Nautical information

During the navigation to Buzios MSC Musica will sail at 5 nautical miles distance from the coast on port side and in the first morning will be abeam to Cabo Frio peninsula. At 7:30 MSC Musica will start to approach the anchorage position performing the arrival maneuver, expected to finish around 8:00, when after drop the anchor will start the disembarkation by the ship's tender boat. Armação dos Búzios locally often referred to as just Búzios, is a resort town and a municipality located in the state of Rio de Janeiro. In the early 1900s Búzios was an almost unknown village of fishermen. It remained as such until 1964, when the French actress Brigitte Bardot visited Búzios (also honored along the oceanfront path with a bronze statue). Since then, Búzios became popular with the Carioca's high society, who wanted to escape from the chaotic city life of Rio de Janeiro and enjoy over 23 beaches that the peninsula offers. The city grew to be an international tourist destination. Today, the peninsula is a travelling site that offers calmness, direct contact with nature and scenic views. The west coast beaches offer calm, clear waters while the east coast ones, facing the open sea. MSC Musica we will leave the bay of Buzios at 18:00, after completed the departure operations, then we will head towards Ilhabela with a speed of 19 Knt, leaving the coast of the state of Rio de Janeiro on our starboard side.

Getting off the ship

Please note that upon arrival in Buzios disembarkation will not commence until we receive permission from the local authorities. Please remember to show your Cruise Card at the gangway exit and entry when you return.

Distance between Buzios and Ilhabela: 226 nautical miles

IMPORTANT INFORMATION ABOUT DISEMBARKATION PROCEDURES BY TENDER
Please note that MSC Musica will remain at anchor today. Disembarkation will be carried out via a continuous tender boat service, which will take you from the ship to shore and vice versa. To use this complimentary service, one member per cabin or group must pick up your tender ticket letter at the **Blue Velvet Bar, deck 6, from 7:45 to 10:45 (after this time you can collect your tender ticket letter in the Reception-Guest service, deck 5, Mid)**, and after you may proceed to the disembarkation meeting point: **Tucano Lounge, deck 6** at indicated time (written on the ticket and posted on Tv screens) in order to be called and escorted to the tender boats embarkation deck.

Guests who have purchased one of our shore excursions do not need to collect a tender ticket and will be accompanied from their meeting point to the gangway by our staff.

Disembarkation with tender boats takes longer than the ordinary disembarking procedures. Therefore, to ensure a quick and smooth disembarkation, we kindly ask you to follow our instructions, do not overcrowd the lounge on deck 5, but instead wait comfortably at the lounges on deck 6 or 7, before proceed to the meeting point at Tucano Lounge, deck 6 where your tender ticket letter will be called.

The duration of the disembarkation will also depend on weather conditions.

The first tender boat from the ship to Buzios will be at 8:15
The last tender boat from the ship to Buzios will be at 15:00
The last tender boat from Buzios to the ship will be at 17:00

DISCOVER BUZIOS!

On a peninsula north of Cabo Frio, Armação dos Búzios, or just Búzios, is an immensely scenic resort full of high-spending beautiful people. Armação, the main settlement, is built in a vaguely colonial style, its streets lined with restaurants, bars and chic boutiques, and has been nicknamed "Brazil's St Tropez". It comes then as little surprise to find that it was "discovered" by none other than Brigitte Bardot, who stumbled upon it while touring the area in 1964. Búzios consists of three main settlements, Manguinhos, Armação and Ossos, each with its own distinct character. Manguinhos, on the isthmus, is the main service centre, with a tourist office, a medical centre and banks. Midway along the peninsula, linked to Manguinhos by a road lined with brash hotels, is Armação, an attractive village where cars are banned from some of the cobbled roads.
