CHÂTEAU OF VIBRAC

GRAND COGNAC (FRANCE)

♦ARTAGNANS x ADOPTE UN CHÂTEAU

WELCOME TO THIS EXTRAORDINARY ADVENTURE!

Congratulations! Thanks to this box, you are minutes away from becoming a castellan-farmer and proud owner of a share of the castle of Vibrac! Château de Vibrac is the 3rd château to have been rescued through a crowdfunded castle buyout, a concept developed by the Dartagnans start-up and the Adopte un château NGO. By becoming a castellan-farmer, you are a pioneer of a citizen model for safeguarding endangered heritage. You are now part of a large international community tens of thousands strong, hailing from 125 countries. This 13th century ruined castle is set in the heart of the Grand Cognac region on an archipelago of three islands, on the banks of the Charente river. Its revival starts now, thanks to you. The rehabilitation project of the castle and its 12-acre estate will focus on the restoration of the building, the creation of permaculture-based potager garden and the construction of eco-responsible huts. Find out more of the project at www.dartagnans.fr

A CULTIVATED PLOT BEARING YOUR NAME.

As a castellan-farmer, your name will also be featured on a plot of the permaculture vegetable garden. The allocation of plots will be done randomly; yours may therefore grow lemon caviar or old vegetables such as tree onion, parsnip chervil or vitelotte potato. A large sign at the entrance to the site will tell you where your plot is.

WHAT ARE MY PRIVILEGES AS A CASTELLAN-FARMER?

You are entitled to a free entrance for life in your castle (applicable during the regular opening periods). You will also participate in the major collective decisions, and in our famous volunteer workcamps that will help to revive the castle and its estate.

HOW CAN I BECOME A CASTELLAN-FARMER?

- 1 If you already have an account at www.dartagnans.fr, please login with your existing credentials. If you do not have an account at www.dartagnans.fr, register a new account - it will only take a couple of minutes.
- 2 Go to the website www.mapartduchateau.com and follow the steps to register the card number inside your box. Once done, you will then receive project updates on the email address linked to your dartagnans.fr account.
- 3 When the company that owns 100% of the château is created, you are entitled to the option of becoming a shareholder by paying a symbolic €1 per share. The full procedure will be sent to you by email once the company has been created. In order to speed up the process right now, you can already upload the 2 supporting ID documents necessary in the "ID documents" section of your dartagnans.fr profile.

FAQ

Can I gift the box to a relative (including a minor)?

Of course. The recipient will then have to create an account on www.dartagnans.fr and register their card by following the procedure above.

In the case of a minor, it is the legal representative (usually one of the child's parents) who must create an account and follow the above procedure. When the company is created and upon entry into the capital, the legal representative will be able to purchase the €1 share on behalf of their child. An email detailing the procedure will be sent at that time.

Is it mandatory to register the box?

Yes. Only a box registered through the above process will grant its bearer the title and privileges of a castellan-farmer and the ability to claim a €1 share of the company owning the Château de Vibrac.
