Fifty-five Sandhills members and guests attended the dinner meeting last month and response is strong for this month's event too. Great to see more new members attending along with our long term group. Charity raffle proceeds are also good thanks to everyone's generosity!

The highlight event in April was a 4-day tour to Blowing Rock. Ten cars and nineteen members took the backroads. Lunch was in Wilkesboro on the way to Chetola Resort in Blowing Rock.

Driving to Blowing Rock

Ron & Fonda Greene planned and led the string of 911s and a Boxter. A fun run it was! Great weather and very light traffic.

Chetola Resort

Chetola Resort is private and has very nice facilities. We stayed three nights. They welcomed us and were very happy to have some early Spring visitors. It is convenient to town, shopping and restaurants too. Ron & Fonda hosted the group for pre-dinner gatherings

Enjoying some social time at their lovely condo within the resort. We highly recommend The Embers restaurant and Best Cellar... both have really terrific food, service and ambiance.

The weather closed in on us on a serpentine drive to Linville Falls and Little Switzerland. Devastation from the hurricane is still evident and some roads are still under repair. Everyone we spoke with was very glad to see visitors back in the mountains!

Better weather next day, but still lots of storm damage, as we trekked northwest to Watauga Lake near Hampton, Tn. One road construction detour on Rt 321 was especially exciting....not! But, again, the restaurant in Hampton welcomed us and food was great!

Navigating more than just rain

All of the Porsches, and passengers, handled the adventures in stride...no issues! Some good backroads stories and memories!

A few days later I instructed at VIR with the Ferrari Club. At least 1/2 the participants were driving their Porsches...rain most of first day. Only about fifty drivers on the full course. Second day was spectacular! Fun event.

Concluding April events, The automotive department/school at Sandhills Community College hosted a Car Club gathering on Easter Saturday. I think they had 150 cars! At least twenty Porsches joined seventy Corvettes, AACA classics and lots of spectators.

Car club gathering

Many Sandhills members will be involved in the Motoring Expo over Memorial Day weekend. Three days of events concluding with a judged concours Sunday with 140 cars. Free to spectators! Foreign Cars Italia in Greensboro is a major sponsor. Join us!

The April 15th Triad Area meeting was held at Porsche of Greensboro. We want to thank Matt Davis, Calvin Nikolas, Justin Cothren and the rest of the sales and service staff for hosting us. They provided a wonderful dinner from Country BBQ. After filling ourselves with BBQ, baked chicken quarters, macaroni and Cheese, green beans, hush puppies, coleslaw, peach or cherry cobbler and sweet tea, every one settled into a food coma. Our first order of business was to welcome everyone and recognize new members. We had 76 members attend, of which 3 were new attendees.

Nyles Lantor
 Sev Johansson
 Danielle Koupf

5 members celebrated birthdays and were beautifully serenaded by Jerry Kilcrease.

Margie Gottwalt
 Stan Simm
 Brenda Fox
 Elaine Huskins
 Claiborne Barefoot
 We had 9 door prize winners.

Bill Suites won the 50/50 pot.

Looking forward to seeing everyone again next month.

and pocket change to hold on to your Porsche GT for the past 20 years you'd now be rewarded with an almost 85% appreciation since 2020. Recent auction results for Porsches featured the usual suspects on top such as a 904, 918, and a 959 with a 1989 RUF CTR Yellowbird (while not technically a Porsche but rather a RUF, but hey...) demanding a measly 6 million.

Our fourth monthly PCA meeting of 2025 was conducted at our new "home" the Lakehouse Wine Bar & Grill. We were blessed with great Carolina Spring weather

April, Porsche Corral

– no wonder that the Porsche corral was again filled with a wide cross section of our favorite marque and well over 50 PCA members and friends were in attendance.

Heritage Invitational Magazine
 Hagerty was also a sponsor of the recent inaugural Heritage Invitational event at Charlotte Motor Speedway in early April. This was a high-end event introducing the Speedway's new Ten Tenths Motor Club facility with a very classy event.

Presentation by Hagerty staff

Best in class winner John Hotchkis

As every year, Paul Kaperonis and Spencer Gates with Hagerty gave us a recap of the recent Amelia Island concourse as well as an update of the latest market trends in the sports car sector with a special focus – of course – on Porsche. Auction results continued their upward trend with very strong results since the pandemic (overall sales volume is also significantly higher than pre-pandemic). And online auctions are now outpacing live auctions! If you had the foresight

Congrats to our PCA member John Hotchkis, who won best in class with his classic 911 racecar!

Our popular raffle generated again well over \$500.00 for our charity, Children's Home Alliance in Troutman. We raffled off great prizes purchased with our area stipend and donated by our generous PCA member Jeff Matthews and John Cleveland. Thank you to all of you for your generosity. The kids and families in need will appreciate it!

Patrick Kivits, April raffle winner

Our raffle winner Patrick Kivits went home with a beautiful Porsche duffel bag and a Porsche oil change (courtesy of John Cleveland with LKN Auto Exchange)!

Our next meeting is scheduled for Tuesday the 13th of May, at 6 pm, again at the Lakehouse Bar & Grill in Cornelius. See you then!

Carolinas Spring Tour at Berry Hill Resort

The Carolinas Spring Tour 2025 co-planned by Bryson Kiser and Victor Friedmann took place April 15-18 at the Berry Hill Resort in South Boston, VA. Perfect weather, azaleas in bloom and flowering trees welcomed Porsche drivers touring the scenic roads of southern Virginia. Wine tasting at Tunnel Creek and a visit to the Appomattox Court House were featured destinations. The Goody Store and a visit by Treasurer Sadie Kilcrease and her husband, Jerry Kilcrease, rounded off this fun event.

Visit to the Hendrick's Collection: March 27 –

Thanks to Spencer Gates and Jason Herman of Hagerty Insurance, Hickory Area members again had the opportunity to visit the Hendricks Heritage Collection near Mooresville, NC. Thirty members and friends participated and were universally impressed by the size and diversity of the collection. In addition to viewing the nearly 300 cars on display, we also had an opportunity to see Mr. Hendrick's collection of guitars, signed footballs, helmets and other items. Following our tour, we gathered at the Speedway Club for lunch then headed home on our own.

Hendrick's

Monthly Meeting: April 5 – Our April gathering was attended by 26 Hickory Area members and friends. It was a combination event that included a brief business meeting, lunch and tech session provided by Porsche Hickory, all followed by a drive to an area winery. Wow, a lot for one day!

At the dealership

Porsche Hickory Service Manager, Brent Huffman, and Porsche "Gold" Certified Technician, Ryan Zifco, gave a very interesting and informative "tech session" about alignment and its importance to the performance of our cars. Even the ladies got involved. Several good questions were asked that eventually led to a discussion about tires as well. All were impressed by the level of knowledge demonstrated by the Porsche Hickory team. As part of the presentation, members were invited to drive their Porsche through the service bay to have the alignment checked and were given a discount certificate for their next alignment.

Ryan Zifco

After lunch, Jim Buchanan conducted a brief driver's meeting prior to our departure on a scenic drive to Piccione Vineyards (<https://www.piccionevineyards.com>) near Ronda, NC. The weather was perfect and Jim and Lisa charted a wonderful route.

On the move

Arriving at Piccione

The Pavilion

Upon arrival, we purchased some excellent wine and settled into the “pavilion” on the hill. In addition to being a great gathering spot with ample nearby parking for our cars, the pavilion overlooks the winery and offers a wonderful view of the distant mountains.

While there, we had an opportunity to meet Bill Piccione, owner of the winery and his son, Billy. As

it happens, both are self-professed “gear heads” and were extremely pleased that we had decided to visit. Though collectors, they do not yet own a Porsche. Nonetheless, they love the marque and extended a warm invitation to any in our Club who might want to visit.

Though we had a lot going on, the day couldn’t have turned out better. And, we made some new friends along the way.

Coming Up ...

May 3, 2025 - May Drive and Dine 11:00AM @ Porsche Hickory, 1207 South Center Street, Hickory, NC. Don Trexler has once again invited us to visit his car “barn” where we will enjoy a tour of his facility and pizza for lunch. Following lunch, Don will lead us on a scenic drive ending at Happy Valley Filling Station (Brewery) where we can have “a cold one” and hang out with Porsche friends.
