

GAMMA & TECH 2026

5th November, 2026
@ Oriental Hotel, Lagos

**GLOBAL AVIATION, MARITIME &
MOBILITY ACCESS & TECH SUMMIT
2026**

Organized By:
Aspire West Africa
In Partnership with ELIAD (Entrepreneurs & Leadership Initiative for
African Development)

AFRICA'S INTEGRATED TRANSPORT MEETING

JOIN IN LEADING THE CONVERSATION

Uniting Africa's Transport Decision-Makers

GAMMAT brings together ministers, regulators, CEOs, investors, operators, airport authorities, seaport leaders, logistics companies, and infrastructure developers under one influential platform.

This creates cross-sector opportunities for investment, policy alignment, and strategic partnerships.

A Platform for Policy, Deals & Partnerships!

GAMMAT 2026 is designed as a deal-making and strategic engagement platform where:

- Governments meet investors
- Infrastructure projects gain visibility
- Operators secure partnerships
- Technology providers showcase solutions
- Stakeholders shape the future of African mobility
- Driving Africa's Connectivity Agenda
- The summit supports:
 - Intra-African trade
 - AfCFTA implementation
 - Regional integration
 - Aviation expansion
 - Port modernization
 - Smart mobility innovation
 - Cargo and logistics efficiency
 - Sustainable transport systems

The summit convenes Ministers, regulators, investors, CEOs, development institutions, policymakers, logistics leaders, and infrastructure stakeholders to shape the future of Africa's integrated transport ecosystem.

GAMMAT CONNECT ECOSYSTEMS

AFRICA'S FUTURE DEPENDS ON CONNECTIVITY

Africa cannot compete globally without integrated transport systems.

GAMMA 2026 creates the executive platform where:

- transport
- trade
- logistics
- infrastructure
- investment
- mobility
- technology

...converge to drive economic competitiveness and continental growth.

KEY OBJECTIVES

- **DRIVE TRANSPORT INTEGRATION**

Connect aviation, maritime, rail, road, logistics, and mobility ecosystems.

- **FACILITATE INVESTMENT**

Promote investment opportunities across transport and infrastructure sectors.

- **SHAPE POLICY CONVERSATIONS**

Create executive dialogue between governments, regulators, and private sector stakeholders.

- **ADVANCE TRADE COMPETITIVENESS**

Strengthen logistics efficiency and continental connectivity.

- **CREATE STRATEGIC PARTNERSHIPS**

Enable cross-sector collaboration and business engagement.

WHO ATTENDS

- **GOVERNMENT & REGULATORS**

Ministers, Aviation Authorities, Maritime Regulators, Transport Agencies, Trade Institutions

- **PRIVATE SECTOR**

Airlines, Ports & Shipping Firms, Logistics Companies, Infrastructure Companies, Technology Firms, Financial Institutions

- **INVESTORS & DEVELOPMENT PARTNERS**
