

BLACK SERIES GTX

KIT DUFFLE-BACKPACK

OEL™

The OEL Worldwide Industries Black Series GTX Kit Duffle-Backpack is a professional-grade, hybrid gear bag engineered from waterproof, PVC-1680D fabric for extreme durability in any environment. This lightweight 24" x 15" x 12" kit bag features a versatile design that transitions seamlessly from a duffel to carry-on with integrated backpack straps, while an internal partition divider and built-in airflow vents ensure your equipment stays organized and ventilated. Built for those who require rugged, weather-resistant performance without the bulk, the Black Series GTX Kit Duffle-Backpack delivers elite protection and functionality in a sleek, high-end package.
