Tracy Gentry donating a bottle wine from Shift Winery

HAPPY NEW YEAR 2024 METROLINA PCA !!!!
Our December 9th Christmas Party at Red Rocks Café was a blast. We had 42 members join us for a fun night of socializing and sharing our plans for the holidays with family and friends and deciding on practical resolutions for the new year. We had the 2 big 75" big screen TV's set up with fireplace video on one for a nice winters touch and I put together a slide show with pics from all of the fun events we had this year like Spring Tour, LuftWasser, Fall Tour, Club Race, Beaver's Den drive and the Raffaldini Winery Drive. More to come in 2024!

Silent Auction Table

As usual, we had our silent auction table with lots of great items donated by Hendrick Porsche, CocoMats and GMP.

Tracy Gentry donated a very cool collectable bottle of wine from Shift Winery which collectively raised \$1350 for our charity fund, the 2nd Harvest Food bank and our contribution this year will be \$6570. Many Thanks to all who purchased 50/50 split the pot tickets and for addition donations. In addition, I want to extend a very special **"Thank You"** to Mark Hansen who donated \$500 toward 2nd Harvest, your generosity is much appreciated!!

Santa handing out gifts

Group Photo :-)

Everyone must have been very good this year, because Santa came and gave everyone a nice gift that included Porsche swag like hats, coffee mugs, thermal tumblers, Autozone gift cards, a \$150 service and parts voucher from Hendrick Porsche and GMP provided a \$200 off voucher for a detail service and free tire mount & balance.

UPCOMING EVENTS:

January 17, 2024 – Metrolina meeting at Red Rocks Café, 4223 Providence Rd #8, Charlotte, NC 28211 6 PM to 8 PM
February 21, 2024 – Metrolina meeting at Red Rocks Café, 4223 Providence Rd #8, Charlotte, NC 28211 6PM to 8PM

MacGyver's Tips: Colder weather is on the way, make sure your windshield washer bottle is filled with non freezing fluid and check your tire pressures as the cooler temps will drop your psi.

COMMUNICATIONS: Be sure to check out the calendar on the Carolinas Region PCA website (Carolinas-pca.com) and also watch for updates & announcements on our Carolinas Region PCA Facebook page and in the digital Tobacco Roads.

Stay safe and stay warm, see you in the New Year!
Thank You for your Support!
Sincerely,

Doug Strait - Metrolina Area Director

Carolinas Region Executive Council in attendance to the Triad Area Christmas party, Jerry Widner (President), Jim Hess (Vice President), Sadie Kilcrease (Treasurer), and Brian Powell (Past President).

After opening remarks, Jerry Kilcrease presented Matt Davis, Sales Manager at Porsche Greensboro an Appreciation Award from the Triad Area PCA for their support over the last year.

Bobby Royals Appreciation Plaque"

In lieu of the typical monthly meeting, the Triad Area held its annual Christmas party on December 5th at the Wyndham Hotel in Greensboro. The event was sponsored in whole by Porsche Greensboro. As you can see from the photos everyone had a great time. There was a large number of PCA members and Porsche Greensboro staff who stopped in to honor Jerry at his last event as Triad Area Director. Triad Area PCA members want to thank Porsche Greensboro for their gracious and continued support of our club.

The donations received at the door totaled up to an amazing \$2,700 and was donated to the Greensboro Urban Ministry Food Bank on December 15th. Thank you to PCA members who attended and donated to a great cause. There are many families in need that these donations will support. We were also honored to have four members of the PCA

Also recognized was Dixon Johnson for his support of the multiple driving events that he chaired over the past year. Those events consisted of two separate Lunch and Laps events at VIR, and an organized drive to Chateau Morsette.

In honor of Jerry Kilcrease' retirement as Area Director, Matt Davis of Porsche Greensboro gifted Jerry and Sadie with a GT4 carbon fiber hood, signed by the Porsche Greensboro staff.

Jerry Widner offered kind words and praise to Jerry Kilcrease for his service and mentorship of upcoming Directors into the PCA organization. Jerry's leadership will be greatly missed.

Jerry W Honoring Jerry K

The Christmas party was bittersweet as it was the last big event that Jerry Kilcrease hosted as the Triad Area Director. As Jerry exits, all the Carolinas Region PCA members wish him well. We expect he will continue to be active within PCA and mentor me in my new role. I am a bit nervous because I have big shoes to fill as I take over as the new Director of the of the Triad Area.

Showing Appreciation to Jerry

PCA members were gracious to offer Jerry and Sadie a gift card for a quiet night out to Ryan's Restaurant in Winston-Salem in honor of their service to PCA over the last 20 years. The excess monies collected in the amount of \$400 over the cost of the gift card was donated to the Greensboro Urban Ministry. Special appreciation to Charlie Massler and Dixon Johnson for suggesting and coordinating. (Add "PCA Member Appreciation Gift" photo)

At the conclusion of the party, door prize tickets were drawn and gracious gifts were given to the winners.

Special thank you to Tommie Lauer for donating photography expertise for the Christmas party

Festive decorations for the Christmas Party

On December 7th we held our Third LKN Area Christmas Party (in 2018 and 2019 we celebrated jointly with the Metrolina Region) at The Peninsula Yacht Club in Cornelius. As always, the venue was outstanding, the PYC staff always does a great job decorating for Christmas, surely providing plenty of Christmas spirit to our PCA community.

We had 67 registered PCA members and guests in attendance, including many of our regulars from the monthly PCA meetings. Just like in the previous years, attendees were greeted with a welcome champagne and one ticket per person for our complimentary door prizes. We provided plenty of time for meeting and greeting “new and old” PCA friends ahead of our sit-down dinner.

Yours truly LKN area director kicked off the evening with a brief (well no speech is ever really brief...) welcome and recap of 2023. We thanked our event sponsors, Hagerty, LKN Auto Exchange, Sonderwerks, and Hendrick Porsche. Their generous contributions helped keep the registration fees down for all attendees. Besides the monthly meetings, the LKN area also conducted several popular events throughout 2023, such as Mike Rogers garage in Mooresville, the Hendrick Heritage Car Collection (thank you Hagerty!), Hotchkis Sports Suspension, a live podcast, and GMP Mooresville. The GMP event in particular was noteworthy as it attracted a record crowd of well over 90 attendees – who doesn’t like great refreshments and wonderful barbecue? We already have several events planned for 2024 – stay tuned.

Our next monthly meeting in February, kicking off 2024 in style, will be hosted by David van Epps at Sonderwerks.

There were also several PCA dignitaries in attendance, namely Bill Funderud, Carolinas president in 1978, Jim Hess our current Carolinas VP, Sadie (Carolinas PCA past president and current treasurer) and Jerry Kilcrease, Triad AD retiring after 20 (!) years of service, Martin Steger, our LKN Porsche authority (started working for Porsche in 1962), and Colin Graidage, co-chief instructor for DEs in the Carolinas.

After the first course, Lori Fees and Celeste Dominguez with Children’s Hope Alliance in Barium Springs, representing our chosen LKN charity, addressed the audience (please see photo). It was very educational and interesting for everybody to learn how our charity dollars are put to great use. We were able to provide them with almost \$6,000 in 2023.

Representatives from Children’s Hope Alliance

Our keynote speaker of the evening, Martin Steger, entertained all of us with priceless stories and anecdotes of his early professional life at the Porsche factory and inside stories of Vic Elford’s racing career (please see photo). Who would have known that 55 seconds down the back stretch at Le Mans was enough for smoking a cigarette?

Martin Steger talking

Of course, our door prize raffle was a great success, not least due to the generosity of GMP, Sonderwerks, Hendrick Porsche, LKN Auto Exchange, and Jeff Matthews who all donated wonderful prizes. As you can see in attached photo, Jim Hess is proudly presenting his new purse, donated by Sonderwerks kept in a classic pepita pattern – however, as I understand, Nelly has different plans for the purse... It was also great to see, how happy David van Epps with Sonderwerks was, when he won the GMP hoodie! (please see photo).

Jim Hess proudly presenting his new purse

The silent auction that we conducted raised almost \$1,000 for our charity, Children's Hope Alliance. Again, thank you for the generosity of the LKN PCA members. It would not have been possible without all the great items donated by our sponsors and of course items purchased with the LKN area stipend.

David van Epps in his new GMP hoodie

I wish all of us a Happy and Healthy 2024!

Christian Roedlich, Lake Norman Area Director

December brought the Upstate Area our annual Holiday - Charity party. WOW! What a fantastic event, and a great way to end our 2023 schedule.

Over 100 people attended our year end holiday party and charity event. I did my best to get around and give my regards to all who attended, yet I'm sure I missed some of you as the evening just went by so fast. We enjoyed a great spread of food, with something for everyone - thanks to Kim & Marc Paquette, Rick & Candace Mastracci, and Alex Galloway! They made our Party a Success!! Thank You!

The spirit of the season was certainly evident among those gathered for this years' Hickory Area Holiday Party. Sixty-eight members and friends - our largest attendance ever - met at Lake Hickory Country Club on Tuesday, December 12 to celebrate the season, review the past year, acknowledge those who made it possible and, of course, have some fun.

Cocktails began at 6:30 and afforded an opportunity to visit with friends prior to dinner at 7:15. LHCC provided a sumptuous buffet that included roast salmon, Tuscan chicken and filet of beef along with a variety of sides. The presentation was as attractive as the food was delicious. Add to this an assortment of wonderful desserts and it is easy to see why the dinner was highly praised by so many in attendance.

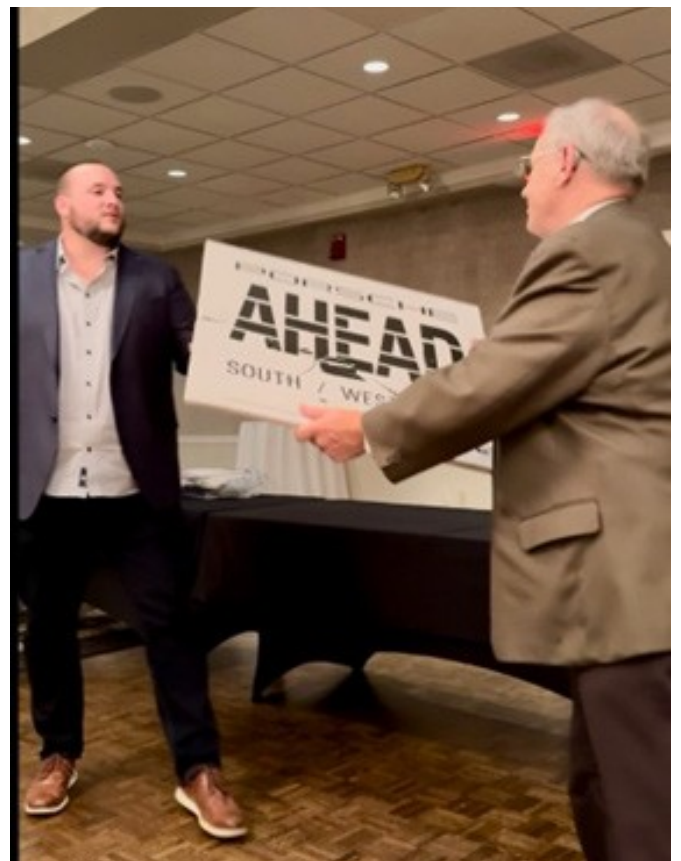

Cocktails

Dinner with Friends

Following dinner, we took a few minutes to reflect on the past year and all that the Hickory Area had done. It was reported that the Area sponsored and/or organized a total of 31 meetings (*monthly dinner meetings, LIPS*), events (*Poker Run, Fall Tour, etc.*) or activities (*drive/dines, tech sessions, etc.*) in 2023. We are indeed an active group. Of course, this level of activity is not possible without help from a lot of people. Accordingly, more than 30 members who had devoted their time and energy to making 2023 such a great year were acknowledged by those present. Also noted was the huge contribution made by the primary sponsor of our activities – Porsche Hickory. Without their support and funding, much that our Club does would not be possible.

A calendar from Porsche Hickory"

Of special note was the result of this years' charitable fund-raising effort. Through a combination of activities (*raffles, Poker Run*) and sources (*Carolinas Region, funds match, member direct donations*) the Crossnore Communities for Children credited the Hickory Area with a contribution of \$15,700. This is by far the largest charitable contribution our Area has ever made and one of which we are very proud.

We have traditionally made it a point to assure each Holiday Party participant receives a gift. This year was no exception. Through the generosity of Porsche Hickory, everyone received a Porsche labeled wine or beer glass and each registrant received a large Porsche calendar.

We have also offered additional gifts as an expression of appreciation to each of our members – and we have done so in a fun way (E.g., dirty Santa). This year was a little different. We had so many participants that purchasing gifts for each became cost prohibitive. Besides, we couldn't think of anything that any of our members really needed!

So, we chose to purchase a few (about 20) additional gifts and donate the rest of the Areas stipend to charity – those who really do need it.

To distribute these gifts, our LIPS group came up with the idea that we should play a little Bingo – the winner of each round receiving a gift until all were awarded. What fun! Everyone so got in to the game that the prizes almost became secondary. It was the winning that mattered!

It was really gratifying to see our members and friends enjoy themselves so much and revel in the company of fellow Porsche enthusiasts. What a wonderful way to close out a great year. What a grand way to celebrate the many people who made it so.

Sandhills Holiday & Member Appreciation party was held on Nov. 28 at Lighthouse restaurant at Little River resort. Fifty members plus Calvin & Justin from Porsche Greensboro attended. We discussed details on new Cayenne Hybrid and Macan EV in addition to questions from members. Great party! We celebrated the coming holidays and thanked members and sponsors for generous support of our two charities. \$3600 donated this year. Thank you PCA, Carolinas Region, Porsche Greensboro and generous Sandhills Area members for supporting the event and the charities!

On December 16 thirty of us attended a tech session and C&C at Champion Auto Detail shop in So. Pines. Anthony Carubba demonstrated his techniques, materials and equipment for paint correction. Several stages of buffing and polishing yielded like-new results. Tech session are always popular with members.

Carthage Air Museum owner Roland Gilliam addressing the group

After the tech session, most of us drove to the new Carthage Air Museum. Museum owner, Roland Gilliam spoke about the history of the museum and the six decorated military pilots from the area whose heroism is commemorated. The focus of displays, models and murals is on vintage military aircraft, their pilots and wartime missions. We plan to use the museum facility for future Sandhills meetings. Our January 23 dinner meeting will be at a new venue, Midland CC in Pinehurst.

Hope everyone has a wonderful and safe Christmas celebration and jump start to 2024!

Next stop, Carthage Air Museum

Greetings and Happy New Year from the lively Triangle Area of 380 members!

We have had a lively year with nine driving events and two social events. Activities ranged from a gimmick rally, to driving the hidden treasures of North Carolina, to a shine and show sponsored by Leland Little Auction House in Hillsborough. We capped our year with a Jingle Bell Run and Toy Drive around Jordan Lake and we look now to more action in 2024 and to the challenge of encouraging more planned activities by Area members.

Our holiday celebration on Dec 14 at Maggiano's Little Italy in Durham was enjoyed by all 44 attendees. In addition to the Porsche Southpoint gift bags for every couple or solo guest, which held a folding travel blanket, a Porsche mug for our favorite vehicles' cup holders and a Porsche hat, we were pleased to distribute gifts valued at \$3,870 to our lucky ticket holders.

The grandest two gifts each had two credit certificates for \$500 per person. These will benefit each of two couples with \$1,000 towards their choice of Fast Lane Travel (FLT) driving tours in Europe, China, or the USA until the end of 2024. The lucky winners were Doug and Marsha Efland and partners George Filbert and Sylvianne Roberts. We are very appreciative for these special opportunities from the founder and CEO, Peter Sontag, and his team at FLT.

Another grand award valued at \$500 from Porsche AG via Porsche Southpoint was awarded to Larry VanBuhler for an official documentation of his classic Porsche. This is an interesting procedure that will include a detailed evaluation and inspection of the car at the dealership. The final report is very thorough and suitable for framing.

Larry

We are very grateful for this unique opportunity, as well as for the gift bags, from GM Dean Perella and our friends at Porsche Southpoint.

Were you aware that Porsche Southpoint is the only dealership in the country to have earned the prestigious Hendrick Champions and the Porsche Premiere awards for seven consecutive years? The criteria for this level of achievement includes every single aspect of exceptional performance that you can imagine. In addition to the above average sales and service performance, cleanliness, customer satisfaction, etc., Porsche conducts random, unannounced facilities inspections. There must not be any scuff marks on a wall or floor, including the service bays.

From DC Auto in Rocky Mount, NC, Hurricane member Jim Pearson received a \$300 certificate from owner Rob, who has twice hosted our members for lunch and a tour of his 140,000 sq ft indoor facility. This is the largest indoor Porsche recycling facility in the country.

Jim and Barbara Pearson

From the national offices Open House of September 9, I was able to purchase Porsche jackets, vests, tee shirts, hats, notebook/ journals, etc. from various Regions at discounted prices. For all items to be selected, we had to call winning ticket numbers twice; we do not toss away our tickets after the first round in the Triangle!

The Triangle Area's first annual Jingle Bell Run and Toy Drive took place on a sunny December 16. With 16 cars signed up we divided the drive into two groups of eight cars each. Brett and Marianne Williams led the first group with Bob and Donna Jones as sweeps. Vic and TJ Friedmann led the second group with Bill and Susan Morrison as sweeps. Leaders and sweeps did a great job of keeping the groups together. Attendees were encouraged to bring toys to place under the Christmas tree at Porsche Southpoint, where we had our drivers' meeting. No doubt, we made a few lives a little happier.

The driving route took us on a 58 mile loop around Jordan Lake and ended at the Carolina Brewery in Pittsboro for an a la carte lunch. The Brewery kindly set aside a number of tables next to each other for our group of 30.

Group leads Brett and Marianne Williams on the right, sweeps Bob and Donna Jones next to them.

Jingle Bell Run Gathering

We look forward to next year with two events already in the works:

April 16-19, Apple Blossom Tour

June 21-23, Blue Ridge Adventure to Waynesville, NC

We have Cars and Coffee (CnC) at Porsche Southpoint on the first Saturday of each month, including a full, complimentary buffet breakfast.

For the third Saturday at 8:00 am we are trying the Breakaway Cafe in the Veranda Shopping area of Chapel Hill. The exact address is 58 Chapelton Court in northern Chatham County. Parking will be easier for those who can arrive early; just look for my white/red 991.1 C4S near the rear guardrail. Seating is available indoors and outside, weather & temps permitting.

Steve Barrier & Dale Moses

Greetings fellow track enthusiasts!

Wow....2023 came and went! Our season close event at VIR in November was a huge success thanks to our region participants who come and make the events enjoyable. It takes a team to make track events happen, and these could not go on without the efforts of Dale Moses as DE Co-Chair, Shane Tisdale & Colin Graidage as Co-Chief Instructors, Andy Shoun & Maurice Perea as Registrars, Les Stabler, Herbert Boehm, & Rodney Fossum doing tech inspection, and Jerry Widner & Jason Herman providing excellent classroom experiences. Jay McArdle volunteers as our Track Ambassador, spreading his winning smile and enthusiasm for track camaraderie all around the paddock. There's a whole host of family members that join in along with these folks, and I'd like to thank them profusely for their time and experience.

Weather for the November VIR event was spectacular! It has ranged from low 20s in the past, through upper 60s and raining the whole weekend. This year, event weather was everything a track addict could ask for, with cooler but comfortable temps in the morning and a mild afternoon. There was a spat of rain that came across overnight as well as a light shower Sunday that left a couple of absolutely gorgeous rainbows east of the track, including a double rainbow that was pretty hard to capture on camera.

Track Experience continues to introduce new folks to the experience of HPDE without the commitment of prepping and driving their cars. This format allows participants or their guests over the age of 18 to see what being on track at speed is like. Look in ClubRegistration at www.clubregistration.net and find the next Track Experience sessions. If you've ever wondered what it's like, this is the best way to experience it. The Track Experience pairs you with a senior instructor who will drive in the beginner group at their pace. After an introductory discussion about what HPDE is as well as the risks involved, you'll head out on track in the instructor's car. They'll cover flagging stations, passing etiquette, track vehicle dynamics, and vision on track. The region has helmets, so all you need to bring is yourself dressed appropriately (see details in the event) and we provide the rest!

This year we're doing our mid-winter seminar at VIR on Sunday February 4th. This format is a bit more relaxed than Track Experience, is free to anyone who wishes to participate, and gets you on track driving your car at highway speeds. We'll have a presentation about HPDE, open discussion of questions that you might have, and then follow up with some highway speed laps. This event is intended for folks who've never done HPDE before but are thinking about it as a complementary activity to AutoCross or just a dip into what our cars can do. Attendance at the seminar earns you \$100 your first DE registration during 2024 as well!

The biggest question that I always get around starting in HDPE is, "What all do I need to buy?" The answer is surprisingly little! At the most basic level you need an SA rated helmet which can cost as little as \$300 and an inspected car. Any dealer can inspect your make of car but there are many independent shops with the capabilities to perform inspections. Cost of this inspection varies depending on where you go, but expect from \$100-250 for the car to be put on a lift and the mechanicals thoroughly checked out. Some wear items might be flagged during the inspection, so it's always better to plan on getting it done on the early side of the now six week window before the event. Other than that, natural fiber clothing, close toed shoes, and a willing attitude will get you on track. Oh, that and the registration fee! PCA is one of the few organizations that accept SUVs in other groups than beginner, but you don't need a Porsche to come to a PCA HPDE event.

Upcoming events should be checked on ClubRegistration.net. Events planned for this year include the mid-winter seminar mentioned above on Sunday February 4th at VIR, March 9-10th at CMP, September 7-8th at CMP, October 18-20th with the Club Race at CMP, and November 15-17th at VIR. Anyone can come check out the DE free of charge, talking to those in the paddock and even joining our beginner classroom sessions to get more familiar if you don't want to commit to anything. So if any of our activities are interesting to you, please consider coming to check them out, and we'll see you at the track!

A Different Kind of Porsche Event

by Andy Shoun

I've had a long appreciation of the budget Porsche 944. As a new PCA member I was advised that a 944 was a great first track car. Affordable, balanced, safe and dependable. I bought mine 15 years ago and proceeded to drive it everyday including track events. The car carried me to work, on trips and around race tracks for years. I've even carried mountain bikes and canoes on the roof.

Three years ago I replaced it as my daily driver and track car. My much used car languished in a storage unit until I decided to give it a face lift as a 'poser' rally (safari) car.

The transformation into my rally car was done on a strict budget. I had the ride height lifted, changed to softer springs, all terrain tires, and a roof rack with auxiliary lights to complete the safari look. Just last year my wife and I drove it to Parade in Pennsylvania then on up to Acadia NP (Maine) and Montreal Canada. This year, my forbearing wife agreed to accompany me to NE Ohio for a different kind of Porsche event. We drove north and along the mountains past Johnson City through KY and WV enjoying the cooler mountain temperatures. Our destination was the historic Nelson Ledges Race Track.

The event was 944 Fest!

Lovers of this venerable car came from all over on Labor day weekend. It is touted as the world's largest gathering of 944s (including 924, 968, 928) and has been going on for 20 years. I met people from Oklahoma, Florida, Quebec and California in addition to the many southern, eastern and midwest participants. On tap was track time, poker run, bonfires, rally cross, door prizes, BBQ, car show and a beer swap.

944 Lovers Gather

I was in HEAVEN!!!!

Making new friends.....

Most of the participants camped next to their cars. The grass track infield made for comfortable camping. It was a most friendly crowd. One participant described it as, "I drove up and suddenly I had over 100 new friends!" It was not unusual to see strangers helping each other fix cars, share food or hanging out like old friends.

Joseph's days of track driving are history. Yeah, I name my cars. Joseph is named after biblical Joseph whose father gifted him a jealousy inducing "coat of many colors".

...Continued

The new soft springs and ride height with AT tires are more suited for dirt. So on Saturday, we participated in the rally cross. Rally cross is an autocross in a field. Yup, a lumpy freshly mowed pasture that would be difficult to run across. It made for an interesting ride. Grass gives traction similar to light snow. The uneven ground was disguised by the lumpy cut grass. It took a few laps to get the hang of it. After running laps in the morning we restarted after lunch. I wanted Laura (my wife) to experience what it was like from inside the car so I asked her to ride with me. We borrowed a helmet, signed a waiver and buckled in. After we finished the run, I thanked her and told her she did not have to ride with me again. Laura surprised me when she stayed put giving me a running commentary on each lap exclaiming how much it felt like a roller coaster.

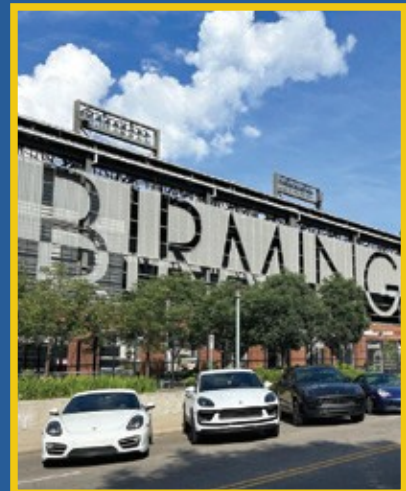

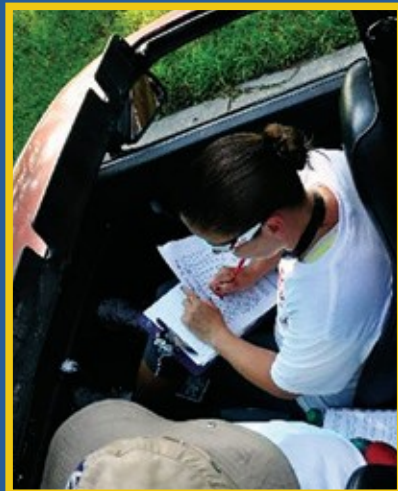

So awesome my wife joined me for a ride

Saturday evening, there was BBQ, beer swap, awards, door prizes and a bonfire. It was fun exchanging beer and trying craft brews from Canada and California. Again, everyone was a friend bound together with a shared love for the 944.

Sunday morning we packed up for the long drive home and so happy to have made so many new friends.
