

## NIGERIAN JOURNAL OF ENGINEERING RESEARCH UNICROSS COPYRIGHT TRANSFER FORM

We submit our article for publication and accept the following terms as the author(s) of the article entitled

“ .....

” Offered online through the NJERU system

1. The form has to be signed by the corresponding author. All authors should sign the form. In case the signatures cannot be obtained due to the inability to reach the other author/authors, the correspondence author accepts the responsibility of the related author/authors.
2. This submitted article has not been published elsewhere or is currently under review in any journal for publication.
3. This presented article has not been published as a full text in any meeting (Congress, symposium, workshop, etc.) before. If such a situation is detected, we accept the rejection of our article under evaluation and the retracted process of our published article.
4. All authors mentioned in the article have seen and approved the submitted article. The journal is not responsible for problems such as the order of names that may occur between the authors.
5. The article has been prepared in accordance with the spelling rules specified by the journal.
6. As the author(s) of the article, we accept that we have waived the copyright of the article and transferred this right to the journal and authorized the journal to publish the article.
7. We accept that all text, figures, graphics, photographs and charts given in the article belong to the authors of the article, any information received from other researchers is done by showing the source within the framework of ethical rules, and the article author(s) is responsible for any issue that constitutes an ethical crime.
8. We agree that we will not retract our article that has passed the pre-check stage.
9. Articles sent to the journal are published in the order of the editor's preferences, not in the order they are received. We accept this situation.
