shore excursions™

This cruise is a wonderful opportunity to experience something new. You will be immersed in cultures that are different than your own. We encourage you to read the below information.

- **Tour tickets** - Read your excursion ticket carefully before each tour in order to know where and when your excursion will meet. In the box at the bottom of your ticket, you will find useful information regarding what to bring or wear.
- **Tour durations** - They are approximate and can vary due to traffic conditions or other unforeseen circumstances.
- **Tour itinerary** - tours might run in reverse order than advertised.
- **Transportation** - No matter in which part of the world we travel, Holland America Line will always try to provide the best possible transportation in every port of call. However not all modes of transportation are available in every port and are generally a reflection of where you are in the world. Not all busses will have air conditioning and leg room will vary. Come see the Shore Excursions staff for any specific requirements.
- **Photography** - Always ask for permission before taking a photo of someone.
- **Toilet facilities** - Can range from excellent to basic facilities. As a traveler in developing countries you may have experienced this already.
- **Weather & Sun protection** - All tours operate rain or shine; Of course we are hoping for bright and sunny days. However in these parts of the world the sun can be very strong and in combination with the nice breeze, sunburns are a common experience. We advise you to always wear and bring your sunscreen with you, so you can enjoy all our ports to the max, whether you go on a land or a water tour.
- **Bring water - Stay hydrated at all times to prevent illness.** In some of the ports on this cruise, the temperatures may be very high and very humid. Not all our tours you will be offered water. However we strongly advise you to bring at least one bottle of water with you when you go on tour. Water will always be available (for sale) at the gangway before you leave the ship.
- **Clothing** - Dress according to the tour you have booked. For snorkel/swim excursions we suggest that you wear your swimsuit under your clothing, as changing facilities might not always be available.
- **Food** - Food served on our Shore Excursions has passed the safety standards of Holland America Line, unless otherwise advertised. Check with the Shore Excursions Staff if you have dietary requirements so prior arrangements can be made, we will do our best to accommodate.
- **Last minute changes** - Please be prepared for last minute changes of the tour program, your understanding and flexibility as a seasoned traveler may be required.
- **Valuables** - Keep an eye out for your valuables and your wallet. When opening your wallet please be careful on how much money you show. Always have small bills with you to use when bartering. **Leave any expensive jewelry onboard.**
- **Wheelchairs** - Check with your Shore Excursions Staff at your earliest opportunity if you use a wheelchair, a scooter or have walking difficulties so that we can review your tour choices.
- It is recommended that you refer to the online tour brochure for complete descriptions and not rely exclusively on the brief explanations in this Catalogue before purchasing a tour. Please use the Navigator on your mobile device or on the ships' public computers.

Holland America Line cancellation and refund policy: All cancellations are subject to at least a 10% cancellation fee. If you cancel a Signature Collection tour within 3 days of sailing, a 100% cancellation fee will apply since transportation and services will have already been arranged. If the cancellation occurs after the cancellation deadline for the specific tour, a 100% cancellation fee will apply. Passengers who wish to cancel should speak with an Shore Excursion team member. A tour may not be suitable for everyone. Some tours involve significant physical exertion or require special skills. For many tours, we have tried to indicate what we know about this aspect of the tour. Do not exceed your own physical limitations. Only you can judge your physical condition. If you have questions about the physical requirements or skills needed to participate in a tour, please ask in advance. Passengers with disabilities should inquire in advance whether a tour will be able to accommodate their needs. In this regard, it is important to keep in mind that tour operators are subject to the laws of their own country including with respect to accommodating the needs of passengers with disabilities. In most foreign countries, the laws are not as stringent as those in the United States. Passengers under 18 years of age will not be able to participate in tours unless accompanied by a parent or responsible adult over 21 years of age. Tours are subject to cancellations or changes. Tour operators reserve the right to deny participation to passengers based on such criteria as they may establish.
