Dear Parents/Guardians,

We are excited to share the details of our school bus service for the upcoming school year. Ensuring a smooth and safe experience for all students is our top priority. This document provides essential information about our school bus services, including safety guidelines, contact information, and important procedures to follow. Please review this information carefully to help us maintain a safe and efficient transportation system for all students.

SERVICE OVERVIEW

The school offers bus transportation services to students from Monday to Friday within Abu Dhabi Island only. Complying with the Integrated Transport Centre and ADEK regulations, under normal conditions, student bus routes shall not exceed 60 minutes from the starting point to the final destination.

The approved school bus fee is AED 5,000 for the entire academic year, covering a seat reservation regardless of usage period, duration, or the number of trips taken.

REGISTRATION PROCESS

Parents must fill out and sign the Bus Registration Form and Parent Undertaking Form. The bus coordinator will then contact parents to confirm service availability and request payment of bus fees. Once payment is made, the bus service provider will need 48 hours to update student information in the Salama System before the student can start using the bus service.

ADDRESS CHANGES AND SERVICE AVAILABILITY

In case of an address change that falls outside the current bus route or increases travel times contrary to the school transportation rules, or if no seats are available in another bus within the new route, the school reserves the right to suspend the bus service. Refunds will be processed according to the ADEK/School refund policy.
