## GET INVOLVED...TAKE PART!

Bring on FALL – my personal favorite time of year! To celebrate the changing of the seasons, Ann and I carved out a “little trip” of 1,816 miles to the Upper Peninsula of Michigan. Here’s a nice photo at the iconic Grand Hotel on Mackinac Island. We traded in the Porsche horsepower for “actual horsepower” as there are no cars permitted on the island.

As we travelled from Whitefish to Paradise to St Ignace...the views were more grand than one would expect from a “flat land area”. There were numerous hills just shy of 2,000 feet that provided just enough elevation to have scenic vistas of the lakes. Here we are looking south upon Lake Michigan. We will add this to our list of yearly visits for certain...I can see a Porsche drive in the making; albeit a rather lengthy one!

UP Michigan

Mackinac Island

By the time you read this; we will have 3 weeks until our Club Race; “The Carolinas Challenge”. From 20-22 Oct the PCA Club Racing scene will be focusing in on Kershaw South Carolinas 2.2-mile 14 turn circuit – Carolina Motorsports Park. Please come out and JOIN US for this event. We’d love to have as many spectators as possible so make it a drive for one of the days. Stop in and see me and Bill Scarbrough – say hello, we’d love to meet you. Any further questions about the event, please reach out to Bill at: [clubrace@carolinas-pca.com](mailto:clubrace@carolinas-pca.com) or [bscarbrough@sc.rr.com](mailto:bscarbrough@sc.rr.com)

Additionally, as it relates to the Club Race; we are still in need of volunteers to “run the gate”; this will be a 2-hour stint; ensuring PCA Release Waivers are signed, as well as wrist bands being properly applied. Please reach out to Dale Moses at [driversedcochair@carolinas-pca.com](mailto:driversedcochair@carolinas-pca.com) to sign-up/volunteer.

The annual Fall Tour – again this year 27-29 Oct at Lake Hiawassee GA will be a success as Michael Vittorio always puts on a great event. For those of you joining, please be sure and take pictures and provide them for future updates? Who knows, perhaps some of you could provide a President’s Project Page article over the next few months? The challenge is made!

This month’s President Project’s Page is highlighting Jim Proper (Triangle Area Director) on a much longer trip than Ann and mine to the UP. Jim’s adventures to Nova Scotia – some 4,000 plus miles is captured in photo and text for our enjoyment.

Cayman S Track Build Update: None, too busy to think about it. Should have an update of substance for next month.

PCA has rolled out a New Digital Membership Card. I have mine; it was very easy to do...and I’ve opt’d out of receiving the mailed hard cards. Just one less card to carry. Go to: <https://www.pca.org/members/digital-membership>

Make sure you visit our NEW and IMPROVED website to check out the EVENTS CALENDAR to stay up to date. Website Calendar can be found at: [Carolinas-pca.com/Calendar](http://Carolinas-pca.com/Calendar)

Fall of the Year is simply the best; beautiful weather for drives, photos, gatherings with family and friends. Hard to believe we are almost into 2024; not quite yet...but close. It will be here before we know it.

I hope each and every one of you get to enjoy the month and have a “Spooky Halloween”.

# Congratulations!

**FAMILY OF THE YEAR FOR PCA  
Jerry and Sadie Kilcrease**

In case some of you missed the big announcement back in June; Jerry and Sadie Kilcrease won the “Family of the Year for PCA” at the Annual Parade held out in Palm Springs CA. We couldn’t just mail them the award, no, this required a surprise event. Zone 3 Representative, Rick Daniels and his wife Angel, joined me and Ann, as well as Board Members Charlie Massler, Dale Moses, Alan Teague, Shane Tisdale and Doug Seefus in surprising The Kilcreases. The lucky spot: Porsche Greensboro during their Triad Area meeting, held on Saturday September 16.

We had a wonderful turnout of 92 members as well as many “on-lookers” wondering what all of the fuss was about. You see, during the Triad Area meeting, “we” (the aforementioned party), pulled up around the side of the building and parked just outside of the doors – horns blaring, making as much commotion as possible. We then paraded into the meeting with all hands cheering and clapping. It was such a nice site; honoring whom is most arguably THE two most influential people in the Carolinas Region. Jerry and Sadie have done it all over the past 20 years; and it was our honor to present them with the Porsche Family “plaque” as well as a special gift from us...The Carolinas Region.

I ask that you look through the pages here and find AT LEAST ONE event to attend. We have the BEST roads around...the BEST people around...the BEST FAMILY around. Here to serve You...and remember; Get Out And Drive!!!

Jerry Widner sends...  
Carolinas Region, President  
*Semper Fi!*

The Photographer said say “Porsche” so Jerry Widner’s granddaughter, Joni, said “Porschaaaaaaa...”, bringing the house down in laughter.

# AREA REPORTS

Oktober 2023 (check Carolinas Region PCA Calendar for event updates)

**metrolina-ad@carolinas-pca.com**

By Doug Strait  
Area Director

We covered all of the events coming up during the next few weeks and until the end of the year. So check out the Carolinas Region calendar on our website for event dates and registration details.

Our 50/50 “Split the Pot” winner this month was Hunter Widener taking home a hefty \$140, Dave Franscona won a \$20 gift card from Autozone, Larry Jerge won a nice Porsche coffee mug, Mike Dudick won a Porsche Martini thermal tumbler.

Congrats to all and “MANY THANKS to All FOR YOUR GENEROSITY” supporting our charity fund, the 2<sup>nd</sup> Harvest Food Bank..

### UPCOMING EVENTS:

- Oct.18<sup>th</sup> · Metrolina PCA Meeting – Little Mama’s – South Park 6pm – 8pm
- Oct. 20-22 Club Race Carolina Motor Sports – Kershaw, SC
- Nov. 15<sup>th</sup> - Metrolina PCA Meeting – Little Mama’s – South Park 6pm – 8pm
- Christmas Party in planning stages now.. Stay tuned..

MacGyver’s Tips: Time to check your engine coolant levels and formulation to get ready for the winter temperatures.

COMMUNICATIONS: Be sure to check out the calendar on the Carolinas Region PCA website <https://www.carolinas-pca.com/Calendar> and also watch for updates & announcements on our Carolinas Region PCA Facebook page.

Fall weather is great driving weather so drive, drive,drive!! Thank You for your Support!

Sincerely,

Doug Strait, Director, Metrolina Area

## FALL COLLOR IS BURSTING OUT WITH FUN TIMES AHEAD.....

Monthly Meeting at Little Mama’s

Our September 20<sup>th</sup> meeting was held at our newest dinner location, Little Mama’s Italian Restaurant in South Park. We had 37 members including 2 new members join us for a tasty Italian dinner and socializing. Everyone enjoyed the new location for its location and great menu.

Monthly Winners

*Special thanks go out from Sadie and Myself!!!*  
 To all those PCA members and Porsche Greensboro staff that planned and made the surprise awards program possible...it was a day that Sadie and I will never forget.

The Triad Area held our monthly meeting on Saturday, September 16<sup>th</sup> and it was hosted by Porsche Greensboro in their showroom located at 5603 Roanne Way...Sadie and I were surprised, but pleased, that there was such a large turnout of members and guests...our best count was 92 (which did not include staff members of the Porsche Greensboro)...

Family of the year award presentation - Sept. 16, 2023

As we were about to start the regular meeting, much to our surprise, the side doors to the showroom opened up and a group of additional PCA members came in...including Zone 3 Representative Rick Daniels and Carolinas Region President, Jerry Widner. Suddenly our regular monthly meeting turned into a surprise awards presentation for Sadie and I for being selected as PCA Family of the Year 2023. Rick Daniels presented us with the PCA Family of The Year Award and Jerry Widner present us with a special award from the Carolinas Region. Needless to say, Sadie and I were honored and overwhelmed and we were happy that many of our PCA family and friends were there to share in the presentations!

After the awards presentations as things settled down, we held our regular monthly meeting. Paula Vaslay, Eddie Meeks, Charles Branch and Dixon Johnston celebrated birthdays during September and were serenaded with the group singing Happy Birthday. Door prize winners were Charles Ruppert and Larry Cantley. The 50/50 Charity Split the Pot was won by Dixon Johnston. After the meeting closed everyone enjoyed a wonderful luncheon provided by Porsche Greensboro which included a slice from the custom baked "Congratulations" Porsche Crest and PCA logo cakes.

Split the Pot Winner!

**PAST TRIAD AREA HOSTED EVENTS:**

**August 26<sup>th</sup> – (Saturday) Porsche Corral at American Children's Home:**

The Triad Area held the Porsche Corral People's Choice Charity Event in conjunction with the American Children's Home 25<sup>th</sup> Annual Show –Off Event which was held on their campus in Lexington, NC...this was the 14<sup>th</sup> consecutive years that the Triad Area has supported this charity event and this year we had 12 Porsches on display along with two new Porsche 911's that were provided by Porsche Greensboro as the "Marque Display". Porsche Greensboro also donated \$750 for a Bronze Level Sponsorship to the American Children's Home.

Porsche Corral - 2023 Parking & staging Porsches

Porsche Corral Donation

The best news is that the Triad Area was able to donate \$2,000 to the American Children's Home Charity Fund from all proceeds from registration, personal donations, contribution from the Spring Tour event and a contribution from the Triad Area Split the Pot Charity Fund. Many thanks to those that supported the annual Porsche Corral Charity Event.

**September 19<sup>th</sup> – (Tuesday) Visit Hendrick Heritage Car Collection:**

The Triad Area hosted a visit to the Hendrick Heritage Car Collection in Charlotte, NC and 25 PCA members and guests attended. The group visit was arranged by Spencer Gates, Marketing Development Manager for Hagerty and he and Carol Huff, Hagerty Agent, joined us on the tour. It was an exciting and interesting tour as there were over 230 "special" classic cars on display, including quite a few extremely unique Porsches.

People's Choice winners

At the end of the day when the people's choice votes were counted the results were as follows:

- **1<sup>st</sup> place** winner (right) was T.J. Gottwalt  
2024 GT4RS
- **2<sup>nd</sup> place** (middle) was Jerry & Sadie Kilcrease  
1976 912E
- **3<sup>rd</sup> place** winner (left) was Charles Branch  
2019 911Turbo S Cab

Visit - Hendrick Car Museum - Group Photo

Unfortunately, no photo taking was allowed inside the museum but we did get a group photo in front of the building.

Speedway Cafe - Luncheon

Afterwards our group enjoyed lunch at the Speedway Café located in the tower at Charlotte Motor Speedway. After lunch we continued visiting and conversation about the many aspects of the tour and then folks said their goodbyes and headed home. It was a good day.

**UPCOMING TRIAD AREA HOSTED EVENTS (SAVE THE DATES)**

- **Oct. 14<sup>TH</sup> – (Saturday)** – Triad Area invited as Marque Car Club at SECCA (see details below)

Porsche corral (top) & Timeless Beauties (bottom)

Our September monthly meeting was as usual at our regular “home”, the Peninsula Yacht Club. All of us enjoyed spectacular weather – blue skies, low humidity, mild temperatures. Hence, we had quite a few “top down” attendees. Well over 40 PCA members and guests and more than 25 Porsches in the Porsche corral are proof of the interest and enthusiasm of our LKN PCA community. Also showing the timeless beauty of our favorite marque, 991 and 356, the same lineage.

The downstairs Commodore room at PYC offered a great view of the lake, the sunset, and harbor. PYC staff had set up the room for us nicely including a great taco bar. One must admit, the backdrop, set up, and weather for our September PCA meeting was hard to beat!

After the usual introduction by yours truly, John Hotchkis informed the audience about an open position as the operations manager at the Porsche Experience Center in Atlanta, the job description sounded less like a job than a dream for most attendees... Colin Graidage, one of the head PCA instructors, addressed the group again about DE events and how much any participant will benefit from it (please refer to clubregistration.net for more information on DEs).

David's Presentation

Our featured speaker, David van Epps, owner of Sonderwerks in Cornelius, talked about upholstery and related upgrades and restorations for our favored marque (please see photo). To this end he showed the group a short video of some of the work done in his shop. Of course, everyone is familiar with the spectacular results of restoring seats of an older car but to witness the transformation of a modern Porsche leather seat (e.g 991 or 718) with a pepita insert is also quite amazing.

Chris Slocum (left) and Kurtis Lowdermilk

Our raffle was again very successful, raising \$490.00 for the children and families at Children's Hope Alliance in Barium Springs – thank you to all attendees for your generosity, donating to this great cause. As always, we raffled off beautiful prizes (bought with our area stipend). David van Epps with Sonderwerks donated a handmade vintage style leather tool case they offer for sale (thank you!) and John Cleveland donated a \$200 detailing coupon from his shop (their detailer does great work). The lucky great prize winners were Chris Slocum (detailing) and Kurtis Lowdermilk (tool case), (please see photo).

Please note that we will conduct our October monthly meeting on Thursday the 12<sup>th</sup> at GMP's facility in Mooresville. This will be our third annual outing at GMP, and they will again provide great food and beverages as well as surely technical updates. I am certain that it will be great fun again, just like the last two times. The November 9<sup>th</sup> meeting will be back at PYC featuring Hendrick Porsche staff as presenters. As always, please let me know if you have an idea or suggestion for a speaker/a special venue for our upcoming monthly meetings.

Another reminder: our Christmas Party is now set for December 7<sup>th</sup> at PYC, from 6 pm to 9 pm. The set up will be very similar to last year's, i.e., 3-course dinner, welcome drink, wine, door prizes, silent auction, etc... PYC does a great job decorating the place for Christmas - a great way for PCA members to get into the Christmas spirit! We always welcome sponsors for this event – please contact yours truly.

Don't you just love the early Fall in Carolinas Region?...so many events with beautiful weather!

Sandhills Area ladies lunch

In late August, BJ Barrett organized the second annual Sandhills Area ladies lunch. BJ had 18 attend, and they

had a great time swapping Porsche stories....sure they did! There were some prizes too, including Pinehurst Spa experience.

Swapping Stories!

The early September C&C was at Red's Corner in Southern Pines. This relatively new "park like" venue is a popular food truck hangout. Multiple food trucks and great coffee are always a hit. About seventy-five cars showed up.

Gorgeous setting at Red's Corner in Southern Pines

C&C at Rec Room Arcade

Later in the month, the new Rec Room Arcade hosted a C&C at their newly renovated facility in So. Pines. All the cool digital fun games and activities, including an outdoor party area with golf putting and a bar. Some of you may know the owner, Ezra Dyre, who writes for Car and Driver magazine and others. He and his wife came up the idea which is very popular with teenagers and young adults.

Lots more coming up this Fall...couple track events.... The Club Race! And, our early October waterfalls tour to Greenville, SC.

**Carbs and Carburetors:**

This event, sponsored by Leland Little Auctions in Hillsborough attracted 20 cars. Mark Terry, Director of Estate and Auction Vehicles, judged this shine and show and awarded the Director's Choice Award to Tom Roos for his 1956 model 956. Free coffee and donuts (the carbs) were on hand for everyone. Even the weather cooperated by holding off the rain until after the awards ceremony.

The winner of the August Photo of the Month contest is Victor Friedmann for the photo of his 2012 Boxster S (no, he did not vote for his own car)

Mark Terry awarding Tom Roos for best in show.

**Porsche Corral at VIR**

Bill and Susan Morrison led a caravan of 10 cars to VIR on August 27 for the Porsche Corral event. It was a great opportunity to see lots of cars, socialize in the PCA tent and to drive the full course for the Porsche Parade. Thank you, Bill and Susan, for organizing the drive.

## Hello Carolinas Region Members;

I'm writing this Upstate Area News update while out at Treffen St. Louis -

Gateway to the West!....

Linda and I had a nice journey from the Upstate up to St. Louis, making a stop in Nashville to take in a show at the Grand Ole Opry!

PCA Treffens are a great way to explore areas outside of South Carolina, and go places that you might not think of going - all while enjoying it with friends that you already know! Besides the other Carolinas Region folks attending, we'll catch-up with "Treffen Friends" that we have met from past Treffens. I'll provide more on Treffen St. Louis - Gateway to the West, when we return home after the event.

## Past Upstate Area Events

Our Upstate Area has been busy these past few months. Our September Area Meeting was held on Tuesday, September 12th at Quaker Steak & Lube in Greenville. We had some nice weather with over 50 members in attendance.

Many members enjoyed our "Meet & Greet" in the parking area, reviewing some classic Porsches.

Plus some new members with new Porsches!

At the end of August, the Upstate area held its annual Summer Party, hosted by Thunder Bunny Racing (TBR). Over 100 PCA members from multiple regions attended for a fun afternoon socializing with other PCA members, enjoying some good BBQ and Brisket, and learning about TBR. Plus our Charity Raffle raised over \$800 for our Charity Fund!

Summer Party at Thunder Bunny Racing (TBR)

Up close and personal at Thunder Bunny Racing (TBR)

In case you missed our Instagram post on Social Media, you can use the link here: [Upstate Area Summer Party](#)

We thank Thunder Bunny Racing for being great hosts and hope to do many events with them in the future!

**Future Events**

I have had several requests for another Sunday Drive & Dine tour, possibly up to Point Look-Out Vineyards. I will try to pull something together for October, so we can enjoy some fall colors and cooler top down driving. Stay tuned for further information.

We also need to set a date and start planning for our annual Christmas Party & Charity Auction-Raffle. The Date of December 1st was initially chosen, yet the Prince of Peace Church Sanctuary that we used last year is not available on this date. So we will have to make some adjustments.

Before I sign off, I have a request from a member looking for a good Paint Shop to assist in his restoration job on a classic 911. So if you know of and can recommend a good Automotive Paint Shop, please email me so I can add it to our Upstate Area PCA Vendor List.

Drive safe,

**September 12 – Monthly Membership Meeting.** This month’s meeting was hosted by Jim and Lisa Buchanan at Fresh Chef in Hickory. Eighteen people were in attendance. With no particular agenda or speaker, the meeting provided a great opportunity to relax and visit with Porsche friends. After a short business meeting with announcements and discussion from attending members, winning door prize tickets were drawn. Kathy Bryson won a Porsche branded mug. Anita Doran won an assortment of car care products. This month’s 50/50 drawing was won by Jim Lucier. He graciously donated his “winnings” to Crossnore Communities for a total contribution of \$125.00. Following the meeting, Martha Mauney was pleased to show off her new Chalk Macan.

**September 23 - Drive and Dine.** On September 21 – 24, 2023, the Porsche 356 Registry along with members of The Southern Owners Group, Inc. celebrated the 75th anniversary of the Porsche 356. The event was held at the Chetola Resort in Blowing Rock, NC and drew more than 140 356's from around the country. Though most of the event was for entrants only, Saturdays Lakeside 356 Concours was open to the public. Fourteen members and friends gathered at Porsche Hickory where we enjoyed a light breakfast compliments of the dealership. After, we drove to Blowing Rock to view the Concours. And what a sight it was. The cars were artfully displayed around Chetola's lake and included every year and model of 356 imaginable. Though the weather was a bit brisk, it was great fun strolling the grounds, seeing these beautiful cars and conversing with their owners. The team (many of whom are Hickory Area members) who helped put this together did a fantastic job. Congratulations! Due to the difficulty accommodating large groups in Blowing Rock, our D&D participants were on their own for lunch.

## Coming-Up

**October 3 (Tuesday) @ 11:30 AM: Ladies in Porsches (LIPS).** *Fresh Chef of Hickory, 1825 N. ## Greetings fellow track enthusiasts!

It's hard to believe that September is over. With our Fall HPDE at CMP, we brought back the Saturday evening gathering. A HUGE thank you to GMP Performance for hosting the event under the awning of their trailer, for providing the delicious food we enjoyed, and for being prepared when I left the wine at home Saturday morning when I left at 5:30am! If you missed it, we look forward to continuing these informal gatherings in March 2024! Speaking of gatherings, we have two HPDE opportunities remaining for this calendar year. The first is a solo only DE in conjunction with the Club Race at CMP October 21-22. Come join the fun of Club Race and drive in the HPDE. The second is our season closer event at the beautiful Virginia International Raceway November 17-19. We are holding our historically well attended Saturday evening social in the Gallery and will be announcing Instructor of the Year as well as a couple other surprises. In order to provide a better experience to you, our participants, we are selling tickets to the social. They by no means cover the entire cost of the social, but rather than have to cancel it as we did last year due to low turnout, this keeps the event subsidy under control while allowing us to tailor the amount of food to the number of people coming.

You've read about the Track Experience from VIR, and likely the well written article in Panorama about DE in general. This new format allows participants or their guests over the age of 18 to see what being on track at speed is like, without the high commitment of a full weekend. We had 2 folks come out for that in September, and plan to run it again at VIR. Look in ClubRegistration at [www.clubregistration.net](http://www.clubregistration.net) and find the next Track Experience sessions. If you've ever wondered what it's like, this is the best way to experience it. The Track Experience pairs you with a senior instructor who will drive in the beginner group at their pace. After an introductory discussion about what HPDE is as well as the risks involved, you'll head out on track in the instructor's car. They'll cover flagging stations, passing etiquette, track vehicle dynamics, and vision on track. The region has helmets, so all you need to bring is yourself dressed appropriately (see details in the event) and we provide the rest!

Throughout the year at our events we offer two charity options to our participants:

The first charity option is an at-registration donation collected for Track Heroes, an organization that was built to find alternative solutions for the needs of First Responders and Veterans who deal daily with conditions such as PTSD, anxiety, depression, and stress, as they transition to civilian life. More information on their organization can be found at their website here: <https://trackheroes.org>. To date, we have collected over \$1000 towards this charity thanks to our generous participants.

The second charity option we support is through donations made during our parade laps over lunch when weather permits, and that goes to the Stephen Siller Tunnel to Towers Foundation. This organization is focused on helping our community of veterans and families of fallen first responders. More information on their organization can be found at their website here: <https://t2t.org>. To date we have collected \$1165 towards this charity thanks again to our generous participants.

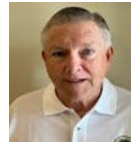

Upcoming events should be checked on [www.clubregistration.net](http://www.clubregistration.net). As mentioned before, we have a solo only DE during the Club Race weekend on October 21-22, and our season ender at VIR November 17-19. As always we'll do charity parade laps Saturday and Sunday at VIR, weather permitting, at highway speed without helmets, for those who want to involve family members or children in the fun. You can bring and drive any vehicle, and pack as many people as you have seatbelts to secure into it. Anyone can come check out the DE free of charge, talking to those in the paddock and even joining our beginner classroom sessions to get more familiar if you don't want to commit to anything. So if any of our activities are interesting to you, please consider coming to check them out, and we'll see you at the track!

4,401 glorious solo miles to Nova Scotia

by Jim Proper

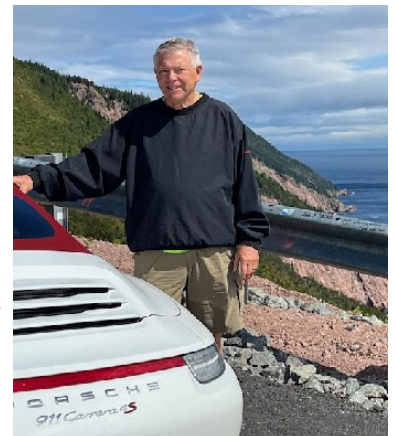

**This is part 1 of 3 articles about my solo Porsche adventures during August 21-September 10 for 4,401 glorious miles to Nova Scotia and more.**

***This Cabot Trail around Cape Breton Island in Nova Scotia has been on my bucket list for 50+ years.***

In the summer of 2021, my wife Ann and I were driving to the Cape Breton Island National Park in northern Nova Scotia. While we were in Acadia National Park near Bar Harbor, ME, the Canadian government surprisingly & suddenly closed the border to protect us all from their resurgence of COVID. Regrettably, we returned 1,100+ miles to Chapel Hill.

This summer, Ann having daily medical visits, declined an even longer trip back to Maine and into Nova Scotia. When a longtime friend was unable to get away from his role at Manhattan College, I decided to go for a solo adventure.

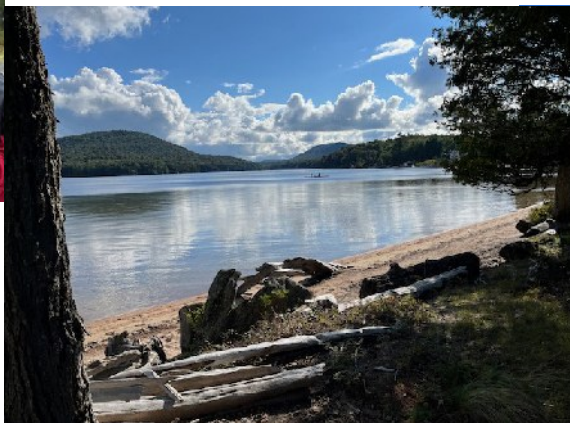

I departed from our home in Chapel Hill for Deer Island in the St. Lawrence River near Alexandria Bay, NY where my son and his family resides. For three days & nights I enjoyed my son, Scott, & his family in swimming, hiking trails & relaxing in Mother Nature's quiet, peaceful setting.

Deer Island has about 45 acres. It was given to Yale's Skull & Bones in 1870 by a member for the enjoyment of future generations. For the past 38 years Skull & Bones in New Haven, CT, has had their on campus, Yale building, the "Tomb," maintained with activities coordinated by Class of 1968 member, Coit Lyle. (The lack of any windows in the Tomb contributes to the mystique of this secret society.). In the summers Captain Lyle, as he is known, coordinates the visitors, volunteers, staffing, maintenance and budget at Deer Island. This is a great job, if you can get it.

From Alexandria Bay I drove 2.5 hours southeast to Long Lake, NY. From NY 30 I used the county's newly paved North Point Rd. for 20+ miles, then turned right onto a dirt road for 7.9 miles and two locked gates to enter the very private Brandeth Park Association property.

The grandfather of my friend's wife bought land in the remote Adirondacks over 120 years ago for a mere \$5/acre. Mr. Brandeth used \$3,000 to buy 15,000 acres. There were no

roads until the family had a dirt road carved through the forest to the north end of what is now Brandeth Lake. This pristine lake has about 5-6 square miles of water & is surrounded by private, protected

...Continued

& beautiful forest. The family has gradually created 50+ houses spread out over the northern coastline of the lake. Some families fly in from Texas and other states, land on their pontoons, tie up their planes until it's time to fly back home. I hiked, swam, drank Jameson Irish whiskey and did not start my C4S until it was time to go.

My next driving was north to Montreal, east to Bangor, then to Parrsboro, Nova Scotia, on the Bay of Fundy, which has the highest, fastest tides in the world. The water rises & lowers 40' and flows at 8-11 mph, which is equivalent to a category 5 hurricane with 180 mph winds.

Since FDR needed more electricity to power the Arsenal of Democracy in the late 1930's, efforts have been made to harness these tides for energy. Today the Fundy Oceanic Research Center for Energy (FORCE) coordinates the work of many scientists, engineers & developers who are focused on building the successful technologies that can deliver energy & withstand the tremendous pressures from 160 billion gallons of water flowing at 8-11 mph.

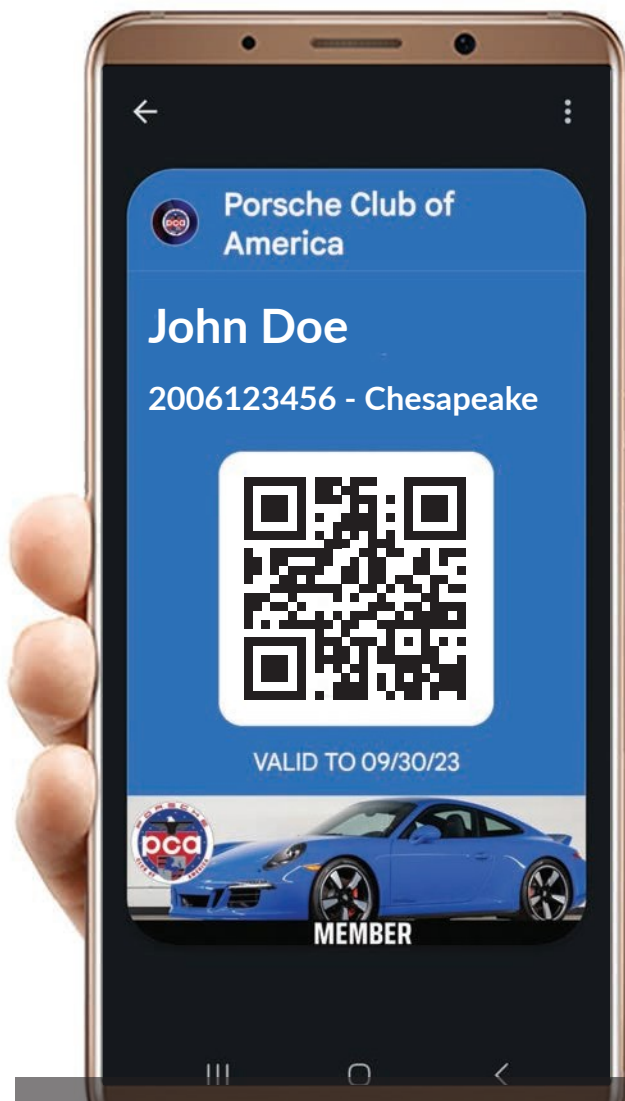

Recently, the governments of Canada, the United States, the UK & Germany have joined forces to help with this project. Entrepreneurs from around the world are working to bring this project to fruition. It will power the eastern third of Canada, then spread around the world to end the reliance upon fossil fuels.

...to be continued...
