DECLARATION OF PERFORMANCE, NRO: M-2013/1

1. Unique identification code of the product type:
Vacuum drain valves Merika 100, 107, 107L
2. Type and identification markings:
Vacuum drain valve Merika 100, Vacuum drain valve 107, Vacuum drain valve Merika 107L
3. Inteded use:
A valve for removing vacuum in a drain
4. Manufacturer:
Meriser Oy, MERIKA, Kauppatie 2, 29900 Merikarvia, merika@meriser.fi, www.merika.fi
5. Assessment and Verification of Constancy of Performance of construction product:
System of AVCP: 4
6. Harmonized product standard EN 12380, initial testing performed by: **VTT Expert Services Oy**
7. Declared performance levels

Basic feature	Performance level		Harmonized technical specification
	Merika 100	Merika 107, 107L	
Type	A II	B II	EN 12380:2002
Airflow with a vacuum of 250 Pa	10,5 l/s	40/36 l/s	
Water tightness	30/500/10000 Pa	30/500 Pa	
Temperature range	0 °C + 60 °C	0 °C + 60° C	
Operation at temperatures below 0° C	NPD	NPD	

8. The performance of the product identified in points 1 and 2 is in conformity with the declared performance in point 7. This declaration of performance is issued under the sole responsibility of the manufacturer identified in point 4.

Signed for and on behalf of the manufacturer by:

Pasi Kuusinen, Chief Technical Officer

Merikarvia 10.6.2013
