FIRE SAFETY

You can trust

At Intercoat, we know that safety comes first—especially in environments where fire resistance is essential. Since 1974, we’ve been at the forefront of developing advanced fire-rated paints and coatings designed to offer superior protection and peace of mind. Our innovative solutions meet stringent safety standards, enhancing the resilience of various surfaces against fire hazards.

Protect with confidence—choose Intercoat for trusted fire-rated coatings.

REGISTERED WASTE PAINT Removal & Carriers

**CERTIFIED WASTE STATION WITH
NATIONWIDE COLLECTION &
EXPERT WASTE MANAGEMENT
SERVICES**

UNCOMPROMISED Quality & Control

**WE ARE COMMITTED TO DELIVERING
PRODUCTS OF THE HIGHEST QUALITY.
EVERY COATING WE MANUFACTURE
UNDERGOES RIGOROUS TESTING
TO ENSURE IT MEETS THE
STRICTEST INDUSTRY STANDARDS.**

Paints and coatings do more than add colour—they protect surfaces, enhance durability, and ensure a flawless finish.

That's why we uphold the highest standards at every stage of production. From formulation to final inspection, each product undergoes rigorous testing to ensure consistency, performance, and reliability.

Every batch must pass our strict quality checks before it reaches you, guaranteeing superior results every time.
