MAKE BEAUTIFUL MEMORIES IN RHODES

It is not accidental that in Rhodes you can hear all the languages of the world, while at the same moment, a Scandinavian, a British or an Italian or North American can coexist and feel comfortable. The shops, beaches, bars and hotels of Rhodes want to show the world that the island belongs to its multinational visitors. The city, built in the northern nose of the island, is separated substantially into two parts; "Old" and "New." Different styles and colors represent the separate personality of the "new" town.

TIP OF THE DAY: Don't miss the Glow Party. It's the best party of the cruise.
