

MDEM JOINED THE ROUND TABLE

“Sharing a Sustainable Future: Economy of the Ukrainian Maritime Cluster”

On May 28, MDEM joined the Round table “Sharing a Sustainable Future: Economy of the Ukrainian Maritime Cluster”. The event was organized by Team Europe Mykolaiv, with the support of the EU Delegation to Ukraine, EuroQuiz, Ukrainian Maritime Cluster, Mykolaiv Regional Business Support Center and confined to the annual European Maritime Day.

The event involved the procedure of official admission to the Ukrainian Maritime Cluster of Ukraine of companies and organizations, which have received certificates of membership, including MDEM.

The speeches of the Round table participants focused on EU «blue» economy development, digital infrastructure of industrial enterprises, best practices of education and industrial policy, programs for the digital economy of the EU region development and

others; also participants exchanged views on the development of the maritime sector, international cooperation and partnership.

UMC Executive Director presented a report on the Cluster activities, strategy and priority development projects to discussion.
