M2 World Voyage
2018

In the port of Hong Kong.

From the Navigator.

This morning Queen Mary 2 will end her sea passage and join one of the approach channels in towards Hong Kong. After safely navigating through the various traffic separation schemes which are in place to control the large volumes of shipping traffic, we will arrive at the Kai Tak Passenger Terminal, where we will remain alongside overnight.

Arrival Time: 8.00am

All Aboard Time: 5.00pm, 31 March

The first settlers to Hong Kong are believed to have arrived in the 3rd millennium BC, but for the early part of its history, Hong Kong saw only nomads. Hong Kong primarily consists of Hong Kong Island, Lantau Island, Kowloon Peninsula and the New Territories. The Kowloon Peninsula is attached to the New Territories to the north which eventually connect with mainland China across the Sham Chun River (Shenzhen River). In total, Hong Kong encompasses a collection of 262 islands in the South China Sea. Ap Lei Chau is the most densely populated island in the world.

Officer Profile - Entertainment Manager: Amanda Reid

Amanda was born in Kent in the U.K. where she still lives today. Amanda first started classical ballet classes at the age of four and after completing her academic schooling, she studied professional ballet in London for three years. Having passed her Advanced Classical Ballet exam and her teacher's qualification, Amanda set out on a career of dance, performing in London, Barcelona and Jersey in the Channel Islands, as well as working with an English ballet company. Amanda's career at sea began when she joined QE2, where she was Dance Captain for twelve years, during which time she also enjoyed occasionally assisting as Social Hostess. As well as QE2, Amanda also danced on Cunard Countess, Cunard Princess, Vistafjord and Sagafjord where she was the assistant and right hand to singer, dancer and choreographer, Peter Gordeno. When Peter Gordeno was invited to join Celebrity Cruises in 1990, Amanda joined him as Dance Captain until she decided to hang up her dancing shoes to become Social Hostess two years later. During her time with Celebrity she was part of the start-up team on all nine of their ships, until she joined Silversea Cruises in June 2003 again as Social Hostess. She worked on Silver Cloud and Silver Shadow cruising in the Mediterranean, Australia, New Zealand, Vietnam and the Far East, but it wasn't long before Amanda felt the tug of her Cunard roots. She returned to the Cunard family by joining Queen Mary 2 in May 2004 as Social Hostess, and within two years she was promoted to the position of Assistant Entertainment Director. She was delighted to be a part of the Queen Victoria inaugural team, joining the ship at the Fincantieri shipyard in Marghera, Italy. Amanda was promoted to relief Entertainment Manager in 2008 and in April 2010, she became a permanent Entertainment Manager.

Your Security And Safety Ashore.

Whilst we do not wish to restrict your movements ashore today and in our upcoming ports, we do suggest taking the following precautions:

- Do not stray from the main tourist areas.
- Do not wear any jewellery that is likely to attract attention.
- Be careful to secure personal possessions in pockets, wallets and handbags as pickpockets can operate in all cities.
- We advise you to be careful if you are taking any high value items, including cameras ashore.
- Maintain an awareness of your surroundings at all times.

Elevators temporarily out of service.

Please be advised that whilst in the port of Hong Kong we will be testing our Emergency Diesel Generators from approximately 11.00am to 11.30am, today, 30 March. During this time all elevators will be out of service for a short period of time. Announcements will be made to advise you when this will take place.

Settlement of On Board Accounts - Applicable for Disembarking Guests Only.

Guests who are disembarking in Hong Kong, 31 March, will have their on board accounts settled to their registered bank card on the morning of disembarkation. This settlement is an automated process so there is no requirement to visit the Purser's Office.

However, guests who wish to settle all or part of their account in cash must do so prior to 11.00pm, 30 March.

Library books.

All guests who are disembarking in Hong Kong are reminded that library books must be returned to the Library no later than 2.00pm today.

Shuttle Bus Service.

Cunard Shuttle service will be in operation from 9.00am between the ship (berthed at Kai Tak Cruise Terminal) and Tsimshatsui East Waterfront. This drop off point is connected by footbridge to Garden of Star, Tsimshatsui East (near Kowloon Shangri-La Hotel); as well as Star Ferry (approximately 10-15 minutes leisurely walk along Salisbury Road.)

Transfer time is approximately 45 minutes each way, depending on the traffic. Last departure from the city will be at 8.00pm.

There will be one adapted vehicle in service - departing from Kai Tak terminal at 9.00am, 11.00am, 2.00pm, 4.00pm and 7.00pm; and departing from the city at 12.00pm, 3.00pm, 5.00pm and 8.00pm. This accessible vehicle is mostly suitable for regular wheelchairs - electric wheelchairs need to be checked by the driver before boarding due to special requirements they need to meet. At peak hours queues are expected, we kindly ask for your patience. As an alternative taxis will be available.

In order to find the Queen Mary 2 Shuttle loading point when reaching the terminal exit, please turn to the right and walk all the way down to the bus loading area of ZONE A, at the very end of the terminal building. Zone A Coach Bay 4-20 will be used for Queen Mary 2 shuttles and tours throughout the day. Please be advised that there will be other shuttles running out of various nearby shopping malls, but those services are unconnected to Cunard.
