TOUR LISTING

ISG-200 HIGHLIGHTS OF ISHIGAKI (GUIDED IN ENGLISH)

You will visit: ① ② ④

A variety of attractions introduce you to the wonders of Ishigaki as you explore its most popular sites by motorcoach. First stop is Tojin Tomb, a sacred site that honors an 1852 tragedy in Chinese history. Note the Chinese influence in the building's architecture and ornamentation. Nearby, there is also a newer monument dedicated to three American soldiers who were captured in 1945 near the end of World War II. Next door, a candy shop makes and sells its own sugar cane sweets, which you may purchase. Picturesque Kabira Bay, one of the most photographed spots on Ishigaki, is best appreciated from a glass-bottom boat. The ride is great fun, and the undersea life is breathtaking. End your day at the Tamatorizaki Observatory, overlooking both the Pacific Ocean and the East China Sea. Return to port at the completion of your event-filled day

ISG-215 TAKETOMI ISLAND (GUIDED IN ENGLISH)

You will visit: ③

Explore the petite islet of Taketomishima and step back in time as you see the sites of this living museum of Ryūkū heritage. A quick ferry ride will take you to this island with a population under 300. The village charms with red clay roofs, lion sculptures, and volcanic rock walls that are lined with colorful flowers. Water buffalo cart is the means of transportation - and you'll surely enjoy taking a ride through the narrow streets. Stop at Taketomi Island Pier and take a moment to snap a photo, then cross the road to the island's Taketomi Yugafukan Museum, a traditional wooden building that shows videos with stories and music from the region. Later, walk on the "star sand" beach, called Hoshizuna-no-hama, and search for the tiny crustacean shells yourself. Enjoy the return ferry and motorcoach ride back to port.
