CREATING HOMES WITH CLASS

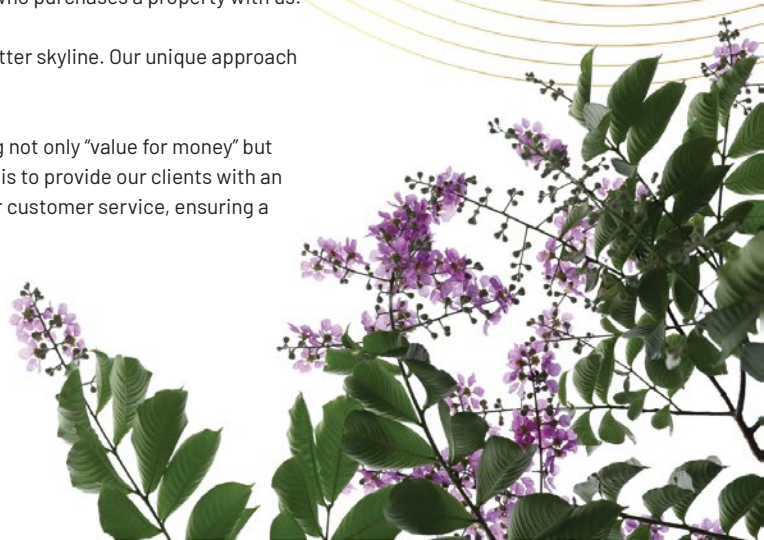

**GULMOHAR
BUILDERS**

Creating homes with class

Gulmohar Builders has been creating homes with class for over 34 years, having developed over 2 million Sq Ft of residential spaces, commercial spaces, mix use developments and hotels in and around Pune & Goa. Our every project reflects a possibility for us to create an environment that is innovative keeping up with modern times and design. We create spaces that inspire, excite & motivate us and every buyer who purchases a property with us.

We see every project as an opportunity to step forward towards building a better skyline. Our unique approach isn't just redefining the construction experience, it's building a new one.

In today's economy, we understand the importance of a home purchase being not only "value for money" but without compromising on quality of our building and craftsmanship, our goal is to provide our clients with an efficiently designed home at affordable prices, keeping our focus on superior customer service, ensuring a complete buying experience from purchase to possession.

DHANORI - THE PERFECT LOCATION FROM EVERY DIRECTION.
