INTRODUCTION

The Jalpaiguri Government Engineering College Alumni Association got registration on 22nd day of April 2010 from Registrar of Societies West Bengal Act XXVI of 1961 vide No:-S/L/70053 of 2010-11. The Alumni Association functions from College Administrative Building.

Various activities of Alumni Association:

Alumni Association's activities, till date, are broadly categorised in following divisions:

- a. Organization of various value based seminars, workshops and programs
- b. Creation of platform for scholarship to students of JGEC
- c. Various student centric value based activities to enhance JGEC experiences
- d. Building a convention centre, Kanchenjunga, inside JGEC campus

Purpose of various activities of Alumni Association:

a. Organization of various value based seminars & workshops:

Seminars, workshops, etc are organized on career development, technological advancement and social issues.

Themes of various seminars are chosen with a vision to create value for society and educational system. Various reputed persons from reputed national institutes and industry are invited to share thoughts to enhance vision of students and people from various spheres of society.

These seminars and workshops create opportunity for students of JGEC to learn different aspects of technology, management and society. These help them to broaden their intellect and sharpen their skills. It helps them to prepare themselves for professional life, as well as reminds them about their social responsibilities.

b. Creation of platform for scholarship to students of JGEC:

Alumni Association invites established persons related to JGEC and ex-students of JGEC to promote scholarship for students of JGEC.

These scholarships are given to economically challenged and meritorious students of JGEC.

The purpose of these scholarships are to help students understand how an achiever can struggle to pursue his dream through education for realization of his dream and thus to benefit a society.

c. Student centric value based activities:

Alumni Association organizes various student centric value based activities, like promotion of sporting events, Clean Hostel Drive, technological model competition, etc. The whole purpose is to motivate students to engage in activities which can enhance their leadership abilities and positive attitude towards society.

d. Building a convention centre inside JGEC campus:

Alumni Association has started construction of a Convention Centre, called Kanchenjunga. Alumni Association has procured a piece of private land to build Kanchenjunga inside premises of JGEC Campus. The convention centre will comprise of seminar and conference hall, meeting room, knowledge sharing room, reading room with library, guest rooms, etc. It will be centre of innovation for students of JGEC. It will be place for industry and institute interaction which will help in student development.

**THE JALPAIGURI GOVERNMENT ENGINEERING COLLEGE ALUMNI ASSOCIATION,
JALPAIGURI**

West Bengal, India; Website www.jgecalum.org

SEMINARS, WORKSHOPS & VALUES ADDED PROGRAMS

The Jalpaiguri Government Engineering College Alumni Association believes in creating values. It motivates young minds of JGEC to participate and learn on various aspects of technology, management and society. To spread these missions, Alumni Association organize various programs for students of JGEC.

GOLDEN JUBILEE CELEBRATION FOR THE JALPAIGURI GOVT. ENGINEERING COLLEGE, 12 MARCH 2011

A reunion program was organized by student's union (in close association of alumni association) on 12 March 2011 to celebrate a golden jubilee of Jalpaiguri Govt. Engineering College.

In that reunion, it was decided that the alumni association will perform value added activities to encourage the spirit of youthfulness, motivate the young engineering students to add value to society and enhance the quality of life for the vast region of North Bengal and North East India.

It was decided that alumni association will organize seminars on regular basis, perform workshops at JGEC campus on value added topics, promote scholarship for students of JGEC, etc.

NATIONAL LEVEL SEMINAR, 24-25 DEC, 2011

Theme:

Developmental activity in North Bengal & role of Jalpaiguri Government Engineering College

Background:

North Bengal consists of six number of northern district of West Bengal in the lap of the great Himalaya. North Bengal falls in Ganga-Brahmmaputra river basin and Teesta, Torsha, Mahananda, Raidak, Sankosh, Atreyi and Punarbhaba etc are major river that passes through this area. Flood and soil erosion are a regular phenomenon.

As per the seismotectonic atlas published by Geological Survey of India and B.I.S code 1893, the entire North Bengal falls in zone-IV and few locations are also prone to near field vibration due to some Neo-tectonic fault line.

Huge rainfall in the range of 3500-4500 mm (Average annual), Wild life Sanctuary, Forest, Hills, Tea and Tourism Industry are yet to be exploited.

With a view to frame different aspects and highlight issues that could be beneficial, the alumni association had short listed following sub-themes for the national level seminar:-

- a) Earth quake, Flood, Soil Errosion---Disaster mitigation.
- b) Power-Conventional/Non Conventional/ Renewable etc.
- c) Waste disposal, treatment and management.
- d) Forest , Wild life, Agriculture and economics.

THE JALPAIGURI GOVERNMENT ENGINEERING COLLEGE ALUMNI ASSOCIATION, JALPAIGURI

Address: Jalpaiguri Government Engineering College Campus, P.O. Denguajhar, Dist. Jalpaiguri,
West Bengal, India; Website www.jgecalum.org

Major Programs:

- Flood Control Measures by Dr.Amlan Das (Professor, NIT Durgapur)
- Earth Quake— on Geo-Technical Issues by Dr. D.K.Pal (Head of Earth Quake Engineering, Roorkey)
- Earth Quake— on Structures by Dr.C.V.R Murthy (Professor, IIT, Chennai)
- Forest and Economics of North Bengal by Dr. Milindo Chakraborty (Dean of Economics, Sarda University, New Delhi)
- Role of Engineering Students for Collective Growth by Mr. Santanu Das (Scientist, NASA)

Eminent Professors: From left, Dr. Amlan Das, Dr. D.K. Pal and Dr. C.V.R. Murthy, along with Mr. Ashok Shom and Mr. Gautam Bhaduri (Ex-President and ex-Secretary of Alumni Association, respectively)

Eminent Professors, Dr. C.V.R. Murthy delivering speech at National Level Seminar

পরিকাঠামোর উন্নয়নে সহায়তা করতে চায় জলপাইগুড়ি ইঞ্জিনিয়ারিং কলেজ নিজস্ব সংবাদদাতা • জলপাইগুড়ি

উত্তরবঙ্গের ছয় জেলার পরিকাঠামো উন্নয়নে কারিগরি সহায়তা দিতে চায় জলপাইগুড়ি ইঞ্জিনিয়ারিং কলেজ। শনিবার ‘উত্তরবঙ্গ উন্নয়নে জলপাইগুড়ি ইঞ্জিনিয়ারিং কলেজের ভূমিকা’ বিষয়ে সেমিনারে ওই প্রস্তাব দেন কলেজ কর্তৃপক্ষ। ইঞ্জিনিয়ারিং কলেজে আয়োজিত ওই সেমিনারের উদ্বোধন করে কলেজের প্রস্তাবকে স্বাগত জানান উত্তরবঙ্গ বিশ্ববিদ্যালয়ের উপাচার্য অরুণাভ বসু মজুমদার। তিনি বলেন, “জলপাইগুড়ি ইঞ্জিনিয়ারিং কলেজ কর্তৃপক্ষ ভাল প্রস্তাব দিয়েছেন কলেজের কারিগরি সহায়তা পেলে গুছিয়ে পরিকাঠামো উন্নয়ন করা সম্ভব হবে।”

স্বর্ণজয়ন্তী অনুষ্ঠানের ঘনিষ্ঠত্বের সন্নিহিত পাতা।

যা পরবর্তীতে উত্তরবঙ্গ উন্নয়নে দিকচিহ্ন হিসেবে পরিচয় পাবে।” কলেজের অধ্যক্ষ জ্যোতির্ময় ঝাঙ্গাটি বলেন, “উত্তরবঙ্গের সব পুরসভা ও জেলা পরিষদ কর্তৃপক্ষকে সেমিনারে আমন্ত্রণ জানানো হয়েছে। কলেজের তরফে উন্নয়নের পরিকল্পনা তৈরিতে নিখরচায় কারিগরি সহায়তা দেওয়ার প্রস্তাব রাখা হয়েছে।” এ দিনের সেমিনারে শিলিগুড়ির মেয়র গঙ্গোত্রী দত্ত, আলিপুরদুয়ারের বিধায়ক দেবপ্রসাদ রায়, অনাবাসী শিল্পোদ্যোগী অলক বসু উপস্থিত ছিলেন। মেয়র বলেন, “ইতিমধ্যে কলেজের কারিগরি সহায়তা নিয়ে শিলিগুড়িতে বর্জ্য থেকে বিদ্যুৎ উৎপাদন প্রকল্পের কাজ চলছে। অন্য ক্ষেত্রে কলেজের সহায়তা পাওয়া গেলে শিলিগুড়ি উন্নয়নের কাজ সহজ হবে।” দেবপ্রসাদবাবু বলেন, “পরিকাঠামো উন্নয়নের পাশাপাশি জলপাইগুড়ি জেলার ইতিহাস গ্রহিত করার কাজেও কলেজ ভূমিকা গ্রহণ করতে পারে। নদী, ঝোরা অধ্যুষিত জলপাইগুড়ি জেলায় যোগাযোগ উন্নত করতে কলেজের কারিগরি সাহায্য খুবই কাজে লাগবে।”

ENGINEERING SEMINAR & TRIBUTE TO PROF. N. C. BOSE, 1ST PRINCIPAL OF JGEC, 7 MARCH 2012

Advancement in modern technologies & its implementation in betterment of human lives

Background:

To continue the public attention and awareness related to symbiotic growth of society and JGEC together, Alumni Association began next phase curriculum, along with present students. The theme was continuation of earlier subject matter of national level seminar of 24-25 December 2011, i.e. development of North Bengal and JGEC's role.

Major Programs:

- Development of North Bengal & Role of JGEC by Mr. Tomojit Chakraborty, WBECs officer
- Development of capabilities by Mr. Siddhartha Ghoshal, Director, GE
- Cloud Computing by representative from IT company, CTS
- Bamboo and Bamboo Composite Based Housing System for Disaster Prone Areas by Mr. Amitava Sil, Scientist, IPIRTI
- Inauguration of statue of Prof. N. C. Bose, 1st Principal of Jalpaiguri Govt. Engg. College

Statue of Prof. N. C. Bose

NATIONAL LEVEL SEMINAR, 16 MARCH 2013

Theme:

Technological Advancement and Present Engineering Practices

Background:

Powerful forces, including demographics, globalization, and rapidly developing technologies are driving reflective changes in the role of engineering in society. The changing workforce and technological needs of a global knowledge economy are intensely changing the nature of engineering practice, demanding far broader skills than simply the mastery of scientific and technological knowledge.

The purpose of the seminar is to pull fundamental recommendations concerning the profession of engineering, the technology and innovation needs of the nation, and the role played by human and intellectual capital, into an analysis of the changing nature of engineering practice, research, and education.

Alumni Association had organized the seminar along with the students of JGEC to commemorate with the annual cultural fest, JECLAT.

Major Programs:

- Battery and Fuel Cell: The Pure Cell for the Future Speech by Dr. Amaresh Dalal (Assistant Professor, Dept of Mechanical, Indian Institute of Technology Guwahati)
- Application of Geosynthetics in Civil Engineering by Dr. Priyanka Ghosh (Associate Professor, Dept of Civil, Indian Institute of Technology Kanpur)
- Evolution of computers by Dr. R. K. Samanta, (Head of the Department, Dept. of Computer Science and Application, North Bengal University)
- Application of Civil Engineering software SAP and ETABS by Mr. Rajeev Sharma (CSI India)

Dr. Amaresh Dalal delivering speech

ENGINEERING SEMINAR, 27 JULY 2013

Theme:

Bridging the Gap between Engineering Curriculum & Industry Practices

Background:

The nonlinear nature of the flow of knowledge between fundamental research and engineering application, the highly interdisciplinary nature of new technologies, and the influence of cyber-infrastructure demand new patterns in engineering research and development. Moreover, challenges such as the unstable economy and random socio-political influences are also raising serious questions about the competence of our current national approach to engineering.

The purpose of the seminar is to write a Roadmap to the Future of Engineering Practice, Research, and Education.

Major Programs:

- Fundamentals of Computational Fluid Dynamics by Dr. Amaresh Dalal (Assistant Professor, Dept of Mechanical, Indian Institute of Technology Guwahati)
- ABCD of Project Contracts Management by Bibhas Bhowmik (Senior Civil & Structural Engineer, ADCO, UAE)
- Recent advances in welding and joining: perspective on research and industrial application by Dr. Dr. Swarup Bag, (Assistant Professor, Dept of Mechanical, Indian Institute of Technology Guwahati)
- Engineering & Importance of Codes and Standards by Mr. Premangshu Ghosh (Electrical Consultant, ADNOC, UAE)

Dr. Swarup Bag delivering speech

Honourable speakers with students of JGEC

WORKSHOP, 24 JANUARY 2014

Theme:

Workshop on Communication Skill & Leadership for Students of JGEC

Program Detail:

As the JGEC Alumni Association stays committed to its mission to create value for the students of JGEC, the association organized their endeavour to enrich JGEC students with valuable insights on some of the most important aspects of professional development, viz. Communication Skill and Leadership & Motivation.

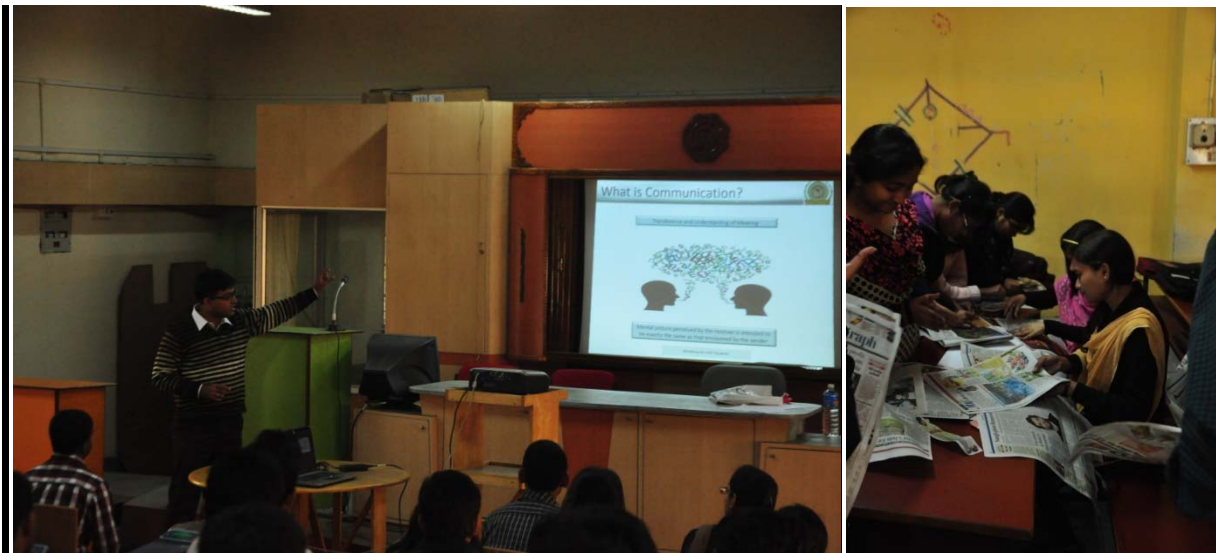

The workshop held on 24 January 2014, at college building.

The planned scope of the workshop were:

- Communication Skill: How to say what you mean and mean what you think!
- Leadership & Motivational Factor: An interactive session with students that revolves around the basic theme of "Know the Leader inside you"!

Around 130 students of JGEC (from 1st year to 4th year, all departments) made the fullest use of the opportunity.

It was a different world away from handbook, pen or pencil as the sessions delivered fun filled interactive learning.

THE JALPAIGURI GOVERNMENT ENGINEERING COLLEGE ALUMNI ASSOCIATION, JALPAIGURI

Address: Jalpaiguri Government Engineering College Campus, P.O. Denguajhar, Dist. Jalpaiguri,
West Bengal, India; Website www.jgecalum.org

NATIONAL LEVEL SEMINAR, 25 JANUARY 2014

Theme:

North Bengal: Focus 2020

Background:

North Bengal is full of natural resources and enriched with human resources. But still after more than 60 years of independence, North Bengal is considered to be one of the under developed region of Eastern India.

With a view to frame different aspects and highlight issues that could be beneficial, we have short listed following sub-theme as:-

- a) Power-Conventional/Non Conventional/ Renewable etc.
- b) Under water robotics
- c) Development of advance computing system and other software resources for the region

With advance technological development in the above fields, North Bengal can establish its credential as a strong industrial growth region.

Due to its geographical location and demographic diversities, North Bengal is integral part of Sikkim and entire North East India. Development and problems of North Bengal affects a vast region of North East India. So, Focus North Bengal will definitely improve the entire demography of North Eastern India.

Major Programs:

- Recent Trends in Computer Science by Dr. S. Ranbir Singh (Assistant Professor, Computer Science & Engineering, Indian Institute of Technology, Guwahati)
- Hydro Power in North Bengal and Sikkim-Potential and Technology by Prof. R. P. Saini (Head of Hydro Energy System, Indian Institute of Technology Roorkee)
- Under water robotics and mechatronics by Mr. Sambhunath Nandy (Principal Scientist at CSIR-Central Mechanical Engineering Research Institute)
- Forward Looking Energy by Siddhartha Ghoshal (Managing Director, Areva Solar India Pvt. Ltd.)

Prof. R. P. Saini delivering speech

Honorary guests with students and alumni of JGEC

THE JALPAIGURI GOVERNMENT ENGINEERING COLLEGE ALUMNI ASSOCIATION, JALPAIGURI

Address: Jalpaiguri Government Engineering College Campus, P.O. Denguajhar, Dist. Jalpaiguri,
West Bengal, India; Website www.jgecalum.org

ENGINEERING SEMINAR, 7 AUGUST 2014

Theme:

Engineering Innovation, Application and Business Framework

Background:

The purpose of the seminar was to create awareness amongst the students of JGEC regarding application of engineering innovations and practices in business environment. A real life industry situation was also discussed in the seminar. Demand of the industry to an engineer was highlighted, which is most essential for a budding engineer.

Major Programs:

- Leadership, need of the hour by Mr.Partha Moulik (Steel Plant Expert & Advisor)
- Engineering & Basics of Contract Management by Bibhas Bhowmik (Senior Civil & Structural Engineer, ADCO, UAE)
- Droplet and Blob Motion on Mixed-Wettability Surface by Dr. Amaresh Dalal (Assistant Professor, Mechanical Engineering, IIT, Guwahati)
- Bamboo and Bamboo Composite Based Housing System for Disaster Prone Areas by Mr. Amitava Sil (Scientist, IPIRTI)

Respected guests, honorary principal & professors of JGEC, ex-students and present students of JGEC during seminar

THE JALPAIGURI GOVERNMENT ENGINEERING COLLEGE ALUMNI ASSOCIATION, JALPAIGURI

Reg.No:-S/1L/No-70053 of 2010-2011.

Address: Jalpaiguri Government Engineering College Campus, P.O. Denguajhar, Dist. Jalpaiguri,
West Bengal, India; Website www.jgecalum.org

NATIONAL LEVEL SEMINAR, 31 JANUARY 2015

Theme:

Beyond the Boundaries of Engineering Curriculum

Background:

The basic objectives of the seminar are as follows:

- To redefine the nature of basic engineering curriculum, that better address modern social and industry priorities.
- To spread the message for adopting a systemic, research-based approach to innovation and continuous improvement of engineering education, recognizing the importance of diverse approaches to serve the highly diverse technological and economic needs of our society, industry and nation.
- To establish engineering curriculum and practice as a true learned profession

Major Programs:

- Inaugural Speech by Dr. Jyotirmoy Jhampati (Principal, Jalpaiguri Government Engineering College)
- Speech by Mr. Gautam Bhaduri (First Secretary of Alumni Association and Structural, Geotechnical & Retrofitting Consultant)
- Speech by Mr. Asoke K. Laha (President of Indo-American Chamber of Commerce and CEO& President, Interra Information Technologies)
- Speech by Prof. Gautam Biswas (Director, IIT Guwahati)
- Presentation on Jyoti (an educational initiative for under privileged by student of JGEC and Centre for Innovation by students of JGEC)
- Thanks giving by Dr. Amaresh Dalal (Secretary of Alumni Association and Faculty, IIT Guwahati)

Mr. Laha had a meeting with the Principal and present HODs of the institute. Mr. Laha was accompanied by Mr. Debashis Bhattacharya (Head HR, Interra Information Technologies). Mr. Laha attended a press conference as well.

Prof. Gautam Biswas with Respected Professors
of JGEC

Prof. Gautam Biswas delivering speech

Bartaman, 1st February 2015

মার্কিন সংস্থার সঙ্গে গাঁটছড়া বাঁধতে চলেছে জলপাইগুড়ি গভর্নমেন্ট ইঞ্জিনিয়ারিং কলেজ

বিএনএ, জলপাইগুড়ি: একটি মার্কিন সফটওয়্যার সংস্থার সঙ্গে জলপাইগুড়ি গভর্নমেন্ট ইঞ্জিনিয়ারিং কলেজ গাঁটছড়া বাঁধতে চলেছে। পাশাপাশি, কর্মসংস্থান ও আন্তর্জাতিক ক্ষেত্রে মেধা বিকাশের প্রদান ঘটাতে কলেজ কর্তৃপক্ষ রিসার্চ অ্যান্ড ডেভেলপমেন্ট পার্ক (আরডি পার্ক) তৈরির প্রাথমিক কাজকর্ম শুরু করল। শনিবার ইন্দো-আমেরিকান চেম্বার অব কমার্সের সভাপতি তথা ওই সংস্থার এমডি অশোক লাহা সহ দুই সদস্যের প্রতিনিধি দল কলেজের অধ্যক্ষ ও পড়ুয়াদের সঙ্গে একটি কর্মশালায় অংশ নেয়। অধ্যক্ষদের দাবি, আরডি পার্কটি সম্পূর্ণভাবে কার্যকর হলে কলেজের পড়ুয়াদের সামনে কর্মসংস্থানের পথ প্রশস্ত হবে। ইঞ্জিনিয়ারিং পড়ুয়ারা সহজেই আন্তর্জাতিক স্তরে প্রবেশ করতে পারবেন। কর্মশালা শেষে অশোকলাহু বলেন, আমেরিকায় শিল্প ও কারিগরি শিক্ষার প্রযুক্তিগত মেলবন্ধন রয়েছে। ভারতে এই সুযোগ নেই।

জলপাইগুড়ি গভর্নমেন্ট ইঞ্জিনিয়ারিং কলেজের সংস্থার প্রযুক্তিগত মেলবন্ধন ঘটতে চলেছে। আমরা এখনকার মেধাবী ইঞ্জিনিয়ারিং পড়ুয়াদের কাজে লাগাতে পারব। এতে তারা খুব সহজেই আন্তর্জাতিক স্তরে প্রবেশ করতে পারবেন। জলপাইগুড়ি গভর্নমেন্ট ইঞ্জিনিয়ারিং কলেজের অধ্যক্ষ জ্যোতির্ময় রামপতি বলেন, মার্কিন সংস্থার সঙ্গে প্রযুক্তিগত মেলবন্ধনের ফলে আমাদের পড়ুয়াদের মধ্যে বিশেষ দক্ষতা তৈরি হবে। তারা যোগ্যযোগী শিক্ষা লাভ করতে পারবেন। আন্তর্জাতিক স্তরে প্রবেশও সহজ হবে। কলেজের অধ্যাপক ট্রেনিং অ্যান্ড প্রেসমেন্ট অমিতাভ রায় বলেন, আমরা দীর্ঘদিন ধরে কলেজে আরডি পার্ক তৈরির চেষ্টা চালাচ্ছি। অবশেষে আমরা সফল হতে চলেছি। এটি সম্পূর্ণভাবে চালু হলে কারিগরি শিক্ষায় অতুলপূর্ণ সাড়া পড়বে। ইঞ্জিনিয়ারিং কলেজ সূত্রে জানা গিয়েছে, এদিন মার্কিন সংস্থার দুই সদস্য জলপাইগুড়ি ইঞ্জিনিয়ারিং কলেজ কর্তৃপক্ষের সঙ্গে বৈঠক করেন। পরে তারা কলেজের ইঞ্জিনিয়ারিং পড়ুয়াদের নিয়ে একটি কর্মশালা করেন। সেখানে আন্তর্জাতিক স্তরে কর্মসংস্থান, মেধার চাহিদা সহ বিভিন্ন বিষয়ে আলোচনা হয়। উল্লেখ্য, এদিন যে মার্কিন সংস্থাটি এই কলেজের সঙ্গে গাঁটছড়া বাঁধার পদক্ষেপ করল তাদের কলকাতা ও নয়ডায় শাখা রয়েছে। এই প্রথম তারা কোনও ইঞ্জিনিয়ারিং কলেজের সঙ্গে গাঁটছড়া বাঁধতে চলেছে। সংস্থাটি এই কলেজের পড়ুয়া ও বিশেষজ্ঞ অধ্যাপকদের দিয়ে তাদের বিভিন্ন সমস্যার সমাধান করবে। বিশেষজ্ঞদের বক্তব্য, এতে ইঞ্জিনিয়ারিংয়ের পড়ুয়ারা যোগ্যযোগী কারিগরি শিক্ষায় প্রশিক্ষিত হতে পারবেন। তারা রিসার্চও করতে পারবেন। এতে স্বাভাবিকভাবেই পড়ুয়াদের দক্ষতা বৃদ্ধি পাবে। পরিকাঠামো তৈরি হওয়ায় পড়ুয়াদের পক্ষে আন্তর্জাতিক স্তরে কাজ জোটানোও অনেকটা সহজ হবে।

শনিবার জলপাইগুড়ি গভর্নমেন্ট ইঞ্জিনিয়ারিং কলেজে তথা প্রযুক্তি নিয়ে এক সেমিনার অনুষ্ঠিত হয়। নিজস্ব চিত্র

इंजीनियरिंग कॉलेज को 'आरडी पार्क' बनाने का काम शुरू

हरद्वाराल में शामिल प्रतिनिधि।

आमका संसदसदस्य, जलपैगुड़ी : बेवजहानी से अवर्धनीय क्षेत्र में मेधवी छत्रों को बढ़ावा देने के लिए जलपैगुड़ी गवर्नमेंट इंजीनियरिंग कॉलेज में कालेज प्रबंधन ने 'रिसर्च डेवलपमेंट पार्क' का कामकाज शुरू किया। शनिवार को अमेरिका के मास्टरबैच कंपनी के संयुक्त रूप से कारिगरी शिक्षा एवं वृत्तों को लेकर सम्मेलन शुरू हुआ। इस दिन इंडी अमेरिका के अध्यक्ष ऑफ कॉमर्स के अध्यक्ष व मास्टरबैच कंपनी के एग्जीक्यूटिव लारा यल्लेरु डॉ. प्रतिनिधि, गवर्नमेंट इंजीनियरिंग कॉलेज के प्रधान एवं कालेज के विद्यार्थियों को लेकर एक कार्यशाला का आयोजन किया गया। इस अवसर कालेज के प्रधान ने कहा कि अब डॉ. अशोक लहा सह दो सदस्यों के छत्रों को उन्नत करने के लिए हमें मिलेगा। इंडीनियरिंग कॉलेज के छात्रों को आयानी से हमें मदद मिलेगी। कार्यशाला के बाद परकार्यों को अवर्धित करने हुए अशोक लारा ने कहा कि अमेरिका मिलने एवं कारिगरी शिक्षा के क्षेत्र में सम्मेलन स्थानित हुआ है। उन्नी के उल्लेख में यारा आए है। इंडीनियरिंग कॉलेज के प्रधान ज्योतिर्मय रामपति ने कहा कि यह अच्छा विषय है। अमेरिका कंपनी ने हमलोगों के कालेज को चुना है।

ENGINEERING SEMINAR, 8 AUGUST 2015

Theme:

Industrial Gateway for Engineers

Background:

The purpose of the seminar:

- To create awareness amongst the students of JGEC regarding professional environment.
- To discuss journey of experienced achievers to enlighten aspiration of budding professionals
- To highlight new technological trends
- To emphasised importance of computer applications amongst students of different streams

Major Programs:

- Inaugural Speech by Dr. J. Jhampati (Principal, Jalpaiguri Government Engineering College)
- Leading a Journey by Mr. Snehamoy Roy (Ex SBU Head of L&T, Ex President of ABAN Kirloskar & Ex CEO of Lanco Group)
- Cloud Computing and Big Data Analytics by Dr. Saswati Mukherjee, (Professor, Department of Information Science and Technology, Anna University)
- Fundamental of Software Engineering by Mr. Shiladitya Munshi (Adroit Learning Foundation)
- Industry Oriented Application in Computer Science by Dr. Dipak Kole (Associate Professor & Head of Department, Computer Science and Engineering, Jalpaiguri Government Engineering College)

Respected guests, professors of JGEC, ex-students and present students of JGEC during seminar

NATIONAL LEVEL SEMINAR, 06 FEBRUARY 2016

Theme:

Green World

Background:

The purpose of the seminar:

- To create awareness amongst the students of JGEC regarding environment, pollution, technological aspects to control pollution and legal provisions.
- To emphasised importance of greener and cleaner world

Major Programs:

- Inaugural Speech by Dr. Amitava Roy (TPO, Jalpaiguri Government Engineering College)
- Green House Gases by Agnip Karmakar (2016 batch student of JGEC)
- Environmental Laws by Dr. Gangotri Chakraborty (Professor, Depart of Law, North Bengal University)
- Environmental Issues and Industry by Mr. Alope Kumar Basu (NRI Industrialist from Qatar)
- Promotion of Tech Fest Sristi

**THE JALPAIGURI GOVERNMENT ENGINEERING COLLEGE ALUMNI ASSOCIATION,
JALPAIGURI**

Reg.No:-S/1L/No-70053 of 2010-2011.

Address: Jalpaiguri Government Engineering College Campus, P.O. Denguajhar, Dist. Jalpaiguri,
West Bengal, India; Website www.jgecalum.org

WORKSHOP, 07 FEBRUARY 2016

Theme:

Workshop on Leadership for Students of JGEC

Program Detail:

As the JGEC Alumni Association puts effort to add value to the system and enlighten young minds of JGEC to grow for bigger life. The association organized programs to promote leadership qualities of the students of JGEC.

The workshop held on 07 February 2016, at college building.

The planned scope of the workshop was:

- Leadership: An interactive session with students that revolves around the fundamental theme of "Know the Leader inside you"!

Around 100 students of JGEC made the fullest use of the opportunity. Mr. Nirjhar Chakravorti of JGEC 2000 batch facilitated the workshop.

It was a different world away from instruction book, pen or pencil as the sessions delivered fun filled interactive learning.

The program was organized in association with Sristi, Technical Fest of JGEC.

THE JALPAIGURI GOVERNMENT ENGINEERING COLLEGE ALUMNI ASSOCIATION, JALPAIGURI

Address: Jalpaiguri Government Engineering College Campus, P.O. Denguajhar, Dist. Jalpaiguri,
West Bengal, India; Website www.jgecalum.org

WORKSHOP, 06 AUGUST 2016

Theme:

Organizational Behaviourial Aspects

Program Detail:

Engineering is a social science. Looking at its' sociological aspects and challenges engineering are facing as a profession, the alumni association organized the workshop to reinforce some certain skills of the students which can help them to face bigger challenges ahead.

The workshop held on 06 August 2016, at college building.

The planned scope of the workshop were:

- Communication: to highlights some certain areas which may help students to understand the importance of communication, its' barriers and some way out to overcome those barriers.
- Interpersonal Skills: Importance of interpersonal skills and some practices to sharpen the skill.

It was a different world away from instruction book, pen or pencil as the sessions delivered fun filled interactive learning.

ENGINEERING SEMINAR, 07 AUGUST 2016

Theme:

Bridging the Gap

Background:

The purpose of the seminar:

Although India receives 350,000 engineers and 2.5 million university graduates annually as new workforce, at any given time, about five million graduates remain unemployed. A survey done by McKinsey Global Institute demonstrates that multinationals find only 25% of Indian engineers job ready.

The industry, on the other hand, has had its share of challenges in getting their requirements filled. Not only have they degraded their hiring standards in order to be fully staffed, they have established training programs to make new entrants productive. But this situation is untenable because it hampers productivity and there is not a viable model for employers to 'manufacture' their own employees.

While we cannot predict the kind of jobs that would be available in the future, there is no stopping all job aspirants, industry and the education system from preparing for these jobs. Here alumni association plays an important role to add value to the undergraduate students by providing new ideas and direction. The purpose of the seminar was to surface out new areas which is not taught in syllabus, but extremely relevant in today's context.

Major Programs:

- Inaugural Speech by Mr. Partha Moulik (President, Jalpaiguri Government Engineering College Alumni Association)
- Urbanisation in India - Challenges and Way forward by Sourav Majumder (Asian Development Bank, JGEC 2001 batch)
- Awareness about Cryogenics by Mr. Debashish Chatterjee (Founder member of Adcool Trade & Services, JGEC 1995 batch)
- Relationship and its' Importance as social science by Mr. Bramha Dev Sharma (Shell India, JGEC 1980 batch)
- Promotion of Tech Fest Sristi

NATIONAL LEVEL SEMINAR & INTRA COLLEGE INNOVATION CHALLENGE, 18-19 FEBRUARY 2017

Theme:

Intra College Innovation Challenge in association with Centre for Innovation

Purpose:

Science Model Exhibition organized to encourage the young engineering minds to think about innovative solutions beyond the curriculum.

Respected professors of JGEC, senior alumnus including scientist Dr. Promode R Bandyopadhyay were present to discuss about the models presented by students of JGEC.

THE JALPAIGURI GOVERNMENT ENGINEERING COLLEGE ALUMNI ASSOCIATION, JALPAIGURI

Address: Jalpaiguri Government Engineering College Campus, P.O. Denguajhar, Dist. Jalpaiguri, West Bengal, India; Website www.jgecalum.org

Theme:

Bridging the Gap between Engineering Curriculum & Application

Background:

The purpose of the seminar:

The major purpose of the seminar was to create an awareness about the industry situation, entrepreneurship ideas and innovative thinking. Eminent scientist, Dr. Bandyopadhyay encouraged the young minds to think out of the box and excel in real professional life.

Major Programs:

- Inaugural Speech by Mr. Bijoy Chandra Barman (Member of Parliament, Jalpaiguri)
- Mr. Ratan J Bishnu (Chairman & CEO, Associated Toolings India Pvt Ltd.): Trials and Tribulations of Being an Early Engineering Entrepreneur
- Dr. Sukamal Ghosh (Professor-Retd, National Institute of Technology, Durgapur): Manufacturing Technology
- Dr. Promode R Bandyopadhyay (Senior Research Scientist and Technical Program Manager, Naval Undersea Warfare Center, Newport, Rhode Island, USA): Leading the Journey
(Best Academic Award to be provided by Dr. P R Bandyopadhyay to the top two final year students of JGEC)

के खिलाफ थाना में शिकायत दर्ज करवाई गयी है। व्यवसायी ललित करई गयी है।

उच्च शिक्षा का मकसद सिर्फ रोजगार नहीं : डॉ बनर्जी

जलपाईगुड़ी। भारत में उच्च तकनीकी शिक्षा हासिल करने के लिए दायर निर्धारित किया जाना उचित नहीं है। सिर्फ नौकरी पाने की इच्छा के साथ उच्च शिक्षा हासिल करने का नजरिया सही नहीं है। सीवी रमन, जगदीशचंद्र बसु, सत्येंद्रनाथ बोस जैसे वैज्ञानिकों को तरह देशहित में उच्चस्तरीय अनुसंधान के प्रति खुद को समर्पित करना होगा।

उक्त बात अमेरिका न्यूपोर्ट नेवल अंडरसी वेलफेयर सेंटर के सीनियर रिसर्च साइंटिफिक एंड टेक्निकल प्रोग्राम मैनेजर डॉ. प्रमोद रंजन बनर्जी ने कही।

वह शनिवार को जलपाईगुड़ी इंजीनियरिंग कॉलेज एलुमनी एसोसिएशन की ओर से आयोजित व्यवहारिक एवं इंजीनियरिंग शिक्षा के बीच संतु बंधन विषयक सेमिनार को संबोधित कर रहे थे। उन्होंने

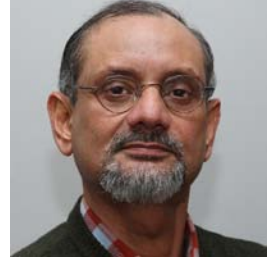

कहा कि भारत की शिक्षा व्यवस्था पठन-पाठन व मौखिक क्रियाकलाप तक सीमित हो गया है। विद्यार्थी निजी कोचिंग सेंटर पर निर्भर हो गए हैं, इस स्थिति से बाहर आना होगा। नौकरी पाने की आकांक्षा के साथ अनुसंधानमूलक कार्य किया जाना चाहिए।

प्रमोद रंजन ने कहा कि भारत में आयुर्वेद, प्राणी विज्ञान, एस्ट्रोनामी पर अनुसंधान का अच्छा कार्य हो रहा है। सीवी रमन युग का अंत होने के बावजूद उच्च स्तरीय अनुसंधान में भारत से नोबेल मिलने की संभावना है। विदेशों में अनुसंधान के काफी काम हो रहे हैं। उन्होंने कहा कि आगामी १०-१५ वर्षों में भारत में तकनीकी शिक्षा में काफी विकास होने की संभावना है। इसके साथ ही रोजगार के अवसर सृजित होंगे। उन्होंने यह भी कहा कि वैश्विक

स्तर पर प्रदूषण बढ़ रहा है। समुद्र में प्लॉस्टिक व तेल काफी मात्रा में पहुंच रहा है। समुद्री मछलियों को जाल के जरिए गलत तरीके से मारा जा रहा है। इसका भौतिक जीवन पर काफी प्रभाव पड़ रहा है। न्यूजीलैंड में तिमि मछली के लुप्त होने का मूल कारण समुद्र का प्रदूषण रहा है।

आयुर्वेद का यहां तेजी से विकास हो रहा है, उसका एकमात्र कारण आदिवासी समाज द्वारा संरक्षित किया गये वन्य क्षेत्र हैं। पेड़-पौधों से दक्षिण भारत में बड़े पैमाने पर दवाइयां तैयार हो रही हैं।

दो दिवसीय राष्ट्रीय सेमिनार में देश के विभिन्न हिस्सों के वैज्ञानिक, कॉलेजों के अध्यापक, जलपाईगुड़ी गवर्नमेंट कॉलेज के छात्र इसमें शामिल हुए हैं। उक्त जानकारी अध्यापक सौपायन मित्र व एलुमनी एसोसिएशन के सभापति पार्थ मौलिक ने दी है।

Dr. Promode R Bandyopadhyay

Dr. Promode R Bandyopadhyay is currently a Senior Research Scientist and Technical Program Manager at the Naval Undersea Warfare Center, Newport, Rhode Island, USA. He was a Program Officer at the Cognitive, Neural and Biomolecular Science and Technology Division of the Human Systems Science and Technology Department of the Office of Naval Research (2000-2002). He was a Post-Doctoral Researcher at Cambridge University Engineering Department and University of Houston.

In 2016, he received the 90th Anniversary Commemorative Special Medal of the Fluids Engineering Division of the ASME. He received the prestigious 2015 ASME Fluids Engineering Award and the 2006 ASME Biennial Freeman Scholar Award. He received the 2007 Department of the Navy Top Navy Scientist Award and the 2006 Naval Sea Systems Command Division Newport Excellence in Science Award. In 1993, he received the NASA Technology Utilization and Application Award.

ENGINEERING SEMINAR & INTRA COLLEGE INNOVATION CHALLENGE, 12-13 AUGUST 2017

Theme:

Bridging the Gap between Engineering Curriculum & Application

Background:

The purpose of the seminar:

The major purpose of the seminar was to create awareness about the organizational behavior, entrepreneurship ideas and innovative thinking.

Major Programs:

(Technological Innovation Challenge, Engineering Seminar & Communication Program on Innovation Thinking & Leadership)

A. 12 August, 2017:

(i) INTRA COLLEGE INNOVATION CHALLENGE

- Inaugural Session

- Speech by Mr. Alope kumar Basu (Voltage Engineering Ltd)

(ii) WORKSHOP ON "INNOVATIVE THINKING"

- Interactive Session in presence of Dr. ChandanHaldar

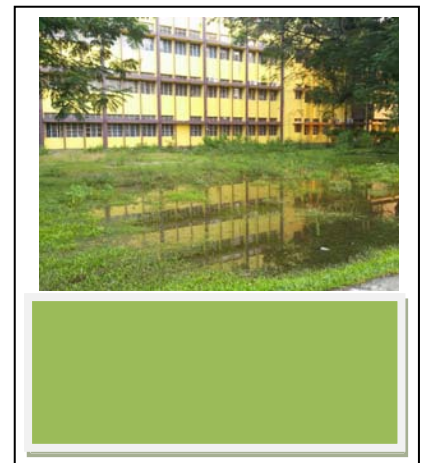

B. 13 Aug, 2017:

(i) ENGINEERING SEMINAR (BRIDGING THE GAP)

- Effective communication by Mr. Debashish Chatterjee (Founder member of Adcool Trade & Services)

- Surviving Convergence by Dr. Chandan Haldar (Founder Member & Managing Director of Morphing Machines, Bangalore)

- Magical mathematics by Prof. Asok Kumar Mallik (Distinguished Professors, IEST, Shibpur)

Dr. Chandan Haldar is the Managing Director and Chief Strategist of Morphing Machines, a deep technology R&D company launched from the Technology Entrepreneurship Center at the Indian Institute of Science at Bangalore in 2005. At Morphing Machines he provides the strategic leadership to the evolution of the path-breaking reconfigurable massively parallel processor architecture and System-on-Chip platform technology named REDEFINE, which is attracting global attention of key customers and researchers recently. Dr. Haldar is also associated with Terra Incognitus Systems Research Alliance, intended to be a niche R&D incubator for building breakthrough open systems and software solutions using advanced research-centric technologies for a variety of applications relevant to India and other emerging markets.

Professor Asok Kumar Mallik obtained his Bachelor and Master's degrees in Mechanical Engineering from Bengal Engineering College, Shibpur in 1967 and 1969, respectively. He continued there as a Teacher-Trainee until 1970, when he joined the Department of Mechanical Engineering at IIT Delhi as a lecturer. In 1971 he moved to IIT Kanpur as a lecturer in the Department of Mechanical Engineering. He obtained his Ph.D from IIT Kanpur in 1973. Between 1982-2009, he was a Professor in the same department. Presently, he came back to West Bengal and associated with his alma mater, IEST Shibpur as distinguished honorary professor.

SCHOLARSHIP SCHEMES

Theme:

Various Scholarship Schemes are provided to help engineering students of JGEC who face hardship and adversity and wish to complete an undergraduate education. The JGEC alumni association also encourage established ex-students of JGEC to promote scholarship for financially challenged students to perform their social responsibilities. The purpose of this scholarships are to help students understand how an achiever can struggle to pursue his dream through education for realisation of his dream and thus to benefit a society. Theme behind this scholarship is to portray the message "Dream is not that what we see during our sleep, Dream is that which does not let us sleep ". Scholarship program has started in the year 2013.

Scholarship Schemes:

As on 31 December 2014, total ten numbers students of JGEC are offered scholarships under following schemes:

- Confident & Professional Personality Scholarship (sponsored by Bibhas Bhowmik, JGEC ex-student batch 1985): INR 20,000 each, for min one or max two numbers 3rd year Civil Engineering students
- Power Engineering Scholarship (sponsored by Premangshu Ghosh, JGEC ex-student batch 1979): INR 18,000 each, for min one or max two numbers 3rd year Electrical Engineering students
- Relief & Support Scholarship (sponsored by Bramha Dev Sharma JGEC ex-student batch 1981): INR 18,000, for one number 3rd year Engineering students of any discipline
- Rama Prasanna Biswas Goodwill Scholarship (sponsored by Mrs. Vaishali Biswas, in memory of her husband Late Rama Prasanna Biswas, JGEC ex-student batch 1981): INR 18,000, for one number 3rd year Mechanical Engineering students
- Souvik Pal Memorial Scholarship (sponsored by Santanu Kumar Pal, JGEC ex-student batch 1989, in memory of his young son Souvik): INR 18,000 each, for one number 1st year & one number 2nd year Engineering students of any discipline

Scholarship Programs:

Every year, Alumni Association organizes scholarship orientation program. Total ten students are selected based on their documented financial and academic records. Face-to-face interview session also arranged to provide career developmental experience to the students.

Also, career development guidance provided to the students during scholarship orientation program.

Winners of Scholarship Schemes:

For 2013, winners of scholarship schemes are:

- Confident & Professional Personality Scholarship: Ritesh Adak and Souvik Biswas
- Power Engineering Scholarship: Buddhadev Sutradhar and Tushar Kanti Saha

For 2014, winners of scholarship schemes are:

- Confident & Professional Personality Scholarship: Kaustav Misra and Suman Kumar Maity
- Power Engineering Scholarship: Suvadip Roy and Bappadityo Goswami
- Relief & Support Scholarship: Md. Ashikul Islam
- Rama Prasanna Biswas Goodwill Scholarship: Avik Roy
- Souvik Pal Memorial Scholarship: Rajdeep Sahoo and Kundan Kunar Roy

For 2015, winners of scholarship schemes are:

- Confident & Professional Personality Scholarship: Shrea Dhar and Archishman Bhattacharya
- Power Engineering Scholarship: Sk Saddam Hossain and Debasis Ghosh
- Relief & Support Scholarship: Subhadeep Pandit
- Rama Prasanna Biswas Goodwill Scholarship: Biswajit Ghosh
- Souvik Pal Memorial Scholarship: Bishal Kanrar and Manish Ch Baranwal

For 2016, winners of scholarship schemes are:

- Confident & Professional Personality Scholarship: Achin Chatterjee and Subhendu Mahata
- Power Engineering Scholarship: Arpita Kundu and Amit Das
- Relief & Support Scholarship: Anik Manik
- Rama Prasanna Biswas Goodwill Scholarship: Tuhin Ghosh
- Souvik Pal Memorial Scholarship: Rafikul Islam and Ankita Khan
- Mr. Dhananjay & Mrs. Suchitra Saha Endowed Scholarship: Snehanjali Majumder and Rohit Agarwal

For 2017, winners of scholarship schemes are:

- Confident & Professional Personality Scholarship: Rajesh Kumar Mahato
- Power Engineering Scholarship: Aditi Chakraborty
- Relief & Support Scholarship: Rafikul Islam
- Rama Prasanna Biswas Goodwill Scholarship: Monoranjan Mondal
- Souvik Pal Memorial Scholarship: Vaibhav Shaw and Somenath Sen
- Mr. Dhananjay & Mrs. Suchitra Saha Endowed Scholarship: Rohit Kumar Agarwal and Sumanta Ghosh

VALUE BASED STUDENT CENTRIC ACTIVITIES

SPORTING EVENTS

Theme:

“ El Euipo” Trophy for The Cricketers of JGEC (sponsored by Shantanu Choudhury and Sanjoy Sarkar, JGEC ex-student batch 1997): This trophy is given to inter class cricket tournament winner team of JGEC from 2015 onwards.

All forms of sports play an important part in developing the personality of an individual. Team sports, like cricket are always special. Other than its physical fitness element, there are numerous facets that help shape up the individual. It helps in encouraging team spirit, competitiveness, leadership, acting under pressure, understanding each other’s strength which at a professional level goes a long way to for the success of all individuals. Above all it is all about the fun together which we would talk about for years to come.

For 2015, winners of “ El Euipo” Trophy are: Second Year Students of JGEC won the trophy by defeating Fourth Year Students

CLEAN HOSTEL DRIVE

17 September 2016

Students of JGEC, in association with Alumni association have started an initiative of Clean Hostel Drive. On 17th September, 2016, the process has been started at Hostel No. 4 with the leadership of present third year students. The target is to influence entire JGEC community to make JGEC campus cleaner, make hostels cleaner and spread awareness about general health & hygiene.

CLEAN HOSTEL DRIVE

26 January 2017

Students of JGEC, in association with Alumni association participated in an initiative of Clean Hostel Drive on 26th January 2017. It was an unique way to celebrate Republic Day of India.

Alumni Association is sincerely thankful to college authority to provide permission to carry out such noble initiative.

PROMOTING STUDENTS TO PARTICIPATE IN NATIONAL PLATFORM

Sponsor JGEC Student at Comsol Conference 2014: The COMSOL Conference 2014 Bangalore gathered engineers from a broad spectrum of industries to unveil state-of-the-art achievements in multiphysics simulation. Rohit Bogi (present final year student of JGEC) was selected in that conference to deliver lecture on "A Study on Uniformity of a Magnet". Alumni Association arranged sponsor for Rohit to attend that seminar. JGEC 2000 passout, Kausik Bishayee and Mr. Premangshu Ghosh had come forward to ensure Rohit's presence in that prestigious seminar. The combined technical and social aspects of the Conference guaranteed an informative and enjoyable experience for a budding engineer like Rohit Bogi.

EMPOWERING STUDENTS TO FACE SOCIAL CHALLENGES

In 2016 & 2017, one need based scholarship provided to Rajesh Biswas (20117 batch) who was facing financial challenge to provide his tuition fees and running academic activities.

CONSTRUCTION OF CONVENTION CENTRE, "KANCHENJUNGA"

Background:

Alumni Association acquired a land inside the campus (near college workshop), where a convention centre (named Kanchenjunga: Alumni House, along with seminar & conference hall, meeting room and reading room) will be built with a noble mission and vision. The whole purpose is to add value to the campus, where an effective alumni establishment can showcase a high degree of alumni & campus connections.
