Useful info

Costa Card and payments on board

Costa Card

The Costa Card is your identity card on board that you must carry on you at all times: it is your cabin key and the only payment method on board. Within 48 hours of embarkation you will have to choose your preferred payment method to cover your expenses.

Payment by credit card:

To register your credit card you can use the automatic devices available 24/7 located on Decks 3 & 5. Your onboard expenses will be debited daily.

Payment in cash:

You will have to make a deposit at the Hospitality Service Desk, Deck 3, available 24/7.

Payment by PagoBancomat card (only for cards issued by Italian banking institutions):

You can use the automatic devices available 24/7 located on Decks 3 & 5.

Costa App: everything at your fingertips

Connect your smartphone free of charge to the ship's Wi-fi network and use the new Costa App. You can customize your schedule with the interactive Diario di bordo, book excursions, restaurants, check your on board expenses, and much more... If you haven't downloaded the app, you can always access the on board portal by typing <http://costa.wifi> and view the Diario di bordo in pdf format, buy your internet package and check the weather report.

Information on the serving of alcoholic beverages

Alcoholic beverages may not be served to or consumed by guests under the legal drinking age. You may be asked to show your ID card/passport with your date of birth.

Safety on board: emergency drill

The emergency drill that will take place before the ship's departure is mandatory for all guests embarked in Singapore. At the sound of the emergency signal (7 short blasts followed by one long one) you will have to go to your cabin, put on your lifejacket, take your Costa Card and go to your Muster Station, following the instructions provided by the staff. This drill teaches you what procedure to follow in case of an emergency on board. During the emergency exercise, all onboard services will be temporarily suspended.

Videos, photos and privacy on board

During the cruise our photographers will take photos and videos of all guests. If you do not wish to appear in pictures or videos you can inform the personnel of the Photo Shop or request that the photos be taken down from display. The complete privacy policy is available on the website and in the Costa catalogues.

INTERNET

Chat & Social package or volume package? With "I love Surfing" it is even easier to connect to the internet during your cruise! Access the portal on board by typing <http://costa.wifi> and discover ways to always remain connected starting at € 5.00 per day!
