Introducing Evening Chic

Formal Night gets a modern luxury reboot. Say goodbye to Formal Night, and hello to Evening Chic. It's your time to shine—your way. Get glamorous. Get chic. Be sophisticated. While dressier than Smart Casual, Evening Chic is intended to be less dressy than Formal attire. Women should feel comfortable wearing a cocktail dress or a skirt, pants or designer jeans with an elegant top. Men should feel comfortable wearing pants or designer jeans with a dress shirt, button-down shirt or sweater. A sport coat or blazer is completely optional. Evening Chic means that you can get glamorous and be sophisticated in your own way. If you would like to still wear a tuxedo or formal gown on Evening Chic nights, you absolutely should.
