### Nautical information

MSC Musica will proceed all night long with Westerly course and speed around 20 Kts towards Ilha Grande, where the arrival to the pilot station is expected at 7:00. After about an hour assisted by the local pilot, we will reach the anchorage position from where the disembarkation will take place by the ship's tender boats. Ilha Grande, "Big Island" is an island located off the coast of Rio de Janeiro state. The island, which is part of the municipality of Angra dos Reis, remains largely undeveloped. For almost a century it was closed by the Brazilian government to free movement or settlement because it first housed a leper colony and then a top-security prison. The largest village on the island is called Vila do Abraão with approximately 1900 inhabitants. The island, which is 193 km<sup>2</sup> is now a popular tourist destination that is noted for its scenic beauty, unspoilt tropical beaches, luxuriant vegetation and rugged landscape. At 18:00 MSC Musica will start the departure manoeuvre, then as soon as hosed the anchor we will proceed with South Westerly route and speed 9 Kts towards Rio de Janeiro, for a total distance of 92 nautical miles.

### Getting off the ship

Please note that upon arrival in Ilha Grande disembarkation will not commence until we receive permission from the local authorities. Please remember to show your Cruise Card at the gangway exit and entry when you return.

Distance between Ilha Grande and Rio de Janeiro: 92 nautical miles

**IMPORTANT INFORMATION ABOUT DISEMBARKATION PROCEDURES BY TENDER**  
Please note that MSC Musica will remain at anchor today. Disembarkation will be carried out via a continuous tender boat service, which will take you from the ship to shore and vice versa. To use this complimentary service, one member per cabin or group must pick up your tender ticket letter at the **Blue Velvet Bar, deck 6, from 7:15 to 10:15 (after this time you can collect your tender ticket letter in the Reception-Guest service, deck 5, Mid)**, and after you may proceed to the disembarkation meeting point: **Tucano Lounge, deck 6** at indicated time (written on the ticket and posted on TV screens) in order to be called and escorted to the tender boats embarkation deck.

Guests who have purchased one of our shore excursions do not need to collect a tender ticket and will be accompanied from their meeting point to the gangway by our staff.

Disembarkation with tender boats takes longer than the ordinary disembarking procedures. Therefore, to ensure a quick and smooth disembarkation, we kindly ask you to follow our instructions, do not overcrowd the lounge on deck 5, but instead wait comfortably at the lounges on deck 6 or 7, before proceed to the meeting point at Tucano Lounge, deck 6 where your tender ticket letter will be called.  
The duration of the disembarkation will also depend on weather conditions.

**The first tender boat from the ship to Ilha Grande will be at 8:00**  
**The last tender boat from the ship to Ilha Grande will be at 15:00**  
**The last tender boat from Ilha Grande to the ship will be at 17:00**

The day begins with the coach transfer to Tijuca National Park, where you will board the famous train that takes you up Corcovado on a rack-and-pinion railway. On reaching the top, you'll see the iconic statue of Christ the Redeemer, offering incredible views over the city. Next up is a delicious lunch in a traditional barbecue restaurant. Rise up above Rio de Janeiro, admire the statue that has become the symbol of the city, and look down on the spectacular views from the heights of Corcovado. Departing from the port, your coach will take you past the Sambódromo towards the Tijuca National Park. On arrival at the Corcovado train station, you'll board a train for an amazing ride. As you travel upwards through the forest, you'll be able to appreciate the beauty of the Tijuca forest surrounding the railway. Once you reach the top of the hill, you will be greeted by the spectacular sight of the iconic Christ the Redeemer statue. The summit also offers wonderful views over the city. Once you have spent a few hours making the most of the iconic resort, you will be transferred back to the ship

 **RIO88T – RIO, SANTA TERESA & SELARÓN**

See some of Rio de Janeiro's lesser known areas on a tour that takes you to the historical Largo da Prainha and Pedra do Sal quarters, then the bohemian Lapa district en route to the mosaic Selarón steps that were created by the Chilean-born artist, Jorge Selarón, as a tribute to the Brazilian people. Next, you'll move on to the exclusive Santa Teresa neighbourhood, one of Rio's oldest, to visit Parque das Ruínas and catch great city views. Continue to the upscale Urca district, tucked away at the foot of Sugarloaf Mountain, where your destination is Mureta da Urca.
