AQUA LARES

Extraordinary adventure requires an extraordinary yacht. Enter Aqua Lares. Previously known as Legend, the yacht has voyaged to some of the remotest places on Earth. As at home in the wilds of Svalbard as she is in the tropics, Aqua Lares allows guests to experience mind-blowing destinations in sublime comfort.

ADVENTURE. EVERYWHERE.

Able to accommodate up to 30 guests in 15 beautiful suites, with an accomplished crew of 33 on hand to provide the highest levels of hospitality, Aqua Lares sets a new standard in on-the-water living. And, with onboard amenities including a cinema, exercise space, treatment room and sauna in addition to a multitude of social spaces for entertainment or relaxation, there's no end to the enjoyment on board.

The spacious interior is imbued with old-school, understated elegance which permeates every space. Refurbished in 2025, the new furnishings are calming, inviting and designed for unparalleled comfort wherever you are in the world. Featuring warm wood panelling and stylish pieces by Minotti and Poltrona Frau, the ambience is sophisticated but laid-back.

REFINED. REFRESHED. REVITALISED.

There is a choice of lounging or dining areas on both the upper and main decks, all of which have been carefully considered and thoughtfully arranged. Unwind, decompress or catch up with the rest of the group to relive the day's adventure over drinks or dinner prepared by the highly-skilled onboard chef. On the main deck is a large cinema while the lower deck is a sanctuary devoted to wellness with a sauna, massage room and indoor jacuzzi for soothing tranquility after a day of fun.
