WHO WE ARE

Headquartered in Pune, Ajit Construction brings over 24 years of construction experience. We are privileged to have a reputation for delivering unique and safe projects in complete conformity with industry and government standards, ahead of schedule and on budget. Over the last two decades, we have realized that the key to the success of every project is understanding the exact requirements and expectations of the clients and then exceeding those expectations. Over the years, the kind of success and recognition that we have received have been overwhelming and we appreciate each and every one who ever walked with us on our everlasting and evolving journey. We would like them to retain their trust in Ajit Construction as always. It is for this reason that we at Ajit Construction always welcome and appreciate feedback, suggestions, opinions, and tips from everyone who is, wants to, or still at a distance away from us. This is for the simple reason that we truly believe that unmatched commitment to excellence and honest feedback go a long way to build empires and that's what we want to!

WHAT WE DO

Dedicated to unparalleled quality & customer service, Ajit Construction is the contractor of choice when it comes to pre-construction, program management, interior design management, inspection, design development, construction, and quality control services. We focus on maintaining our outstanding reputation with an uncompromising & unmatched commitment to safety and quality.
