on your next cruise!

TWO ways to earn:

1 Book your next cruise onboard

2 Make a Future Cruise Deposit now, and decide later where you want to sail

You'll still earn the onboard spending money, and can work with your local travel agent to finalize your booking. Simply fill out a Future Cruise Deposit Form at the Future Cruise Desk and drop it in the box.

See your Future Cruise Consultant for details!

As our cruise concludes, the crew of Sapphire Princess® would like to thank you for joining us.

When preparing to disembark, please remember Taiwan and local customs restrictions require guests to remain on the ship until all luggage is off-loaded. Disembarkation procedures with assigned meeting times and locations are designed to provide a smooth disembarkation for all.

If you're already considering your next voyage with Princess, you may want to consider an OCEAN Medallion vacation. This brand new personalized vacation experience is the revolutionary next wave in vacation travel, where everything you already love about cruising with Princess gets even better. It launches on select ships starting in the Fall of 2017 and will be on all Princess ships by 2019.

Be sure to take advantage of our onboard special promotion: a reduced, fully-refundable future cruise deposit which earns you FREE shipboard credit of up to \$300 per stateroom. Simply fill out a Future Cruise Deposit form at the Future Cruise Desk and we'll take care of it for you.

We look forward to sailing with you again soon.

Check-Out and Stateroom Accounts

All guests with outstanding accounts are requested to settle this by 10pm this evening. You can either settle your account with cash or credit card. Please note all shipboard accounts have a service fee applied and this will also need to be settled.

Passport Return:

Please be advised that passports for all guests will be delivered to your staterooms this evening between 5:30pm-9pm. Any remaining passports not collected, will be available at the Shore Excursion Desk, Deck 6 Forward from 9pm-11pm tonight.

Ishigaki immigration requirements

Local Immigration authorities require every guest to carry the Japanese Provisional Landing Permit (attached to your passport copy) when going ashore in Japan. Please use the same copy that was used in Miyakojima yesterday. The copy will need to be presented to the local officials when proceeding ashore.

Please note: All guests Japanese Provisional Landing Permit (PLP) will need to be returned to immigration before sailing from Ishigaki, therefore Passenger Services staff will be in attendance at the gangway and will collect these upon guests return onboard.

Numbered Tender Ticket Service

We will be operating a tender ticket number system.

Charter Groups: Please meet at the assigned time by your charter leaders in either the Princess Theater or Explorer's Lounge, as they've assigned you. Charter Teams will be there to issue number tender tickets as you arrive.

Passengers on a ship's organized tour, please meet at requested time in the Vivaldi Dining Room, Deck 5 Midship.

Independent passengers please make your way to the Savoy Dining Room, Deck 5 when your party is gathered to collect a ticket from the Cruise Staff. You will then be seated in the comfort of the Savoy Dining Room until you are instructed and escorted to the next available tender. Please remember that you must not collect tender tickets or enter the dining room until you and your complete party are ready to go ashore. We operate as safely and efficiently as possible, and we do expect the boating operation to be very busy at first, therefore if you are not in any particular rush to go ashore, we would suggest perhaps taking advantage of a slightly later breakfast onboard and enjoying the comfort and facilities of Sapphire Princess. Tender tickets are not required for your return.

Wheelchairs & Motorized Scooters

Guests confined to wheelchairs and motorized scooters will not be able to use the tender service for safety reasons. Guests who are able to move, assisted by ship's staff independently of their wheelchair, may use the tender service. For further inquiries, please contact the Passenger Services Desk.

7:00pm All Aboard! Last Tender leaves the pier, Sapphire Princess sails for Keelung, Taiwan shortly thereafter.

Time Change Reminder: Ship's clock will be set one hour back at 2:00am between Wednesday night May 24th and Thursday morning May 25th.

Safety in the Tenders

Today we will be taking you ashore using the ship's continuous tender service. For your own safety please read the Tender Safety Notice at the head of the gangway and familiarise yourself with the contents of the Emergency Instructions Notice posted in the cab of each tender. You are reminded that there must be no smoking whilst in the tenders and that to avoid risk of injury, you must keep your hands and arms off the side of the tender as it comes alongside the ship or wharf. It is important that you follow the instructions given to you by crew members and that you remain seated whilst in the tenders. Do not get in, out or stand in the tenders until instructed to do so by the ship's staff.
