As our readers are aware, your Carolinas Region PCA Board made the difficult, but necessary, decision to transition Tobacco Roads to an all-digital publication in July 2023. One of the benefits of making this change is that with our reduction in publication expense, we have reduced Tobacco Roads advertising expenses by more than 50% and all ads are in vibrant color in Tobacco Roads. In addition, as a supporter of the Region through advertising, we will also add your logo to our new Advertiser's page which includes a link to your website.

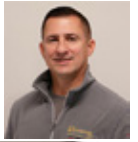

Cost of a full page ad is now \$2,000 for 12 months and \$1,000 for a half page add. We have now added the ability to add your logo to our Advertiser's page and not an ad in Tobacco Roads, for only \$250 for 12 months. Please check out the Advertising site on our website Carolinas Region PCA Advertisers - Carolinas Region PCA (carolinan-pca.com).

If you have an interest in supporting the Carolinas Region through advertising and driving interest and activity to your business, please contact our Advertising Chair, Doug Seefus at Advertising@carolinan-pca.com

GET INVOLVED...TAKE PART!

Last month, saw a wonderful track weekend at CMP – we graduated some 15 new instructors and welcomed 8 “first timers” to the track. Saturday morning was a downpour of liquid “sunshine” ...but cleared up that afternoon. Sunday was a beautiful day with great track time had by all. Had the pleasure of seeing a good friend of mine; aka Jimmy Winchester – it had been a while. Jimmy and I are the “two guys” that bring our words of “encouragement” to all others within earshot. Great to see you my friend, as well your Son that was driving in the GREEN group – now that is a family that tracks together!

Danny “on the left” w/Arnold “on the right”

Cliff Addy and his gorgeous '12 Cayman RS

It was a real joy to finally get to meet Cliff Addy, of CliffsGarage.tv. Cliffs YouTube channel, in case anyone else is building a Cayman track car is extremely well put together with detailed documented videos of his entire build. What a treat to walk the paddock with Cliff, introducing him to our Carolinas Region members – with a good portion of them “recognizing” him. His videos are first rate...as many others can attest. If you are looking for maintenance tips/practices for a 987.1 or .2 Cayman check out: <http://www.youtube.com/@CliffsGarage> Ann and I had some great conversations with Cliff and are very appreciative of his character and desire to “teach” while sharing crucial knowledge with others. I feel this won't be the only time to interact with Cliff. Looking forward to the future!

Folks, we are at a critical crossroads within the Region as we are seeking the below positions to be filled. The Tobacco Roads Editor as well as the Social Media Chair are two absolute crucial roles within the Region. Our communications with YOU – our Members depend upon it. Reach out to Me and/or Jim Hess with ANY questions. Look forward to talking with you.

Julie Harwath's last edition of Tobacco Roads is THIS ONE! Julie has brought a wonderful level of “we can do it” enthusiasm and ownership to our region's newsletter. She has left an undeniable positive impact on it and our readers. She will most certainly be missed...hope to continue to see her around the Region. If you do see her; THANK HER for her great work over the past two years. Also, special mention of Rob Rainer for stepping in to fill the gap until a new editor can be identified. Now...who is going to step up and take on the challenge full time?

I want to give a special thank you to Charlie Massler for the work he has done for the Region since Oct 2020 as our Events Chair. The past three and a half years of events have been smoothly operated from a member perspective; but know that there are hours upon countless hours put into every single event – which makes the efforts of Charlie even more special. Thanks for your Service to our Region and its Members...

Vic Friedmann is our incoming Events Chair – big shoes to fill...and I know he will perform admirably.

Here are some of our upcoming events, and key items for the next few months:

Autocross is pulling a TWO-FER during April. John Kelly has secured a new venue as well as our traditional locations. Schedule is listed in this edition with the **season kicking off on April 7 in Greensboro**. Then on April 21 we visit the Winston-Salem Fairgrounds for ROUND 2.

WE NEED as many members as possible as well their families to come out and help us celebrate the wonderful Porsches that we have; no better way than to drive around some cones. We are putting together an AREA CHALLENGE CUP – so come out and support YOUR AREA!

“Apple Blossom Tour to Lake Lure” is a joint event between the Hickory and Triangle Areas during **16-19 April** (YES, weekdays). This tour will be held in and around the Lake Lure, NC area with lodging at the historic 1927 Lake Lure Inn & Spa; note that this will be limited to 30 cars.

Upcoming Leadership Position VACANCIES throughout the Carolinas Region:

Newsletter Editor: AKA – the one that publishes Tobacco Roads. We are currently looking for an enthusiastic person with an eye for detail, design, and publishing skills to be our new editor.

Autocross Co-Chair: Assist in design, layout, building of each circuit. Run the timing & scoring at each event. Should have the ability to maintain and deliver (tow) the AX trailer with appropriate supplies (provided by the Region).

Social Media Chair: Build, publish and maintain articles/photos on our Facebook and Instagram platforms. Have the ability to manage the appropriate use and posting of other Carolinas Region members on these as well.

Hickory Area Co AD: Assist in the planning, coordination and execution of monthly meetings, wine & drives, dinner drives and other special functions appropriate for the area members.

Club Race Co Chair: assists in the overall administrative coordination, planning, setup and execution of the Region’s Club Race.

On ALL of the above upcoming vacancies, please reach out to either Me or Jim Hess (Vice President) to discuss further. We look forward to discussing with you as we further develop our Regions Leadership and “lean forward” to the future. Help the Carolinas Region by GIVING BACK...to your fellow members.

I ask that you look through the pages here and find AT LEAST ONE event to attend.
We have the BEST roads around...

the BEST people around...

the BEST FAMILY around.

Here to serve You...and remember; Get Out And Drive!!!

Jerry Widner sends...

Carolinas Region, President

Semper Fi!

In 2013 my wife, Toni Jo, and I bought our very first Porsche, a 2008 Boxster, that we purchased from a couple that sold all their possessions and hit the road in their RV. The final recommendation the original owners gave us was to join the Porsche Club. We did; and we are so glad that we did because our lives changed for the better.

The Porsche Club is no ordinary club. The slogan “It’s not just the cars; it’s the people” is so true and we felt welcome from our very first meeting. The drives and the socials encouraged me to plan a few drives for the Hurricane Region. I like destination drives and the very first tour I led was to the Tank Museum in Danville. One day, while taking a bathroom break at a dinner meeting, I returned to discover that I had been appointed Events Coordinator. So, this is how my experience as Events Chair began. Since then Toni Jo and I have led more than two dozen tours, sometimes together with my Hickory Area friend, Bryson Kiser. As a matter of fact, Bryson and I are the planners of the Apple Blossom tour to Lake Lure April 16.

In 2015 we sold our 2008 Boxster and purchased a 2013 Boxster S. In 2017 we purchased a second Porsche, a 2015 Panamera. In 2023 I switched to the Carolinas Region, Triangle Area, and Toni Jo and I are enjoying new friends and new experiences.

Indeed, it is an honor for me to follow the experienced footsteps of Charles Massler and I hope to live up to his expectations. Charles has kindly guided me through the events registration process and will continue to do so for a few months going forward. Thank you, Charles.

Typically, new leaders inject new ideas based on their experiences and expectations. I am no different. Having registered and organized dozens of Porsche events I have come to appreciate the value of standardization. To this end I ask all events organizers to use my standard Event Registration Input Form: <https://form.jotform.com/240776247625059>

This form will provide me with all the information I need to get Carolinas Region events up and running with a minimum of back and forth communication between me and the event organizer. Try it out and let me know your thoughts.

I look forward to my new challenge and Toni Jo and I are excited to start a new chapter in our Porsche experience.

Aprils Showers bring out the wash buckets & shine and shows.

As we had no March meeting, we look forward to see everyone at our April 17 th meeting back at Red Rocks Café.

UPCOMING EVENTS:

APRIL 17, METROLINA MEETING –
Red Rocks Café 6 – 8:30 PM

April 27 – Luft Wasser Brevard NC

MAY 15, METROLINA MEETING –
Red Rocks Café 6 – 8:30 PM

SPRING TOUR: CANCELED

If you have a fun destination or a fun drive that you have done and would like to share with the club, let me know and we can start to plan for it. Thanks!

MacGyver's Tips: The temperature is rising, time to check your tire pressure and coolant levels.

COMMUNICATIONS: Be sure to check out the calendar on the Carolinas Region PCA website (Carolinas-pca.com) and also watch for updates & announcements on our Carolinas Region PCA Facebook page and in the digital Tobacco Roads. \

Thank You for your Support!

Sincerely,

Doug Strait - Metrolina Area Director

A few members took advantage of my offer to "Code" a few option features in their Porsche 991/981/718 vehicle. Modern Porsche have many options that can be changed/activated/disabled through software "Coding". Some popular items that can be done are;

Set Auto Start/Stop button to "Remember Last State" versus "Always Active"

Set momentary Turn Signal Flashes from "3" to "4, 5 or 6"

Set Climate Control (Temp & Fan Speed) to remember "Last State" versus "Key Memory"

Run Over Rev (RPM) Report

Plus other options

Costs started at \$20 for the 1st Coding Change & \$10 for each additional item - All \$\$ collected were Charity Donations to our Charity Fund!

After our "Meet & Greet" the meeting moved inside for a bite to eat, and discuss future events (Parade in Alabama), Treffen at Sea (Alaska Cruise), plus dates & locations for our Summer Party - thanks for all the input and emails received!!

We ended the meeting with our 50/50 raffle. The total pot was \$360, and our winner, Bob T., showed PCA and donated his winnings back to our Charity Fund!

Check our Regional Website Calendar for upcoming Upstate Area events and our next meeting. Drive safe.

The Upstate Area held its monthly meeting on Tuesday evening, March 12th, at Quaker Steak & Lube, 10 Chrome Drive, Greenville. The weather was great and members enjoyed our usual parking area "Meet & Greet".

Sandhills Area

sandhills-ad@carolinas-pca.com

By Marty Barrett
Area Director

Forty Sandhills members met for dinner at Table On The Green in Pinehurst on February 27. Calvin and Justin from Porsche Greensboro joined us and invited everyone to a tech session and lunch on Saturday, March 23.

Chris Smith, new commissioner of Sandhills Motoring Expo, spoke about a new format for the Memorial Day weekend event. His leadership and the changes discussed were warmly received by PCA members! More welcome news, Porsche is the featured marque this year and Porsche Greensboro is the presenting sponsor. A welcoming event sponsored by Hagerty kicks off festivities Friday evening. About 120 judged cars will fill the streets in the Village of Pinehurst on Sunday.

The highlight event in March was our car show and lunch honoring Judy Boles as the first woman president of PCA National. See separate article for details. Many thanks to Jim Proper for initiating this event, to Jerry and Sadie for attending, and to Judy Boles for her many years of service and leadership with PCA.

April brings us a track event at VIR and the Bourbon Trail tour!

Jim's blemish

At our May 23 meeting the owner/operator of Xtreme Auto Collision and Spa of Raleigh, Jason DuPree (919-874-6335) will describe the best possible options and newest products to preserve and improve the appearance of your Porsche. After two months of studying, I chose Xtreme Auto to repair the sideswipe damage on the RF corner of my 991.1 C4S cabriolet.

I hope you enjoy these photos from our March 16 joint event with our Sandhills Area neighbors to celebrate, honor and respect our Carolinas Region's first and only life member, Judy Boles.

Judy was the first female president to serve PCA Nationally. She served as president for 1995-96, much to the chagrin of the old guard males who had dominated until she ascended into office. With females as president, membership chair & editor of Panorama, this triumvirate was instrumental in the rise in PCA growth in racing and membership nationwide.

This is how we roll for 2024.

Kudos to our 20 year members, Richard and Julianne Matthews, and five year member, Richard Chaves. Please congratulate them at your next opportunity.

Please join me in thanking TR editor Julie Harwath and events chair Charles Massler for their years of exemplary service to our Carolinas Region. None have done those jobs better; they have been outstanding.

Please be reminded that our activities and meetings are open and available to all PCA members. By registering early, you will avoid any waiting lists or missed opportunities. Register now and mark your calendar to participate in your Club.

On March 16 at the Little River Resort in Carthage, NC, I was proud to introduce and present a bouquet of flowers to the first and only Life Member in our Carolinas Region, Judy Boles, on behalf of our Area. The criteria for the Life Membership requires serving as the national PCA president, which Judy achieved in 1995-96. Thanks to Sandhills AD, Marty Barrett, a 40+ year PCA member, for arranging the joint meeting with his Sandhills colleagues and our Triangle faithful.

On March 23 our Triangle Area Co-Director, Vic Friedmann, will be leading our group of 12 cars and 25 members from the morning CnC at the Chapel Hill Tennis Club in Carrboro via a scenic drive to the Carolinas Sunshine Alpaca Farm in Siler City for a special tour. An optional lunch at the Carolina Brewery in Pittsboro will conclude this event, which has been sold out for several weeks.

On Thursday March 28 at our monthly meeting at the Carolina Ale House in Durham our guest speaker will be Taylor Pegram, Service Mgr at HBi Auto in Mocksville, NC. HBi sells nationwide and services all makes of sports cars. Their ads are on page one of most issues of our TR, as well as the Panorama magazine.

On April 16-19 Vic Friedmann will lead the Apple Blossom Tour from the Lake Lure Inn. Details and registration are available on clubregistration.net.

At our April 25 meeting long time member Bill Reinhart will share his 2023 adventures driving his Porsche across the country and back among other things. We'll all appreciate and learn from his experiences.

The Region's Spring Tour to South Boston, VA, has been cancelled for this year.

The first 991.1 pictured in white/red/black belongs to Dr. Jon Kimball, who took each of these photos.

The second is my 991.1 in white/red/red. There are some other minor differences between these two beauties. At a future dinner meeting we will award a gift dessert to the couple or person who silently lists the most differences between the cars. Whoever wins will have a keen eye for the subtle differences!

Triad Area PCA held its monthly meeting at Shine Shop Automotive (Scott Connor) located at 4300 Piedmont Parkway, Greensboro on Tuesday, March 19th. Carol Huff of Haggerty Insurance graciously provided more than enough pizzas for dinner. No one left hungry. We appreciate both Scott and Carol for donating the facility, food, drinks, cookies, and time. We appreciate them taking time from their busy work schedules to sponsor and support our Triad Area members. Porsche Greensboro representatives

Calvin, Alex and two other techs attended. Calvin arrived in a beautiful grey 2024 GT4RS (only 56 miles) and a huge grin plastered on his face. We had 39 PCA members attend, but there were a total of 50 people who enjoyed Porsches and Pizzas that evening.

At the beginning of the meeting we welcomed 2 new attendees.

Lots of cars and food at the monthly meeting!

Doesn't get much better than refreshments and eye candy!

We recognized 3 Triad Area members having birthdays during February and were serenaded by Jerry Kilcrease, accompanied by the rest of us with his famous rendition of "Happy Birthday".

The 50/50 charity split the pot winner was John Batton who graciously donated his winnings back to the charity pot.

March door prize and 50-50 Winners

After announcements and discussions related to past and upcoming PCA hosted activities the meeting was adjourned.

Everyone enjoyed the indoor venue and had a good time socializing with other Porsche enthusiasts. Thanks to all for coming. Looking forward to seeing everyone again at the next monthly meeting.

Pedro Campuzano and Nicola Venchierutti had parked the 1953 356 right at the entrance to the restaurant patio (please see photo). It was a great opportunity for PCA members to experience this great automobile firsthand.

PCA group on patio

The meeting was conducted on the patio of the restaurant which was perfect on this glorious day. However, in case of inclement weather we will be able to move the meeting to the inside. The main reason for moving our PCA meeting from Thursday to Tuesday is simply the fact that The Waterman restaurant is a little slower on this day and thus can accommodate our group much better. The vast majority of attendees enjoyed the menu very much (the restaurant offers vegetarian, chicken, beef, and of course seafood – their specialty). In particular, the raw oyster platter was a very popular choice! (please see photo) PCA members also appreciated the complimentary appetizers that the owner, Paul Manley, had the staff serve us. Thank you!

Nico and Pedro, our speakers

Our speakers, Pedro Campuzano and Nicola Venchierutti, gave us a great recount of their adventure, racing Nicola's 1953 356 in the 2023 La Carrera Panamericana (please see photo). Pedro had prepared the car (it is actually now good for 80 HP) perfectly for the race and they brought of course plenty of spares and tools with them while racing through the Mexican countryside. What an experience this must have been!

We held our monthly meeting in March at The Waterman restaurant in Cornelius. New date (second Tuesday of the month) and new place. The weather was spectacular - sunny and mild, a perfect early spring day in the Carolinas. This certainly helped with the attendance, there were about 45 Porsches in the Porsche Corral and over 60 attendees (please see photo). The staff at The Waterman had done a great job and blocked off a large section of their parking lot for us. The restaurant is located at a very busy intersection in Cornelius and our four wheeled friends were certainly a sight to see for all the folks driving by. As a matter of fact, there were several drivers who pulled into the parking lot to check out our Porsche Corral.

Porsche Corral

Many PCA members were perusing the Porsche Corral with refreshments (BTW, The Waterman restaurant has a great selection of beers and cocktails), while enjoying the great cars, the great weather, and each other's company.

The 1953 356

Martin Steger, raffle winner

Classics

Our always popular raffle yielded \$700.00 for the families and children supported by our charity Children's Hope Alliance in Troutman. Of course, we raffled off many great prizes bought with our area stipend. John Cleveland donated again a detailing job at his shop – thank you! Martin Steger won the great prize, one of the great Porsche duffle bags (fits exactly into a 911 frunk) as well as one of the popular metal Porsche garage signs (please see photo).

FYI, the PYC car show will be on April 27th (rain date April 28th). This has been a very nice event in the past few years. If you are interested, please contact our PCA member Chris Slocum at chris@cbslocuminc.com.

Our next meeting will be on April 9th at The Waterman restaurant. Spencer and Paul with Hagerty will give us an update on the 2024 Amelia Island Concourse.

Christian Roedlich - Lake Norman Area Director

We were joined by Ann Walker who spoke to us about an upcoming charity auto show, Epic Air Porsche Soiree. To be held on October 19, 2024, this is an event geared specifically (though not exclusively) toward drivers of air-cooled Porsches and will include food, music, car show and a drive. It is intended to benefit HOME of Mooresville, a shelter for homeless women and children. Additional information will be forthcoming or contact Ann: at classicmayo@gmail.com.

Our Region President, Jerry Widner also spoke to our group in an effort to do a bit of recruiting for vacant Board positions.

Ahhh, Spring. My favorite time of the year. Warm days, cool nights, Flowers and trees in full bloom ... A wonderful time to be in the Carolinas.

Dinner Meeting: Our March 12 membership meeting was once again sponsored and hosted by our good friends at Porsche Hickory. More than forty PCA members and friends gathered at Paramount Classic Cars in Hickory where they enjoyed a catered dinner compliments of the dealership.

As is our practice, we held a 50/50 drawing to benefit our favorite charity, the Crossnore Communities for Children. This month's winner was Eddie Edwards who generously donated his "winnings" to Crossnore for a total contribution of \$210.00. Thank you, Eddie.

Our door prize winners included Joel Miller who received a red insulated Porsche cup. I think it unlikely that Joel will get to keep the cup since wife Nancy remarked that it matched her new Macan. Monika Horny won our second gift, a first aid kit for her car.

Following the meeting, participants had an opportunity to view the wide variety of classic cars on display or just visit with their Porsche Friends.

Drive and Dine: Our first Drive and Dine of the new year was held on March 21. Only five cars participated but we nonetheless had a really fun day. We traveled from the I-40 rest area near Exit 82 to Troyers Amish Store and Blatz in

Fairview, NC. Troyers is an interesting place. A combination Amish general store, deli and farm, they serve really good sandwiches in a unique setting and have always been very accommodating of us.

Cars and Lunch!

The drive was about an hour and a half in length and traveled some really curvy back roads. Upon arrival at Troyer's we placed our orders and gathered in a small upstairs room where we were able to enjoy our lunch and a little socializing with Porsche friends. Following lunch, a few of us traveled to Silver Forks winery in Morganton where we stopped for a glass (or bottle) of wine and some more social time. The weather was perfect and the drive was a lot of fun. It's unfortunate that more folks did not join us but it was a wonderful outing nonetheless.

Coming Up

Dinner Meeting - Tuesday, April 9, 6:30 PM at BOCA Restaurant, Moretz Mills, 74 8th St. SE, Hickory, NC. As a new venue, we had a few hiccups at our last meeting at BOCA. We believe we have these worked out so I hope you will choose to join us. No formal program. Just an opportunity to dine and visit with Porsche friends. To help us better plan for the event, please sign up using the link below if you expect to attend.

Drive and Dine - Saturday, April 13, 8:00 AM. Meet at **Porsche Hickory, 1205 S. Center Street, Hickory, NC.** A light breakfast will be provided by the dealership prior to departing (by 8:30) for a drive to Seagrove, NC (<https://discoverseagrove.com>). In Seagrove we will visit some local potters and enjoy an Italian lunch. Those who are interested will have an opportunity to visit the nearby General Wine & Brewery prior to making their own way home. Limited to the first 15 cars registered. To help us better plan for the event, please sign up using the link below if you expect to attend.

Judy Boles, First Woman PCA National President and Life Member Carolinas Region Sandhills Area

On a beautiful spring Saturday morning in March, Sandhills and Triangle Area members gathered at Little River resort near Pinehurst for a car show and lunch to honor Judy Boles. Jim Proper, Triangle Area director initiated the event, and Jerry and Sadie Kilcrease from Triad Area joined about thirty of us for lunch where Judy spoke to the group. She is the only Carolinas Region Life PCA member, and she was the first woman national president of PCA from 1995-1998! Quite an accomplishment at that time when PCA was largely a "Porsche guys" organizationfrom a leadership standpoint.

Of course, Judy's path to the top of PCA started many years earlier. Judy and John began that journey together in Carolinas Region in 1972. They have over 50 years of membership, owned 50 Porsches (yes fifty) and have been members of five PCA regions. John and Judy resurrected Hudson-Champlain Region, chartered Everglades, Puerto Rico, Hurricane, and were founding members of Alpine Mountain Region. They have been back in Carolinas Region for six years. Barrett's and Boles' were also 356 Registry members for many years.

For those with at least a few years of PCA membership, you may remember two other ladies very instrumental in PCA history who served before and after Judy's tenure. Ruth Hart was long time national membership chair, and Betty Jo Turner was editor of our treasured PCA Panorama for many years. So, for a time back in the mid-1990s, PCA was managed and led by three incredible women dedicated to PCA's success.

Barrett's first Porsche Parade was in 1988 at Traverse City, Michigan. Of course, Judy and John were there. And, we were both showing our cars in the Parade concours event. BJ and I were novice first time concours participants having joined PCA in 1985. Judy and John had refined those skills, and Judy was Hudson- Champlain region president. Also in those days, John, Judy and I were driving in region DE events in our '85 Carreras. The three of us eventually became DE instructors.

The next time we crossed paths was in 1990 at Porsche Parade in Monterey, California. The concours was on the Old Del Monte golf course...an incredible spectacle! At the concours awards banquet, Judy, as a national PCA officer, sat on the stage with all the men. The Barrett's sat at a table in the back of the room....and had a great time with new Porsche friends! We have attended six Parades, Boles' attended twenty-one Parades!

A little more "Judy" nostalgia from Jim Proper as he was talking with her at our recent Little River resort event....Jim learned that Judy was a member of the first graduating class from Niskayuna High School, Schenectady, N.Y. in 1950's where Jim's wife taught for 21 years, and where their two children graduated in 1990's....small world!

Among Judy's many accomplishments as PCA president, and one very special to Porsche track junkies....Judy and Allan Friedman developed and championed the national Porsche Club Racing program. Alan was PCA Safety Chair on Judy's staff. At the time, it took great initiative and very strong leadership to overcome the many obstacles to introduce wheel-to-wheel racing to PCA as the progression from DE participation. And, of course the tremendous success of PCA Club Racing needs no elaboration. Alan was the first PCA Club Racing chairman. He did the initial technical inspection on my '85 Carrera at Road America in 1994 where I got my Club Racing license.

Another highlight in Judy's tenure as president came in 1996 when she and John were invited to Stuttgart with PCA presidents from around the world, and then attended the Le Mans 24 Hour race as guests of Peter Porsche. Judy was the only woman PCA president in the world. That year Porsches finished 1-2-3 at La Sarthe. Remember the Porsche GT1?

Today we are all retired and living the dream in Pinehurst with a great group of friends, an active PCA communityAND multiple Porsches to enjoy!

And in part, we owe some of this to Judy and all the other countless volunteers who have helped make the Porsche Brand and Experience what it is today. We admit to being slightly biased, but Judy is among the best

Don't Just Attend Porsche Parade... ...Be a Part of It!

The objective of a PCA Rally is to follow a course from point to point, usually on public roads, to the precise detail specified in the rules - it can be competitive or for fun. Competitive Time Speed Distance (TSD) Rallies dictate a certain time schedule for the checkpoints along the way. Gimmick Rallies, also competitive rallies, may include a Gimmick (Poker Rally, regional interest). New to Rallying? Parade is a great time to give it a try!
