SHERAKHAN

Whatever the location, at land or at sea – and trust us, Sherakhan has seen them all – this 70m powerhouse remains a destination in herself. The centerpiece is a 7m-high atrium garlanded with art deco curves and framed with a magnificent chandelier. Sitting at the 26-seat dining table below feels like having dinner on Jay Gatsby's yacht.

YACHTING AS IT SHOULD BE DONE

Sherakhan specialises in multi-generational exploration. Sleeping up to 26, she knows how to keep everyone entertained. The best seat in the house? That would be whale watching from the prow. Or should we say riding the inflatable slide from the sun deck? Or perhaps the 18-person Jacuzzi on top deck. Wherever you are in the world, Sherakhan won't disappoint. She remains the ultimate discovery yacht.

SHERAKHAN

Thanks to her wide beam, Sherakhan boasts exceptionally spacious interiors throughout, yet is far from imposing, thanks to her homely and comfortable décor which makes guests feel completely at ease.

The 20m long main deck salon is split into two areas. The first is furnished with soft, comfortable sofas and armchairs, with a huge plasma screen and grand piano for entertainment. A fireplace adds to the warm, homely feeling that is prevalent throughout. However, this space's main centrepiece is the 26-seater dining table which sits in a 7m atrium beneath a large chandelier.

WORLDLY AND WONDERFUL

The whole area is bathed in natural light through the glass bottom of the jacuzzi above.

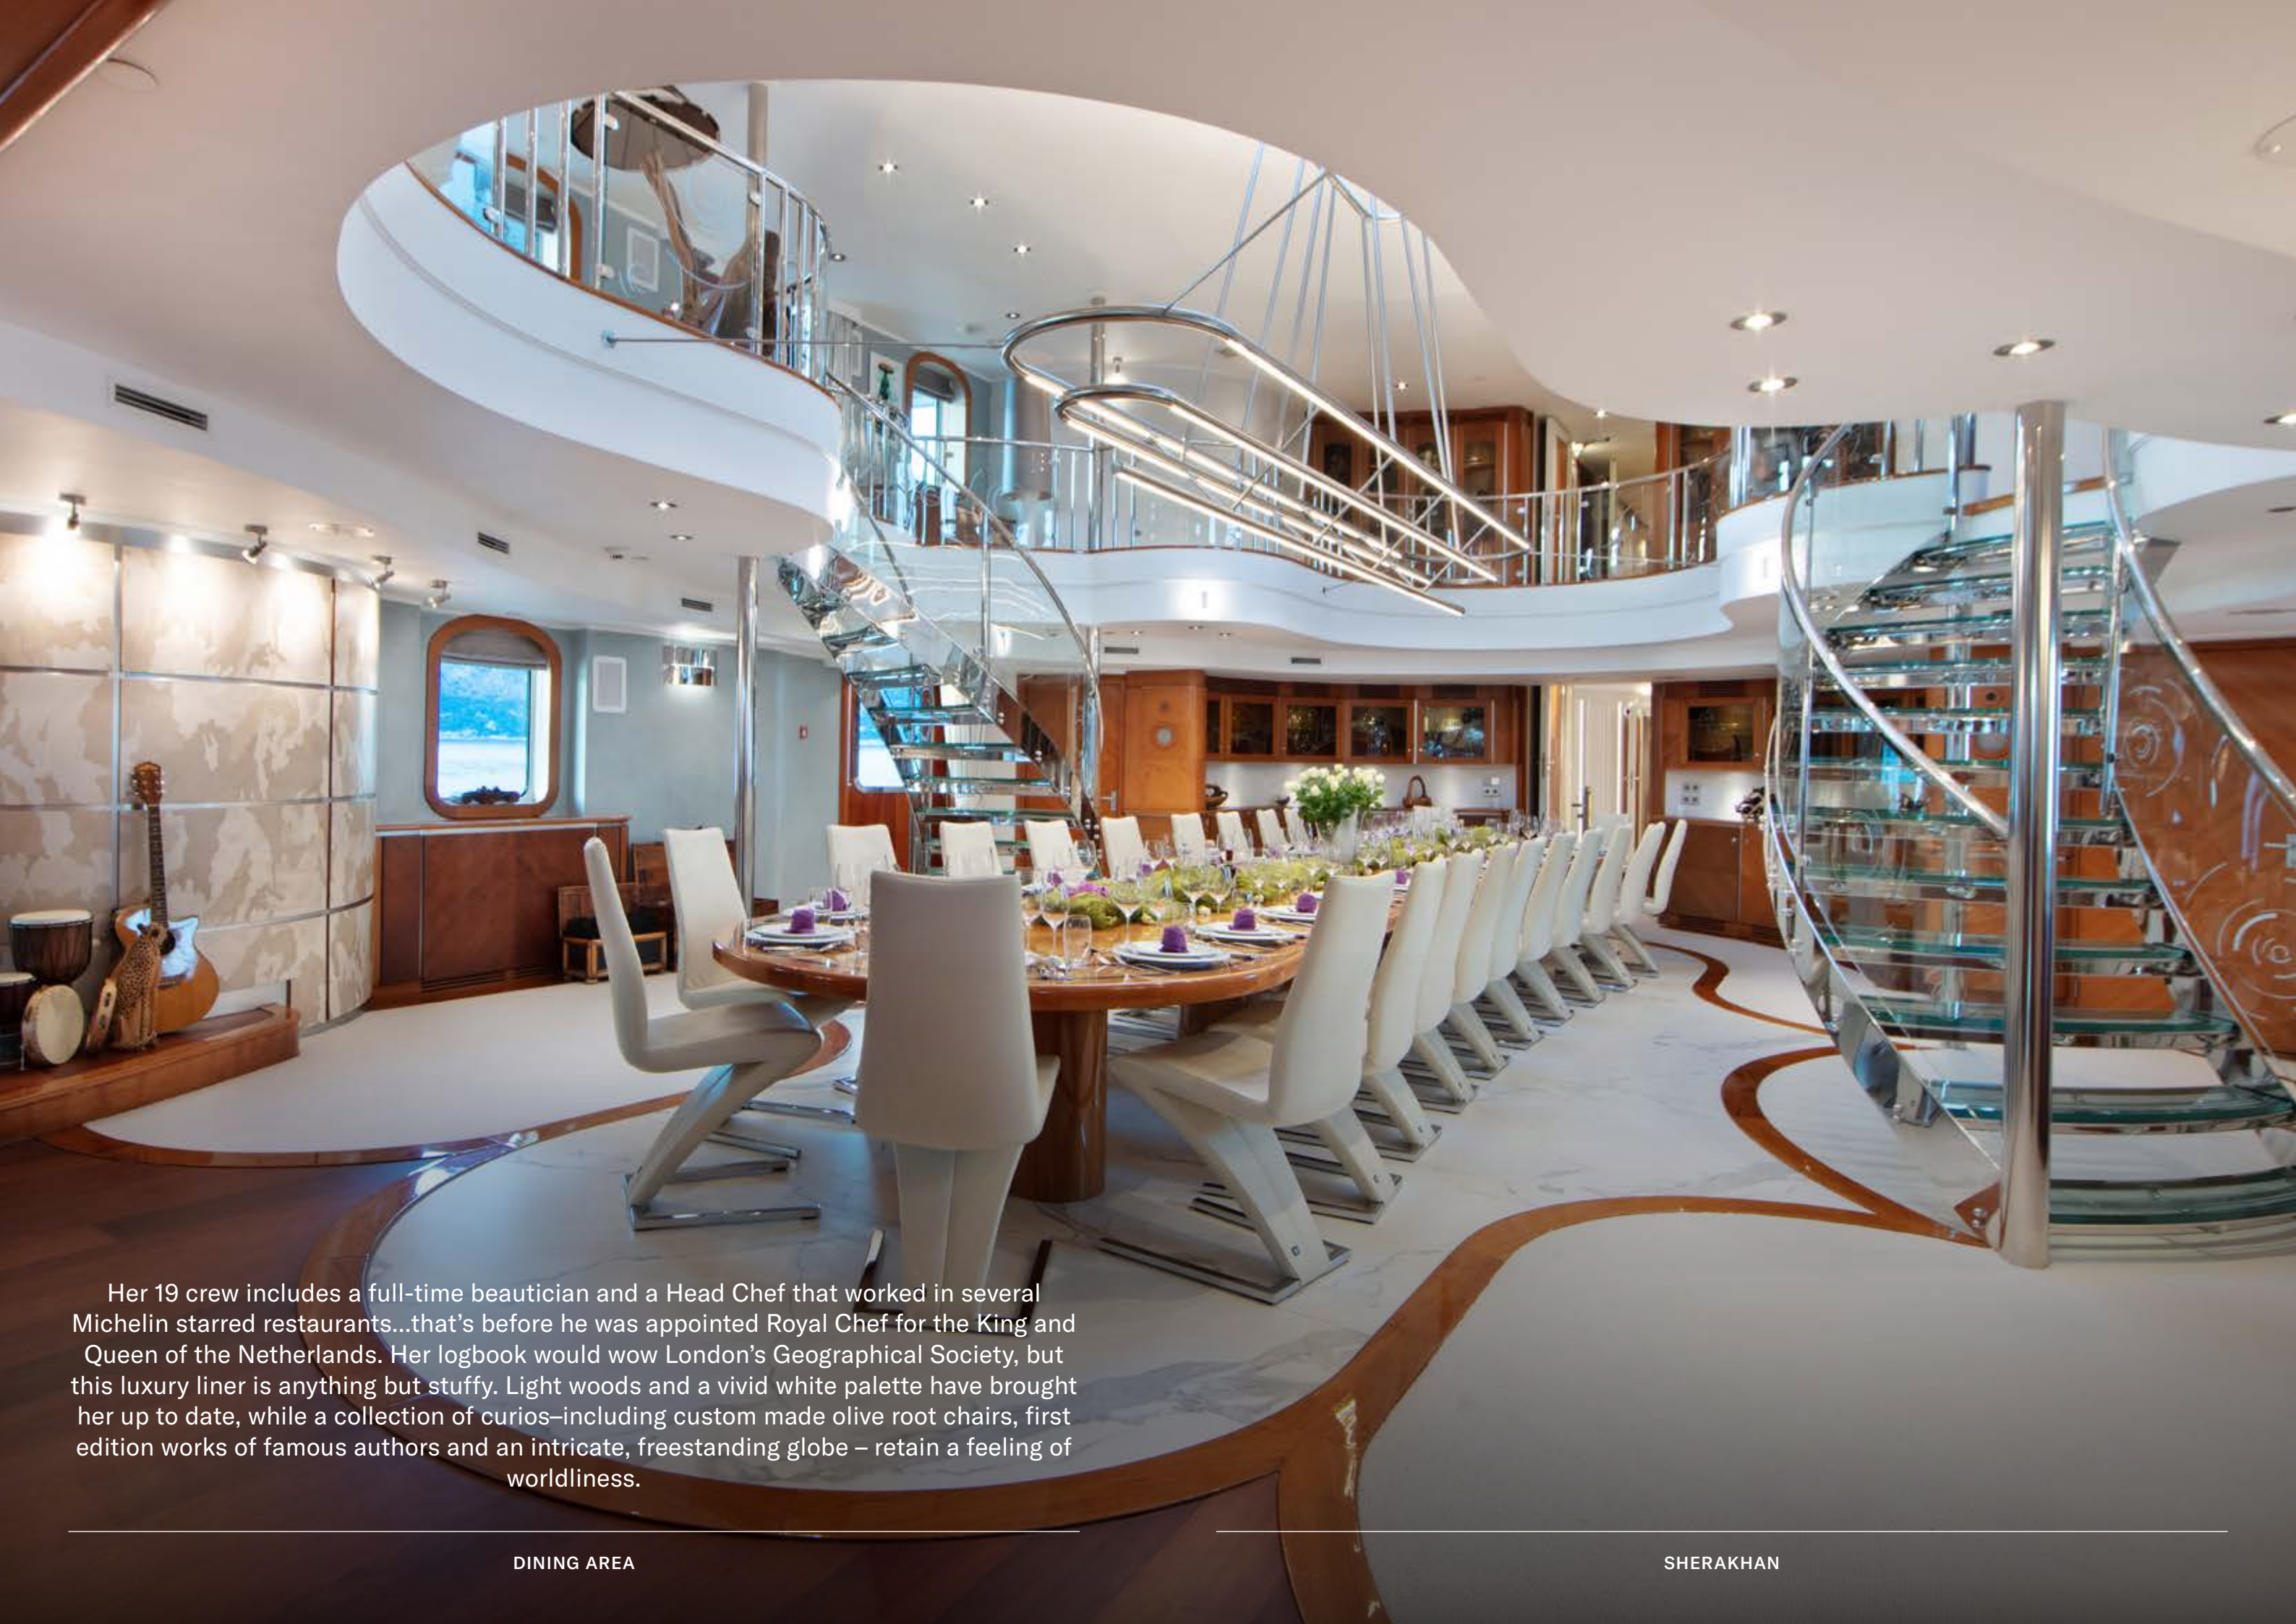

Two sets of staircases rise majestically to the owners deck above, where there is an additional salon with bar and dancefloor.

Continuing on from the main deck salon, you will find a fully equipped gym, as well as a set of stairs down to the lower deck where there is a spa area with sauna, Jacuzzi and massage area.

SHERAKHAN

Her 19 crew includes a full-time beautician and a Head Chef that worked in several Michelin starred restaurants...that's before he was appointed Royal Chef for the King and Queen of the Netherlands. Her logbook would wow London's Geographical Society, but this luxury liner is anything but stuffy. Light woods and a vivid white palette have brought her up to date, while a collection of curios—including custom made olive root chairs, first edition works of famous authors and an intricate, freestanding globe – retain a feeling of worldliness.

SHERAKHAN

Sherakhan accommodates 26 guests in 13 cabins, making her ideal for events or multi-generational family charters. Nine of these are king or convertible double cabins, and four are twins. The master cabin has its own private terrace and central jacuzzi and is situated on the Owner's deck along with one other king size suite, plus an additional double cabin which can be converted to a master suite office.

PLENTY OF ROOM FOR EVERYONE

On the main deck, two kings can interconnect with two twin cabins to form two suites or can be used as four separate cabins if required. On the lower deck there are an additional 6 cabins; two kings, two convertible doubles/twins and two bunked cabins which can be optionally connected to the adjoining doubles as kids' cabins.

Sherakhan's size and beam give her extensive deck areas, all of which are well-utilised with a variety of comfortable wooden outdoor furniture. Al fresco dining is catered for on the main deck aft, while above on the upper deck aft, comfortable seating around a low table provides a perfect coffee or cocktail area.

SPOILT FOR CHOICE

Sunloungers forward of the bridge and on the foredeck provide additional relaxation areas, while the wheelhouse sun deck serves as a natural social hub, with an 18-person jacuzzi, DJ decks, sun loungers and hammocks, additional dining and bar, and full BBQ set up.
