BUSINESS TRAVEL MANAGEMENT

TRAVEL CONSULTATION AND ADVICE

One of our goals at BTM is to curate specific travel services for corporate organisations and individuals that will align with their distinctive travel programmes. We can create an optimised travel service structure through our subscription models which have been designed to help your organisations with detailed travel reports to get real-time updates on travel time, booking time, and approval bottlenecks—which are leading to (costly) last-minute bookings. Work with us to adopt these ways to optimize your travel budget and make your travel experience smoother for your business, and employees.

BTM Nigeria is committed to providing exceptionally high standard of services combined with stringent quality control.

The company's dedicated and enthusiastic staff members are experienced, friendly and fully trained professionals offering a consistently high standard of performance and productivity combined with a friendly and professional service.

BTM brings a new way of seeing, new ways of working and new ways of delivering superior corporate services to companies across the world.

As part of our mantra, BTM personnel follow the principle of '...PROVIDING CORPORATE TRAVEL SERVICES THAT ARE PERCEIVED AND RECEIVED AS EXCELLENT'.
