LEMON TREE

Distinctly contemporary but timeless all at once, Lemon Tree is a thoughtfully designed yacht which makes a statement. Cool and crisp as seen from the outside, the chic sophistication is carried through all three of her decks that blend inside/outside living seamlessly. Reminiscent of a trendy loft penthouse, the Italian-designed spaces are calm and airy, with an abundance of natural light. For all her design-led aesthetic, the yacht by no means lacks warmth. Soft, subtle textures throughout, from the soft furnishings to the tactile walls in the guest cabins, enhance the onboard comfort while considered pops of colour offset the neutral tones to create a stylish yet inviting ambience.

INFINITE POSSIBILITIES

Lemon Tree's spectacular, sprawling decks offer a variety of spaces for any occasion. Her large main deck aft area features a huge pool, the glass bottom of which is the ceiling of the gym below while up on the bridge deck there is a calm seating area and a bar, with uninterrupted views, lending itself perfectly to sundowner drinks. Stay close to the ocean on her vast swim platform which has plenty of space for sunbathing and easy access to the water for a cooling dip or a fun-fuelled session with the water toys. With amenities like Lemon Tree's there are infinite possibilities but one definite outcome: an experience of a lifetime.
