All children from the age of 1 to 11 receive a wristband at embarkation, which is personal and must be worn at all times ashore too. Parents and legal guardians remain responsible for the safety and wellbeing of their children, who must not be left unattended at any time. Wristbands do not absolve parents and legal guardians of their parental responsibilities. Minors may only go ashore if accompanied by their parents or a legal guardian travelling in the same cabin. You can easily add a guardian by signing a dedicated form, available at the Reception - Guest Service desk on deck 5 or the Kids Clubs on deck 18.
