

EducationAgency

EducationAgency is a registered Canadian international education service provider, whose mission is to use education as a tool to improve personal and collective wellbeing and prosperity. We strive to achieve our mission by connecting students to educational institutions globally. Our passion is to support students to pursue their dreams of studying abroad - because we believe that investing in people is the most important and most rewarding investment. Our purpose is to affirm that **everyone has a purpose and a future worth supporting.**

WHY CHOOSE US

ADMISSION AND IMMIGRATION SUPPORT

Our admission and immigration experts will provide exceptional service, making the visa application process and experience easier for students and their families. Our consultants and experts can get applications submitted correctly the first time, meaning that students have the greatest chance of success, and their application is optimized correctly.

GLOBAL PARTNERSHIPS

We offer a one stop solution to students willing to pursue education abroad – through partnerships with and access to over 1800 institutions and immigration and settlement agencies globally.

With recruitment officers, advisors, and consultants in different regions of the world, we can connect students with educational institutions in [Canada](#) | [United States](#) | [United Kingdom](#) | [Australia](#) | [Cyprus](#) | [Egypt](#) | [Ghana](#) | [Jamaica](#)

OUR SERVICES

Admission Counseling

We offer personalized services that support students with their unique needs. We match students with educational institutions that will help them achieve their dream.

Visa and Immigration Services

In addition to matching suitable students with educational institutions, we also help applicants and their families with their visa and immigration services needs.

Pre-departure support

We provide trainings and resources to students and their families that helps set expectations right about the local culture, weather, politics etc.

Settlement Services

Our settlement and integration experts have many years of experience helping newcomers settle and integrate faster and easier into their new community.

Other services

EXPERIENCED STAFF

Our service experts will provide exceptional service, making your visa application process and experience easier. We can get your application submitted correctly the first time, meaning that you have the greatest chance of success, and your application is optimized correctly.

Our settlement and integration experts have many years of experience helping newcomers settle faster and easier. They can be your first connection for information about your new community, services, referrals and supports available for you. Our settlement and integration services may include helping with housing, banking, healthcare, employment, education for children, legal, daily life, etc.

We are committed to making sure you are not alone as you settle and integrate into Canadian society.
