

portable cordless mini blender

Prepare your take
away smoothies

Prepare your smoothies, fresh juices, or protein drinks wherever you go with the MOOTH9. Compact and cordless, it's the perfect companion for all your travels.

Equipped with six stainless steel blades and a powerful 110W motor, it effortlessly blends fruits and other ingredients into smooth, delicious drinks in just moments. Its rechargeable battery fully charges in 3.5 hours using the included USB-C cable, while the waterproof charging port ensures safe and worry-free use.

Designed for everyday convenience, the MOOTH9 features a built-in drinking spout, a carrying handle, a non-slip base, and dishwasher-safe components for quick and easy cleaning. Available in multiple colors, it complements every style and preference.

The MOOTH9 is the ideal portable mini blender for enjoying fresh drinks anytime, anywhere.
