TESTIMONIALS

CHARTER IN THE CARIBBEAN FEBRUARY 2025

“Having sailed a larger boat last year we were wondering how having a single stew would work out. Veronica was attentive and adapted well to our rhythms and that of the boat. Excellent.

My daughter is celiac so becomes ill if she eats gluten, which can be a challenge. Chef Rita and the crew were able to source gluten-free flour so that we all ate gluten free. We never felt we were sacrificing, and meals were fresh, delicious, and according to our preferences. My daughter felt safe. Bravo.

Captain Bubi is competent and clearly loves to sail. He let us do our thing but we felt welcomed, and when pressed a bit he’d regale us with his knowledge and Vendée Globe stories. Awesome.

All the crew were kind, fun, and sensitive to our needs and whims.

And Windrose of Amsterdam! She’s always the prettiest boat in an anchorage (we expected more competition) and she sails beautifully. Perfect combination of tradition and modern construction and engineering. We loved the afterdeck for a sundowner and cockpit and below spaces and comfortable berths. We’d love to sail her again.

CHARTER CARIBBEAN MARCH 2025

“The crew are excellent. Well done to
Javier and his team!”

CHARTER FRENCH POLYNESIA, OCTOBER 2024

“The charter was fantastic. The yacht is a dream of a beauty, the crew is really outstanding. Javier is a super experienced captain, Rita a really excellent cook (we are foodies!), Veronica an extremely professional and charming stewardess; the whole crew very attentive and with a great service with a silent luxury presence, so really great.

The itinerary we developed worked brilliantly, the incoming agency did a great job with very good guides (archeologists, UNESCO trained historians), and fantastic experiences. Pearl hunting super, swimming with whales and mantas a memory we'll have forever. I was eye to eye with a whale baby coming up for air, right in front of my hands! Snorkeling great, the sailing so emotional. Not one negative point. I can only recommend this yacht, crew and cruise .”
