As our readers are aware, your Carolinas Region PCA Board made the difficult, but necessary, decision to transition Tobacco Roads to an all-digital publication in July 2023. One of the benefits of making this change is that with our reduction in publication expense, we have reduced Tobacco Roads advertising expenses by more than 50% and all ads are in vibrant color in Tobacco Roads. In addition, as a supporter of the Region through advertising, we will also add your logo to our new Advertiser's page which includes a link to your website.

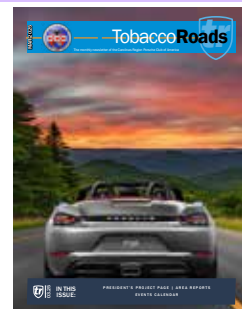

Cost of a full page ad is now \$2,000 for 12 months and \$1,000 for a half page add. We have now added the ability to add your logo to our Advertiser's page and not an ad in Tobacco Roads, for only \$250 for 12 months. Please check out the Advertising site on our website Carolinas Region PCA Advertisers - Carolinas Region PCA ([carolinass-pca.com](https://carolinass-pca.com)).

If you have an interest in supporting the Carolinas Region through advertising and driving interest and activity to your business, please contact our Advertising Chair, Doug Seefus at [Advertising@carolinass-pca.com](mailto:Advertising@carolinass-pca.com).

March 2025 TR Article

Speed is picking up along Highway 2025 as March roars in like a lion when it comes to Carolinas Region events. The first of our two DE events will be held at Carolinas Motorsport Park (CMP) on March 1 and 2. Even if you are not participating, you can go see what all the fun is about. Maybe Steve will let you do some lunch laps.

March is also the “kick-off” of our 2025 AutoX program at the Winston-Salem Fairgrounds on March 30, 2025. If you missed the “Introduction to AutoX” meeting at GMP on Saturday last, you come out to the Winston-Salem Fairgrounds and learn all about this sport. You might even give it a try.

Registration has opened for the 2025 Spring Tour at the Berry Hills Resort in April of this year. If you have not been to Berry Hills, you have missed a beautiful, scenic and historic setting. There will be much to see and great drives to participate in so don't wait too long to register, it might be sold out. Please see the ad further in this edition for more information.

Our Carolinas Region has inaugurated a new Area Member Ambassador program under the leadership of our VP, Michael Vittorio and Membership Chair, Barry Brown. To date we have five (5) new ambassadors. These new ambassadors will

- Welcome new members by email and other communications means,
- Invite and encourage new members to attend their first meeting,
- Meet with new members and make them feel welcomed,
- Introduce new members to other members,
- Encourage members to renew their membership before it expires,
- Assist the Area Director to interpret and act on information gleaned from the New Member Survey.

Yes, “Member Ambassador is everyone's responsibility”. That is so true, but this will be an added effort to get new members to keep coming back. Remember how you felt at your first meeting or so?

Please don't forget that we will be celebrating PCA's 70th Anniversary and our own 65th Anniversary this year. And please don't forget to register for Porsche Parade in Oklahoma City in July.

Our editor, Robert Ranier is pulling into the pits for rest and refueling. We appreciate his service and dedication to the Carolinas Region and wish him well.

Things are really shifting into high gear so let's go have some fun. These cars are made for driving, remember “these boots are made for walking”?

# AREA REPORTS

**APRIL 2024** (check Carolinas Region PCA Calendar for event updates)

By Doug Strait  
Area Director

Mother Nature is a funny lady!!

Our February 19 meeting had 44 RSVP's for our dinner meeting, however, Mother Nature hit us with a cold snowing evening, creating concerning travel conditions and only 20 members braved the weather and made it. We welcomed some new members, Ethan Warren, Greg Turner and Daniel Montana & son, Welcome to the Porsche family guys! The meeting was a fun night, as we had the big TV screens running with a warming fireplace video, making the room a cozy environment!

## MEETING HIGHLIGHTS...

Our 50/50 Split the Pot winner this month was Ethan Warren who picked up a nice \$115.00, the other half will go towards our charity fund benefiting the WNC flood victims. In addition, John Connaughton won 2 Porsche Motor Sport hats a red & black one, Greg Turner won a cool Porsche tire gauge and Thomas Kazanji took home a \$20 Autozone gift card. Congrats to all!!

Also, Jim Hess our new Carolinas Region President, addressed a talent scout, as we are looking for a new Tobacco Roads editor, Advertising Chair and New Membership Ambassador, if your interested in any of these positions, reach out to Jim Hess: [president@carolinas-pca.com](mailto:president@carolinas-pca.com).

# Sandhills Area

sandhills-ad@carolinas-pca.com

By Marty Barrett  
Area Director

Sandhills Area kicked off 2025 events on Feb 17 with a C&C at Champion Auto Spa in Southern Pines. Anthony Carubba, Champion owner, conducted a seminar and demo on ceramic paint protection products, followed by a discussion of care and maintenance after application. Anthony's detail facility is modern and immaculate! We all learned a few technique tips and appreciated his knowledge of the wide range of products available.

After the ceramics demo, about twelve of us took a drive to Five Points Equestrian Center and explored some of back roads in that area southeast of Southern Pines. We found our way back in time for lunch at B'Hawk Distillery... outstanding food, service and beautiful, new buildings. It was a little early to get into their fine selection of Bourbon and Rye. Most of us have toured their new distillery next door.

Next up is our February dinner meeting at Taglios restaurant in Southern Pines on the 25th. Then on March 17 a few of us will do a private track day event at CMP to shake out the winter dust...and exercise a couple new track steeds!

April 1-4 a group of Sandhills members will drive to Blowing Rock's Chetola Lake Resort. From there we will do day drives to Little Switzerland area and into Tennessee. Dinners are back in Blowing Rock at various restaurants.

Registration is open for Sandhills Motoring Expo over Memorial Day weekend. Events begin Friday, May 23 with Hagerty welcome party and dinner at Pine Crest Inn. The Sunday concours, featuring twelve judged classes of 125 vehicles, is free to spectators. We appreciate sponsorship and participation by Foreign Cars & Porsche Greensboro!

Marty

Our spring tour is always a great getaway to new places with exciting new roads to explore. If interested, get the details and register at: [www.clubregistration.net](http://www.clubregistration.net).

February's Hickory Area meeting was held on Tuesday, the 11th, at Cranford Brothers Barbecue in Hickory. Terrible weather that evening resulted in lower than usual attendance. Nonetheless, nineteen hearty Hickory Area members and friends met for dinner and to hang out with their Porsche friends. We were particularly excited to be joined by new members, Evan and Stoe Bordash, Gabe and Theresa Cistero and Hamilton and Lyn Ward all of whom received a warm welcome from those present. Though the weather was a challenge, we really appreciate all who were able to attend.

As usual, Cranford's food was great and the service exceptional. It is also located adjacent to a brewery with ample outdoor seating. Could be a fun place to meet and hang out when the weather is a bit more favorable.

For a variety of reasons, we have decided to forego our traditional 50/50 charity raffle this year. In its place, at each meeting we will sell raffle tickets to win prizes that are specially selected for each gathering. As with the 50/50 raffle, all proceeds will be donated to the Crossnore Communities for Children. This month's winners were Melanie Peters (a black travel blanket) and Matthew Payne (a Porsche logo silicone ice cube mold). Congratulations to both, AND we raised \$130 in the process.

Thank you to all who attended. We look forward to seeing you - and others - in March.

#### NEXT MEETING and Events...

The evening was primarily social in nature with no real program planned other than to review upcoming events. In particular, we discussed the upcoming Berry Hill Spring Tour organized by Bryson and Kathy Kiser. We wanted to be sure folks know that there are still open slots available for anyone interested in joining.
