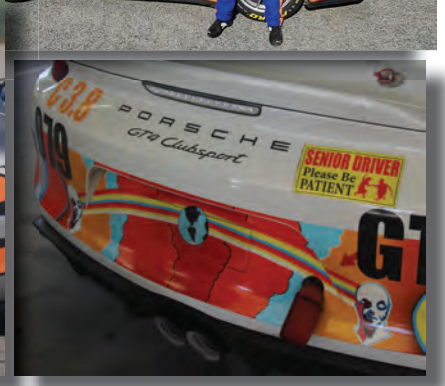

Finally, the night was punctuated with awards for racers, including awards made by the National PCA race steward for the Corner Workers Choice award for each race and the Best Prepared Car award, as well as the Carolinas Region club race chair's award known as the "Hard Luck" award. This year's recipient of the Hard Luck award was Tim Nagy from Alabama who broke a muffler in Race #1 and had a wheel explode in race #2 sending him spinning down the very fast back straight through the "kink". He was presented with a retired (and broken) #4 brake marker from the back straight signed by each corner worker at the track. The Saturday night driver's celebration was filled with racing stories, laughter, and fellowship. We were graced with the presence of racers from all over the United States, including many drivers from the Chicago area who came with Eurosport Motorsports (Brian Weathered, owner and racer).

Sunday's schedule included a 15-minute warm up, a 90-minute endurance race for all Group 1 and Group 2 classes, and Race #3 for the vintage group. In the enduro, polesitter Chris Day jumped to an early lead followed closely by Jared Odrick and Carolinas Region member TJ Larsen and Rick Stafford (GTC6). The racing remained close between the top two throughout the race, including the mandatory 5-minute pit stop. Similarly, there was some close racing throughout the 90-minute race, including among GTB1 and GTD1 class cars. In the end, Chris Day won by 3 seconds, Jared Odrick and 47 seconds over TJ Larsen.

Carolinas Region PCA Autocross No. 5, October 09, 2022
Greensboro Coliseum UNCG Lot
By Carolinas Region Autocross Committee

The afternoon runs were much better. Instead of DNFs we had folks hitting cones as they ramped up their game for a better time.

The weather for this event was great – cool to start and 61F and warmed up to the 70s. I love the fall weather in the Carolinas.

Registration and attendance was about the same as the rest of the year with 32 drivers showing up.

The timing equipment continues to work perfectly so, I think, we are out of the woods now and can quit worrying about the timing system. First car out was around 10AM and we finished up by 3:30PM. Everyone got in 10 runs that wanted to. 4 runs for each group in morning and 6 for afternoon.

I looked back at the registration for the Oct 2021 AX and noticed we had 38 drivers. So, we still need to encourage our friends to get back to our events next year.

The course layout was very tricky with a switch back on the front half making it more technical combined with some fast slaloms on the back half. The course was about 3/4 mile long. Run times ranged from FTD 54 Secs – up to 70 seconds depending on car and drivers' skill.

I am working on scheduling 6 Events next year. Working on dates that don't conflict with other autocrosses in the area or our own PCA events. I should have a preliminary schedule for the Dec TR publication.

We had 6 novice drivers' sign up this time.

Thanks to all that assisted me and those that participated this year as we are rebuilding the AX program.

I apologize to the new AX drivers that showed up only to be faced with the hardest AX layout this year. Nearly everyone had a DNF on first runs, even the experienced drivers. We held the morning runs to 4 after noticing everyone having problems. We had another drivers' meeting and another drive through to help drivers get settled down.

President's Project Page

My Porsche Space

by Jerry Widner & Members

I continue sharing YOUR Story, YOUR Passion for your Porsche(s) from around the Region. Many thanks to those that have stepped up and shared your “garage” space photos with all of us, here in the President’s Project Page. This month we have our FOURTH installment (YES, the response has been amazing) of “My Porsche Space” – showcasing the vastly varying stables for our special horses. No matter what Porsche you drive and no matter where or how it is housed – they are ALL SPECIAL!

Hopefully, these will inspire you to make your own special showcase for your Porsche. Please ENJOY!

AndrewS – Hi Jerry, here is our photo of our Porsches snuggled in nicely. Warm regards

ClaudeS – Claude’s Blue 996 placed strategically IN FRONT of the “Tail of the Dragon” signage!

NathanS – Nice GT3 on “display”...what is more cozy...the fireplace behind it or sitting in the drivers’ seat! I know my answer!!

...Continued

DaleM – My first ride in a 911 was several years before I could legally drive. When I got my license, I bought a \$300 Triumph Spitfire “project car” and dreamed that it would somehow grow into a 911. Alas, it did not! Over the years, I got as far as a couple of test drives, but marriage, kids, college and other priorities kept getting in the way of my dream.

While looking for a new home ten years ago, my wife Kim and I came up with a list of requirements. I had one unwavering request: it must have a three-car garage, because I was getting a 911. We decided on one with a two-car garage, but a 14 ft ceiling with plenty of room for a lift. Today “the” 911 resides on top of Kim’s daily driver. At first, she referred to it as “Dale’s car.” But after several months of ownership, she finally got behind the wheel and now she isn’t bashful about correcting me and calling it “our” car!

TimL – *PorschestraBe* – just about sums it up! Nice place to be **SHOPPING** – sign me up!!!

LawrenceB – I thought you might have an interest in the photo of our Porsche “Home”. Taycan 4S (best car I have ever owned), 718 Cayman (mostly for fun on the track), delightful little old Boxster S, and my wife Sharon’s 2022 Macan. She is at last a convert to cars and especially Porsches! 45 years ago as a fierce Jaguar fan I never dreamed that we would be all-Porsche!
