"The sea is only the embodiment of a supernatural and wonderful existence"

Cit. Jules Verne

Nautical informations

After leaving the Maltese Harbor, we will cross the North of the island and after Gozo Island at a distance of 4 nautical miles and then we will navigate through the Sicily Channel with a 297 route. We will continue the navigation in the western Mediterranean sea towards Barcelona with north westerly route on over 2000 meters depth, without being able to observe any terrestrial cusp.

Distance from Valletta to Barcelona:
672 nautical miles.

DISCOVER THE SHIP!

Explore the extraordinary features and innovative design of MSC Seaview. #EnjoyTheSun

MSC Seaview, MSC Cruises' newest mega smart ship, is truly a sun-lover's paradise, with a revolutionary, industry-first "beach condo" design. MSC Seaview, as her twin ship MSC Seaside, has been specifically designed for warmer climates, offering one of the highest ratios of outdoor space in the industry and an open-air promenade on Deck 8. An extensive range of comfortable accommodations will meet every type of need including chic aft corner suites as part of the unique beach condo design, clever modular connected cabins designed for families and groups of up to ten people and a collection of exclusive balcony cabins with a private terrace overlooking the promenade.

Interesting facts about MSC Seaview

- MSC Seaview belongs to a new class of ships, designed to bring guests closer to the sea. All decks of the ship are named after the most beautiful seas of the world.
- The ship is designed to connect guests with the sea, featuring open air promenade, panoramic lifts, two glass catwalks and a high percentage of balcony cabins.
- The ship is 323m long, 72m high and 41m wide.
- There are 2067 cabins on board, in which 73% of the cabins have balcony.
- At full capacity, the ship can accommodate 5,179 Guests and an average of 1,413 crew members
- The ship has 19 decks.
- The ship's gross tonnage is 160,000 grt, with a maximum speed of 21.8 knots.
