

slush machine

For frozen pleasures

Enjoy a homemade frozen treat with the GRT60 slush machine from H.Koenig. With a 1-liter capacity and energy-efficient 20W power, this slush machine quickly prepares your favorite drinks into slushies.

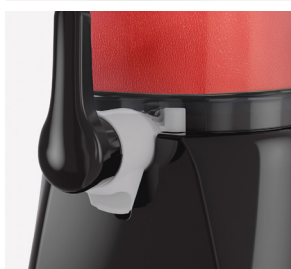

Ideal for making homemade slushies, it easily transforms syrups, fruit juices, or sodas into delicious icy drinks. Easy to use and compact, the GRT60 slush machine allows you to vary the flavors and innovate with your own slushie recipes.

Perfect for cooling down on summer days, it is also ideal for events and social gatherings.

With the H.Koenig GRT60 slush machine, make every moment a moment of freshness and icy pleasure.
