

Insurtech startup: Working student – Marketing, Sales & Corporate development

Work start: as soon as possible, 40 - 60%

About the company

TONI is an insurtech startup, that offers a fully digital insurance offering as a white-label solution. Our slogan “Make insurance simple” underlines our approach to focus on today's customer requirements by offering a fully digitized and automated insurance solution. Our white-label approach allows us to leverage the brand of large established institutions and to quickly gain access to a large amount of private clients as well as to be able to offer insurance solutions inside unique eco-systems. We are the company behind Migros Insurance or PostFinance Insurance. Our mission is to disturb the insurance market. TONI is based at Bellevue in Zurich.

About the role

In this role, you will support the CEO and the Head of Corporate Development in different tasks and projects such as:

- Support in several business development projects (for example pitch creation)
- Maintain our Sales KPI reports
- Conduct analysis of data sets & derive recommendations for business decisions
- Support in different marketing & communication activities
- Optimize existing processes Your work is essential for the success of our company and you hence have a direct impact on helping TONI on our mission to redefine the Swiss insurance market.

The following experience is required

- Advanced university studies (at least four semesters successfully completed) in Business or Economics
- Work experience and / or extracurricular activities are a plus
- Have an analytic and strategic mindset
- Very good Microsoft Office skills
- Comfortable in a fast moving, fluid environment
- Language: German / English
