

AS YOU DEPART...

It has been a pleasure to have you onboard with us! As you look ahead to disembark the ship tomorrow, please consider these options:

- **Option 1:** If you have one or two airline sized carry-on pieces of luggage, you may participate in our Self Assist option. Bear in mind, that you will need to physically take all of your bags with you and that there may be escalators, stairs and lines to contend with. Oversized and multiple pieces of luggage do not qualify for this program.
- **Option 2:** If you wish to enjoy a little more time on the ship tomorrow morning, please take advantage of our Relaxed Debar by simply leaving your bags outside your stateroom later this evening by midnight. Housekeeping will deliver your bags to the terminal while you enjoy a last cup of coffee with us. **Whatever approach you take, we want to thank you for sailing with us and wish you a safe journey home.**

Here are 5 quick steps that will make your debar process easy...

STEP 1 - THE NIGHT BEFORE

- Review the Cruise Director's Debarcation Talk on channel #17 in your stateroom television.
- Remove all used Carnival luggage tags and attach a new Zone Luggage Tag (blue in color) on every piece of luggage. Keep the tear-off section as a reference. Extra tags are available from your stateroom steward.
- If you decide to choose option 2 (Relaxed Debar) place your bags outside your stateroom between 9:00pm and 12:00am (midnight) this evening.
- Please remember to keep some clothes out for tomorrow's departure and hand carry any important personal items such as medication, valuables, etc.
- If you choose option 1 (Self Assist) please keep your luggage in your stateroom until you leave the following morning. It is not necessary to place the Zone Luggage Tags on your luggage.

Please be sure to have this information handy to assist you with debarcation.

IMPORTANT

DEBARKATION OPTIONS

Debarcation from the Glory will commence between the approximate hours of 7:15am and 11:30am.

OPTION 1 - SELF ASSIST

Debarcation should begin once we receive clearance from local authorities at approximately 7:15am. We will then call those guests with all of their belongings (did NOT check luggage outside their staterooms the evening before) utilizing Self-Assist BY DECK to proceed to the gangway.

OPTION 2 - RELAXED DEBARKATION

All timings are approximate and subject to clearance of the vessel by U.S. local authorities and contingent on the flow of guests and luggage off the vessel. Please listen for your zone number (listed on the blue debarcation tags placed on your luggage) before proceeding to the gangway. Your luggage will not be available in the terminal until your zone has been called off.

EARLY FLIGHTS

Early flights are considered to be any time before 12:00pm from Miami or 1:00pm from Fort Lauderdale. If you have already put in your flight details in the FunPass registrations system prior to boarding, your early flight luggage tags will be delivered to your stateroom. We recommend you utilize the Self Assist program if you have an early flight, this way you will be among the first ones to debar the vessel.

CUSTOMS AND BORDER PROTECTION

Please be aware that once you proceed into the terminal you will be processed through Customs and Immigration. We ask for your patience, onboard and in the terminal, as it could be a lengthy process. To help expedite timings, we ask that you have your blue customs declaration form completely filled out and proof of citizenship ready and available for the officers.
