TAIBRA

On Taiba quality time with family and friends doesn't mean sacrificing space for you. Taiba is a colourful yacht with fun, child-friendly design, and resonates with a sense of energy and playfulness. While children feel at home and can enjoy the yacht's amazing water toy collection with Taiba's energetic crew or have endless fun in the games room, you can enjoy 7* service in one of the yacht's many social spaces.

BOLD AND BRIGHT

With large interior volume and colourful interior design with bold artwork, Taiba is ideal for families or groups. Dine together in Taiba's clever 360 degree bridge deck dining room, splash around with the whole family on the large swim platform, or enjoy the space and silence of being at sea on a luxury yacht charter. Taiba's well-thought-out layout, with 5 salons and 5 separate decks, means that quiet moments of privacy are easily found, whether these are in the massage room, around the large sun deck jacuzzi, or at the bar on the spacious extra deck above.
