

Dear Guests,

I would like to take this opportunity to introduce to you these new and exciting Shore Excursion options for our upcoming ports of call. These Private Journeys are customized tours that combine some of the regular tour options with possibly a slight change for unique experience. There is a slight premium to cost but this is due to the longer durations, additional stops, smaller groups or transportation used to the different venues. These tours will be conducted in groups no bigger than 25-30 guests.

Should you have already chosen a different tour and would like to change to any of these options, you are more than welcome to do so within our 24hr no hassle cancellation policy.

More detailed descriptions of the customized tour can be found on printed flyers in front of the Destination Concierge office on Deck 3 midship, beside the Shore Excursions Desk.

These options can be booked directly at the Shore Excursions desk. You may also use our 24hr drop box or the ITV system in your stateroom. Should you wish to book these customized tours or have any further questions please come and see us during our posted opening hours.

Taking an excursion is a great way to experience the culture and history of the places you're visiting.

When you book through Celebrity, you can be sure all tour providers are licensed and have favorable reviews from other passengers. But perhaps most importantly, you can freely explore and know the ship won't leave until everyone is back on board.

There are lots of different excursions. Full day, half day. Active ones, and others where you can sit back and just take in the sights. You can even rent your own private car and be your own tour guide. Sounds like fun, right?

## Important Information

**Snorkeling and Scuba:** Guests must consider their physical fitness level and medical history when determining whether this tour is appropriate. Guests with cardiac conditions, asthma, diabetes, epilepsy, other heart or respiratory conditions or any other medical condition must take particular caution when selecting a tour with snorkeling/swimming elements, since such water activities could be subject to adverse sea conditions such as high winds, waves and sea current. Guests who have concerns must consult with their personal physician before engaging in any activity that may be strenuous for them, particularly those involving snorkeling/swimming elements.

**Weather Notice:** All tours will operate rain or shine unless considered unsafe to the tour operator.

**Child Prices:** Available for children 4-12 years of age. Infants (children 3 years of age or younger) are free of charge. Please note, our tours follow Federal Aviation Administration requirements in the USA, stating that children 2 years and older who are boarding an aircraft must occupy, and purchase a separate seat. Payment will be processed onboard the ship.

**Guests under 18 years of age:** Must be accompanied by an adult.

**Guests with Mobility Challenges:** Please consult with the staff at the Shore Excursions Desk for assistance with selecting and purchasing tours.

**Towels:** If you are on a water-based tour, please bring a towel from the Pool Deck.

**Personal Safety:** Your cruise vacation will take you to beautiful ports. However, guests need to be mindful of their personal safety. Crime is a problem worldwide, and the ports of call we visit are not immune from criminal activity. It is recommended that you do not bring valuables with you when visiting ports of call and that guests do not travel alone nor travel outside well-populated and tourist areas. A heightened sense of awareness of your surroundings will help you enjoy a memorable visit to our ports of call.

Hours of operation vary.
