Attend Today, Achieve Tomorrow

#schooleveryday

Attendance and Punctuality

- We have high expectations regarding attendance and punctuality
- Regular school attendance is crucial in ensuring that every child can have full access to the school curriculum and reach their potential
- It is better to come late to school than not to come at all
- Please contact the class teacher via Seesaw or phone the school office to inform us of an absence
- Attendance is closely monitored throughout the year

©Attendance Works

Attend Today, Achieve Tomorrow

#schooleveryday

100%	0 days Missed
95%	9 days of Absence. 1 week and 4 days of learning missed
90%	19 days of Absence. 3 weeks and 4 days of learning missed
85%	28 days of Absence. 5 weeks and 3 days of learning missed
80%	38 days of Absence. 7 weeks and 3 days of learning missed
75%	46 days of Absence. 9 weeks and 1 day of learning missed

School Uniform

- Promotes the ethos of our school – responsibility, respect, diligence
- Provides a sense of belonging, self-confidence and pride
- Sets an appropriate tone for education
- Develops good relationships, behaviour and learning

<https://www.eani.org.uk/financial-help/free-school-meals-uniform-grants/apply-for-free-school-meals-uniform-grants>

School Uniform

- School jumper, white polo-shirt, grey trousers/skirt, grey socks/tights and black shoes
- Summer: Pink summer dress/white socks (girls), grey shorts (boys)
- Jewellery - Stud earrings and watches only. No jewellery if swimming
- All items of school uniform should be labelled to avoid unnecessary confusion
- Children can wear PE uniform to school on PE days (2 days per week): black shorts/tracksuits/leggings, white t-shirt/polo shirt and PE fleece/school jumper
- Children can wear trainers to school on Adventure Playground Day
- Tie hair back if long

Healthy Eating

- We ask all parents / carers to support our ethos of being a Health Promoting School and provide a healthy snack and lunch for your child
- Crisps, fizzy drinks, chocolate, sweets and anything containing nuts should not be sent into school as a number of children have nut allergies
- Children are encouraged to bring a bottle of water to drink during the day. Water bottle can be refilled from a chilled water supply in school

Special Educational Needs

- The welfare of your child's education is very important. If you are concerned about the progress of your child or any other matter, you are very welcome to contact the school to discuss with the Principal, Vice Principal, SENCO and/or Class Teacher
- Mrs Craig Special Educational Needs Coordinator (SENCO)
- She oversees the implementation of Individual Education Plans (IEPs) for children with additional needs
- Mrs Craig liaises with outside support agencies including Regional Integrated Support Education in NI (RISE), Speech and Language and Educational Psychology
- Any concerns about your child please make contact via Seesaw or the office

Child Protection Procedures

If you have a potential child protection concern

The Preventative Curriculum

We use the term *preventative curriculum* to describe:

- What we do to keep the children **safe**
- What the children are **learning** about to help their personal and emotional development, including health, wellbeing and safety, and relationships
- The **knowledge and information** the children are given to help them stay safe and develop healthy relationships, beliefs and attitudes as they grow up

Our Preventative Curriculum provides pupils with the skills, attributes, attitudes and resilience necessary to live successfully and positively in society. Pupil wellbeing is at the heart of all learning that takes place at St Bernard's.

Take 5 School – Level 3 Accreditation

We know when we are mentally and physically well but sometimes we need a little extra support.

Here are five simple steps to practise every day:

- Connect**
Connect with the people around you: family, friends, colleagues and neighbours at home, work, school or in your local community. Think of these relationships as the cornerstones of your life and spend time developing them. Building these connections will support and enrich you every day.
- Be active**
Go for a walk or run, cycle, play a game, garden or dance. Exercising makes you feel good. Most importantly, discover a physical activity that you enjoy; one that suits your level of mobility and fitness.
- Take notice**
Stop, pause, or take a moment to look around you. What can you see, feel, smell or even taste? Look for beautiful, new, unusual or extraordinary things in your everyday life and think about how that makes you feel.
- Keep learning**
Don't be afraid to try something new, rediscover an old hobby or sign up for a course. Take on a different responsibility, fix a bike, learn to play an instrument or how to cook your favourite food. Set a challenge you will enjoy. Learning new things will make you more confident, as well as being fun to do.
- Give**
Do something nice for a friend or stranger, thank someone, smile, volunteer your time or consider joining a community group. Look out as well as in. Seeing yourself and your happiness linked to the wider community can be incredibly rewarding and will create connections with the people around you.

creativity*

Online Safety

Online safety means acting and staying safe when using digital technologies.

It is wider than simply internet technology and includes electronic communication via text messages, social environments and apps, and using games consoles through any digital device.

Friends of St Bernard's

Parent Support Group Annual General Meeting

**WEDNESDAY 18TH SEPTEMBER
7.30pm
SCHOOL ASSEMBLY HALL**

The PSG would like to welcome new members to support the school through fundraising events that provide much needed funds for resources and equipment, as well as various volunteering roles.

It is a great opportunity for parents to get to know one another and contribute to the school life of their child.

We usually hold meetings once every half term and if you feel you can contribute in some way, we would really love your support.

Friends of St Bernard's

What kind of things might I be expected to do if I join?

- Organise and run fundraising events – raffles, fairs
- Help out at events within the life of the school – school trips, serve tea/coffee at special events
- Perhaps you work for a company that can offer benefits such as raffle prizes, discounts on refreshments or access to a local facility?
- Maybe you'd like to sponsor our PTA
- One meeting per half term

If you have an idea of what you'd like to do, or skills you can offer, we'd love to hear from you!

**you scan,
we DONATE
££s TO
SCHOOLS.**

This offer is available from 2nd September to 30th November.

HOW DOES IT WORK?

We've teamed up with Joe Wicks to support UK primary schools through Cashpot for Schools.

Opt-in and we'll donate 0.5% of your total shop* to your chosen primary school. This doesn't affect your personal Cashpot earnings.

Plus, we'll give them an extra £1 for every customer who chooses them!

*Min spend £2, excludes George.com. T&Cs apply.

Asda has introduced a new initiative to support local schools by raising funds.

By selecting the "Cashpot for Schools" option in your Asda Rewards app, 0.5% of your total shopping* will be donated to the school of your choice.

We kindly ask that you choose our school when shopping and use your rewards card at checkout.

Please also share this with friends and family to help us raise as much as possible for our school.

Friends of St Bernard's

What will I get out of being on the PTA?

- Meet parents from other year groups
- Meet the teachers in a less formal setting
- Widen your outlook and see the school from a different angle
- Make new friends by working alongside members of your community
- Learn new skills and increase your self-confidence
- The satisfaction of knowing you've made a contribution
- The knowledge that you've helped make the school you chose an even better place

Developing a Vision/Mission

Vision

What is it that we want for the children in our school?

A vision is the core purpose of the school, an aspiration, the hopes for the pupils in your care. The school's vision statement focuses on tomorrow and what we want to become.

To create a supportive and inclusive environment, where every child feels valued, encouraged and empowered to succeed in a changing world.

To nurture each child and family, inspiring them to flourish socially, emotionally, spiritually and academically.

To nurture, challenge and empower our children, fostering a spiritual and supportive environment where every child can thrive and reach their full potential.

Mission

The mission statement focuses on today and what you do as a school, what you are about, and how you plan to make your vision a reality.

We promote a learning environment grounded in Catholic values, where the teachings of Christ inspire and guide all aspects of school life.

We are a caring, Christian community where every child is valued and respected in an environment which celebrates diversity, nurtures talents and recognises the achievements of all.

We are committed to fostering a love of learning guided by our Catholic values.

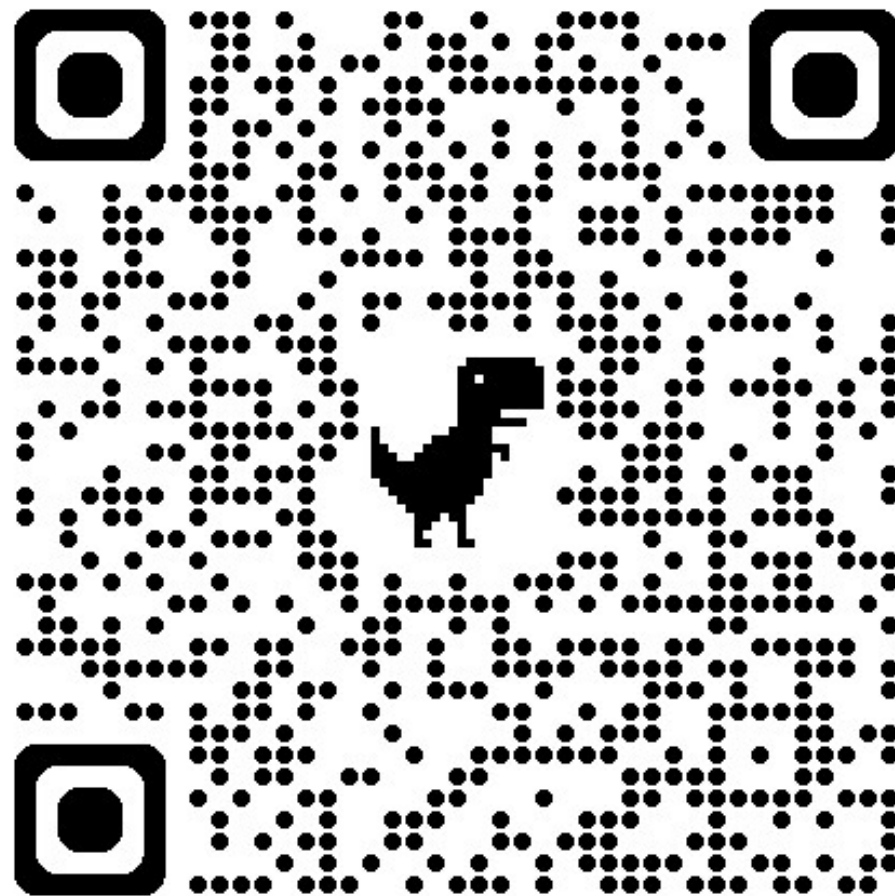

We are a caring, Catholic community, committed to inclusion, innovation and inspiration.

Mission

The **mission** statement focuses on today and what you do as a school, what you are about, and how you plan to make your vision a reality.

Core Values that Represent St Bernard's

Vision is a manifestation of values. Vision makes values real.

Matthew R. Fairholm, Putting
Your Values to Work

Our values are the principles for living that we take seriously enough to practice.

Amy Bailey, Liz Stubbs,
Maximize Your Values

Values are like lighthouses; they are signals giving us direction, meaning, and purpose.

Community of Learners

A community of learners can be defined as a group of people who share values and beliefs and who actively engage in learning from one another.

Every CHILD
Department
of Education's
Corporate Plan
2023-28

Our Vision

Every child and young person is happy, learning and succeeding

Our Values

All in the Department of Education seek to uphold the Northern Ireland Civil Service values of:

Integrity;
Honesty;
Objectivity; and
Impartiality

- ✓ be polite to others
- ✓ act as positive role models
- ✓ recognise and respect personal differences
- ✓ use the school's communication process to address concerns
- ✓ ensure your child attends school ready to learn
- ✓ recognise every student is important to us
- ✓ contribute to a positive school culture
- ✓ work together with staff to resolve issues or concerns
- ✓ respect people's privacy.

**It is good to know we have
your support in everything we
do!**
