Crystal River Cruises takes the safety of our guests and crew very seriously and we kindly ask that you pay attention as you embark and disembark the vessel. *Crystal Debussy* will be required to berth in ports that experience high and low tides, or will be berthed multiple vessels from the pier. We ask our guests to take extra caution, please be aware of steps and use the handrails while transiting multiple steps and gangways.

### **ONBOARD PLUMBING**

Although our toilet system on board is quite strong (you will notice by the flush), it is also very sensitive. In order to avoid clogging the system – which may cause the entire system to shut down – we ask that you please refrain from placing items other than provided toilet paper (i.e. wet wipes, sanitary items, hand towels, pantyhose, razors, etc.) in the toilet.
