Has obtained **EC TYPE EXAMINATION INSPECTION CERTIFICATION**, in compliance with what is stated in Directive 89/686/EEC and in agreement with the applicable test procedures according to standards *UNE-EN 340:2004* and *EN ISO 13688:2013* General requirements, *UNE-EN ISO 11612:2010* partial protection against thermal risks of limited flame spread (A1), convective heat (B1), radiant heat (C1), *UNE-EN 15614:2007* (A1) partial protection against thermal risk in activities to combat forest fires and *UNE-EN 1149-5:2008* partial protection against static charge accumulation in compliance with *UNE-EN 1149-3:2004*, having attained the levels of provision specified in **TEST REPORT Nº2015CO0946** and in **PPE'S TECHNICAL DOCUMENTATION**.

Said certification is valid for the following articles:

PPE TYPE “ARCPROTECT + FR” destined to the protection of the user neck, for partial protection against thermal risks of limited flame spread, convective heat, radiant heat, partial protection against thermal risk in activities to combat forest fires and partial protection against static charge accumulation.

Manufactured by: ORIGINAL BUFF,S.A

PPE DESCRIPTION:

Knitted garment, grey and white color. The garment is formed by only one piece with tubular form. Its dimensions are 56 cm length per 26 cm wide.

The materials that form the PPE, are described in the test report nº 2014CO0946.

It shall be the manufacturer's sole responsibility to furnish specific information pertaining to this certificate and the tested levels of protection.
