### Nautical information

On arrival MSC Musica will approach Ilhabela, from North, arriving to the pilot station at 6:00 from where we will join the fairway channel that we will sail for 5 nautical miles distance till our anchorage position, assisted by the local pilot. Ilhabela (Portuguese for Beautiful Island) is an archipelago and city situated in the Atlantic Ocean four miles off the coast of Sao Paulo. The city is 205 km from the city of Sao Paulo and 340 km from the city of Rio de Janeiro. The largest island, although commonly called Ilhabela, is officially named Ilha de São Sebastiao and in total cover 347.52 km<sup>2</sup>. The population is 32,197 and during the holiday months growing up since it is a popular destination for tourists. Before Portugal colonized Brazil in 1500, an indigenous tribe called the Tupinambas, inhabited the island. They called the island 'Ciribai', which means quite place. The island was named São Sebastiao Island by Amerigo Vespucci. At 14:00, we will start the departure maneuver and after housed the anchor we will sail again through the fairway channel but in the opposite way, for 10 NM with heading South. Then after disembarking the pilot, MSC Musica will set the course to South West and with a speed up to 20 Knt. we will head towards Punta del Este.

### Getting off the ship

**IMPORTANT INFORMATION ABOUT DISEMBARKATION PROCEDURES BY TENDER**  
Please note that MSC Musica will remain at anchor today. Disembarkation will be carried out via a continuous tender boat service, which will take you from the ship to shore and vice versa. To use this complimentary service, one member per cabin or group must pick up your tender ticket letter at the **Blue Velvet Bar, deck 6, from 6:45 to 9:30 (after this time you can collect your tender ticket letter in the Reception-Guest service, deck 5, Mid)**, and after you may proceed to the disembarkation meeting point: **Tucano Lounge, deck 6** at indicated time (written on the ticket and posted on Tv screens) in order to be called and escorted to the tender boats embarkation deck.

Guests who have purchased one of our shore excursions do not need to collect a tender ticket and will be accompanied from their meeting point to the gangway by our staff.

Disembarkation with tender boats takes longer than the ordinary disembarking procedures. Therefore, to ensure a quick and smooth disembarkation, we kindly ask you to follow our instructions, do not overcrowd the lounge on deck 5, but instead wait comfortably at the lounges on deck 6 or 7, before proceed to the meeting point at Tucano Lounge, deck 6 where your tender ticket letter will be called.

The duration of the disembarkation will also depend on weather conditions.

**The first tender boat from the ship to Ilhabela will be at 7:15**  
**The last tender boat from the ship to Ilhabela will be at 10:30**  
**The last tender boat from Ilhabela to the ship will be at 13:00**
