

HKoenig

slush machine

For frozen pleasures

Enjoy every moment with the SLH800 slush machine from H.Koenig. Slushies, milkshakes, iced coffees, frozen cocktails or chilled wines: with its 5 preparation modes and generous 2.5 litre capacity, the SLH800 adapts to all your daily cravings, whether with family or friends. Add your ingredients and press start; your slushie is ready in moments. Three steps, zero effort: fill, start, enjoy. Thanks to its 220 W power, enjoy homemade slushies with the perfect texture in just 20 to 35 minutes.

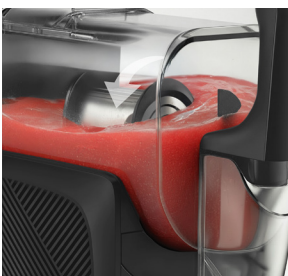

This machine transforms your favourite drinks into delicious slushies whilst preserving their authentic flavours. A simple press of the touch panel lets you achieve the ideal consistency to suit your taste. Adjust the texture to suit your creations, from a light to a generous slush. Syrups, fruit juices, coffees, wines or soft drinks: give free rein to your creativity and create recipes that reflect your personality.

Designed for easy everyday use, the SLH800 features a self-cleaning function, a removable dishwasher-safe bowl and a keep-cool function to ensure your drinks stay at the right temperature until the last glass. The intuitive touch panel and integrated child lock make it a simple and safe appliance that the whole family can use with complete peace of mind. Make every moment of the day a refreshing and sweet break with the SLH800.
